RE: Case No. 2014-00267 – Surcharge Activity Report

Mr. Chandler,

Please take a moment to review the status and actions Cannonsburg Water District has taken this month to gain control of its water loss.

Phase I Zone Metering Project has been bid and all permits have now been obtained. CPNC has been filed with the PSC. Pending PSC approval project is ready for construction.

CWD has been able to find and repair several smaller leaks during this time. Leak discovery efforts are on going as weather and manpower permits.4

If at any time, you have any questions or concerns regarding this report please, do not hesitate to contact me for further information.

Sincerely,
