RE: Case No. 2014-00267 – Surcharge Activity Report

Ms. Pinson,

Please take a moment to review the status and actions Cannonsburg Water District has taken this month to further gain control of its water loss.

With the freeze and thaw cycles during the winter months, water loss will be expected to fluctuate. Crews continue to track and locate leaks as quickly as possible and make all repairs in a timely manner.

If at any time, you have any questions or concerns regarding this report please, do not hesitate to contact me for further information.

Sincerely,

A handwritten signature in black ink, appearing to read "Tim Webb", is written over the typed name.

Tim Webb
General Manager
