Re: Case No. 2014-00258

Dear Mr. Derouen:

Enclosed please find and accept for filing Kentucky American Water's Responses to the Commission Staff's Second Set of Information Requests and a related Petition for Confidential Treatment. These documents are being filed electronically pursuant to 807 KAR 5:001, Section 8. With the exception of the document for which confidential treatment is being sought, I certify that the electronically filed documents are a true representation of the original paper documents being hand-delivered to the Commission within two business days of the electronic filing. For the confidential document, a redacted version is not being filed electronically because it is confidential in its entirety. It will be submitted in paper medium in accordance with 807 KAR 5:001, Section 13. No party has been excused from electronic participation in this case.

As always, should you have any questions or concerns, please do not hesitate to contact me.

Very truly yours,

Stoll Keenon Ogden PLLC
