Re: In the Matter of the Application of Duke Energy Kentucky, Inc. to Amend its
Demand Side Management Programs
Case No. 2014-00280

Dear Mr. Derouen:

This Commission issued an Order on January 28, 2015, in the captioned matter, requiring that Duke Energy Kentucky file an executed contract with the SBES contractor, SmartWatt Energy, Inc., along with the percentage of contract costs applicable to Duke Energy Kentucky. As such, the contract and a Petition for Confidential Treatment is being filed electronically pursuant to 807 KAR 5:001(8). The electronic filing does not include the confidential contract, but it will be included with the paper filing. One (1) paper copy will be filed with the Commission via overnight mail. I certify that the electronic documents are true and accurate copies of the original documents.

Assuming all program kWh projections are met for both Ohio & Kentucky, Kentucky will account for 16.99% of the SBES contract costs with SmartWatt Energy.

Please file stamp the two copies of this letter and Petition enclosed herein and return in the enclosed return-addressed envelope.

Very truly yours,

Rocco D'Ascenzo
