ATTORNEY GENERAL'S MOTION FOR DEVIATION OF
ELECTRONIC FILING REGULATIONS AND PROCEDURAL ORDER

The Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention, respectfully requests a deviation from the Electronic Filing Regulations found at 807 KAR 5:001 Sections 8(3) and the Order of Procedure 12 December 2014. Specifically, the Attorney General requests that he be excused from filing any documents in a paper medium for the Data Request Responses Nos. 3 and 4 of Dr. Randall Woolridge. For cause, the Attorney General states that Dr. Randall Woolridge's Response to the Companies Data Request Nos. 3 and 4 totals 4,000 pages or more. The documents original format is electronic and printing a total of 4 paper copies of the documents would require excessive time, money, and paper, which the Attorney General does not wish to needlessly expend. The remainder of the Responses to the Data Requests shall be filed in accordance with the rules and in conformity with the Procedural Order of December 12, 2014.

WHEREFORE, the Attorney General requests a deviation from the requirement that the parties provide an original, plus three paper copies of the data responses.

Respectfully submitted,

JACK CONWAY
ATTORNEY GENERAL
