**RE: Case No. 2014-00271**

Dear Mr. Derouen:

Staff recently notified Kentucky Power Company that its August 10, 2015 filing of the July 30, 2015 Market Potential Assessment produced by Applied Energy Group for the Company was incomplete. Electronically filed with this letter are the following additional materials:

- (a) Appendix A to Volume 2 of the Market Potential Assessment;
- (b) Appendix B to Volume 2 of the Market Potential Assessment; and
- (c) Appendix C to Volume 3 of the Market Potential Assessment.

Staff also inquired concerning Appendix B to Volume 3 of the Market Potential Assessment and the Excel spreadsheets associated with Volume 5 of the Assessment. Appendix B to Volume 3 was filed with Volume 5 at pages 3-15 (pages 252 to 264 of the August 10, 2015 filing) and labeled "Appendix B Potential Factors." The Excel spreadsheet icons referenced at pages 16-17 of Volume 5 (pages 265-266 of the August 10, 2015 filing) of the Assessment constitute Appendix C to Volume 3 of the Assessment and are being supplied with this filing as described above.

The Company apologizes for the omissions. Please do not hesitate to contact me if you have any questions.
