Re: Case No. 2014-00258  
*Permits for Kentucky American Water's' Richmond Road  
Filter Building Project*

Dear Linda:

In accordance with Ordering Paragraph 2 of the Commission's August 25, 2014 Order in the above-referenced matter, enclosed for filing please find Demolition Building Permit from the Lexington-Fayette Urban County Government that was issued to Kentucky American Water's ("KAW") contractor on July 8, 2016.

With the receipt and filing of this permit, KAW has received and filed with the Commission all of the permits and related documents identified in the Commission's August 25, 2014 Order.

We appreciate your assistance in assuring that we provided all of the permits in accordance with the Commission's Order. If you should have any questions, please contact us at any time.

Sincerely

Kentucky-American Water Company

Brent O'Neill  
Director of Engineering

Lexington Fayette  
Urban County  
Government
