**RE: Application of Kentucky Utilities Company for an Adjustment of Its Electric Rates – Case No. 2014-00371**

Dear Mr. DeRouen:

Kentucky Utilities Company electronically filed its Responses to the Commission Staff's Second Request for Information. During the upload process, Kentucky Utilities Company's ("KU" or "Company") numbering of the Excel files submitted in response to Question No. 60 resulted in a mismatch with the numbering as shown on the uploaded attachment. Enclosed please find and accept for filing a revised Attachment to KU PSC 1-60 Excel File Index, wherein the numbering matches the document descriptions of the Excel files.

In accordance with 807 KAR 5:001, Section 8, this is to certify that the electronically filed documents are a true and accurate copy of the same documents being filed in paper medium; that the electronic filing has been transmitted to the Commission on January 23, 2015; that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means; and that the original and three copies in paper medium of this filing will be filed by hand-delivery with the Commission within two business days from the date of the electronic filing.

Should you have any questions regarding the enclosed, please contact me at your convenience.

Mr. Jeff DeRouen
