RE: Case No. 2014-00267 – Surcharge Activity Report

Ms. Bridwell,

Please take a moment to review the status and actions Cannonsburg Water District has taken this month to gain control of its water loss.

The Shopes Creek Phase II Water Loss Project is still in the permitting phase with the Division of Water. Anticipated bid for this project is now estimated at June 2023.

Leak detection and repair efforts have been on-going although, staffing issues due to medical leave of 3 of 7 field employees have led to less detection time than usual.

If at any time, you have any questions or concerns regarding this report please, do not hesitate to contact me for further information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tim Webb".

Tim Webb  
District Manager
