RE: Case No. 2014-00267 – Surcharge Activity Report

Ms. Bridwell,

Please take a moment to review the status and actions Cannonsburg Water District has taken this month to gain control of its water loss.

Leak detection and repair efforts have continued throughout December resulting in a modest amount of water loss reduction. Efforts will continue as we try to stay ahead of the cold weather/warm weather freeze and thaw cycles that typically produce substantial leaks.

If at any time, you have any questions or concerns regarding this report please, do not hesitate to contact me for further information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tim Webb".
