**Re: In The Matter of: The Application of Kentucky Utilities Company for an Adjustment of its Electric Rates, Case No. 2014-00371.**

Dear Mr. DeRouen:

The Attorney General submits this cover letter for his electronic filing in this case, and it serves as the Read1st introductory file. The filing is a supplement to the responses to Requests for Information from Kentucky Utilities in the above-referenced case, which is an addition to the original set of documents submitted by the Office of the Attorney General on Monday, April 6, 2015. One file was inadvertently left out of the Original, and is included here by reference.

In accordance with 807 KAR 5:001 Section 8, Counsel certifies that the electronically filed documents are a true representation of the original paper document(s) being hand delivered to the Commission no later than the second day after this electronic filing, that all materials in the paper documents are included in the electronic filing, and that no party has been excused from participation by electronic service. In accordance with 807 KAR 5:001 Section 8 and the Commission's 12 December 2014 Order, the Attorney General is filing with the Commission one paper original and three (3) copies of the filing.

Should you have any questions, please feel free to contact me at your convenience.

Yours very truly,
