Re: Case No. 2014-00267  
Cannonsburg Water District

Dear Ms. Bridwell:

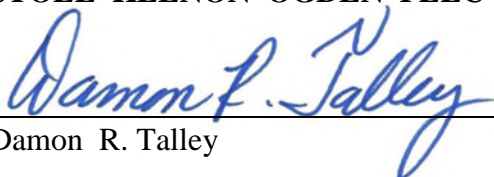

Cannonsburg Water District (Cannonsburg) respectfully requests that Commission Staff reschedule the Informal Conference that is currently scheduled for Thursday, February 18, 2021 at 10:00 a.m. EST.

Cannonsburg's office and most, if not all, of its service area is without electricity or internet service. The entire Ashland area has been hit really hard by the recent ice and snow storm (about 1 to 2 inches of ice along with snow). Tim Webb, the District Manager for Cannonsburg, estimates that the electricity and internet service will probably not be restored for at least one (1) week.

Cannonsburg requests that the Informal Conference be postponed for at least two (2) weeks.

Very truly yours,

**STOLL KEENON OGDEN PLLC**
