RE: Case No. 2014-00267 – Surcharge Activity Report

Ms. Bridwell,

Please take a moment to review the status and actions Cannonsburg Water District has taken this month to gain control of its water loss.

Leak detection and repair efforts have been on going throughout the month. May has seen a slight decrease in loss due to these efforts.

Shopes Creek Line Replacement Project will soon be under way. Contractor was issued a Notice to Proceed and Contract Documents have been signed. CWD will notify the PSC prior to actual start of construction.

If at any time, you have any questions or concerns regarding this report please, do not hesitate to contact me for further information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tim Webb", is placed above the printed name and title.

Tim Webb
District Manager
