RE: Case No. 2014-00267 – Surcharge Activity Report

Ms. Pinson,

Please take a moment to review the status and actions Cannonsburg Water District has taken this month to further gain control of its water loss.

Phase I Zone Metering Project design and specifications are complete. Project will be going before the Kentucky Infrastructure Authority on February 6th at 1:00pm. Cannonsburg Water District will then file it CPN with the PSC.

Leak repairs are ongoing at this time. Efforts have slowed during this month due to weather.

If at any time, you have any questions or concerns regarding this report please, do not hesitate to contact me for further information.

Sincerely,
