In the fourth quarter of 2013, management tested the Brunner Island and Montour plants for impairment and concluded neither was impaired as of December 31, 2013. There were no events or changes in circumstances that indicated a recoverability test was required to be performed in 2014. The carrying value of the Pennsylvania coal-fired generation assets was \$2.5 billion as of June 30, 2014 (\$1.3 billion for Brunner Island and \$1.2 billion for Montour).

As a result of current economic and market conditions, the announced transaction with affiliates of Riverstone to form Talen Energy, PPL Energy Supply's current sub-investment grade credit rating and Talen Energy's expected sub-investment grade credit rating, PPL Energy Supply is reviewing its business and operational plans. This review includes capital and operation and maintenance expenditures, its hedging strategies and potential plant modifications to burn lower cost fuels. See "Margins - Changes in Non-GAAP Financial Measures - Unregulated Gross Energy Margins" below for additional information on energy margins. Full-year 2014 energy margins are projected to be lower compared to 2013 due to a higher average hedge price in 2013, partially offset by higher pricing on unhedged generation.

Anticipated Spinoff of PPL Energy Supply

(PPL, PPL Energy Supply and PPL Electric)

Following the announcement of the transaction to form Talen Energy as discussed in "Business Strategy" above, efforts have been initiated to identify the appropriate staffing for Talen Energy and for PPL and its subsidiaries following completion of the spinoff. Organizational plans are expected to be completed by the end of 2014. As a result, charges for employee separation and related costs are anticipated to be recorded in future periods. The separation costs to be incurred include cash severance compensation, lump sum COBRA reimbursement payments, accelerated stock-based compensation vesting, pro-rated performance-based cash incentive and stock-based compensation awards and outplacement services. At present, there is considerable uncertainty as to the range of costs that will be incurred and when those costs will be recognized, as the amount of each category of costs will depend on the number of employees leaving the company, current position and compensation level, years of service and expected separation date. Additionally, certain of these costs are expected to be reimbursed to PPL by Talen Energy upon closing of the transaction. As a result, a range of the separation costs associated with the spinoff transaction and the timing of when those costs will be recognized cannot be reasonably estimated at this time but could be material.

(PPL)

As a result of the spinoff announcement, PPL recorded \$46 million of deferred income tax expense during the three and six months ended June 30, 2014 to adjust valuation allowances on deferred tax assets primarily for state net operating loss carryforwards that were previously supported by the future earnings of PPL Energy Supply.

In addition, PPL recorded \$16 million of third-party costs during the three and six months ended June 30, 2014 related to this transaction in "Other Income (Expense) - net" on the Statement of Income, primarily for investment bank advisory, legal, consulting and accounting fees. PPL cannot currently estimate a range of total third-party costs that will ultimately be incurred; however, additional costs of at least \$26 million will be recognized upon closing of the transaction.

The assets and liabilities of PPL Energy Supply will continue to be classified as "held and used" on PPL's Balance Sheet until the closing of the transaction. The spinoff announcement was evaluated and determined not to be an event or a change in circumstance that required a recoverability test or a goodwill impairment assessment. However, an impairment loss could be recognized by PPL at the spinoff date if the aggregate carrying amount of PPL Energy Supply's assets and liabilities exceeds its aggregate fair value at that date. PPL cannot currently predict whether an impairment loss will be recorded at the spinoff date.

(PPL Energy Supply)

PPL Energy Supply will treat the combination with RJS Power as an acquisition, as PPL Energy Supply will be considered the accounting acquirer in accordance with business combination accounting guidance.

Montana Hydro Sale Agreement (PPL and PPL Energy Supply)

In September 2013, PPL Montana executed a definitive agreement to sell to NorthWestern 633 MW of hydroelectric generating facilities located in Montana for \$900 million in cash, subject to certain adjustments. In April 2014, the DOJ and Federal Trade Commission granted early termination of PPL Montana's and NorthWestern's notifications under the Hart-Scott-Rodino Antitrust Improvements Act of 1976. The sale remains subject to closing conditions, including receipt of regulatory approvals by the FERC and the MPSC and certain third-party consents. The sale is not expected to close before the fourth quarter of 2014.

Ofgem Review of Line Loss Calculation

In March 2014, Ofgem issued its final decision on the methodology to be used by all network operators to calculate the final line loss incentives and penalties for the DPCR4, which ended in March 2010. As a result, in the first quarter of 2014 WPD recorded an increase of \$65 million to its existing liability with a reduction to "Utility" revenues on the Statement of Income. In June 2014, WPD applied for judicial review of certain of Ofgem's decisions related to closing out the DPCR4 line loss mechanism. The primary relief sought is for Ofgem to reconsider the overall proportionality of penalties imposed on WPD. The entire process could last through the second quarter of 2015. WPD's total recorded liability at June 30, 2014 was \$106

million, all of which will be refunded to customers beginning April 1, 2015 through March 31, 2019. See Note 6 to the Financial Statements for additional information.

RIO-ED1 - Fast Tracking

In February 2014, WPD elected to accept the decision of Ofgem to set the real cost of equity to be used during the RIO-ED1 period at 6.4% compared to 6.7% proposed by WPD, and remain in the fast-track process. The change in the cost of equity is not expected to have a significant impact on the results of operations for PPL. Also, in February 2014, Ofgem published formal confirmation that WPD's Business Plans submitted by its four DNOs have been accepted as submitted, or "fast-tracked," for the eight-year price control period starting April 1, 2015. Fast tracking affords several benefits to the WPD DNOs including the ability to collect additional revenue equivalent to 2.5% of total annual expenditure during the eight-year price control period, or approximately \$35 million annually, greater revenue certainty and a higher level of cost savings retention. The deadline to challenge the fast tracking occurred in June 2014 and no third parties have filed objections. See "Item 1. Business - Segment Information - U.K. Regulated Segment" of PPL's 2013 Form 10-K for additional information on RIO-ED1.

Distribution Revenue Reduction

As discussed in PPL's 2013 Form 10-K, in December 2013, WPD and other U.K. DNOs announced agreements with the U.K. Department of Energy and Climate Change and Ofgem to a reduction of £5 per residential customer of electricity distribution revenues that otherwise would have been collected in the regulatory year beginning April 1, 2014. Full recovery of the revenue reduction, together with the associated carrying cost, was expected to occur during the regulatory year beginning April 1, 2015 for three of the WPD DNOs, and over the eight year RIO-ED1 regulatory period for the fourth DNO. However, in July 2014, Ofgem decided that full recovery will occur for all WPD DNOs in the regulatory year beginning April 1, 2016. PPL projects that, as a result of this change and changes in foreign exchange rate assumptions, 2014 and 2015 earnings for its U.K. Regulated segment will now be adversely affected by \$31 million and \$16 million, respectively, and earnings for 2016 will be positively affected by \$33 million with the remainder to be recovered in later periods.

2011 Equity Units

In March 2014, PPL Capital Funding remarketed \$978 million of 4.32% Junior Subordinated Notes due 2019 that were originally issued in April 2011 as a component of PPL's 2011 Equity Units. In connection with the remarketing, PPL Capital Funding retired \$228 million of the 4.32% Junior Subordinated Notes due 2019 and issued \$350 million of 2.189% Junior Subordinated Notes due 2017 and \$400 million 3.184% of Junior Subordinated Notes due 2019. Simultaneously the newly issued Junior Subordinated Notes were exchanged for \$350 million of 3.95% Senior Notes due 2024 and \$400 million of 5.00% Senior Notes due 2044. In May 2014, PPL issued 31.7 million shares of common stock at \$30.86 per share to settle the 2011 Purchase Contracts. PPL received net cash proceeds of \$978 million, which were used to repay short-term debt and for general corporate purposes.

Kerr Dam Project Arbitration Decision and Impairment (PPL Energy Supply)

PPL Montana holds a joint operating license issued for the Kerr Dam Project. The license extends until 2035 and, between 2015 and 2025, the Confederated Salish and Kootenai Tribes of the Flathead Nation (the Tribes) have the option to purchase, hold and operate the Kerr Dam Project. The parties submitted the issue of the appropriate amount of the conveyance price to arbitration in February 2013. In March 2014, the arbitration panel issued its final decision holding that the conveyance price payable by the Tribes to PPL Montana is \$18 million. As a result of the decision, in the first quarter of 2014 PPL Energy Supply performed a recoverability test on the Kerr Dam Project and recorded an impairment charge of \$18 million (\$10 million after-tax) to reduce the carrying amount to its fair value, at that time, of \$29 million. See Note 13 to the Financial Statements for additional information.

Susquehanna Turbine Blade Inspection (PPL and PPL Energy Supply)

PPL Susquehanna continues to make modifications to address the causes of turbine blade cracking at the PPL Susquehanna nuclear plant that was first identified in 2011. In March 2014, Unit 2 completed its planned turbine inspection outage to replace blades. Unit 1 completed its planned refueling and turbine inspection outage in June 2014. Similar blade replacements were completed and modifications will also be implemented to reduce the likelihood of blade cracking, including the installation of shorter last stage blades on one of the low pressure turbines. In June 2014, Unit 2 was shut down for blade inspection and replacement, as well as additional maintenance. Unit 2 returned to service in early July and the

financial impact of the Unit 2 outage was not material. PPL Susquehanna will continue to monitor blade performance and work with the turbine manufacturer to identify and resolve the issues causing the blade cracking.

Regional Transmission Expansion Plan (PPL and PPL Electric)

On July 31, 2014, PPL Electric announced that it had submitted a proposal to PJM to build a new regional transmission line pursuant to the competitive solicitation process authorized by FERC Order 1000. The proposed line would run from western Pennsylvania into New York and New Jersey and also south into Maryland, covering approximately 725 miles. The line would help ensure adequate supplies of electricity to replace existing coal-fired power plants that are expected to retire. As proposed, the project would begin in 2017 and the line would be in operation between 2023 and 2025. The project is estimated to cost \$4 billion to \$6 billion.

Storm Damage Expense Rider (SDER) (PPL Electric)

In its December 28, 2012 final rate case order, the PUC directed PPL Electric to file a proposed SDER. In March 2013, PPL Electric filed its proposed SDER with the PUC and, as part of that filing, requested recovery of the 2012 qualifying storm costs related to Hurricane Sandy. On April 3, 2014, the PUC issued a final order approving the SDER. The SDER will be effective January 1, 2015 and will initially include actual storm costs compared to collections from December 2013 through November 2014. As a result of the order, PPL Electric reduced its regulatory liability by \$12 million related to collections in excess of costs incurred from January 1, 2013 to November 30, 2013 that are not required to be refunded to customers. Also, as part of the order, PPL Electric can recover Hurricane Sandy storm damage costs through the SDER over a three-year period beginning January 2015. On June 20, 2014, the Office of Consumer Advocate filed a petition for review of the April 2014 order with the Commonwealth Court of Pennsylvania. The case remains pending. See "Pennsylvania Activities - Storm Damage Expense Rider" in Note 6 to the Financial Statements for additional information.

FERC Wholesale Formula Rates (LKE and KU)

In September 2013, KU filed an application with the FERC to adjust the formula rate under which KU provides wholesale requirements power sales to 12 municipal customers. Among other changes, the application requests an amended formula whereby KU would charge cost-based rates with a subsequent true-up to actual costs, replacing the current formula which does not include a true-up. KU's application proposed an authorized return on equity of 10.7%. Certain elements, including the new formula rate, became effective April 23, 2014 subject to refund. In April 2014, nine municipalities submitted notices of termination, under the original notice period provisions, to cease taking power under the wholesale requirements contracts, such terminations to be effective in 2019, except in the case of one municipality with a 2017 effective date. In July 2014, KU agreed on settlement terms with the two municipal customers that did not provide termination notices and filed the settlement proposal with the FERC for its approval. If approved, the settlement agreement will resolve the rate case with respect to these two municipalities, including an authorized return on equity of 10% or the return on equity awarded to other parties in this case, whichever is lower. Also in July 2014, KU made a contractually required filing with the FERC that addressed certain rate recovery matters affecting the nine terminating municipalities during the remaining term of their contracts. KU cannot currently predict the outcome of its FERC applications regarding its wholesale power agreements with the municipalities.

Results of Operations

(PPL)

The discussion for PPL provides a review of results by reportable segment. The "Margins" discussion provides explanations of non-GAAP financial measures (Kentucky Gross Margins, Pennsylvania Gross Delivery Margins and Unregulated Gross Energy Margins) and a reconciliation of non-GAAP financial measures to "Operating Income." The "Statement of Income Analysis" discussion addresses significant changes in principal line items on PPL's Statements of Income, comparing the three and six months ended June 30, 2014 with the same periods in 2013. "Segment Earnings, Margins and Statement of Income Analysis" is presented separately for PPL.

Tables analyzing changes in amounts between periods within "Segment Earnings" and "Statement of Income Analysis" are presented on a constant U.K. foreign currency exchange rate basis, where applicable, in order to isolate the impact of the change in the exchange rate on the item being explained. Results computed on a constant U.K. foreign currency exchange rate basis are calculated by translating current year results at the prior year weighted-average U.K. foreign currency exchange rate.

The discussion for each of PPL Energy Supply, PPL Electric, LKE, LG&E and KU provides a summary of earnings. U.K. Regulated Segment

The U.K. Regulated segment consists of PPL Global, which primarily includes WPD's regulated electricity distribution operations and certain costs, such as U.S. income taxes, administrative costs and allocated financing costs. The U.K. Regulated segment represents 72% of Net Income Attributable to PPL Shareowners for the six months ended June 30, 2014 and 34% of PPL's assets at June 30, 2014.

U.K.

- Higher utility revenues for the three-month period primarily due to a \$52 million impact from the April 1, 2014 and 2013 price increases, partially offset by \$33 million of lower volume due primarily to weather.

Higher utility revenues for the six-month period primarily due to a \$120 million impact from the April 1, 2014 and 2013 price increases, partially offset by \$56 million of lower volume due primarily to weather and \$7 million from adverse customer mix.

- Lower other operation and maintenance for the six-month period primarily due to \$17 million of lower pension expense and \$9 million of lower engineering management expense, partially offset by \$16 million of higher network maintenance expense.
- Higher depreciation expense for the three and six-month periods primarily due to PP&E additions.
- Higher interest expense for the three and six-month periods primarily due to the October 2013 debt issuance.

U.S.

- Higher income taxes for the three and six-month periods primarily due to a \$19 million 2013 adjustment related to a ruling obtained from the IRS impacting the recalculation of 2010 U.K. earnings and profits.

The following after-tax gains (losses), which management considers special items, also impacted the U.K. Regulated segment's results during the periods ended June 30.

(b) In May 2013, the U.S. Supreme Court reversed the December 2011 ruling, by the U.S. Court of Appeals for the Third Circuit, concerning the creditability for income tax purposes of the U.K. Windfall Profits Tax. As a result of the U.S. Supreme Court ruling, PPL recorded an income tax benefit during the three and six months ended June 30, 2013. See Note 5 to the Financial Statements for additional information.

(c) WPD Midlands recorded an adjustment to its line loss accrual in June 2013 based on information provided by Ofgem regarding the calculation of line loss incentive/penalty for all network operators related to DPCR4, a price control period that ended prior to PPL's acquisition of WPD Midlands. In March 2014, Ofgem issued its final decision on the DPCR4 line loss incentives and penalties mechanism. As a result, WPD increased its existing liability by \$65 million for over-recovery of line losses. See Note 6 to the Financial Statements for additional information.

Kentucky Regulated Segment

The Kentucky Regulated segment consists primarily of LKE's regulated electricity generation, transmission and distribution operations of LG&E and KU, as well as LG&E's regulated distribution and sale of natural gas in Kentucky. In addition, certain financing costs are allocated to the Kentucky Regulated segment. The Kentucky Regulated segment represents 30% of Net Income Attributable to PPL Shareowners for the six months ended June 30, 2014 and 25% of PPL's assets at June 30, 2014.

- Higher depreciation expense for the three and six month periods primarily due to PP&E additions, net.
- Lower interest expense for the three and six month periods primarily due to the remarketing of the PPL Capital Funding Junior Subordinated Notes component of the 2010 Equity Units and simultaneous exchange into Senior Notes in the second quarter of 2013 partially offset by increased expense due to the issuance of \$500 million First Mortgage Bonds in November 2013.
- Higher income taxes for the three and six month periods primarily due to higher pre-tax income.

In addition, certain financing costs are allocated to the Pennsylvania Regulated segment. The Pennsylvania Regulated segment represents 25% of Net Income Attributable to PPL Shareowners for the six months ended June 30, 2014 and 15% of PPL's assets at June 30, 2014.

- Higher income taxes for the three and six-month periods primarily due to higher pre-tax income.

The following after-tax gains (losses), which management considers a special item, also impacted the Pennsylvania Regulated segment's results during the periods ended June 30.

Supply Segment

The Supply segment primarily consists of PPL Energy Supply's wholesale, retail, marketing and trading activities, as well as its competitive generation operations. In addition, certain financing and other costs are allocated to the Supply segment. The Supply segment represents negative 13% of Net Income Attributable to PPL Shareowners for the six months ended June 30, 2014 and 25% of PPL's assets at June 30, 2014.

In June 2014, PPL and PPL Energy Supply, which primarily represents PPL's Supply segment, executed definitive agreements with affiliates of Riverstone to combine their competitive power generation businesses into a new, stand-alone, publicly traded, independent power producer named Talen Energy. Upon completion of this transaction, PPL will no longer have a Supply segment. See Note 8 to the Financial Statements for additional information.

The changes in the results of the Supply segment between these periods were due to the factors set forth below, which reflect amounts classified as Unregulated Gross Energy Margins and certain items that management considers special on separate lines within the table and not in their respective Statement of Income line items. See below for additional detail of these special items.

	Three Months	Six Months

- See "Margins - Changes in Non-GAAP Financial Measures" for an explanation of Unregulated Gross Energy Margins.
- Lower interest expense for the three and six-month periods primarily due to the repayment of debt in July and December 2013.
- Higher income taxes for the three and six-month periods primarily due to higher pre-tax income.

The following after-tax gains (losses), which management considers special items, also impacted the Supply segment's results during the periods ended June 30.

Amounts have been adjusted for option premiums of \$2 million, \$0, \$4 million and \$1 million.
- (b) See Note 13 to the Financial Statements for additional information.
- (c) In June 2014, PPL Energy Supply's largest IBEW local ratified a new three-year labor agreement. In connection with the new agreement, estimated bargaining unit one-time voluntary retirement benefits were recorded. See Note 10 to the Financial Statements for additional information.

Margins

Non-GAAP Financial Measures

Management utilizes the following non-GAAP financial measures as indicators of performance for its businesses.

- "Kentucky Gross Margins" is a single financial performance measure of the Kentucky Regulated segment's, LKE's, LG&E's and KU's electricity generation, transmission and distribution operations as well as LKE's and LG&E's distribution and sale of natural gas. In calculating this measure, fuel, energy purchases and certain variable costs of production (recorded as "Other operation and maintenance" on the Statements of Income) are deducted from revenues. In addition, certain other expenses, recorded as "Other operation and maintenance" and "Depreciation" on the Statements of Income, associated with approved cost recovery mechanisms are offset against the recovery of those expenses, which are included in revenues. These mechanisms allow for direct recovery of these expenses and, in some cases, returns on capital investments and performance incentives. As a result, this measure represents the net revenues from the electricity and gas operations.
- "Pennsylvania Gross Delivery Margins" is a single financial performance measure of the Pennsylvania Regulated segment's and PPL Electric's electricity delivery operations, which includes transmission and distribution activities. In calculating this measure, utility revenues and expenses associated with approved recovery mechanisms, including energy provided as a PLR, are offset with minimal impact on earnings. Costs associated with these mechanisms are recorded in "Energy purchases," "Other operation and maintenance," which is primarily Act 129 costs, and "Taxes, other than income," which is primarily gross receipts tax. This performance measure includes PLR energy purchases by PPL Electric from PPL EnergyPlus, which are reflected in "PLR intersegment utility revenue (expense)" in the reconciliation table below (in "Energy purchases from affiliate" in PPL Electric's reconciliation table). As a result, this measure represents the net revenues from the Pennsylvania Regulated segment's and PPL Electric's electricity delivery operations.
- "Unregulated Gross Energy Margins" is a single financial performance measure of the Supply segment's and PPL Energy Supply's competitive energy activities, which are managed on a geographic basis. In calculating this measure, energy revenues, including operating revenues associated with certain businesses classified as discontinued operations, are offset by the cost of fuel, energy purchases, certain other operation and maintenance expenses, primarily ancillary charges, gross receipts tax, recorded in "Taxes, other than income," and operating expenses associated with certain businesses classified as discontinued operations. This performance measure is relevant due to the volatility in the individual revenue and expense lines on the Statements of Income that comprise "Unregulated Gross Energy Margins." This volatility stems from a number of factors, including the required netting of certain transactions with ISOs and significant fluctuations in unrealized gains and losses. Such factors could result in gains or losses being recorded in either "Unregulated wholesale energy", "Unregulated retail energy" or "Energy purchases" on the Statements of Income. This performance measure includes PLR revenues from energy sales to PPL Electric by PPL EnergyPlus, which are reflected in "PLR intersegment utility revenue (expense)" in the reconciliation table below (in "Unregulated wholesale energy to affiliate" in PPL Energy Supply's reconciliation table). "Unregulated Gross Energy Margins" excludes adjusted energy-related economic activity, which includes the changes in fair value of positions used to economically hedge a portion of the economic value of the competitive generation assets, full-requirement sales contracts and retail activities. This economic value is subject to changes in fair value due to market price volatility of the input and output commodities (e.g., fuel and power) prior to the

delivery period that was hedged. Adjusted energy-related economic activity includes the ineffective portion of qualifying cash flow hedges and premium amortization associated with options. Unrealized gains and losses related to this activity are deferred and included in "Unregulated Gross Energy Margins" over the delivery period of the item that was hedged or upon realization.

These measures are not intended to replace "Operating Income," which is determined in accordance with GAAP, as an indicator of overall operating performance. Other companies may use different measures to analyze and report their results of operations. Management believes these measures provide additional useful criteria to make investment decisions. These performance measures are used, in conjunction with other information, by senior management and PPL's Board of Directors to manage the operations, analyze actual results compared with budget and, in certain cases, to measure certain corporate financial goals used to determine variable compensation.

Kentucky Gross Margins

Kentucky Gross Margins increased for the three months ended June 30, 2014 compared with 2013 primarily due to returns on additional environmental capital investments of \$14 million (\$6 million at LG&E and \$8 million at KU), and higher volumes of \$5 million at LG&E. The change in volumes was primarily attributable to favorable weather conditions in 2014.

Kentucky Gross Margins increased for the six months ended June 30, 2014 compared with 2013 primarily due to returns on additional environmental capital investments of \$27 million (\$11 million at LG&E and \$16 million at KU), higher volumes of \$25 million (\$7 million at LG&E and \$18 million at KU), higher demand revenue of \$9 million (\$5 million at LG&E and \$4 million at KU) and higher off-system sales at LG&E of \$7 million. The changes in volumes and demand revenue were primarily attributable to unusually cold weather conditions in the first quarter of 2014.

Pennsylvania Gross Delivery Margins

Distribution

Margins increased for the six months ended June 30, 2014 compared with 2013 primarily due to a \$12 million benefit from a change in estimate of a regulatory liability, a \$10 million favorable effect of unusually cold weather in the first quarter of 2014 and a \$9 million favorable effect of distribution improvement capital investments. See "Pennsylvania Activities - Storm Damage Expense Rider" in Note 6 to the Financial Statements for additional information.

Transmission

Margins increased for the three and six months ended June 30, 2014 compared with 2013 primarily due to increased investment in plant and the recovery of additional costs through the FERC formula based rates.

Unregulated Gross Energy Margins

Eastern U.S.

Eastern margins increased for the three months ended June 30, 2014 compared with 2013 primarily due to favorable asset availability of \$76 million, unrealized gains on certain commodity positions of \$42 million and higher capacity prices of \$27 million, partially offset by lower baseload energy prices of \$109 million.

Eastern margins increased for the six months ended June 30, 2014 compared with 2013 primarily due to higher capacity prices of \$101 million, unrealized gains on certain commodity positions of \$60 million and favorable asset availability of \$50 million, partially offset by lower baseload energy prices of \$201 million.

During the first quarter of 2014, the PJM region experienced unusually cold weather conditions, higher demand and congestion patterns, causing rising natural gas and electricity prices in spot and near-term forward markets. Due to these market dynamics, PPL Energy Supply captured opportunities on unhedged generation, which were primarily offset by under-hedged full-requirement sales contracts and retail electric. The net benefit, due to the aforementioned weather and related market dynamics, was \$38 million for the six months ended June 30, 2014 compared with 2013.

Western U.S.

Western margins decreased for the six months ended June 30, 2014 compared with 2013 primarily due to lower availability of coal units.

(e) The three and six-month periods were impacted by unfavorable accrual adjustments in 2013 based on Ofgem's consultation documents on the DPCR4 line loss incentives and penalties. The six-month period was also impacted by unfavorable accrual adjustments in 2014 based on Ofgem's final decision on this matter in March 2014. See Note 6 to the Financial Statements for additional information.

- (a) The increase for the three- and six-month periods was primarily due to refueling outage costs.
- (b) The decrease for the three-month period was primarily due to the elimination of rent expense associated with the Colstrip lease which was terminated in December 2013. The increase for the six-month period was due to the Kerr Dam Project impairment of \$18 million recorded in March 2014, partially offset by the elimination of rent expense associated with the Colstrip lease termination of \$10 million. See Note 13 to the Financial Statements for additional information on the Kerr Dam Project impairment.

Other Income (Expense) - net

Other income (expense) - net decreased by \$95 million and \$240 million for the three and six months ended June 30, 2014 compared with 2013, primarily due to an increase of \$76 million and \$219 million from realized and unrealized losses on foreign currency contracts to economically hedge GBP denominated earnings from WPD. The three and six months ended June 30, 2014 were also impacted by \$16 million of transaction costs related to the anticipated spinoff of PPL Energy Supply.

See Note 12 to the Financial Statements for additional information.

Interest Expense

The increase (decrease) in interest expense for the periods ended June 30, 2014 compared with 2013 was due to:

	<u>Three Months</u>	<u>Six Months</u>

- (b) Primarily due to the Holtwood hydroelectric expansion project placed in service in November 2013.

Income Taxes

The increase (decrease) in income taxes for the periods ended June 30, 2014 compared with 2013 was due to:

	<u>Three Months</u>	<u>Six Months</u>
Change in pre-tax income at current period tax rates	\$ (68)	\$ (120)
State valuation allowance adjustments (a)	46	46
Federal income tax credits	2	5

- (b) In May 2013, the U.S. Supreme Court reversed the December 2011 ruling by the U.S. Court of Appeals for the Third Circuit, concerning the creditability, for income tax purposes, of the U.K. Windfall Profits Tax. As a result of this decision, PPL recorded a tax benefit of \$44 million during the three and six months ended June 30, 2013. See Note 5 to the Financial Statements for additional information.
- (c) During the three and six months ended June 30, 2013, PPL recorded a tax benefit of \$19 million associated with a ruling obtained from the IRS impacting the recalculation of 2010 U.K. earnings and profits.

Earnings for the six-month period were also favorably impacted by net benefits from unusually cold weather in the first quarter of 2014, partially offset by lower western U.S. margins.

The table below quantifies the changes in the components of Net Income (Loss) Attributable to PPL Energy Supply Member between these periods, which reflect amounts classified as Unregulated Gross Energy Margins and certain items that management considers special on separate lines within the table and not in their respective Statement of Income line items. Excluding a special item, earnings for the three and six-month periods in 2014 compared with 2013 increased, primarily due to higher transmission margins from returns on additional capital investments and the recovery of additional costs through FERC formula based rates, partially offset by higher interest expense. Earnings for the six-month period in 2014 compared with 2013 also include higher distribution margins primarily due to unusually cold weather in the first quarter of 2014, returns on additional distribution improvement capital investments and a benefit from a change in estimate of a regulatory liability.

The table below quantifies the changes in the components of Net Income between these periods, which reflects amounts classified as Pennsylvania Gross Delivery Margins and a certain item that management considers special on separate lines within the table and not in their respective Statement of Income line items. Operating Activities

The components of the change in cash provided by (used in) operating activities for the six months ended June 30, 2014 compared with 2013 were as follows.

	<u>PPL</u>	<u>PPL Energy Supply</u>	<u>PPL Electric</u>	<u>LKE</u>	<u>LG&E</u>	<u>KU</u>
Change - Cash Provided (Used)						
Net income	\$ (273)	\$ (101)	\$ 28	\$ 20	\$ 14	\$ 9

Total	<u>\$ 636</u>	<u>\$ 63</u>	<u>\$ 33</u>	<u>\$ 219</u>	<u>\$ 16</u>	<u>\$ 107</u>

(PPL)

The increase in cash from changes in components of working capital was partially due to a decrease in customer and other accounts receivable (primarily due to changes in customer rates and changes in income tax receivables) and a reduction in collateral returned to counterparties.

(PPL Energy Supply)

The increase in cash from changes in components of working capital was primarily due to a decrease in prepayments (primarily due to higher federal income tax payments in 2013) and a reduction in collateral returned to counterparties, partially offset by an increase in net cash paid related to power options. The change in cash from other operating activities was partially due to cash payments made in 2013 on PPL Montana's operating lease arrangement related to partial interests in Units 1, 2 and 3 of the Colstrip coal-fired electric generating facility that was terminated in December 2013.

(PPL Electric)

The decrease in non-cash components of net income primarily consisted of deferred income tax benefits.

(LKE)

LKE's non-cash components of net income included a \$54 million increase in deferred income taxes primarily due to utilization of net operating losses. The increase in cash from changes in components of working capital was driven primarily by the change in accounts receivable and unbilled revenues due to weather and higher rates, and lower fuel inventory due to weather, offset by a decrease in accounts payable due to timing of fuel purchases.

(LG&E)

LG&E's increase in cash from changes in components of working capital was driven primarily by the change in accounts receivable and unbilled revenues due to weather and higher rates, offset by a decrease in accounts payable due to timing of fuel purchases.

(KU)

KU's non-cash components of net income included a \$17 million increase in deferred income taxes primarily due to utilization of net operating losses.

Investing Activities

Expenditures for Property, Plant and Equipment

The primary use of cash within investing activities is expenditures for PP&E. The change in these expenditures for the six months ended June 30, 2014 compared with 2013 was as follows.

	<u>PPL</u>	<u>PPL Energy Supply</u>	<u>PPL Electric</u>	<u>LKE</u>	<u>LG&E</u>	<u>KU</u>
(Increase) Decrease	\$ (57)	\$ 65	\$ 15	\$ 23	\$ (13)	\$ 36

The increase in expenditures for PP&E for PPL was primarily due to higher project costs to enhance system reliability at WPD and the changes in project expenditures at PPL Energy Supply, LG&E and KU. The decrease in expenditures at PPL Energy Supply was partially due to expenditures made in 2013 for the Holtwood hydroelectric expansion project. The increase in expenditures for LG&E was primarily due to environmental air projects at LG&E's Mill Creek plant and GLT projects, partially offset by lower expenditures for the construction of Cane Run Unit 7. The decrease in expenditures for KU was related to lower expenditures for the construction of Cane Run Unit 7 and environmental CCR projects at KU's Ghent and E.W. Brown plants, partially offset by higher expenditures for environmental air projects at KU's Ghent and E.W. Brown plants.

Other Significant Changes in Components of Investing Activities

For PPL and PPL Energy Supply, the change in investing activities for the six months ended June 30, 2014 compared with 2013 reflects increases of \$234 million in restricted cash and cash equivalents. These changes were primarily related to increased cash collateral requirements in 2014 of \$257 million to support PPL Energy Supply's commodity hedging program primarily due to higher forward prices. PPL Energy Supply borrowed under its short-term credit facilities to help fund these increased collateral requirements.

For PPL Electric, the change in investing activities was primarily due to cash received for notes receivable from affiliates of \$150 million.

Financing Activities

The components of the change in cash provided by (used in) financing activities for the six months ended June 30, 2014 compared with 2013 was as follows.

	<u>PPL</u>	<u>PPL Energy Supply</u>	<u>PPL Electric</u>	<u>LKE</u>	<u>LG&E</u>	<u>KU</u>
Change - Cash Provided (Used)						
Long-term debt issuances/retirements, net	\$ (384)		\$ 286

Total	<u>\$ (39)</u>	<u>\$ 231</u>	<u>\$ 47</u>	<u>\$ (278)</u>	<u>\$ 12</u>	<u>\$ (134)</u>

For LKE, the change in Other financing activities for the six months ended June 30, 2014 compared with 2013 was due to a \$47 million borrowing in 2013 included in notes payable with affiliates.

See Note 7 to the Financial Statements in this Form 10-Q for information on 2014 short and long-term debt activity, equity transactions and dividends. See the Registrants' 2013 Form 10-K for information on 2013 activity.

Credit Facilities

The Registrants maintain credit facilities to enhance liquidity, provide credit support and provide a backstop to commercial paper programs. Amounts borrowed under these credit facilities are reflected in "Short-term debt" on the Balance Sheets. At June 30, 2014, the total committed borrowing capacity and the use of that capacity under these credit facilities was as follows.

	Committed Capacity	Borrowed	Letters of Credit and Commercial Paper Issued	Unused Capacity
PPL Capital Funding Credit Facilities	\$ 450		\$ 11	\$ 439

- (b) The amount borrowed at June 30, 2014 was a USD-denominated borrowing of \$164 million. At June 30, 2014, the USD equivalent of unused capacity under the U.K. committed credit facilities was \$1.6 billion.

The commitments under the U.K. credit facilities are provided by a diverse bank group, with no one bank providing more than 13% of the total committed capacity.

As a result of the proposed spinoff transaction, PPL Energy Supply is in the process of syndicating a \$1.85 billion credit facility which is currently fully committed. This syndicated credit facility will replace the existing \$3 billion PPL Energy Supply syndicated credit facility and will be effective upon closing of the spinoff transaction. See "Overview - Business Strategy" and "Financial and Operational Developments - Other Financial and Operational Developments - Anticipated Spinoff of PPL Energy Supply" above for additional information.

During the second quarter of 2014, PPL Energy Supply's corporate credit rating was lowered to below investment grade. At June 30, 2014, the additional collateral posted as a result of the downgrade was \$176 million. PPL Energy Supply primarily issued letters of credit under its credit facilities noted above to post the required collateral. PPL Energy Supply continues to have adequate access to the capital markets and adequate capacity under its credit facilities and does not expect a material change in its financing costs as a result of the downgrade.

See Note 7 to the Financial Statements for further discussion of the Registrants' credit facilities.

Future dividends, declared at the discretion of the Board of Directors, will be dependent upon future earnings, cash flows, financial and legal requirements and other factors.

Rating Agency Actions

(All Registrants)

Moody's, S&P and Fitch periodically review the credit ratings on the debt of the Registrants and their subsidiaries. Based on their respective independent reviews, the rating agencies may make certain ratings revisions or ratings affirmations.

A credit rating reflects an assessment by the rating agency of the creditworthiness associated with an issuer and particular securities that it issues. The credit ratings of the Registrants and their subsidiaries are based on information provided by the Registrants and other sources. The ratings of Moody's, S&P and Fitch are not a recommendation to buy, sell or hold any securities of the Registrants or their subsidiaries. Such ratings may be subject to revisions or withdrawal by the agencies at any time and should be evaluated independently of each other and any other rating that may be assigned to the securities. The credit ratings of the Registrants and their subsidiaries affect their liquidity, access to capital markets and cost of borrowing under their credit facilities.

The rating agencies have taken the following actions related to the Registrants and their subsidiaries during 2014:

Ratings Triggers

(All Registrants except PPL Electric)

Various derivative and non-derivative contracts, including contracts for the sale and purchase of electricity and fuel, commodity transportation and storage, interest rate and foreign currency instruments (for PPL), contain provisions that require the posting of additional collateral or permit the counterparty to terminate the contract, if PPL's, PPL Energy Supply's, LKE's, LG&E's or KU's or their subsidiaries' credit rating, as applicable, were to fall below investment grade. See Note 14 to the Financial Statements for a discussion of "Credit Risk-Related Contingent Features," including a discussion of the potential additional collateral requirements for PPL, PPL Energy Supply, LKE and LG&E for derivative contracts in a net liability position at June 30, 2014.

Capital Expenditures

(PPL)

Capital expenditure plans are revised periodically to reflect changes in operational, market and regulatory conditions. In the second quarter of 2014, PPL increased its projected capital spending for the period 2014 through 2018 related to distribution facilities by approximately \$0.3 billion from the previously disclosed \$1.9 billion projection included in PPL's 2013 Form 10-K. The increased projected capital spending results from a change in the forecasted foreign currency exchange rate for WPD expenditures that increased each yearly estimate by approximately \$70 million.

(PPL, LKE, LG&E and KU)

LG&E and KU continue to evaluate their future capacity requirements with the possibility that reduced or delayed capacity needs may result in adjustments to the timing of previously estimated capacity construction at KU's Green River generating site. See Note 8 to the Financial Statements for additional information.

Risk Management

Market Risk

(All Registrants)

See Notes 13 and 14 to the Financial Statements for information about the Registrants' risk management objectives, valuation techniques and accounting designations.

The forward-looking information presented below provides estimates of what may occur in the future, assuming certain adverse market conditions and model assumptions. Actual future results may differ materially from those presented. These disclosures are not precise indicators of expected future losses, but only indicators of possible losses under normal market conditions at a given confidence level.

Commodity Price Risk (Non-trading)

(PPL, LKE, LG&E and KU)

LG&E's and KU's retail electric and natural gas rates and municipal wholesale electric rates are set by regulatory commissions and the fuel costs incurred are directly recoverable from customers. As a result, LG&E and KU are subject to commodity price risk for only a small portion of on-going business operations. LG&E and KU sell excess economic generation to maximize the value of the physical assets at times when the assets are not required to serve LG&E's or KU's customers. See Note 14 to the Financial Statements for additional information.

(PPL and PPL Electric)

PPL Electric is exposed to market price and volumetric risks from its obligation as PLR. The PUC has approved a cost recovery mechanism that allows PPL Electric to pass through to customers the cost associated with fulfilling its PLR obligation. This cost recovery mechanism substantially eliminates PPL Electric's exposure to market price risk. PPL Electric also mitigates its exposure to volumetric risk by entering into full-requirement energy supply contracts for the majority of its PLR obligations. These supply contracts transfer the volumetric risk associated with the PLR obligation to the energy suppliers.

(PPL and PPL Energy Supply)

PPL Energy Supply segregates its non-trading activities into two categories: hedge activity and economic activity. Transactions that are accounted for as hedge activity qualify for hedge accounting treatment. The economic activity category includes transactions that address a specific risk, but were not eligible for hedge accounting or for which hedge accounting was not elected. This activity includes the changes in fair value of positions used to hedge a portion of the economic value of PPL Energy Supply's competitive generation assets and full-requirement sales and retail contracts. This economic activity is subject to changes in fair value due to market price volatility of the input and output commodities (e.g., fuel and power). Although they do not receive hedge accounting treatment, these transactions are considered non-trading activity. See Note 14 to the Financial Statements for additional information.

To hedge the impact of market price volatility on PPL Energy Supply's energy-related assets, liabilities and other contractual arrangements, PPL Energy Supply both sells and purchases physical energy at the wholesale level under FERC market-based tariffs throughout the U.S. and enters into financial exchange-traded and over-the-counter contracts. PPL Energy Supply's non-trading commodity derivative contracts range in maturity through 2019.

The following tables sets forth the changes in the net fair value of non-trading commodity derivative contracts for the periods ended June 30. See Notes 13 and 14 to the Financial Statements for additional information.

The following table segregates the net fair value of non-trading commodity derivative contracts at June 30, 2014, based on the observability of the information used to determine the fair value.

PPL Energy Supply sells electricity, capacity and related services and buys fuel on a forward basis to hedge the value of energy from its generation assets. If PPL Energy Supply were unable to deliver firm capacity and energy or to accept the delivery of fuel under its agreements, under certain circumstances it could be required to pay liquidating damages. These damages would be based on the difference between the market price and the contract price of the commodity. Depending on price changes in the wholesale energy markets, such damages could be significant. Extreme weather conditions, unplanned power plant outages, transmission disruptions, nonperformance by counterparties (or their counterparties) with which it has energy contracts and other factors could affect PPL Energy Supply's ability to meet its obligations, or cause significant increases in the market price of replacement energy. Although PPL Energy Supply attempts to mitigate these risks, there can be no assurance that it will be able to fully meet its firm obligations, that it will not be required to pay damages for failure to perform, or that it will not experience counterparty nonperformance in the future.

Commodity Price Risk (Trading)

PPL Energy Supply's trading commodity derivative contracts range in maturity through 2020. The following table sets forth changes in the net fair value of trading commodity derivative contracts for the periods ended June 30. See Notes 13 and 14 to the Financial Statements for additional information.

VaR Models

A VaR model is utilized to measure commodity price risk in unregulated gross energy margins for the non-trading and trading portfolios. VaR is a statistical model that attempts to estimate the value of potential loss over a given holding period under normal market conditions at a given confidence level. VaR is calculated using a Monte Carlo simulation technique based on a five-day holding period at a 95% confidence level. Given the company's disciplined hedging program, the non-trading VaR exposure is expected to be limited in the short-term. The VaR for portfolios using end-of-month results for the six months ended June 30, 2014 was as follows.

95% Confidence Level, Five-Day Holding Period	Trading VaR		Non-Trading VaR	
Period End	\$	9	\$	15
Average for the Period		9		10
High		10		15
Low		8		5

The trading portfolio includes all proprietary trading positions, regardless of the delivery period. All positions not considered proprietary trading are considered non-trading. The non-trading portfolio includes the entire portfolio, including generation, with delivery periods through the next 12 months. Both the trading and non-trading VaR computations exclude FTRs due to the absence of reliable spot and forward markets. The fair value of the non-trading and trading FTR positions was insignificant at June 30, 2014.

Interest Rate Risk (All Registrants)

The Registrants and their subsidiaries issue debt to finance their operations, which exposes them to interest rate risk. The Registrants and their subsidiaries utilize various financial derivative instruments to adjust the mix of fixed and floating interest rates in their debt portfolios, adjust the duration of their debt portfolios and lock in benchmark interest rates in anticipation of future financing, when appropriate. Risk limits under the risk management program are designed to balance risk exposure to volatility in interest expense and changes in the fair value of the debt portfolios due to changes in the absolute level of interest rates.

The following interest rate hedges were outstanding at June 30, 2014.

	Exposure Hedged	Fair Value, Net - Asset (Liability) (a)	Effect of a 10% Adverse Movement in Rates (b)	Maturities Ranging Through

Economic hedges				
Interest rate swaps (e)	179	(43)	(3)	2033

(a) Includes accrued interest, if applicable.

(b) Effects of adverse movements decrease assets or increase liabilities, as applicable, which could result in an asset becoming a liability. Sensitivities represent a 10% adverse movement in interest rates, except for cross-currency swaps which also includes foreign currency exchange rates.

(c) Changes in the fair value of such cash flow hedges are recorded in equity or as regulatory assets or regulatory liabilities, if recoverable through regulated rates and reclassified into earnings in the same period during which the item being hedged affects earnings.

(d) Cross-currency swaps are utilized to hedge the principal and interest payments of WPD's U.S. dollar-denominated senior notes. Changes in the fair value of these instruments are recorded in equity and reclassified into earnings in the same period during which the item being hedged affects earnings.

(e) Realized changes in the fair value of such economic hedges are recoverable through regulated rates and any subsequent changes in fair value of these derivatives are included in regulatory assets or regulatory liabilities.

The Registrants are exposed to a potential increase in interest expense and to changes in the fair value of their debt portfolios. The estimated impact of a 10% adverse movement in interest rates at June 30, 2014 is shown below.

	PPL	PPL Energy Supply	PPL Electric	LKE	LG&E	KU
Increase in interest expense	Not Significant	Not Significant	Not Significant	Not Significant	Not Significant	Not Significant
Increase in fair value of debt	\$ 768	\$ 45	\$ 135	\$ 141	\$ 44	\$ 83

Foreign Currency Risk (PPL)

PPL is exposed to foreign currency risk, primarily through investments in U.K. affiliates. In addition, PPL's domestic operations may make purchases of equipment in currencies other than U.S. dollars.

PPL has adopted a foreign currency risk management program designed to hedge certain foreign currency exposures, including firm commitments, recognized assets or liabilities, anticipated transactions and net investments. In addition, PPL enters into financial instruments to protect against foreign currency translation risk of expected earnings.

The following foreign currency hedges were outstanding at June 30, 2014.

	<u>Exposure Hedged</u>	<u>Fair Value, Net - Asset (Liability)</u>	<u>Effect of a 10% Adverse Movement in Foreign Currency Exchange Rates (a)</u>	<u>Maturities Ranging Through</u>
Net investment hedges (b)	£ 306	\$ (27)	\$ (52)	2016
Economic hedges (c)	1,750	(147)	(285)	2016

(a) Effects of adverse movements decrease assets or increase liabilities, as applicable, which could result in an asset becoming a liability.

(b) To protect the value of a portion of its net investment in WPD, PPL executes forward contracts to sell GBP. The positions outstanding exclude the amount of intercompany loans classified as net investment hedges. See Note 14 to the Financial Statements for additional information.

(c) To economically hedge the translation of expected earnings denominated in GBP to U.S. dollars, PPL enters into a combination of average rate forwards and average rate options to sell GBP.

NDT Funds - Securities Price Risk (PPL and PPL Energy Supply)

In connection with certain NRC requirements, PPL Susquehanna maintains trust funds to fund certain costs of decommissioning the PPL Susquehanna nuclear plant (Susquehanna). At June 30, 2014, these funds were invested primarily in domestic equity securities and fixed-rate, fixed-income securities and are reflected at fair value on the Balance Sheet. The mix of securities is designed to provide returns sufficient to fund Susquehanna's decommissioning and to compensate for inflationary increases in decommissioning costs. However, the equity securities included in the trusts are exposed to price fluctuation in equity markets, and the values of fixed-rate, fixed-income securities are primarily exposed to changes in interest rates. PPL actively monitors the investment performance and periodically reviews asset allocation in accordance with its nuclear decommissioning trust policy statement. At June 30, 2014, a hypothetical 10% increase in interest rates and a 10% decrease in equity prices would have resulted in an estimated \$70 million reduction in the fair value of the trust assets. See Notes 13 and 17 to the Financial Statements for additional information regarding the NDT funds.

Credit Risk (All Registrants)

See Notes 13 and 14 to the Financial Statements in this Form 10-Q and "Risk Management - Credit Risk" in the Registrants' 2013 Form 10-K for additional information.

Foreign Currency Translation (PPL)

The value of the British pound sterling fluctuates in relation to the U.S. dollar. Changes in this exchange rate resulted in a foreign currency translation gain of \$140 million for the six months ended June 30, 2014, which primarily reflected a \$349 million increase to PP&E and goodwill offset by an increase of \$209 million to net liabilities. Changes in this exchange rate resulted in a foreign currency translation loss of \$269 million for the six months ended June 30, 2013, which primarily reflected a \$714 million reduction to PP&E and goodwill offset by a reduction of \$445 million to net liabilities. The impact of foreign currency translation is recorded in AOCI.

Related Party Transactions (All Registrants)

The Registrants are not aware of any material ownership interests or operating responsibility by senior management in outside partnerships, including leasing transactions with variable interest entities, or other entities doing business with the Registrants. See Note 11 to the Financial Statements for additional information on related party transactions for PPL Energy Supply, PPL Electric, LKE, LG&E and KU.

Acquisitions, Development and Divestitures

(All Registrants)

The Registrants from time to time evaluate opportunities for potential acquisitions, divestitures and development projects. Development projects are reexamined based on market conditions and other factors to determine whether to proceed with the projects, sell, cancel or expand them, execute tolling agreements or pursue other options. See Note 8 to the Financial Statements for information on the more significant activities.

(PPL and PPL Energy Supply)

See Note 8 to the Financial Statements for information on the anticipated spinoff of PPL Energy Supply.

Environmental Matters

(All Registrants)

Extensive federal, state and local environmental laws and regulations are applicable to PPL's, PPL Energy Supply's, LKE's, LG&E's and KU's air emissions, water discharges and the management of hazardous and solid waste, as well as other aspects of the Registrants' businesses. The cost of compliance or alleged non-compliance cannot be predicted with certainty but could be material. In addition, costs may increase significantly if the requirements or scope of environmental laws or regulations, or similar rules, are expanded or changed. Costs may take the form of increased capital expenditures or operating and maintenance expenses, monetary fines, penalties or other restrictions. Many of these environmental law considerations are also applicable to the operations of key suppliers, or customers, such as coal producers and industrial power users, and may impact the cost for their products or their demand for the Registrants' services.

The following is a discussion of the more significant environmental matters. See Note 10 to the Financial Statements in this Form 10-Q and "Item 1. Business - Environmental Matters" in the Registrants' 2013 Form 10-K for additional information on environmental matters.

Climate Change

Physical effects associated with climate change could include the impact of changes in weather patterns, such as storm frequency and intensity, and the resultant potential damage, as applicable, to the Registrants' generation assets, electricity transmission and delivery systems, as well as impacts on the Registrants' customers. In addition, changed weather patterns could potentially reduce annual rainfall in areas where PPL, PPL Energy Supply, LKE, LG&E and KU have hydroelectric generating facilities or where river water is used to cool their fossil and nuclear (as applicable) powered generators. The Registrants cannot currently predict whether their businesses will experience these potential risks or estimate the cost of their related consequences.

In June 2013, President Obama released his Climate Action Plan which reiterates the goal of reducing GHG emissions in the U.S. through such actions as regulating power plant emissions, promoting increased use of renewables and clean energy technology, and establishing tighter energy efficiency standards. Also, by Presidential Memorandum, the EPA was directed to issue a revised proposal for new power plants (a prior proposal was issued in 2012) by September 20, 2013, with a final rule to be issued in a timely fashion thereafter, and to issue proposed standards for existing power plants by June 1, 2014 with a final rule by June 1, 2015. The EPA was further directed to require that states develop implementation plans for existing plants by June 30, 2016.

The EPA's revised proposal for new sources was published in the Federal Register on January 8, 2014. The proposed limits for coal plants can only be achieved through carbon capture and sequestration, a technology that is not presently commercially viable and, therefore, effectively preclude the construction of new coal plants. The proposed standards for new gas plants may also not be continuously achievable.

The EPA's proposed regulation addressing GHG emissions from existing power plants was published in the Federal Register on June 18, 2014, making the comment deadline October 16, 2014. The proposal contains very stringent, state-specific rate-based reduction goals to be achieved in two phases (2020-2029 and 2030 and beyond). The EPA believes it has offered some flexibility to the states as to how state plans can be crafted, including the option to demonstrate compliance on a mass basis or through a multi-state collaboration, however, the EPA's proposed broad definition of the "best system of emission reduction" (BSER) substantially limits this flexibility. PPL is analyzing the proposal and potential impacts in preparation for submitting comments to the agency by the October 16, 2014 deadline. The regulation of GHG emissions from existing plants could have a significant industry-wide impact depending on the structure and stringency of the final rule and state implementation plans.

The Administration's increase in its estimate of the "social cost of carbon" (which is used to calculate benefits associated with proposed regulations) from \$23.80 to \$38 per metric ton in 2015 may lead to more costly regulatory requirements. The White House Office of Management and Budget opened this issue for public comment and PPL submitted comments.

Additionally, the Climate Action Plan requirements related to preparing the U.S. for the impacts of climate change could affect PPL, PPL Electric, LKE, LG&E and KU and others in the industry as modifications to electricity delivery systems to improve the ability to withstand major storms may be needed in order to meet those requirements.

Waters of the United States

On April 21, 2014, the EPA and the U.S. Army Corps of Engineers published a proposed rule which greatly expands the Clean Water Act definition of Waters of the United States. Comments are due by October 20, 2014. If the definition is expanded as proposed, permits and other regulatory requirements may be imposed for many matters presently not covered (including vegetation management for transmission lines and activities affecting storm water conveyances and wetlands), the implications of which could be significant. Both the U.S. House and Senate are considering legislation to block this regulation.

(All Registrants except PPL Electric)

Coal Combustion Residuals (CCRs)

In June 2010, the EPA proposed two approaches to regulating the disposal and management of CCRs (as either hazardous or non-hazardous waste) under RCRA. Under a litigation settlement agreement involving certain environmental groups, the EPA has agreed to issue its final rulemaking by December 2014. Regulations could impact handling, disposal and/or beneficial use of CCRs. Recent ash spills that have occurred within the utility industry may precipitate more stringent regulation of both active and legacy CCR sites. The financial and operational impact is expected to be material if CCRs are regulated as hazardous waste, and significant if regulated as non-hazardous.

In July 2013, the U.S. House of Representatives passed House Bill H.R. 2218, the Coal Residuals and Reuse Management Act of 2013, which would preempt the EPA from issuing final CCR regulations and set rules governing state programs. It remains uncertain whether similar legislation would be passed by the U.S. Senate.

Effluent Limitation Guidelines (ELGs)

In June 2013, the EPA published proposed regulations to revise discharge limitations for steam electric generation wastewater permits. The proposed limitations are based on the EPA review of available treatment technologies and their capacity for reducing pollutants and include new requirements for fly ash and bottom ash transport water and metal cleaning waste waters, as well as new limits for scrubber wastewater and landfill leachate. The EPA's proposed ELG regulations also contain some requirements that would affect the inspection and operation of CCR facilities, if finalized as proposed. The proposal contains several alternative approaches, some of which could significantly impact PPL's, PPL Energy Supply's, LKE's, LG&E's and KU's coal-fired plants. The final regulation is expected to be issued by September 2015, which is contingent upon the EPA meeting its deadline for issuing the final CCR regulation. At the present time, PPL, PPL Energy Supply, LKE, LG&E and KU are unable to predict the outcome of this matter or estimate a range of reasonably possible costs, but the costs could be significant. Pending finalization of the ELGs, certain states (including Pennsylvania and Kentucky) and environmental groups are proposing more stringent technology-based limits in permit renewals. Depending on the final limits imposed, the costs of compliance could be significant and costs could be imposed ahead of federal timelines.

Clean Water Act/316(b)

On May 19, 2014, the EPA issued its final rule under 316(b) of the Clean Water Act. It will become effective upon publication which is expected in July. The regulation applies to nearly all PPL-owned steam electric generation plants in Pennsylvania, Kentucky, and Montana, even those equipped with closed-cycle cooling systems. The rule requires Best Technology Available to reduce mortality of aquatic organisms that are pulled into the plant cooling water system (entrainment), and imposes standards for reduction of mortality of aquatic organisms trapped on water intake screens (impingement). For some plants, studies required by the rule will be used to determine the proper technology for compliance. PPL, PPL Energy Supply, LKE, LG&E and KU are evaluating compliance strategies but do not presently expect the compliance costs to be material.

MATS

In February 2012, the EPA finalized MATS requiring fossil-fuel fired plants to reduce emissions of mercury and other hazardous air pollutants by April 16, 2015. The rule, which was challenged by industry groups and states, was upheld by the D.C. Circuit Court in April 2014. The EPA has subsequently proposed changes to the rule with respect to new sources to address the concern that the rule effectively precludes construction of any new coal-fired plants. PPL, PPL Energy Supply, LKE, LG&E and KU are generally well-positioned to comply with MATS, primarily due to recent investments in environmental controls at PPL Energy Supply and approved ECR plans to install additional controls at some of LG&E's and KU's Kentucky plants. Additionally, PPL Energy Supply is evaluating chemical additive systems for mercury control at Brunner Island, and modifications to existing controls at Colstrip for improved particulate matter reductions. In September 2012, PPL Energy Supply announced its intention to place its Corette plant in long-term reserve status beginning in April 2015 due to expected market conditions and costs to comply with MATS. The Corette plant asset group was determined to be impaired in December 2013. See "Application of Critical Accounting Policies - Asset Impairment (Excluding Investments)" in PPL's and PPL Energy Supply's 2013 Form 10 K for additional information. Also, LG&E, KU and PPL Energy Supply have received compliance extensions for certain plants in Kentucky and Pennsylvania and are considering extension requests for additional plants.

LG&E's and KU's anticipated retirements of generating units at the Cane Run and Green River plants are in response to MATS and other environmental regulations.

CSAPR and CAIR

In 2011, the EPA finalized its CSAPR regulating emissions of nitrogen oxide and sulfur dioxide through new allowance trading programs which were to be implemented in two phases (2012 and 2014). Like its predecessor, the CAIR, CSAPR targeted sources in the eastern U.S. In December 2011, the U.S. Court of Appeals for the District of Columbia Circuit (D.C. Circuit Court) stayed implementation of CSAPR, leaving CAIR in place. Subsequently, in August 2012, the D.C. Circuit Court vacated and remanded CSAPR back to the EPA for further rulemaking, again leaving CAIR in place in the interim. On April 29, 2014, the U.S. Supreme Court reversed and remanded the D.C. Circuit Court's August 2012 decision which may result in new or revised emission reduction requirements, including the possible replacement of the CAIR program with CSAPR, depending on future determinations by the EPA and the courts. PPL, PPL Energy Supply, LKE, LG&E and KU do not currently anticipate that the costs of meeting CSAPR requirements will be significant.

PPL, PPL Energy Supply, LKE, LG&E and KU plants in Pennsylvania and Kentucky will continue to comply with CAIR through optimization of existing controls, balanced with emission allowance purchases.

Regional Haze

Under the EPA's regional haze programs (developed to eliminate man-made visibility degradation by 2064), states are required to make reasonable progress every decade through the application, among other things, of Best Available Retrofit Technology (BART) on power plants commissioned between 1962 and 1977. For the eastern U.S., the EPA had determined that region-wide reductions under the CSAPR trading program could be utilized by state programs to satisfy BART requirements for sulfur dioxide and nitrogen oxides. Although the August 2012 decision by the D.C. Circuit Court to vacate and remand CSAPR has been reversed by the U.S. Supreme Court, future decisions by EPA and the courts will determine whether power plants located in the eastern U.S., including PPL Energy Supply's plants in Pennsylvania and LG&E's and KU's plants in Kentucky, will be subject to further reductions in those pollutants in accordance with BART requirements.

The EPA signed its final Federal Implementation Plan (FIP) of the Regional Haze Rules for Montana in September 2012, with tighter emissions limits for PPL Energy Supply's Colstrip Units 1 & 2 based on the installation of new controls (no limits or additional controls were specified for Colstrip Units 3 & 4), and tighter emission limits for the Corette plant (which are not based on additional controls). The cost of the potential additional controls for Colstrip Units 1 & 2, if required, could be significant. PPL Energy Supply expects to meet the tighter permit limits at Corette without any significant changes to operations, although other requirements have led to the planned suspension of operations at Corette beginning in April 2015 (see "MATS" discussion above). Both PPL and environmental groups have appealed the final FIP to the U.S. Court of Appeals for the Ninth Circuit and oral arguments occurred in May 2014.

National Ambient Air Quality Standards

In 2008, the EPA revised the National Ambient Air Quality Standard for ozone. As a result, states in the ozone transport region (OTR), including Pennsylvania, are required by the Clean Air Act to impose additional reductions in nitrogen oxide emissions based upon reasonably available control technologies. The PADEP has issued a draft rule requiring reasonable reductions. However, the proposal is being questioned as too lenient by the EPA, other OTR states and environmental groups. The PADEP may impose more stringent emission limits than those set forth in the proposed rule which could have a significant impact on PPL Energy Supply's Pennsylvania coal plants.

During 2010 and 2012, the EPA issued new ambient air standards for sulfur dioxide and particulates, respectively. In 2013, the EPA preliminarily designated Jefferson County, Kentucky, as a partial non-attainment area for sulfur dioxide. Final designations of non-attainment areas may occur in 2014. Existing environmental plans for LG&E's and KU's Kentucky plants, including announced retirements of certain plants and ECR-approved new or upgraded scrubbers or baghouses at other plants, may aid in achievement of eventual ambient air requirements. However, depending upon the specifics of final non-attainment designations and consequent compliance plans, additional controls may be required, the financial impact of which could be significant. States are working on designations for other areas according to the timeline outlined in the EPA's Data Requirements Rule issued in April 2014.

For information regarding pending administrative and judicial proceedings involving regulatory, environmental and other matters, which information is incorporated by reference into this Part II, see:

Item 1A. Risk Factors

PPL Corporation and PPL Energy Supply, LLC

The proposed spinoff of PPL Energy Supply and combination with RJS Power are contingent upon the satisfaction of a number of conditions and may present difficulties that could have an adverse effect on us.

The proposed spinoff of the business of PPL Energy Supply and the subsequent combination with RJS Power to form Talen Energy are complex transactions, subject to various conditions, and may be affected by unanticipated developments or changes in market conditions. We expect Talen Energy to file a registration statement with the SEC that will contain detailed information regarding Talen Energy. Completion of the proposed spinoff of PPL Energy Supply and subsequent combination with RJS Power will be contingent upon a number of factors, including that (i) PPL receives a favorable opinion of tax counsel as described below; (ii) the SEC declares effective Talen Energy's registration statement relating to the registration of Talen Energy common stock and no SEC stop order suspending effectiveness of the registration statement be in effect prior to the PPL Energy Supply spinoff; (iii) the Talen Energy common stock be authorized for listing on the New York Stock

Exchange; (iv) certain regulatory approvals, including approval by the NRC and the FERC, a Hart-Scott-Rodino review and certain approvals by the PUC be obtained and (v) there be available, subject to certain conditions, at least \$1 billion of undrawn capacity after excluding any letters of credit or other credit support measures posted in connection with energy marketing and trading transactions then outstanding, under a Talen Energy (or its subsidiaries) revolving credit or similar facility. The spinoff and subsequent combination with RJS Power may be terminated by mutual written consent of the parties or subject to certain other circumstances, including the failure to complete these transactions by June 30, 2015 or, if the required regulatory approvals have not been obtained at such time but the other conditions to the consummation of these transactions have been or are capable of being satisfied, December 31, 2015. For these and other reasons, the spinoff and the subsequent combination may not be completed on the terms or within the expected timeframe that we announced, if at all. Further, if the spinoff and the subsequent combination are completed, such transactions may not achieve the intended results.

If the proposed spinoff of the business of PPL Energy Supply does not qualify as a tax-free spinoff under Section 355 of the Internal Revenue Code of 1986, as amended (the "Code"), including as a result of subsequent acquisitions of stock of PPL or Talen Energy, then PPL and/or its shareowners may be required to pay substantial U.S. federal income taxes.

The proposed spinoff of the business of PPL Energy Supply and the subsequent combination with RJS Power are conditioned upon PPL's receipt of an opinion of tax counsel to the effect that, among other matters, the spinoff will qualify as tax-free under Section 355 of the Code to PPL and its shareowners for U.S. federal income tax purposes. Receipt of the opinion of tax counsel will satisfy a condition to completion of the spinoff and subsequent combination. An opinion of tax counsel is not binding on the IRS. Accordingly, the IRS may reach conclusions with respect to the spinoff that are different from the conclusions reached in the opinion. PPL is not aware of any facts or circumstances that would cause the factual statements or representations on which the opinion will be based to be materially different from the facts at the time of the spinoff. If, notwithstanding the receipt of the opinion of tax counsel, the IRS were to determine the spinoff to be taxable, PPL would, and its shareowners may, depending on their individual circumstances, recognize a tax liability that could be substantial.

In addition, the spinoff will be taxable to PPL pursuant to Section 355(e) of the Code if there is a 50% or more change in ownership of either PPL or Talen Energy, directly or indirectly, as part of a plan or series of related transactions that include the spinoff. Because PPL's shareowners will collectively own more than 50% of Talen Energy's common stock following the spinoff and subsequent combination, the combination alone will not cause the spinoff to be taxable to PPL under Section 355(e) of the Code. However, Section 355(e) of the Code might apply if acquisitions of stock of PPL before or after the spinoff, or of Talen Energy after the combination, are considered to be part of a plan or series of related transactions that include the spinoff. PPL is not aware of any such plan or series of transactions that include the spinoff.

PPL may not be successful in realizing the full amount of annual savings anticipated to be available as a result of the proposed spinoff of PPL Energy Supply.

In connection with the spinoff of PPL Energy Supply, and following any required transition services period, PPL is targeting to reduce its annual corporate support costs by an estimated \$185 million. This includes \$110 million of corporate support costs to be transferred to Talen Energy and \$75 million from workforce reductions and other corporate cost savings. If for any reason PPL cannot realize all or a significant portion of the \$75 million corporate cost savings it could have an adverse effect on PPL's results of operations, including PPL's ability to maintain or increase its dividend to shareowners.

PPL Electric Utilities Corporation, LG&E and KU Energy LLC, Louisville Gas and Electric Company and Kentucky Utilities Company

There have been no material changes in risk factors from those disclosed in "Item 1A. Risk Factors" of the 2013 Form 10-K.

Item 4. Mine Safety Disclosures

Not applicable.

Item 5. Other Information

PPL Corporation

On July 31, 2014, the Board of Directors (Board) of PPL elected Rodney C. Adkins a director of PPL, effective August 1, 2014, for a term expiring at PPL's Annual Meeting of Shareowners in 2015.

Mr. Adkins will retire from International Business Machines Corporation (IBM) at the end of 2014 after more than 33 years of service for that company. Mr. Adkins is currently serving as Senior Vice President with a focus on special corporate

projects and key client relationships. Until April 2014, Mr. Adkins served as Senior Vice President for Corporate Strategy since 2013, leading continuous transformation and developing strategies and plans linked to a new era of computing, new markets and new clients for IBM. Prior to that, since 2009, Mr. Adkins was Senior Vice President of IBM's Systems and Technology Group (STG), and prior to that, since 2007, Mr. Adkins served as Senior Vice President of IBM's STG development and manufacturing.

Mr. Adkins serves on the boards of United Parcel Service, Inc., W. W. Grainger, Inc., the national board of the Smithsonian Institution and the board of directors of the National Action Council for Minorities in Engineering. The Board expects to appoint Mr. Adkins as a member of the Board's Audit Committee in 2015. The Board has determined that Mr. Adkins satisfies the requirements for "independence" as set forth in PPL's Independence Guidelines and the applicable rules of the New York Stock Exchange. Mr. Adkins is 55 years old.

As a non-employee director, Mr. Adkins will receive the same compensation paid to other non-employee directors of PPL in accordance with the policies and procedures previously approved by the Board for non-employee directors. There were no arrangements or understandings pursuant to which Mr. Adkins was elected, nor are there any relationships or related transactions between PPL and Mr. Adkins to be disclosed under applicable rules of the Securities and Exchange Commission.

FIRST AMENDMENT TO AMENDED AND RESTATED
LETTER OF CREDIT ISSUANCE AND REIMBURSEMENT AGREEMENT

This First Amendment (this "Amendment") to that certain Amended and Restated Letter of Credit Issuance and Reimbursement Agreement, dated as of August 30, 2013 (the "Agreement") by and between PPL Energy Supply, LLC (the "Company") and Canadian Imperial Bank of Commerce, New York Branch, formerly known as Canadian Imperial Bank of Commerce, New York Agency ("CIBC"), is made as of July 22, 2014. All capitalized terms used in this Amendment and not otherwise defined herein shall have the meanings assigned to them in the Agreement.

WHEREAS, Section 9.4 of the Agreement provides that the Agreement may be amended if such amendment is in writing and is signed by the Company and CIBC; and

WHEREAS, the Company has requested that CIBC consent to certain amendments to the Agreement,

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, it is agreed as follows:

1. The following defined terms in Section 2.1 of the Agreement are hereby amended and restated in their entirety as follows:

"2014 Amendment Date" means July 27, 2014.

"Availability Termination Date" means the earliest of (i) the Termination Date, (ii) the Talen Closing Date, (iii) the date that the commitment of CIBC under the Existing Credit Agreement terminates or is reduced to zero, (iv) the date that shall have been advised as such date to the Company in writing by CIBC, being a date not less than sixty (60) days after an effective amendment or waiver of any provisions of the Existing Credit Agreement and (v) the date referred in Section 8.1.

"Termination Date" means July 27, 2015.

2. The following defined terms are hereby included in Section 2.1 of the Agreement as follows:

4	BB-/Ba3 or worse	1.75%

The Applicable Fee Rate as of the 2014 Amendment Date shall be at Pricing Level 2. Thereafter, each change in the Applicable Fee Rate resulting from a publicly announced change in the Debt Rating shall be effective, in the case of an upgrade, during the period commencing on the date of delivery by the Company to CIBC of a notice of such upgrade, and ending on the date immediately preceding the effective date of the next such change and, in the case of a downgrade, during the period commencing on the date of the public announcement thereof and ending on the date immediately preceding the effective date of the next such change.

"Debt Rating" means, as of any date of determination, the rating as determined by either S&P or Moody's (collectively, the "Debt Ratings") of the Company's non-credit-enhanced, senior unsecured long-term debt; provided that (a) if the respective Debt Ratings issued by the foregoing rating agencies differ by one level, then the Pricing Level for the higher of such Debt Ratings shall apply (with the Debt Rating for Pricing Level 1 being the highest and the Debt Rating for Pricing Level 4 being the lowest); (b) if there is a split in Debt Ratings of more than one level, then the Pricing Level that is one level lower than the Pricing Level of the higher Debt Rating shall apply; (c) if the Company has only one Debt Rating, the Pricing Level that is one level lower than that of such Debt Rating shall apply; and (d) if the Company does not have any Debt Rating, Pricing Level 4 shall apply.

"Energy Supply Spin-Off" means the proposed transfer, separation and spin-off of PPL Energy Supply, LLC and certain of its assets by PPL Corporation as described in the PPL Corporation's Current Report on Form 8-K dated June 9, 2014 and filed with the Securities Exchange Commission.

4. The last sentence of Article VII of the Agreement is hereby amended and replaced in its entirety with the following:

“With respect to Letters of Credit (if any) that have terms extending, or are extendible beyond, the Termination Date (after giving effect to any auto-renewal or extension periods within such Letters of Credit), and with respect to Letters of Credit that by their terms will remain outstanding after the Talen Closing Date, the Company shall Cash Collateralize all such Letters of Credit no later than the Business Day immediately preceding the Termination Date or the Talen Closing Date, as applicable, in an amount not less than 101.75% of all outstanding Credit Obligations.”

8. All references to 100% in Section 8.1 of the Agreement are hereby amended and replaced with references to 101.75%.

9. CIBC hereby waives any Event of Default that arises pursuant to Section 8.1(k) of the Agreement solely as a result of the Energy Supply Spin-Off constituting a Change of Control.

10. The Company hereby represents and warrants to CIBC that each of the representations and warranties of the Company in the Agreement are true and correct as if made on and as of the date hereof (or, if expressly stated to have been made as of an earlier date, were true and correct in all material respects as of such earlier date).

11. The Company hereby covenants and agrees that any and all Letters of Credit that, by their terms, will remain outstanding after the Talen Closing Date shall be Cash Collateralized by the Company in accordance with the terms and conditions of Article VII of the Agreement.

12. Except as amended by the provisions hereof, the Agreement shall remain in full force and effect in accordance with its terms.

ARTICLE II THE CREDITS

Section 2.01 Commitments to Lend. Each Lender severally agrees, on the terms and conditions set forth in this Agreement, to make Revolving Loans to the Borrower pursuant to this Section 2.01 from time to time during the Availability Period in amounts such that its Revolving Outstandings shall not exceed its Commitment; provided, that, immediately after giving effect to each such Revolving Loan, the aggregate principal amount of all outstanding Revolving Loans (after giving effect to any amount requested) shall not exceed the aggregate Commitments less the sum of all outstanding Swingline Loans and Letter of Credit Liabilities. Each Revolving Borrowing (other than Mandatory Letter of Credit Borrowings) shall be in an aggregate principal amount of \$10,000,000 or any larger integral multiple of \$1,000,000 (except that any such Borrowing may be in the aggregate amount of the unused Commitments) and shall be made from the several Lenders ratably in proportion to their respective Commitments. Within the foregoing limits, the Borrower may borrow under this Section 2.01, repay, or, to the extent permitted by Section 2.10, prepay, Revolving Loans and reborrow under this Section 2.01.

Section 2.02 Swingline Loans.

(a) Availability. Subject to the terms and conditions of this Agreement, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time from the Effective Date through, but not including, the Swingline Termination Date; provided, that the aggregate principal amount of all outstanding Swingline Loans (after giving effect to any amount requested), shall not exceed the lesser of (i) the aggregate Commitments less the sum of the aggregate principal amount of all outstanding Revolving Loans and all outstanding Letter of Credit Liabilities and (ii) the Swingline Sublimit; and provided further, that the Borrower shall not use the proceeds of any Swingline Loan to refinance any outstanding Swingline Loan. Each Swingline Loan shall be in an aggregate principal amount of \$2,000,000 or any larger integral multiple of \$500,000 (except that any such Borrowing may be in the aggregate amount of the unused Swingline Sublimit). Within the foregoing limits, the Borrower may borrow, repay and reborrow Swingline Loans, in each case under this Section 2.02. Each Swingline Loan shall be a Base Rate Loan.

(b) Refunding.

(i) Swingline Loans shall be refunded by the Lenders on demand by the Swingline Lender. Such refundings shall be made by the Lenders in accordance with their respective Commitment Ratios and shall thereafter be reflected as Revolving Loans of the Lenders on the books and records of the Administrative Agent. Each Lender shall fund its respective Commitment Ratio of Revolving Loans as required to repay Swingline Loans outstanding to the Swingline Lender upon demand by the Swingline Lender but in no event later than 1:00 P.M. (Charlotte, North Carolina time) on the next succeeding Business Day after such demand is made. No Lender’s obligation to fund its respective Commitment Ratio of a Swingline Loan shall be affected by any other Lender’s failure to fund its Commitment Ratio of a Swingline Loan, nor shall any Lender’s Commitment Ratio be increased as a result of any such failure of any other Lender to fund its Commitment Ratio of a Swingline Loan.

(ii) The Borrower shall pay to the Swingline Lender on demand, and in no case more than fourteen (14) days after the date that such Swingline Loan is made, the amount of such Swingline Loan to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. In addition, the Borrower hereby authorizes the Administrative Agent to charge any account maintained by the Borrower with the Swingline Lender (up to the amount available therein) in order to immediately pay the Swingline Lender the amount of such Swingline Loans to the extent amounts received from the Lenders are not sufficient to repay in full the

outstanding Swingline Loans requested or required to be refunded. If any portion of any such amount paid to the Swingline Lender shall be recovered by or on behalf of the Borrower from the Swingline Lender in bankruptcy or otherwise, the loss of the amount so recovered shall be ratably shared among all the Lenders in accordance with their respective Commitment Ratios (unless the amounts so recovered by or on behalf of the Borrower pertain to a Swingline Loan extended after the occurrence and during the continuance of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable).

(iii) Each Lender acknowledges and agrees that its obligation to refund Swingline Loans (other than Swingline Loans extended after the occurrence and during the continuation of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable) in accordance with the terms of this Section is absolute and unconditional and shall not be affected by any circumstance whatsoever, including, without limitation, non-satisfaction of the conditions set forth in Article IV. Further, each Lender agrees and acknowledges that if prior to the refunding of any outstanding Swingline Loans pursuant to this Section, one of the events described in Section 7.01(h) or (i) shall have occurred, each Lender will, on the date the applicable Revolving Loan would have been made, purchase an undivided participating interest in the Swingline Loan to be refunded in an amount equal to its Commitment Ratio of the aggregate amount of such Swingline Loan. Each Lender will immediately transfer to the Swingline Lender, in immediately available funds, the amount of its participation and upon receipt thereof the Swingline Lender will deliver to such Lender a certificate evidencing such participation dated the date of receipt of such funds and for such amount. Whenever, at any time after the Swingline Lender has received from any Lender such Lender's participating interest in a Swingline Loan, the Swingline Lender receives any payment on account thereof, the Swingline Lender will distribute to such Lender its participating interest in such amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's participating interest was outstanding and funded).

Section 2.03 Notice of Borrowings. The Borrower shall give the Administrative Agent notice substantially in the form of Exhibit A-1 hereto (a "Notice of Borrowing") not later than (a) 11:30 A.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the third Business Day before each Euro-Dollar Borrowing, specifying:

- (i) the date of such Borrowing, which shall be a Business Day;
- (ii) the aggregate amount of such Borrowing;
- (iii) whether such Borrowing is comprised of Revolving Loans or a Swingline Loan;
- (iv) in the case of a Revolving Borrowing, the initial Type of the Loans comprising such Borrowing; and
- (v) in the case of a Euro-Dollar Borrowing, the duration of the initial Interest Period applicable thereto, subject to the provisions of the definition of Interest Period.

Notwithstanding the foregoing, no more than six (6) Groups of Euro-Dollar Loans shall be outstanding at any one time, and any Loans which would exceed such limitation shall be made as Base Rate Loans.

Section 2.04 Notice to Lenders; Funding of Revolving Loans and Swingline Loans.

(a) Notice to Lenders. Upon receipt of a Notice of Borrowing (other than in respect of a Borrowing of a Swingline Loan), the Administrative Agent shall promptly notify each Lender of such Lender's ratable share (if any) of the Borrowing referred to in the Notice of Borrowing, and such Notice of Borrowing shall not thereafter be revocable by the Borrower.

(b) Funding of Loans. Not later than (a) 1:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing, each Lender shall make available its ratable share of such Borrowing, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. Unless the Administrative Agent determines that any applicable condition specified in Article IV has not been satisfied, the Administrative Agent shall apply any funds so received in respect of a Borrowing available to the Borrower at the Administrative Agent's address not later than (a) 3:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 2:00 P.M. (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing. Revolving Loans to be made for the purpose of refunding Swingline Loans shall be made by the Lenders as provided in Section 2.02(b).

(c) Funding By the Administrative Agent in Anticipation of Amounts Due from the Lenders. Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing (except in the case of a Base Rate Borrowing, in which case prior to the time of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available to the Administrative Agent on the date of such Borrowing in accordance with subsection (b) of this Section, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such share available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount, together with interest thereon for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) a rate per annum equal to the higher of the Federal Funds Rate and the interest rate applicable thereto pursuant to Section 2.06, in the case of the Borrower, and (ii) the Federal Funds Rate, in the case of such Lender. Any payment by the Borrower hereunder shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make its share of a Borrowing available to the Administrative Agent. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan included in such Borrowing for purposes of this Agreement.

(d) Obligations of Lenders Several. The failure of any Lender to make a Loan required to be made by it as part of any Borrowing hereunder shall not relieve any other Lender of its obligation, if any, hereunder to make any Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on such date of Borrowing.

Section 2.05 Noteless Agreement; Evidence of Indebtedness.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender

from time to time hereunder.

(b) The Administrative Agent shall also maintain accounts in which it will record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period with respect thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(c) The entries maintained in the accounts maintained pursuant to subsections (a) and (b) above shall be prima facie evidence of the existence and amounts of the Obligations therein recorded; provided, however, that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(d) Any Lender may request that its Loans be evidenced by a Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 9.06(c)) be represented by one or more Notes payable to the order of the payee named therein or any assignee pursuant to Section 9.06(c), except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in subsections (a) and (b) above.

Section 2.06 Interest Rates.

(a) Interest Rate Options. The Loans shall, at the option of the Borrower and except as otherwise provided herein, be incurred and maintained as, or converted into, one or more Base Rate Loans or Euro-Dollar Loans.

(b) Base Rate Loans. Each Loan which is made as, or converted into, a Base Rate Loan (other than a Swingline Loan) shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made as, or converted into, a Base Rate Loan until it becomes due or is converted into a Loan of any other Type, at a rate per annum equal to the sum of the Base Rate for such day plus the Applicable Percentage for Base Rate Loans for such day. Each Loan which is made as a Swingline Loan shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made until it becomes due at a rate per annum equal to the LIBOR Market Index Rate for such day plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall, in each case, be payable quarterly in arrears on each Quarterly Date (or, with respect to Base Rate Loans that are Swingline Loans, as the Swingline Lender and the Borrower may otherwise agree in writing) and, with respect to the principal amount of any Base Rate Loan (other than a Swingline Loan) converted to a Euro-Dollar Loan, on the date such Base Rate Loan is so converted. Any overdue principal of or interest on any Base Rate Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the rate otherwise applicable to Base Rate Loans for such day.

(c) Euro-Dollar Loans. Each Euro-Dollar Loan shall bear interest on the outstanding principal amount thereof, for each day during the Interest Period applicable thereto, at a rate per annum equal to the sum of the Adjusted London Interbank Offered Rate for such Interest Period plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall be payable for each Interest Period on the last day thereof and, if such Interest Period is longer than three months, at intervals of three months after the first day thereof. Any overdue principal of or interest on any Euro-Dollar Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the sum of (A) the Adjusted London Interbank Offered Rate applicable to such Loan at the date such payment was due plus (B) the Applicable Percentage for Euro-Dollar Loans for such day (or, if the circumstance described in Section 2.14 shall exist, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day).

(d) Method of Electing Interest Rates.

(i) Subject to Section 2.06(a), the Loans included in each Revolving Borrowing shall bear interest initially at the type of rate specified by the Borrower in the applicable Notice of Borrowing. Thereafter, with respect to each Group of Loans, the Borrower shall have the option (A) to convert all or any part of (y) so long as no Default is in existence on the date of conversion, outstanding Base Rate Loans to Euro-Dollar Loans and (z) outstanding Euro-Dollar Loans to Base Rate Loans; provided, in each case, that the amount so converted shall be equal to \$10,000,000 or any larger integral multiple of \$1,000,000, or (B) upon the expiration of any Interest Period applicable to outstanding Euro-Dollar Loans, so long as no Default is in existence on the date of continuation, to continue all or any portion of such Loans, equal to \$10,000,000 and any larger integral multiple of \$1,000,000 in excess of that amount as Euro-Dollar Loans. The Interest Period of any Base Rate Loan converted to a Euro-Dollar Loan pursuant to clause (A) above shall commence on the date of such conversion. The succeeding Interest Period of any Euro-Dollar Loan continued pursuant to clause (B) above shall commence on the last day of the Interest Period of the Loan so continued. Euro-Dollar Loans may only be converted on the last day of the then current Interest Period applicable thereto or on the date required pursuant to Section 2.18.

(ii) The Borrower shall deliver a written notice of each such conversion or continuation (a "Notice of Conversion/Continuation") to the Administrative Agent no later than (A) 12:00 Noon (Charlotte, North Carolina time) at least three (3) Business Days before the effective date of the proposed conversion to, or continuation of, a Euro Dollar Loan and (B) 11:30 A.M. (Charlotte, North Carolina time) on the day of a conversion to a Base Rate Loan. A written Notice of Conversion/Continuation shall be substantially in the form of Exhibit A-2 attached hereto and shall specify: (A) the Group of Loans (or portion thereof) to which such notice applies, (B) the proposed conversion/continuation date (which shall be a Business Day), (C) the aggregate amount of the Loans being converted/continued, (D) an election between the Base Rate and the Adjusted London Interbank Offered Rate and (E) in the case of a conversion to, or a continuation of, Euro-Dollar Loans, the requested Interest Period. Upon receipt of a Notice of Conversion/Continuation, the Administrative Agent shall give each Lender prompt notice of the contents thereof and such Lender's pro rata share of all conversions and continuations requested therein. If no timely Notice of Conversion/Continuation is delivered by the Borrower as to any Euro-Dollar Loan, and such Loan is not repaid by the Borrower at the end of the applicable Interest Period, such Loan shall be converted automatically to a Base Rate Loan on the last day of the then applicable Interest Period.

(e) Determination and Notice of Interest Rates. The Administrative Agent shall determine each interest rate applicable to the Loans hereunder. The Administrative Agent shall give prompt notice to the Borrower and the participating Lenders of each rate of interest so determined, and its determination thereof shall be conclusive in the absence of manifest error. Any notice with respect to Euro-Dollar Loans shall, without the necessity of the Administrative Agent so stating in such notice, be subject to adjustments in the Applicable Percentage applicable to such Loans after the beginning of the Interest Period applicable thereto. When during an Interest Period any event occurs that causes an adjustment in the Applicable Percentage applicable to Loans to which such Interest Period is applicable, the Administrative Agent shall give prompt notice to the Borrower and the Lenders of such event and the adjusted rate of interest so determined for such Loans, and its determination thereof shall be conclusive in the absence of manifest error.

Section 2.07 Fees.

(a) Commitment Fees. The Borrower shall pay to the Administrative Agent for the account of each Lender a fee (the "Commitment Fee") for each day at a rate per annum equal to the Applicable Percentage for the Commitment Fee for such day. The Commitment Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the amount by which such Lender's Commitment exceeds the sum of its Revolving Outstandings (solely for this purpose, exclusive of Swingline Exposure) on such day. The Commitment Fee shall be payable on the last day of each of March, June, September and December and on the Termination Date.

(b) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent a fee (the "Letter of Credit Fee") for each day at a rate per annum equal to the Applicable Percentage for the Letter of Credit Fee for such day. The Letter of Credit Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the aggregate amount available for drawing under any Letters of Credit outstanding on such day and shall be payable for the account of the Lenders ratably in proportion to their participations in such Letter(s) of Credit. In addition, the Borrower shall pay to each Issuing Lender a fee (the "Fronting Fee") in respect of each Letter of Credit issued by such Issuing Lender computed at the rate of 0.20% per annum on the average amount available for drawing under such Letter(s) of Credit. Fronting Fees shall be due and payable quarterly in arrears on each Quarterly Date and on the Termination Date (or such earlier date as all Letters of Credit shall be canceled or expire). In addition, the Borrower agrees to pay to each Issuing Lender, upon each issuance of, payment under, and/or amendment of, a Letter of Credit, such amount as shall at the time of such issuance, payment or amendment be the administrative charges and expenses which such Issuing Lender is customarily charging for issuances of, payments under, or amendments to letters of credit issued by it.

(c) Payments. Except as otherwise provided in this Section 2.07, accrued fees under this Section 2.07 in respect of Loans and Letter of Credit Liabilities shall be payable quarterly in arrears on each Quarterly Date, on the last day of the Availability Period and, if later, on the date the Loans and Letter of Credit Liabilities shall be repaid in their entirety. Fees paid hereunder shall not be refundable under any circumstances.

Section 2.08 Adjustments of Commitments.

(a) Optional Termination or Reductions of Commitments (Pro-Rata). The Borrower may, upon at least three Business Days' prior written notice to the Administrative Agent, permanently (i) terminate the Commitments, if there are no Revolving Outstandings at such time or (ii) ratably reduce from time to time by a minimum amount of \$10,000,000 or any larger integral multiple of \$5,000,000, the aggregate amount of the Commitments in excess of the aggregate Revolving Outstandings. Upon receipt of any such notice, the Administrative Agent shall promptly notify the Lenders. If the Commitments are terminated in their entirety, all accrued fees shall be payable on the effective date of such termination.

(b) Replacement of Lenders; Optional Termination of Commitments (Non-Pro-Rata). If (i) any Lender has demanded compensation or indemnification pursuant to Sections 2.14, 2.15, 2.16 or 2.17, (ii) the obligation of any Lender to make Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (iii) any Lender is a Defaulting Lender (each such Lender described in clauses (i), (ii) or (iii) being a "Retiring Lender"), the Borrower shall have the right, if no Default then exists, to replace such Lender with one or more Eligible Assignees (which may be one or more of the Continuing Lenders) (each a "Replacement Lender" and, collectively, the "Replacement Lenders") reasonably acceptable to the Administrative Agent. The replacement of a Retiring Lender pursuant to this Section 2.08(b) shall be effective on the tenth Business Day (the "Replacement Date") following the date of notice given by the Borrower of such replacement to the Retiring Lender and each Continuing Lender through the Administrative Agent, subject to the satisfaction of the following conditions:

(i) the Replacement Lender shall have satisfied the conditions to assignment and assumption set forth in Section 9.06(c) (with all fees payable pursuant to Section 9.06(c) to be paid by the Borrower) and, in connection therewith, the Replacement Lender(s) shall pay:

(A) to the Retiring Lender an amount equal in the aggregate to the sum of (x) the principal of, and all accrued but unpaid interest on, all outstanding Loans of the Retiring Lender, (y) all unpaid drawings that have been funded by (and not reimbursed to) the Retiring Lender under Section 3.10, together with all accrued but unpaid interest with respect thereto and (z) all accrued but unpaid fees owing to the Retiring Lender pursuant to Section 2.07; and

(B) to the Swingline Lender an amount equal to the aggregate amount owing by the Retiring Lender to the Swingline Lender in respect of all unpaid refundings of Swingline Loans requested by the Swingline Lender pursuant to Section 2.02(b)(i), to the extent such amount was not theretofore funded by such Retiring Lender; and

(C) to the Issuing Lenders an amount equal to the aggregate amount owing by the Retiring Lender to the Issuing Lenders as reimbursement pursuant to Section 3.09, to the extent such amount was not theretofore funded by such Retiring Lender; and

(ii) the Borrower shall have paid to the Administrative Agent for the account of the Retiring Lender an amount equal to all obligations owing to the Retiring Lender by the Borrower pursuant to this Agreement and the other Loan Documents (other than those obligations of the Borrower referred to in clause (i)(A) above).

On the Replacement Date, each Replacement Lender that is a New Lender shall become a Lender hereunder and shall succeed to the obligations of the Retiring Lender with respect to outstanding Swingline Loans and Letters of Credit to the extent of the Commitment of the Retiring Lender assumed by such Replacement Lender, and the Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall continue to inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

In lieu of the foregoing, subject to Section 2.08(e), upon express written consent of Continuing Lenders holding more than 50% of the aggregate amount of the Commitments of the Continuing Lenders, the Borrower shall have the right to permanently terminate the Commitment of a Retiring Lender in full. Upon payment by the Borrower to the Administrative Agent for the account of the Retiring Lender of an amount equal to the sum of (i) the aggregate principal amount of all Loans and Reimbursement Obligations owed to the Retiring Lender and (ii) all accrued interest, fees and other amounts owing to the Retiring Lender hereunder, including, without limitation, all amounts payable by the Borrower to the Retiring Lender under Sections 2.12, 2.16, 2.17 or 9.03, such Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

(c) Optional Termination of Defaulting Lender Commitment (Non-Pro-Rata). At any time a Lender is a Defaulting Lender, subject to Section 2.08(e), the Borrower may terminate in full the Commitment of such Defaulting Lender by giving notice to such Defaulting Lender and the Administrative Agent, provided, that, (i) at the time of such termination, (A) no Default has occurred and is continuing (or alternatively, the Required Lenders shall consent to such

termination) and (B) either (x) no Revolving Loans or Swingline Loans are outstanding or (y) the aggregate Revolving Outstandings of such Defaulting Lender in respect of Revolving Loans is zero; (ii) concurrently with such termination, the aggregate Commitments shall be reduced by the Commitment of the Defaulting Lender; and (iii) concurrently with any subsequent payment of interest or fees to the Lenders with respect to any period before the termination of a Defaulting Lender's Commitment, the Borrower shall pay to such Defaulting Lender its ratable share (based on its Commitment Ratio before giving effect to such termination) of such interest or fees, as applicable. The termination of a Defaulting Lender's Commitment pursuant to this [Section 2.08\(c\)](#) shall not be deemed to be a waiver of any right that the Borrower, Administrative Agent, any Issuing Lender or any other Lender may have against such Defaulting Lender.

(d) Termination Date; Optional Extensions.

(i) The Commitments shall terminate on the Termination Date.

(ii) The Borrower may, by sending an Extension Letter to the Administrative Agent (in which case the Administrative Agent shall promptly deliver a copy to each of the Lenders), not less than thirty (30) nor more than ninety (90) days prior to the first or second anniversary of the date hereof (each such anniversary, the "[Extension Date](#)"), or at both times, request that the Lenders extend the Termination Date then in effect (the "[Current Termination Date](#)") so that it will occur one year after the Current Termination Date. Each Lender, acting in its sole discretion, may, by notice to the Administrative Agent given no later than fifteen (15) days prior to the first or second annual anniversary of the date hereof, as applicable (the "[Election Date](#)"), advise the Administrative Agent in writing whether or not it agrees to such extension (each Lender to respond negatively to such request being referred to herein as a "[Non-Extending Lender](#)"); provided, that, any Lender not responding to such request within such time period shall be deemed to be a Non-Extending Lender. The election of any Lender to agree to such extension shall not obligate any other Lender to agree.

(iii) (A) If Lenders holding Commitments that aggregate at least 51% of the aggregate Commitments of the Lenders on or prior to the Election Date shall not have agreed to extend the Termination Date, then the Current Termination Date shall not be so extended and the outstanding principal balance of all loans and other amounts payable hereunder shall be due and payable on the Current Termination Date. (B) If (and only if) Lenders holding Commitments that aggregate at least 51% of the aggregate Revolving Commitments of the Lenders on or prior to the Election Date shall have agreed to extend the Current Termination Date, then the Termination Date applicable to the Lenders that are Extending Lenders shall, as of the Extension Date, be the day that is one year after the Current Termination Date. In the event of such extension, the Commitment of each Non-Extending Lender shall terminate on the Current Termination Date applicable to such Non-Extending Lender, all Loans and other amounts payable hereunder to such Non-Extending Lender shall become due and payable on such Current Termination Date and the aggregate Commitments of the Lenders hereunder shall be reduced by the aggregate Commitments of Non-Extending Lenders so terminated on and after such Current Termination Date. Each Non-Extending Lender shall be required to maintain its original Commitment up to the Termination Date, or Current Termination Date, as applicable, to which such Non-Extending Lender had previously agreed.

(iv) In the event that the conditions of clause (B) of paragraph (iii) above have been satisfied, the Borrower shall have the right on or before the applicable Extension Date, at its own expense, to require any Non-Extending Lender to transfer and assign without recourse or representation (except as to title and the absence of Liens created by it) (in accordance with and subject to the restrictions contained in Section 9.06(c)) all its interests, rights and obligations under the Loan Documents (including with respect to any Letter of Credit Liabilities) to one or more Eligible Assignees (which may include any Lender) (each, an "[Additional Commitment Lender](#)"), provided, that (x) such Additional Commitment Lender, if not already a Lender hereunder, shall be subject to the approval of the Administrative Agent, the Swingline Lender and the Issuing Lenders (not to be unreasonably withheld), (y) such assignment shall become effective as of the applicable Extension Date and (z) the Additional Commitment Lender shall pay to such Non-Extending Lender in immediately available funds on the effective date of such assignment the principal of and interest accrued to the date of payment on the Loans made by such Non-Extending Lender hereunder and all other amounts accrued for such Non-Extending Lender's account or owed to it hereunder.

(v) Notwithstanding the foregoing, no extension of the Termination Date shall become effective unless, on the Extension Date, (i) the conditions set forth in [Section 4.02](#) shall be satisfied (with all references in such paragraphs to the making of a Loan or issuance of a Letter of Credit being deemed to be references to the extension of the Commitments on the Extension Date), (ii) any necessary governmental, regulatory and third party approvals required to authorize the extension of the Termination Date shall be in full force and effect, in each case without any action being taken by any competent authority which could restrain or prevent such transaction or impose, in the reasonable judgment of the Administrative Agent, materially adverse conditions upon the consummation of the extension of the Termination Date and (iii) the Administrative Agent shall have received (a) a certificate to that effect, with any necessary governmental, regulatory or third party approvals, if any, attached thereto, dated the Extension Date and executed by an Authorized Officer of the Borrower and (b) opinions of counsel for each of the Loan Parties, addressed to the Administrative Agent and each Lender, dated the Extension Date, in form and substance satisfactory to the Administrative Agent.

(e) Redetermination of Commitment Ratios. On the date of termination of the Commitment of a Retiring Lender or Defaulting Lender pursuant to [Section 2.08\(b\)](#) or [\(c\)](#), or, if the Termination Date has been extended pursuant to [Section 2.08\(d\)](#) with respect to some, but not all, Lenders, the date on which the Current Termination Date with respect to Non-Extending Lenders occurs, the Commitment Ratios of the Continuing Lenders or the Extending Lenders, as applicable, shall be redetermined after giving effect thereto, and the participations of the Continuing Lenders or the Extending Lenders, as applicable, in and obligations of the Continuing Lenders or Extending Lenders, as applicable, in respect of any then outstanding Swingline Loans and Letters of Credit shall thereafter be based upon such redetermined Commitment Ratios (as adjusted pursuant to [Sections 2.19](#) and [2.20](#)). The right of the Borrower to effect such a termination pursuant to [Section 2.08\(b\)](#) or [\(c\)](#) is conditioned on there being sufficient unused availability in the Commitments of the Continuing Lenders such that the aggregate Revolving Outstandings will not exceed the aggregate Commitments after giving effect to such termination and redetermination.

Section 2.09 Maturity of Loans; Mandatory Prepayments.

(a) Scheduled Repayments and Prepayments of Loans; Overline Repayments.

(i) The Revolving Loans shall mature on the Termination Date, and any Revolving Loans, Swingline Loans and Letter of Credit Liabilities then outstanding (together with accrued interest thereon and fees in respect thereof) shall be due and payable or, in the case of Letters of Credit, cash collateralized pursuant to [Section 2.09\(a\)\(ii\)](#), on such date.

(ii) If on any date the aggregate Revolving Outstandings exceed the aggregate amount of the Commitments (such excess, a "[Revolving Outstandings Excess](#)"), the Borrower shall prepay, and there shall become due and payable (together with accrued interest thereon) on such date, an aggregate principal amount of Revolving Loans and/or Swingline Loans equal to such Revolving Outstandings Excess. If, at a time

when a Revolving Outstandings Excess exists and (x) no Revolving Loans or Swingline Loans are outstanding or (y) the Commitment has been terminated pursuant to this Agreement and, in either case, any Letter of Credit Liabilities remain outstanding, then, in either case, the Borrower shall cash collateralize any Letter of Credit Liabilities by depositing into a cash collateral account established and maintained (including the investments made pursuant thereto) by the Administrative Agent pursuant to a cash collateral agreement in form and substance satisfactory to the Administrative Agent an amount in cash equal to the then outstanding Letter of Credit Liabilities. In determining Revolving Outstandings for purposes of this clause (ii), Letter of Credit Liabilities shall be reduced to the extent that they are cash collateralized as contemplated by this [Section 2.09\(a\)\(ii\)](#).

(b) Applications of Prepayments and Reductions.

(i) Each payment or prepayment of Loans pursuant to this [Section 2.09](#) shall be applied ratably to the respective Loans of all of the Lenders.

(ii) Each payment of principal of the Loans shall be made together with interest accrued on the amount repaid to the date of payment.

(iii) Each payment of the Loans shall be applied to such Groups of Loans as the Borrower may designate (or, failing such designation, as determined by the Administrative Agent).

Section 2.10 Optional Prepayments and Repayments.

(a) Prepayments of Loans. Other than in respect of Swingline Loans, the repayment of which is governed pursuant to [Section 2.02\(b\)](#), subject to [Section 2.12](#), the Borrower may (i) upon at least one (1) Business Day's notice to the Administrative Agent, prepay any Base Rate Borrowing or (ii) upon at least three (3) Business Days' notice to the Administrative Agent, prepay any Euro-Dollar Borrowing, in each case in whole at any time, or from time to time in part in amounts aggregating \$10,000,000 or any larger integral multiple of \$1,000,000, by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment. Each such optional prepayment shall be applied to prepay ratably the Loans of the several Lenders included in such Borrowing.

(b) Notice to Lenders. Upon receipt of a notice of prepayment pursuant to [Section 2.10\(a\)](#), the Administrative Agent shall promptly notify each Lender of the contents thereof and of such Lender's ratable share (if any) of such prepayment, and such notice shall not thereafter be revocable by the Borrower.

Section 2.11 General Provisions as to Payments.

(a) Payments by the Borrower. The Borrower shall make each payment of principal of and interest on the Loans and Letter of Credit Liabilities and fees hereunder (other than fees payable directly to the Issuing Lenders) not later than 12:00 Noon (Charlotte, North Carolina time) on the date when due, without set-off, counterclaim or other deduction, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in [Section 9.01](#). The Administrative Agent will promptly distribute to each Lender its ratable share of each such payment received by the Administrative Agent for the account of the Lenders. Whenever any payment of principal of or interest on the Base Rate Loans or Letter of Credit Liabilities or of fees shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day. Whenever any payment of principal of or interest on the Euro-Dollar Loans shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day unless such Business Day falls in another calendar month, in which case the date for payment thereof shall be the next preceding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(b) Distributions by the Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Lenders hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date, and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Rate.

Section 2.12 Funding Losses. If the Borrower makes any payment of principal with respect to any Euro-Dollar Loan pursuant to the terms and provisions of this Agreement (any conversion of a Euro-Dollar Loan to a Base Rate Loan pursuant to [Section 2.18](#) being treated as a payment of such Euro-Dollar Loan on the date of conversion for purposes of this [Section 2.12](#)) on any day other than the last day of the Interest Period applicable thereto, or the last day of an applicable period fixed pursuant to [Section 2.06\(c\)](#), or if the Borrower fails to borrow, convert or prepay any Euro-Dollar Loan after notice has been given in accordance with the provisions of this Agreement, or in the event of payment in respect of any Euro-Dollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to [Section 2.08\(b\)](#), the Borrower shall reimburse each Lender within fifteen (15) days after demand for any resulting loss or expense incurred by it (and by an existing Participant in the related Loan), including, without limitation, any loss incurred in obtaining, liquidating or employing deposits from third parties, but excluding loss of margin for the period after any such payment or failure to borrow or prepay; provided, that such Lender shall have delivered to the Borrower a certificate as to the amount of such loss or expense, which certificate shall be conclusive in the absence of manifest error.

Section 2.13 Computation of Interest and Fees. Interest on Loans based on the Prime Rate hereunder and Letter of Credit Fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and paid for the actual number of days elapsed. All other interest and fees shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day).

Section 2.14 Basis for Determining Interest Rate Inadequate, Unfair or Unavailable. If on or prior to the first day of any Interest Period for any Euro-Dollar Loan: (a) Lenders having 50% or more of the aggregate amount of the Commitments advise the Administrative Agent that the Adjusted London Interbank Offered Rate as determined by the Administrative Agent, will not adequately and fairly reflect the cost to such Lenders of funding their Euro-Dollar Loans for such Interest Period; or (b) the Administrative Agent shall determine that no reasonable means exists for determining the Adjusted London Interbank Offered Rate, the Administrative Agent shall forthwith give notice thereof to the Borrower and the Lenders, whereupon, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such suspension no longer exist, (i) the obligations of the Lenders to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans shall be suspended; and (ii) each outstanding Euro-Dollar Loan shall be converted into a Base Rate Loan on the last day of the current Interest Period applicable thereto. Unless the Borrower notifies the Administrative Agent at

least two (2) Business Days before the date of (or, if at the time the Borrower receives such notice the day is the date of, or the date immediately preceding, the date of such Euro-Dollar Borrowing, by 10:00 A.M. (Charlotte, North Carolina time) on the date of) any Euro-Dollar Borrowing for which a Notice of Borrowing has previously been given that it elects not to borrow on such date, such Borrowing shall instead be made as a Base Rate Borrowing.

Section 2.15 Illegality. If, on or after the date of this Agreement, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Euro-Dollar Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for any Lender (or its Euro-Dollar Lending Office) to make, maintain or fund its Euro-Dollar Loans and such Lender shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof to the other Lenders and the Borrower, whereupon until such Lender notifies the Borrower and the Administrative Agent that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans, shall be suspended. Before giving any notice to the Administrative Agent pursuant to this Section, such Lender shall designate a different Euro-Dollar Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. If such notice is given, each Euro-Dollar Loan of such Lender then outstanding shall be converted to a Base Rate Loan either (a) on the last day of the then current Interest Period applicable to such Euro-Dollar Loan if such Lender may lawfully continue to maintain and fund such Loan to such day or (b) immediately if such Lender shall determine that it may not lawfully continue to maintain and fund such Loan to such day.

Section 2.16 Increased Cost and Reduced Return.

(a) **Increased Costs.** If after the Effective Date, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Applicable Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall (i) impose, modify or deem applicable any reserve (including, without limitation, any such requirement imposed by the Board of Governors of the Federal Reserve System), special deposit, insurance assessment or similar requirement against Letters of Credit issued or participated in by, assets of, deposits with or for the account of or credit extended by, any Lender (or its Applicable Lending Office), (ii) subject any Lender or the Issuing Lender to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Euro-Dollar Loan made by it, or change the basis of taxation of payments to such Lender or the Issuing Lender in respect thereof (other than (A) Taxes, (B) Other Taxes, (C) the imposition of, or any change in the rate of, any taxes described in clauses (i) through (iv) of the definition of Taxes in Section 2.17(a) and (D) Taxes attributable to a Lender's or an Issuing Lender's failure to comply with Section 2.17(e)) or (iii) impose on any Lender (or its Applicable Lending Office) or on the United States market for certificates of deposit or the London interbank market any other condition affecting its Euro-Dollar Loans, Notes, obligation to make Euro-Dollar Loans or obligations hereunder in respect of Letters of Credit, and the result of any of the foregoing is to increase the cost to such Lender (or its Applicable Lending Office) of making or maintaining any Euro-Dollar Loan, or of issuing or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by such Lender (or its Applicable Lending Office) under this Agreement or under its Notes with respect thereto, then, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts, as determined by such Lender in good faith, as will compensate such Lender for such increased cost or reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(b) **Capital Adequacy.** If any Lender shall have determined that, after the Effective Date, the adoption of any applicable law, rule or regulation regarding capital adequacy or liquidity, or any change in any such law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Lender (or any Person controlling such Lender) as a consequence of such Lender's obligations hereunder to a level below that which such Lender (or any Person controlling such Lender) could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy), then from time to time, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender (or any Person controlling such Lender) for such reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(c) **Notices.** Each Lender will promptly notify the Borrower and the Administrative Agent of any event of which it has knowledge, occurring after the Effective Date, that will entitle such Lender to compensation pursuant to this Section and will designate a different Applicable Lending Office if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. A certificate of any Lender claiming compensation under this Section and setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Lender may use any reasonable averaging and attribution methods.

(d) Notwithstanding anything to the contrary herein, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "change in law" under this Article II regardless of the date enacted, adopted or issued.

Section 2.17 Taxes.

(a) **Payments Net of Certain Taxes.** Any and all payments made by or on account of any Loan Party to or for the account of any Lender or any Agent hereunder or under any other Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, charges and withholdings and all liabilities with respect thereto, excluding: (i) taxes imposed on or measured by the net income (including branch profits or similar taxes) of, and gross receipts, franchise or similar taxes imposed on, any Agent or any Lender by the jurisdiction (or subdivision thereof) under the laws of which such Lender or Agent is organized or in which its principal executive office is located or, in the case of each Lender, in which its Applicable Lending Office is located, (ii) in the case of each Lender, any United States withholding tax imposed on such payments, but only to the extent that such Lender is subject to United States withholding tax at the time such Lender first becomes a party to this Agreement or changes its Applicable Lending Office (other than pursuant to an assignment request by any Loan Party under Section 2.08(b) or (d)), (iii) any backup withholding tax imposed by the United States (or any state or locality thereof) on a Lender or Administrative Agent, and (iv) any taxes imposed by FATCA (all such nonexcluded taxes, duties, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes"). If any Loan Party shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender or any Agent,

(i) the sum payable shall be increased as necessary so that after making all such required deductions (including deductions applicable to additional sums payable under this [Section 2.17\(a\)](#)) such Lender or Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make such deductions, (iii) such Loan Party shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law and (iv) such Loan Party shall furnish to the Administrative Agent, for delivery to such Lender, the original or a certified copy of a receipt evidencing payment thereof.

(b) **Other Taxes.** In addition, each Loan Party agrees to pay any and all present or future stamp or court or documentary taxes and any other excise or property taxes, or similar charges or levies, which arise from any payment made pursuant to this Agreement, any Note or any other Loan Document or from the execution, delivery, performance, registration or enforcement of, or otherwise with respect to, this Agreement, any Note or any other Loan Document (collectively, "**Other Taxes**").

(c) **Indemnification.** Each Loan Party agrees to jointly and severally indemnify each Lender and each Agent for the full amount of Taxes and Other Taxes (including, without limitation, any Taxes or Other Taxes imposed or asserted by any jurisdiction on amounts payable under this [Section 2.17\(c\)](#)), whether or not correctly or legally asserted, paid by such Lender or Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto as certified in good faith to the Borrower by each Lender or Agent seeking indemnification pursuant to this [Section 2.17\(c\)](#). This indemnification shall be paid within 15 days after such Lender or Agent (as the case may be) makes demand therefor.

(d) **Refunds or Credits.** If a Lender or Agent receives a refund, credit or other reduction from a taxation authority for any Taxes or Other Taxes for which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this [Section 2.17](#), it shall within fifteen (15) days from the date of such receipt pay over the amount of such refund, credit or other reduction to the Borrower (but only to the extent of indemnity payments made or additional amounts paid by the Loan Parties under this [Section 2.17](#) with respect to the Taxes or Other Taxes giving rise to such refund, credit or other reduction), net of all reasonable out-of-pocket expenses of such Lender or Agent (as the case may be) and without interest (other than interest paid by the relevant taxation authority with respect to such refund, credit or other reduction); provided, however, that each Loan Party agrees to repay, upon the request of such Lender or Agent (as the case may be), the amount paid over to the Borrower (plus penalties, interest or other charges) to such Lender or Agent in the event such Lender or Agent is required to repay such refund or credit to such taxation authority.

(e) **Tax Forms and Certificates.** On or before the date it becomes a party to this Agreement, from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and at any time it changes its Applicable Lending Office: (i) each Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code shall deliver to the Borrower and the Administrative Agent two (2) properly completed and duly executed copies of Internal Revenue Service Form W-9, or any successor form prescribed by the Internal Revenue Service, or such other documentation or information prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, as the case may be, certifying that such Lender is a United States person and is entitled to an exemption from United States backup withholding tax or information reporting requirements; and (ii) each Lender that is not a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code (a "**Non-U.S. Lender**") shall deliver to the Borrower and the Administrative Agent: (A) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, or any successor form prescribed by the Internal Revenue Service, (x) certifying that such Non-U.S. Lender is entitled to the benefits under an income tax treaty to which the United States is a party which exempts the Non-U.S. Lender from United States withholding tax or reduces the rate of withholding tax on payments of interest for the account of such Non-U.S. Lender and (y) with respect to any other applicable payments under or entered into in connection with any Loan Document establishing an exemption from, or reduction of, United States withholding tax pursuant to the "business profits" or "other income" article of such tax treaty; (B) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8ECI, or any successor form prescribed by the Internal Revenue Service, certifying that the income receivable pursuant to this Agreement and the other Loan Documents is effectively connected with the conduct of a trade or business in the United States; (C) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Internal Revenue Code, two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, or any successor form prescribed by the Internal Revenue Service, together with a certificate to the effect that (x) such Non-U.S. Lender is not (1) a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (2) a "10-percent shareholder" of any Loan Party within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code, or (3) a "controlled foreign corporation" that is described in Section 881(c)(3)(C) of the Internal Revenue Code and is related to any Loan Party within the meaning of Section 864(d)(4) of the Internal Revenue Code and (y) the interest payments in question are not effectively connected with a U.S. trade or business conducted by such Non-U.S. Lender; or (D) to the extent the Non-U.S. Lender is not the beneficial owner, two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8IMY, or any successor form prescribed by the Internal Revenue Service, accompanied by an Internal Revenue Service Form W-8ECI, W-8BEN, W-8BEN-E, W-9, and/or other certification documents from each beneficial owner, as applicable. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Loan Parties and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. In addition, each Lender agrees that from time to time after the Effective Date, when a lapse in time or change in circumstances renders the previous certification obsolete or inaccurate in any material respect, it will deliver to the Borrower and the Administrative Agent two new accurate and complete signed originals of Internal Revenue Service Form W-9, W-8BEN, W-8BEN-E, W-8ECI or W-8IMY or FATCA-related documentation described above, or successor forms, as the case may be, and such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under this Agreement and any other Loan Document, or it shall immediately notify the Borrower and the Administrative Agent of its inability to deliver any such form or certificate.

(f) **Exclusions.** No Loan Party shall be required to indemnify any Non-U.S. Lender, or to pay any additional amount to any Non-U.S. Lender, pursuant to [Section 2.17\(a\)](#), [\(b\)](#) or [\(c\)](#) in respect of Taxes or Other Taxes to the extent that the obligation to indemnify or pay such additional amounts would not have arisen but for the failure of such Non-U.S. Lender to comply with the provisions of subsection (e) above.

(g) **Mitigation.** If any Loan Party is required to pay additional amounts to or for the account of any Lender pursuant to this [Section 2.17](#), then such Lender will use reasonable efforts (which shall include efforts to rebook the Revolving Loans held by such Lender to a new Applicable Lending Office, or through another branch or affiliate of such Lender) to change the jurisdiction of its Applicable Lending Office if, in the good faith judgment of such Lender, such efforts (i) will eliminate or, if it is not possible to eliminate, reduce to the greatest extent possible any such additional payment which may thereafter accrue and (ii) is not otherwise disadvantageous, in the sole determination of such Lender, to such Lender. Any Lender claiming any indemnity payment or additional amounts payable pursuant to this Section shall use reasonable efforts (consistent with legal and regulatory restrictions) to deliver to Borrower any certificate or document reasonably requested in writing by the Borrower or to change the jurisdiction of its Applicable Lending Office if the making of such a

filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue and would not, in the sole determination of such Lender, be otherwise disadvantageous to such Lender.

(h) Confidentiality. Nothing contained in this Section shall require any Lender or any Agent to make available any of its tax returns (or any other information that it deems to be confidential or proprietary).

Section 2.18 Base Rate Loans Substituted for Affected Euro-Dollar Loans. If (a) the obligation of any Lender to make or maintain, or to convert outstanding Loans to, Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (b) any Lender has demanded compensation under Section 2.16(a) with respect to its Euro-Dollar Loans and, in any such case, the Borrower shall, by at least four Business Days' prior notice to such Lender through the Administrative Agent, have elected that the provisions of this Section shall apply to such Lender, then, unless and until such Lender notifies the Borrower that the circumstances giving rise to such suspension or demand for compensation no longer apply:

(i) all Loans which would otherwise be made by such Lender as (or continued as or converted into) Euro-Dollar Loans shall instead be Base Rate Loans (on which interest and principal shall be payable contemporaneously with the related Euro-Dollar Loans of the other Lenders); and

(ii) after each of its Euro-Dollar Loans has been repaid, all payments of principal that would otherwise be applied to repay such Loans shall instead be applied to repay its Base Rate Loans.

If such Lender notifies the Borrower that the circumstances giving rise to such notice no longer apply, the principal amount of each such Base Rate Loan shall be converted into a Euro-Dollar Loan on the first day of the next succeeding Interest Period applicable to the related Euro-Dollar Loans of the other Lenders.

Section 2.19 Increases in Commitments.

(a) Subject to the terms and conditions of this Agreement, the Borrower may, during the Availability Period by delivering to the Administrative Agent and the Lenders a Notice of Revolving Increase in the form of Exhibit E, request increases to the Lenders' Commitments (each such request, an "Optional Increase"); provided that: (i) the Borrower may not request any increase to the Commitments after the occurrence and during the continuance of a Default; (ii) each Optional Increase shall be in a minimum amount of \$50,000,000 and (iii) the aggregate amount of all Optional Increases shall be no more than \$100,000,000.

(b) Each Lender may, but shall not be obligated to, participate in any Optional Increase, subject to the approval of each Issuing Lender and the Swingline Lender (such approval not to be unreasonably withheld), and the decision of any Lender to commit to an Optional Increase shall be at such Lender's sole discretion and shall be made in writing. The Borrower may, at its own expense, solicit additional Commitments from third party financial institutions reasonably acceptable to the Administrative Agent, the Swingline Lender and the Issuing Lenders. Any such financial institution (if not already a Lender hereunder) shall become a party to this Agreement as a Lender, pursuant to a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent and the Borrower.

(c) As a condition precedent to the Optional Increase, the Loan Parties shall deliver to the Administrative Agent a certificate of the Loan Parties dated the effective date of the Optional Increase, signed by Authorized Officers of each Loan Party, certifying that: (i) the resolutions adopted by each Loan Party approving or consenting to such Optional Increase are attached thereto and such resolutions are true and correct and have not been altered, amended or repealed and are in full force and effect, (ii) before and after giving effect to the Optional Increase, (A) the representations and warranties contained in Article V and the other Loan Documents are true and correct in all material respects (except to the extent any such representation and warranty is qualified by materiality or reference to Material Adverse Effect, in which case, such representation and warranty shall be true and correct in all respects) on and as of the effective date of the Optional Increase, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they were true and correct in all material respects (except to the extent any such representation and warranty was qualified by materiality or reference to Material Adverse Effect, in which case, such representation and warranty was true and correct in all respects) as of such earlier date, and (B) that no Default exists, is continuing, or would result from the Optional Increase and (iii) any necessary governmental, regulatory and third party approvals required to approve the Optional Increase, are attached thereto and remain in full force and effect, in each case without any action being taken by any competent authority which could restrain or prevent such transaction or impose, in the reasonable judgment of the Administrative Agent, materially adverse conditions upon the consummation of the Optional Increase.

(d) The Revolving Outstandings will be reallocated by the Administrative Agent on the effective date of any Optional Increase among the Lenders in accordance with their revised Commitment Ratios, and the Borrower hereby agrees to pay any and all costs (if any) required pursuant to Section 2.12 incurred by any Lender in connection with the exercise of the Optional Increase. Each of the Lenders shall participate in any new Loans made on or after such date in accordance with their respective Commitment Ratios after giving effect to the increase in Commitments contemplated by this Section 2.19.

Section 2.20 Defaulting Lenders.

(a) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.07(a);

(ii) with respect to any Letter of Credit Liabilities or Swingline Exposure of such Defaulting Lender that exists at the time a Lender becomes a Defaulting Lender or thereafter:

(A) all or any part of such Defaulting Lender's Letter of Credit Liabilities and its Swingline Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.02 are satisfied at such time and (y) such reallocation does not cause the Revolving Outstandings of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment;

(B) if the reallocation described in clause (ii)(A) above cannot, or can only partially, be effected, each Issuing Lender and the Swingline Lender, in its discretion may require the Borrower to (i) reimburse all amounts paid by an Issuing Lender upon

any drawing under a Letter of Credit, (ii) repay an outstanding Swingline Loan, and/or (iii) cash collateralize (in accordance with Section 2.09(a)(ii)) all obligations of such Defaulting Lender in respect of outstanding Letters of Credit and Swingline Loans, in each case, in an amount at least equal to the aggregate amount of the obligations (contingent or otherwise) of such Defaulting Lender in respect of such Letters of Credit or Swingline Loans (after giving effect to any partial reallocation pursuant to Section 2.20(a)(ii)(A) above);

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's pursuant to Section 2.20(a)(ii)(B) then the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities during the period such Defaulting Lender's Letter of Credit Liabilities are cash collateralized;

(iv) if the Letter of Credit Liabilities and/or Swingline Exposure of the Non-Defaulting Lenders is reallocated pursuant to Section 2.20(a)(ii)(A) above, then the fees payable to the Lenders pursuant to Section 2.07(a) and Section 2.07(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment); and

(v) if any Defaulting Lender's Letter of Credit Liabilities and/or Swingline Exposure is neither reimbursed, repaid, cash collateralized nor reallocated pursuant to this Section 2.20(a)(ii), then, without prejudice to any rights or remedies of the Issuing Lenders, the Swingline Lender or any other Lender hereunder, all fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such Letter of Credit Liabilities and/or Swingline Exposure) and letter of credit fees payable under Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities shall be payable to the Issuing Lenders and the Swingline Lender, pro rata, until such Letter of Credit Liabilities and/or Swingline Exposure is cash collateralized, reallocated and/or repaid in full.

(b) So long as any Lender is a Defaulting Lender, (i) no Issuing Lender shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.20(a), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 3.05 (and Defaulting Lenders shall not participate therein) and (ii) the Swingline Lender shall not be required to advance any Swingline Loan, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders.

ARTICLE III LETTERS OF CREDIT

Section 3.01 Issuing Lenders. Subject to the terms and conditions hereof, the Borrower may from time to time identify and arrange for one or more of the Lenders (in addition to the JLA Issuing Banks) to act as Issuing Lenders hereunder. Any such designation by the Borrower shall be notified to the Administrative Agent at least four Business Days prior to the first date upon which the Borrower proposes that such Issuing Lender issue its first Letter of Credit, so as to provide adequate time for such proposed Issuing Lender to be approved by the Administrative Agent hereunder (such approval not to be unreasonably withheld). Within two Business Days following the receipt of any such designation of a proposed Issuing Lender, the Administrative Agent shall notify the Borrower as to whether such designee is acceptable to the Administrative Agent. Nothing contained herein shall be deemed to require any Lender (other than a JLA Issuing Bank) to agree to act as an Issuing Lender, if it does not so desire.

Section 3.02 Letters of Credit.

(a) **Letters of Credit.** Each Issuing Lender agrees, on the terms and conditions set forth in this Agreement, to issue Letters of Credit denominated in Dollars from time to time before the fifth day prior to the Termination Date, for the account, and upon the request, of the Borrower and in support of such obligations of the Borrower or any Affiliate of the Borrower that are reasonably acceptable to such Issuing Lender; provided, that immediately after each Letter of Credit is issued, (A) the aggregate amount of Letter of Credit Liabilities shall not exceed \$150,000,000, (B) the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments and (C) the aggregate fronting exposure of any Issuing Lender shall not exceed its Fronting Sublimit.

Section 3.03 Method of Issuance of Letters of Credit. The Borrower shall give an Issuing Lender notice substantially in the form of Exhibit A-3 to this Agreement (a "Letter of Credit Request") of the requested issuance or extension of a Letter of Credit not later than 1:00 P.M. (Charlotte, North Carolina time) at least one Business Day prior to the proposed date of the issuance or extension of Letters of Credit (which shall be a Business Day) (or such shorter period as may be agreed by such Issuing Lender in any particular instance), specifying the date such Letter of Credit is to be issued or extended and describing the terms of such Letter of Credit and the nature of the transactions to be supported thereby. The extension or renewal of any Letter of Credit shall be deemed to be an issuance of such Letter of Credit, and if any Letter of Credit contains a provision pursuant to which it is deemed to be extended unless notice of termination is given by an Issuing Lender, such Issuing Lender shall timely give such notice of termination unless it has theretofore timely received a Letter of Credit Request and the other conditions to issuance of a Letter of Credit have theretofore been met with respect to such extension. No Letter of Credit shall have a term of more than one year, provided, that no Letter of Credit shall have a term extending or be so extendible beyond the fifth Business Day before the Termination Date, provided that if the Commitments of some, but not all, Lenders shall have been extended pursuant to Section 2.08(d), the "Termination Date" for this purpose shall be the latest Termination Date which is applicable to Commitments aggregating at least \$150,000,000.

Section 3.04 Conditions to Issuance of Letters of Credit. The issuance by an Issuing Lender of each Letter of Credit shall, in addition to the conditions precedent set forth in Article IV, be subject to the conditions precedent that (a) such Letter of Credit shall be satisfactory in form and substance to such Issuing Lender, (b) the Borrower and, if applicable, any such Affiliate of the Borrower, shall have executed and delivered such other instruments and agreements relating to such Letter of Credit as such Issuing Lender shall have reasonably requested and (c) such Issuing Lender shall have confirmed on the date of (and after giving effect to) such issuance that (i) the aggregate outstanding amount of Letter of Credit Liabilities shall not exceed \$150,000,000, (ii) the aggregate Revolving Outstandings will not exceed the aggregate amount of the Commitments and (iii) the aggregate fronting exposure of any Issuing Lender shall not exceed the Fronting Sublimit. Notwithstanding any other provision of this Section 3.04, no Issuing Lender shall be under any obligation to issue any Letter of Credit if: any order, judgment or decree of any governmental authority shall by its terms purport to enjoin or restrain such Issuing Lender from issuing such Letter of Credit, or any requirement of law applicable to such Issuing Lender or any request or directive (whether or not having the force of law) from any governmental authority with jurisdiction over such Issuing Lender shall prohibit, or request that such Issuing Lender refrain from, the issuance of Letters of Credit generally or such Letter of Credit in particular or shall impose upon such Issuing Lender with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Lender is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Lender in good faith deems material to it.

Section 3.05 Purchase and Sale of Letter of Credit Participations. Upon the issuance by an Issuing Lender of a Letter of Credit, such Issuing Lender shall be deemed, without further action by any party hereto, to have sold to each Lender, and each Lender shall be deemed, without further action by any party hereto, to have purchased from such Issuing Lender, without recourse or warranty, an undivided participation interest in such Letter of Credit and the related Letter of Credit Liabilities in accordance with its respective Commitment Ratio (although the Fronting Fee payable under Section 2.07(b) shall be payable directly to the Administrative Agent for the account of the applicable Issuing Lender, and the Lenders (other than such Issuing Lender) shall have no right to receive any portion of any such Fronting Fee) and any security therefor or guaranty pertaining thereto.

Section 3.06 Drawings under Letters of Credit. Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Lender shall determine in accordance with the terms of such Letter of Credit whether such drawing should be honored. If such Issuing Lender determines that any such drawing shall be honored, such Issuing Lender shall make available to such beneficiary in accordance with the terms of such Letter of Credit the amount of the drawing and shall notify the Borrower as to the amount to be paid as a result of such drawing and the payment date.

Section 3.07 Reimbursement Obligations. The Borrower shall be irrevocably and unconditionally obligated forthwith to reimburse the applicable Issuing Lender for any amounts paid by such Issuing Lender upon any drawing under any Letter of Credit, together with any and all reasonable charges and expenses which such Issuing Lender may pay or incur relative to such drawing and interest on the amount drawn at the rate applicable to Base Rate Loans for each day from and including the date such amount is drawn to but excluding the date such reimbursement payment is due and payable. Such reimbursement payment shall be due and payable (a) at or before 1:00 P.M. (Charlotte, North Carolina time) on the date the applicable Issuing Lender notifies the Borrower of such drawing, if such notice is given at or before 10:00 A.M. (Charlotte, North Carolina time) on such date or (b) at or before 10:00 A.M. (Charlotte, North Carolina time) on the next succeeding Business Day; provided, that no payment otherwise required by this sentence to be made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on any day shall be overdue hereunder if arrangements for such payment satisfactory to the applicable Issuing Lender, in its reasonable discretion, shall have been made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on such day and such payment is actually made at or before 3:00 P.M. (Charlotte, North Carolina time) on such day. In addition, the Borrower agrees to pay to the applicable Issuing Lender interest, payable on demand, on any and all amounts not paid by the Borrower to such Issuing Lender when due under this Section 3.07, for each day from and including the date when such amount becomes due to but excluding the date such amount is paid in full, whether before or after judgment, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day. Each payment to be made by the Borrower pursuant to this Section 3.07 shall be made to the applicable Issuing Lender in Federal or other funds immediately available to it at its address referred to Section 9.01.

Section 3.08 Duties of Issuing Lenders to Lenders; Reliance. In determining whether to pay under any Letter of Credit, the applicable Issuing Lender shall not have any obligation relative to the Lenders participating in such Letter of Credit or the related Letter of Credit Liabilities other than to determine that any document or documents required to be delivered under such Letter of Credit have been delivered and that they substantially comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by an Issuing Lender under or in connection with any Letter of Credit shall not create for such Issuing Lender any resulting liability if taken or omitted in the absence of gross negligence or willful misconduct. Each Issuing Lender shall be entitled (but not obligated) to rely, and shall be fully protected in relying, on the representation and warranty by the Borrower set forth in the last sentence of Section 4.02 to establish whether the conditions specified in clauses (b) and (c) of Section 4.02 are met in connection with any issuance or extension of a Letter of Credit. Each Issuing Lender shall be entitled to rely, and shall be fully protected in relying, upon advice and statements of legal counsel, independent accountants and other experts selected by such Issuing Lender and upon any Letter of Credit, draft, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, telecopier, telex or teletype message, statement, order or other document believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary unless the beneficiary and the Borrower shall have notified such Issuing Lender that such documents do not comply with the terms and conditions of the Letter of Credit. Each Issuing Lender shall be fully justified in refusing to take any action requested of it under this Section in respect of any Letter of Credit unless it shall first have received such advice or concurrence of the Required Lenders as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take, or omitting or continuing to omit, any such action. Notwithstanding any other provision of this Section, each Issuing Lender shall in all cases be fully protected in acting, or in refraining from acting, under this Section in respect of any Letter of Credit in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant hereto shall be binding upon all Lenders and all future holders of participations in such Letter of Credit; provided, that this sentence shall not affect any rights the Borrower may have against any Issuing Lender or the Lenders that make such request.

Section 3.09 Obligations of Lenders to Reimburse Issuing Lender for Unpaid Drawings. If any Issuing Lender makes any payment under any Letter of Credit and the Borrower shall not have reimbursed such amount in full to such Issuing Lender pursuant to Section 3.07, such Issuing Lender shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender (other than the applicable Issuing Lender), and each such Lender shall promptly and unconditionally pay to the Administrative Agent, for the account of such Issuing Lender, such Lender's share of such payment (determined in accordance with its respective Commitment Ratio) in Dollars in Federal or other immediately available funds, the aggregate of such payments relating to each unreimbursed amount being referred to herein as a "Mandatory Letter of Credit Borrowing"; provided, however, that no Lender shall be obligated to pay to the Administrative Agent its pro rata share of such unreimbursed amount for any wrongful payment made by the applicable Issuing Lender under a Letter of Credit as a result of acts or omissions constituting willful misconduct or gross negligence by such Issuing Lender. If the Administrative Agent so notifies a Lender prior to 11:00 A.M. (Charlotte, North Carolina time) on any Business Day, such Lender shall make available to the Administrative Agent at its address referred to in Section 9.01 and for the account of the applicable Issuing Lender such Lender's pro rata share of the amount of such payment by 3:00 P.M. (Charlotte, North Carolina time) on the Business Day following such Lender's receipt of notice from the Administrative Agent, together with interest on such amount for each day from and including the date of such drawing to but excluding the day such payment is due from such Lender at the Federal Funds Rate for such day (which funds the Administrative Agent shall promptly remit to such Issuing Lender). The failure of any Lender to make available to the Administrative Agent for the account of an Issuing Lender its pro rata share of any unreimbursed drawing under any Letter of Credit shall not relieve any other Lender of its obligation hereunder to make available to the Administrative Agent for the account of such Issuing Lender its pro rata share of any payment made under any Letter of Credit on the date required, as specified above, but no such Lender shall be responsible for the failure of any other Lender to make available to the Administrative Agent for the account of such Issuing Lender such other Lender's pro rata share of any such payment. Upon payment in full of all amounts payable by a Lender under this Section 3.09, such Lender shall be subrogated to the rights of the applicable Issuing Lender against the Borrower to the extent of such Lender's pro rata share of the related Letter of Credit Liabilities (including interest accrued thereon). If any Lender fails to pay any amount required to be paid by it pursuant to this Section 3.09 on the date on which such payment is due, interest shall accrue on such Lender's obligation to make such payment, for each day from and including the date such payment became due to but excluding the date such Lender makes such payment, whether before or after judgment, at a rate per annum equal to (i) for each day from the date such payment is due to the third succeeding Business Day, inclusive, the Federal Funds Rate for such day as determined by the applicable Issuing Lender and (ii) for each day thereafter, the sum of 2% plus the rate applicable to its Base Rate Loans for such day. Any payment made by any Lender after 3:00 P.M. (Charlotte, North Carolina time) on any Business Day shall be deemed for purposes of the preceding sentence to have been made on the next succeeding Business Day.

Section 3.10 Funds Received from the Borrower in Respect of Drawn Letters of Credit. Whenever an Issuing Lender receives a payment of a Reimbursement Obligation as to which the Administrative Agent has received for the account of such Issuing Lender any payments from the other Lenders pursuant to Section 3.09 above, such Issuing Lender shall pay the amount of such payment to the Administrative Agent, and the Administrative Agent shall promptly pay to each Lender which has paid its pro rata share thereof, in Dollars in Federal or other immediately available funds, an amount equal to such Lender's pro rata share of the principal amount thereof and interest thereon for each day after relevant date of payment at the Federal Funds Rate.

Section 3.11 Obligations in Respect of Letters of Credit Unconditional. The obligations of the Borrower under Section 3.07 above shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including, without limitation, the following circumstances:

- (a) any lack of validity or enforceability of this Agreement or any Letter of Credit or any document related hereto or thereto;
- (b) any amendment or waiver of or any consent to departure from all or any of the provisions of this Agreement or any Letter of Credit or any document related hereto or thereto;
- (c) the use which may be made of the Letter of Credit by, or any acts or omission of, a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting);
- (d) the existence of any claim, set-off, defense or other rights that the Borrower may have at any time against a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting), any Issuing Lender or any other Person, whether in connection with this Agreement or any Letter of Credit or any document related hereto or thereto or any unrelated transaction;
- (e) any statement or any other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;
- (f) payment under a Letter of Credit against presentation to an Issuing Lender of a draft or certificate that does not comply with the terms of such Letter of Credit; provided, that the applicable Issuing Lender's determination that documents presented under such Letter of Credit comply with the terms thereof shall not have constituted gross negligence or willful misconduct of such Issuing Lender; or
- (g) any other act or omission to act or delay of any kind by any Issuing Lender or any other Person or any other event or circumstance whatsoever that might, but for the provisions of this subsection (g), constitute a legal or equitable discharge of the Borrower's obligations hereunder.

Nothing in this Section 3.11 is intended to limit the right of the Borrower to make a claim against any Issuing Lender for damages as contemplated by the proviso to the first sentence of Section 3.12.

Section 3.12 Indemnification in Respect of Letters of Credit. The Borrower hereby indemnifies and holds harmless each Lender (including each Issuing Lender) and the Administrative Agent from and against any and all claims, damages, losses, liabilities, costs or expenses which such Lender or the Administrative Agent may incur by reason of or in connection with the failure of any other Lender to fulfill or comply with its obligations to such Issuing Lender hereunder (but nothing herein contained shall affect any rights which the Borrower may have against such defaulting Lender), and none of the Lenders (including any Issuing Lender) nor the Administrative Agent, their respective affiliates nor any of their respective officers, directors, employees or agents shall be liable or responsible, by reason of or in connection with the execution and delivery or transfer of or payment or failure to pay under any Letter of Credit, including, without limitation, any of the circumstances enumerated in Section 3.11, as well as (i) any error, omission, interruption or delay in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, (ii) any error in interpretation of technical terms, (iii) any loss or delay in the transmission of any document required in order to make a drawing under a Letter of Credit, (iv) any consequences arising from causes beyond the control of such indemnitee, including without limitation, any government acts, or (v) any other circumstances whatsoever in making or failing to make payment under such Letter of Credit; provided, that the Borrower shall not be required to indemnify any Issuing Lender for any claims, damages, losses, liabilities, costs or expenses, and the Borrower shall have a claim against such Issuing Lender for direct (but not consequential) damages suffered by it, to the extent found by a court of competent jurisdiction in a final, non-appealable judgment or order to have been caused by (i) the willful misconduct or gross negligence of such Issuing Lender in determining whether a request presented under any Letter of Credit issued by it complied with the terms of such Letter of Credit or (ii) such Issuing Lender's failure to pay under any Letter of Credit issued by it after the presentation to it of a request strictly complying with the terms and conditions of such Letter of Credit, unless payment was prohibited by law, regulation or court order. Nothing in this Section 3.12 is intended to limit the obligations of the Borrower under any other provision of this Agreement.

Section 3.13 ISP98. The rules of the "International Standby Practices 1998" as published by the International Chamber of Commerce most recently at the time of issuance of any Letter of Credit shall apply to such Letter of Credit unless otherwise expressly provided in such Letter of Credit.

The Administrative Agent and each Lender shall have received all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the Patriot Act, as has been reasonably requested in writing.

Section 4.02 Conditions to All Credit Events. The obligation of any Lender to make any Loan, and the obligation of any Issuing Lender to issue (or renew or extend the term of) any Letter of Credit, is subject to the satisfaction of the following conditions:

Each Credit Event under this Agreement shall be deemed to be a representation and warranty by the Loan Parties on the date of such Credit Event as to the facts specified in clauses (b) and (c) of this Section.

ARTICLE V REPRESENTATIONS AND WARRANTIES

The Guarantor represents and warrants that, and as to the Borrower, the Borrower represents and warrants that:

Section 5.03 Legality; Etc. This Agreement and each other Loan Document (other than the Notes) to which such Loan Party is a party constitute the legal, valid and binding obligations of such Loan Party, and the Notes, when executed and delivered in accordance with this Agreement, will constitute legal, valid and binding obligations of the Borrower, in each case enforceable against the Borrower in accordance with their terms except to the extent limited by (a) bankruptcy, insolvency, fraudulent conveyance or reorganization laws or by other similar laws relating to or affecting the enforceability of creditors' rights generally and by general equitable principles which may limit the right to obtain equitable remedies regardless of whether enforcement is considered in a proceeding of law or equity or (b) any applicable public policy on enforceability of provisions relating to contribution and indemnification.

Section 5.04 Financial Condition.

(a) Audited Financial Statements. The consolidated balance sheet of the Guarantor and its Consolidated Subsidiaries as of December 31, 2013 and

The Borrower is not engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any such "margin stock".

Section 5.07 ERISA. No member of the ERISA Group has (i) sought a waiver of the minimum funding standard under Section 412 of the Internal Revenue Code in respect of any Material Plan, (ii) failed to make any contribution or payment to any Material Plan, or made any amendment to any Material Plan, which has resulted or could result in the imposition of a Lien or the posting of a bond or other security under ERISA or the Internal Revenue Code or (iii) incurred any material liability under Title IV of ERISA other than a liability to the PBGC for premiums under Section 4007 of ERISA.

Section 5.08 Governmental Approvals. Section 5.11 Compliance with Laws.

(a) To the knowledge of the Guarantor, the Guarantor and its Material Subsidiaries are in compliance with all applicable laws, regulations and orders of any Governmental Authority, domestic or foreign, in respect of the conduct of their respective businesses and the ownership of their respective property (including, without limitation, compliance with all applicable ERISA and Environmental Laws and the requirements of any permits issued under such Environmental Laws), except to the extent (i) such compliance is being contested in good faith by appropriate proceedings or (ii) non-compliance would not reasonably be expected to materially and adversely affect the ability of the Loan Parties to perform any of their respective obligations under this Agreement, the Notes or any other Loan Document to which they are a party.

(b) To the knowledge of the Borrower, the Borrower is in compliance with all applicable laws, regulations and orders of any Governmental Authority, domestic or foreign, in respect of the conduct of its business, except to the extent (i) such compliance is being contested in good faith by appropriate proceedings or (ii) non-compliance would not reasonably be expected to materially and adversely affect the ability of the Borrower to perform any of its obligations under this Agreement, the Notes or any other Loan Document to which it is a party.

Each Lender hereby irrevocably designates and appoints the Administrative Agent to act as specified herein and in the other Loan Documents and to take such actions on its behalf under the provisions of this Agreement and the other Loan Documents and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Administrative Agent agrees to act as such upon the express conditions contained in this Article VIII. Notwithstanding any provision to the contrary elsewhere in this Agreement or in any other Loan Document, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Administrative Agent. The provisions of this Article VIII are solely for the benefit of the Administrative Agent and Lenders, and no other Person shall have any rights as a third party beneficiary of any of the provisions hereof. For the sake of clarity, the Lenders hereby agree that no Agent other than the Administrative Agent shall have, in such capacity, any duties or powers with respect to this Agreement or the other Loan Documents.

Section 8.02 Individual Capacity. The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower, Guarantor and its Affiliates as though the Administrative Agent were not an Agent. With respect to the Loans made by it and all obligations owing to it, the Administrative Agent shall have the same rights and powers under this Agreement as any Lender and may exercise the same as though it were not an Agent, and the terms "Required Lenders", "Lender" and "Lenders" shall include the Administrative Agent in its individual capacity.

Section 8.03 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents or attorneys-in-fact. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care except to the extent otherwise required by Section 8.07.

Section 8.04 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, consent, certificate, affidavit, letter, teletype or other electronic facsimile transmission, telex, telegram, cable, teletype, electronic transmission by modem, computer disk or any other message, statement, order or other writing or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Loan Parties), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders, or all of the Lenders, if applicable, as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders or all of the Lenders, if applicable, and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

Section 8.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default hereunder unless the Administrative Agent has received notice from a Lender or a Loan Party referring to this Agreement, describing such Default and stating that such notice is a "notice of default". If the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default as shall be reasonably directed by the Required Lenders; provided, that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06 Non-Reliance on the Agents and Other Lenders. Each Lender expressly acknowledges that no Agent or officer, director, employee, agent, attorney-in-fact or affiliate of any Agent has made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of the Loan Parties, shall be deemed to constitute any representation or warranty by such Agent to any Lender. Each Lender acknowledges to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and

information as it has deemed appropriate, made its own appraisal of and investigation into the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Loan Parties and made its own decision to make its Loans hereunder and to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and to make such investigation as it deems necessary to inform itself as to the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Loan Parties. No Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, assets, property, financial and other condition, prospects or creditworthiness of the Loan Parties which may come into the possession of such Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.07 Exculpatory Provisions. The Administrative Agent shall not, and no officers, directors, employees, agents, attorneys-in-fact or affiliates of the Administrative Agent, shall (i) be liable for any action lawfully taken or omitted to be taken by it under or in connection with this Agreement or any other Loan Document (except for its own gross negligence, willful misconduct or bad faith) or (ii) be responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by each Loan Party or any of its officers contained in this Agreement, in any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for any failure of any Loan Party or any of its officers to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of the Loan Parties. The Administrative Agent shall not be responsible to any Lender for the effectiveness, genuineness, validity, enforceability, collectibility or sufficiency of this Agreement or any other Loan Document or for any representations, warranties, recitals or statements made by any other Person herein or therein or made by any other Person in any written or oral statement or in any financial or other statements, instruments, reports, certificates or any other documents in connection herewith or therewith furnished or made by the Administrative Agent to the Lenders or by or on behalf of any Loan Party to the Administrative Agent or any Lender or be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained herein or therein or as to the use of the proceeds of the Loans or of the existence or possible existence of any Default.

Section 8.08 Indemnification. To the extent that the Loan Parties, as applicable, for any reason fails to indefeasibly pay any amount required under Sections 9.03(a), (b) or (c) to be paid by it to the Administrative Agent (or any sub-agent thereof), the Lenders severally agree to indemnify the Administrative Agent, in its capacity as such, and hold the Administrative Agent, in its capacity as such, harmless ratably according to their respective Commitments from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and reasonable expenses or disbursements of any kind whatsoever which may at any time (including, without limitation, at any time following the full payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against the Administrative Agent, in its capacity as such, in any way relating to or arising out of this Agreement or any other Loan Document, or any documents contemplated hereby or referred to herein or the transactions contemplated hereby or any action taken or omitted to be taken by the Administrative Agent under or in connection with any of the foregoing, but only to the extent that any of the foregoing is not paid by the Loan Parties; provided, that no Lender shall be liable to the Administrative Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs or expenses or disbursements resulting from the gross negligence, willful misconduct or bad faith of the Administrative Agent. If any indemnity furnished to the Administrative Agent for any purpose shall, in the reasonable opinion of the Administrative Agent, be insufficient or become impaired, the Administrative Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished. The agreement in this Section 8.08 shall survive the payment of all Loans, Letter of Credit Liabilities, fees and other obligations of the Borrower arising hereunder.

Section 8.09 Resignation; Successors. The Administrative Agent may resign as Administrative Agent upon twenty (20) days' notice to the Lenders. Upon the resignation of the Administrative Agent, the Required Lenders shall have the right to appoint from among the Lenders a successor to the Administrative Agent, subject to prior approval by the Borrower (so long as no Event of Default exists) (such approval not to be unreasonably withheld), whereupon such successor Administrative Agent shall succeed to and become vested with all the rights, powers and duties of the retiring Administrative Agent, and the term "Administrative Agent" shall include such successor Administrative Agent effective upon its appointment, and the retiring Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any other Loan Document. If no successor shall have been appointed by the Required Lenders and approved by the Borrower and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may at its election give notice to the Lenders and Loan Parties of the immediate effectiveness of its resignation and such resignation shall thereupon become effective and the Lenders collectively shall perform all of the duties of the Administrative Agent hereunder and under the other Loan Documents until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After the retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement or any other Loan Document

Section 8.10 Administrative Agent's Fees. The Borrower shall pay to the Administrative Agent for its own account fees in the amount and at the times agreed to and accepted by the Borrower pursuant to the Fee Letter.

Except as otherwise expressly provided herein, all notices and other communications hereunder shall be in writing (for purposes hereof, the term "writing" shall include information in electronic format such as electronic mail and internet web pages) or by telephone subsequently confirmed in writing; provided that the foregoing shall not apply to notices to any Lender, the Swingline Lender or any Issuing Lender pursuant to Article II or Article III, as applicable, if such Lender, Swingline Lender or Issuing Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article in electronic format. Section 9.02 No Waivers; Non-Exclusive Remedies. No failure by any Agent or any Lender to exercise, no course of dealing with respect to, and no delay in exercising any right, power or privilege hereunder or under any Note or other Loan Document shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies provided herein and in the other Loan Documents shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 9.03 Expenses; Indemnification.

(a) Expenses. The Borrower shall pay (i) all out-of-pocket expenses of the Agents, including legal fees and disbursements of Davis Polk & Wardwell LLP and any other local counsel retained by the Administrative Agent, in its reasonable discretion, in connection with the preparation, execution, delivery and administration of the Loan Documents, the syndication efforts of the Agents with respect thereto, any waiver or consent thereunder or any amendment thereof or any Default or alleged Default thereunder and (ii) all reasonable out-of-pocket expenses incurred by the Agents and each Lender, including (without duplication) the fees and disbursements of outside counsel, in connection with any restructuring, workout, collection, bankruptcy, insolvency and other enforcement proceedings in connection with the enforcement and protection of its rights; provided, that the Borrower shall not be liable for any legal fees or disbursements of any counsel for the Agents and the Lenders other than Davis Polk & Wardwell LLP associated with the preparation, execution and delivery of this Agreement and the closing documents contemplated hereby.

(b) Indemnity in Respect of Loan Documents. Each of the Loan Parties agrees to jointly and severally indemnify the Agents and each Lender, their respective Affiliates and the respective directors, officers, trustees, agents, employees and advisors of the foregoing (each an "Indemnitee") and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses or disbursements of any kind whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and any civil penalties or fines assessed by OFAC), which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in connection with any investigative, administrative or judicial proceeding (whether or not such Indemnitee shall be designated a party thereto) brought or threatened (by any third party, by the Guarantor, the Borrower or any Subsidiary of the

Borrower) in any way relating to or arising out of this Agreement, any other Loan Document or any documents contemplated hereby or thereby or referred to herein or therein or any actual or proposed use of proceeds of Loans hereunder; provided, that no Indemnitee shall have the right to be indemnified hereunder for such Indemnitee's own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment or order.

(c) Indemnity in Respect of Environmental Liabilities. Each of the Loan Parties agrees to jointly and severally indemnify each Indemnitee and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs and expenses or disbursements of any kind whatsoever (including, without limitation, reasonable expenses of investigation by engineers, environmental consultants and similar technical personnel and reasonable fees and disbursements of counsel) which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in respect of or in connection with (i) any actual or alleged presence or release of Hazardous Substances on or from any property now or previously owned or operated by the Guarantor or any of its Subsidiaries or any predecessor of the Guarantor or any of its Subsidiaries or (ii) any and all Environmental Liabilities. Without limiting the generality of the foregoing, the Borrower hereby waives all rights of contribution or any other rights of recovery with respect to liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs and expenses and disbursements in respect of or in connection with Environmental Liabilities that it might have by statute or otherwise against any Indemnitee.

(d) Waiver of Damages. To the fullest extent permitted by applicable law, no Loan Party shall assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in clause (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; provided that nothing in this Section 9.03(d) shall relieve any Lender from its obligations under Section 9.12.

Section 9.04 Sharing of Set-Offs. Each Lender agrees that if it shall, by exercising any right of set-off or counterclaim or otherwise, receive payment of a proportion of the aggregate amount of principal and interest due with respect to any Loan made or Note held by it and any Letter of Credit Liabilities which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal and interest due with respect to any Loan, Note and Letter of Credit Liabilities made or held by such other Lender, except as otherwise expressly contemplated by this Agreement, the Lender receiving such proportionately greater payment shall purchase such participations in the Loan made or Notes and Letter of Credit Liabilities held by the other Lenders, and such other adjustments shall be made, in each case as may be required so that all such payments of principal and interest with respect to the Loan made or Notes and Letter of Credit Liabilities made or held by the Lenders shall be shared by the Lenders pro rata; provided, that nothing in this Section shall impair the right of any Lender to exercise any right of set-off or counterclaim it may have for payment of indebtedness of the Borrower other than its indebtedness hereunder.

Section 9.05 Amendments and Waivers. Any provision of this Agreement or the Notes may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Loan Parties and the Required Lenders (and, if the rights or duties of the Administrative Agent, Swingline Lender or any Issuing Lenders are affected thereby, by the Administrative Agent, Swingline Lender or such Issuing Lender, as relevant); provided, that no such amendment or waiver shall, (a) unless signed by each Lender adversely affected thereby, (i) extend or increase the Commitment of any Lender or subject any Lender to any additional obligation (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or of mandatory reductions in the Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender as in effect at any time shall not constitute an increase in such Commitment), (ii) reduce the principal of or rate of interest on any Loan (except in connection with a waiver of applicability of any post-default increase in interest rates) or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder, (iii) postpone the date fixed for any payment of interest on any Loan or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder or for any scheduled reduction or termination of any Commitment or (except as expressly provided in Article III) expiration date of any Letter of Credit, (iv) postpone or change the date fixed for any scheduled payment of principal of any Loan, (v) change any provision hereof in a manner that would alter the pro rata funding of Loans required by Section 2.04(b), the pro rata sharing of payments required by Sections 2.09(b), 2.11(a) or 9.04 or the pro rata reduction of Commitments required by Section 2.08(a) or (vi) change the currency in which Loans are to be made, Letters of Credit are to be issued or payment under the Loan Documents is to be made, or add additional borrowers or (b) unless signed by each Lender, (i) change the definition of Required Lender or this Section 9.05 or Section 9.06(a) or (ii) release the Guarantor from its Obligations under the Guaranty.

Section 9.06 Successors and Assigns.

(a) Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that no Loan Party may assign or otherwise transfer any of its rights under this Agreement without the prior written consent of all of the Lenders, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement.

(b) Participations. Any Lender may at any time grant to one or more banks or other financial institutions or special purpose funding vehicle (each a "Participant") participating interests in its Commitments and/or any or all of its Loans and Letter of Credit Liabilities. In the event of any such grant by a Lender of a participating interest to a Participant, whether or not upon notice to the Borrower and the Administrative Agent, such Lender shall remain responsible for the performance of its obligations hereunder, and the Borrower, the Issuing Lenders, the Swingline Lender and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Loan Parties hereunder including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such participation agreement may provide that such Lender will not agree to any modification, amendment or waiver of this Agreement which would (i) extend the Termination Date, reduce the rate or extend the time of payment of principal, interest or fees on any Loan or Letter of Credit Liability in which such Participant is participating (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the Participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or of a mandatory reduction in the Commitments shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan or Letter of Credit Liability shall be permitted without the consent of any Participant if the Participant's participation is not increased as a result thereof) or (ii) allow the assignment or transfer by any Loan Party of any of its rights and obligations under this Agreement, without the consent of the Participant, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement. The Borrower agrees that each Participant shall, to the extent provided in its participation agreement, be entitled to the benefits of Article II with respect to its participating interest to the same extent as if it were a Lender, subject to the same limitations, and in no case shall any

Participant be entitled to receive any amount payable pursuant to Article II that is greater than the amount the Lender granting such Participant's participating interest would have been entitled to receive had such Lender not sold such participating interest. An assignment or other transfer which is not permitted by subsection (c) or (d) below shall be given effect for purposes of this Agreement only to the extent of a participating interest granted in accordance with this subsection (b). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register (solely for tax purposes) on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided, that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person except to the extent that such disclosure is necessary to establish that such interest in the Loan or other obligation under the Loan Documents is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) Assignments Generally. Any Lender may at any time assign to one or more Eligible Assignees (each, an "Assignee") all, or a proportionate part (equivalent to an initial amount of not less than \$5,000,000 or any larger integral multiple of \$1,000,000), of its rights and obligations under this Agreement and the Notes with respect to its Loans and, if still in existence, its Commitment, and such Assignee shall assume such rights and obligations, pursuant to an Assignment and Assumption Agreement in substantially the form of Exhibit C attached hereto executed by such Assignee and such transferor, with (and subject to) the consent of the Borrower, which shall not be unreasonably withheld or delayed, the Administrative Agent, Swingline Lender and the Issuing Lenders, which consents shall not be unreasonably withheld or delayed; provided, that if an Assignee is an Approved Fund or Affiliate of such transferor Lender or was a Lender immediately prior to such assignment, no such consent of the Borrower or the Administrative Agent shall be required; provided, further, that if at the time of such assignment a Default or an Event of Default has occurred and is continuing, no such consent of the Borrower shall be required; provided, further, that no such assignment may be made prior to the Effective Date without the prior written consent of the Joint Lead Arrangers; provided, further, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a transferor with respect to any Loans made, any Letters of Credit issued or any other actions taken by such transferor while it was a Lender. Upon execution and delivery of such instrument and payment by such Assignee to such transferor of an amount equal to the purchase price agreed between such transferor and such Assignee, such Assignee shall be a Lender party to this Agreement and shall have all the rights and obligations of a Lender with a Commitment, if any, as set forth in such instrument of assumption, and the transferor shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required. Upon the consummation of any assignment pursuant to this subsection (c), the transferor, the Administrative Agent and the Borrower shall make appropriate arrangements so that, if required, a new Note is issued to the Assignee. In connection with any such assignment, the transferor shall pay to the Administrative Agent an administrative fee for processing such assignment in the amount of \$3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such administrative fee in the case of any assignment. Each Assignee shall, on or before the effective date of such assignment, deliver to the Borrower and the Administrative Agent certification as to exemption from deduction or withholding of any United States Taxes in accordance with Section 2.17(e).

(d) Assignments to Federal Reserve Banks. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement and its Note to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central banking authority; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Register. The Borrower hereby designates the Administrative Agent to serve as the Borrower's agent, solely for purposes of this Section 9.06(e), to (i) maintain a register (the "Register") on which the Administrative Agent will record the Commitments from time to time of each Lender, the Loans made by each Lender and each repayment in respect of the principal amount of the Loans of each Lender and to (ii) retain a copy of each Assignment and Assumption Agreement delivered to the Administrative Agent pursuant to this Section. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligation in respect of such Loans. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, the Administrative Agent, Swingline Lender, the Issuing Lenders and the other Lenders shall treat each Person in whose name a Loan and the Note evidencing the same is registered as the owner thereof for all purposes of this Agreement, notwithstanding notice or any provision herein to the contrary. With respect to any Lender, the assignment or other transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made and any Note issued pursuant to this Agreement shall not be effective until such assignment or other transfer is recorded on the Register and, except to the extent provided in this Section 9.06(e), otherwise complies with Section 9.06, and prior to such recordation all amounts owing to the transferring Lender with respect to such Commitments, Loans and Notes shall remain owing to the transferring Lender. The registration of assignment or other transfer of all or part of any Commitments, Loans and Notes for a Lender shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement and payment of the administrative fee referred to in Section 9.06(c). The Register shall be available for inspection by each of the Borrower, the Swingline Lender and each Issuing Lender at any reasonable time and from time to time upon reasonable prior notice. In addition, at any time that a request for a consent for a material or substantive change to the Loan Documents is pending, any Lender wishing to consult with other Lenders in connection therewith may request and receive from the Administrative Agent a copy of the Register. The Borrower may not replace any Lender pursuant to Section 2.08(b), unless, with respect to any Notes held by such Lender, the requirements of Section 9.06(c) and this Section 9.06(e) have been satisfied.

Section 9.07 Governing Law; Submission to Jurisdiction. This Agreement, each Note and each Letter of Credit shall be governed by and construed in accordance with the internal laws of the State of New York. Each Loan Party hereby submits to the exclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State court sitting in New York City for purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. Each Loan Party irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such court and any claim that any such proceeding brought in any such court has been brought in an inconvenient forum.

Section 9.08 Counterparts; Integration; Effectiveness. This Agreement shall become effective on the Effective Date. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. On and after the Effective Date, this Agreement, the other Loan Documents and the Fee Letter constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof and thereof.

Section 9.09 Generally Accepted Accounting Principles. Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made and all financial statements required to be delivered hereunder shall be prepared in accordance with GAAP as in effect from time to time, applied on a basis consistent (except for changes concurred in by the Guarantor's independent public accountants) with the audited consolidated financial statements of the Guarantor and its Consolidated Subsidiaries most recently delivered to the Lenders; provided, that, if the Guarantor notifies the Administrative Agent that the Guarantor wishes to amend any covenant in Article VI to eliminate the effect of any change in GAAP on the operation of such covenant (or if the Administrative Agent notifies the Guarantor that the Required Lenders wish to amend Article VI for such purpose), then the Guarantor's compliance with such covenant shall be determined on the basis of GAAP in effect immediately before the relevant change in GAAP

became effective, until either such notice is withdrawn or such covenant is amended in a manner satisfactory to the Guarantor and the Required Lenders.

Section 9.10 Usage. The following rules of construction and usage shall be applicable to this Agreement and to any instrument or agreement that is governed by or referred to in this Agreement.

(a) All terms defined in this Agreement shall have the defined meanings when used in any instrument governed hereby or referred to herein and in any certificate or other document made or delivered pursuant hereto or thereto unless otherwise defined therein.

Section 9.11 WAIVER OF JURY TRIAL. EACH OF THE LOAN PARTIES HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 9.12 Confidentiality. Each Lender agrees to hold all non-public information obtained pursuant to the requirements of this Agreement in accordance with its customary procedure for handling confidential information of this nature and in accordance with safe and sound banking practices; provided, that nothing herein shall prevent any Lender from disclosing such information (i) to any other Lender or to any Agent, (ii) to any other Person if reasonably incidental to the administration of the Loans and Letter of Credit Liabilities, (iii) upon the order of any court or administrative agency, (iv) to the extent requested by, or required to be disclosed to, any rating agency or regulatory agency or similar authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (v) which had been publicly disclosed other than as a result of a disclosure by any Agent or any Lender prohibited by this Agreement, (vi) in connection with any litigation to which any Agent, any Lender or any of their respective Subsidiaries or Affiliates may be party, (vii) to the extent necessary in connection with the exercise of any remedy hereunder, (viii) to such Lender’s or any Agent’s Affiliates and their respective directors, officers, employees, service providers and agents including legal counsel and independent auditors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential), (ix) with the consent of the Borrower, (x) to Gold Sheets and other similar bank trade publications, such information to consist solely of deal terms and other information customarily found in such publications and (xi) subject to provisions substantially similar to those contained in this Section, to any actual or proposed Participant or Assignee or to any actual or prospective counterparty (or its advisors) to any securitization, swap or derivative transaction relating to the Loan Parties’ Obligations hereunder. Notwithstanding the foregoing, any Agent, any Lender or Davis Polk & Wardwell LLP may circulate promotional materials and place advertisements in financial and other newspapers and periodicals or on a home page or similar place for dissemination of information on the Internet or worldwide web, in each case, after the closing of the transactions contemplated by this Agreement in the form of a “tombstone” or other release limited to describing the names of the Loan Parties or their Affiliates, or any of them, and the amount, type and closing date of such transactions, all at their sole expense.

Section 9.13 USA PATRIOT Act Notice. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub.L. 107-56 (signed into law October 26, 2001)) (the “Patriot Act”), it is required to obtain, verify and record information that identifies the Borrower and the Guarantor, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the Patriot Act.

Section 9.14 No Fiduciary Duty. Each Agent, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the “Lender Parties”), may have economic interests that conflict with those of the Loan Parties, their respective Affiliates and/or their respective stockholders (collectively, solely for purposes of this paragraph, the “Borrower Parties”). Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty (other than any implied duty of good faith) between any Lender Party, on the one hand, and any Borrower Party, on the other. The Lender Parties acknowledge and agree that (a) the transactions contemplated by this Agreement in the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lender Parties, on the one hand, and the Loan Parties, on the other and (b) in connection therewith and with the process leading thereto, (i) no Lender Party has assumed an advisory or fiduciary responsibility in favor of any Borrower Party with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender Party has advised, is currently advising or will advise any

Borrower Party on other matters) or any other obligation to any Borrower Party except the obligations expressly set forth in the Loan Documents and (ii) each Lender Party is acting solely as principal and not as the agent or fiduciary of any Borrower Party. Each Loan Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Loan Party agrees that it will not claim that any Lender Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to any Borrower Party, in connection with such transaction or the process leading thereto.

Section 9.15 Survival. Sections 2.12, 2.16, 2.17 and 9.03 shall survive the Termination Date for the benefit of each Agent and Each Lender, as applicable.

ARTICLE X GUARANTY

Section 10.01 Guaranty. The Guarantor unconditionally, absolutely and irrevocably guarantees to the Administrative Agent, each Lender and each Issuing Lender, as though it was a primary obligor for, the full and punctual payment of the Obligations when due (whether at stated maturity, upon acceleration or otherwise). If the Borrower fails to pay any Obligation punctually when due, the Guarantor agrees that it will forthwith on demand pay the amount not so paid at the place and in the manner specified in the relevant Loan Document. Notwithstanding the foregoing, the liability of the Guarantor individually with respect to its obligations, including any payment made pursuant to, this Guaranty shall be limited to an aggregate amount equal to the maximum amount that would not render the Guarantor's obligations hereunder subject to avoidance under the Bankruptcy Code or any comparable provisions of any applicable state law. This Guaranty is a Guarantee of payment and not merely of collection.

Section 10.02 Guaranty Unconditional. The obligations of the Guarantor hereunder shall be unconditional and absolute and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by:

- (a) any change in the amount or purpose of or the time, manner, method, or place of payment or performance of any of the Obligations or any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Borrower or any other Person under any Loan Document, by operation of law or otherwise;
- (b) any modification, extension, renewal or amendment of or supplement to any Loan Document or any of the Obligations or any execution or delivery of any additional Loan Documents;
- (c) any release, impairment, non-perfection or invalidity of any direct or indirect security for any obligation of the Borrower or any other Person under any Loan Document;
- (d) any change in the corporate existence, structure or ownership of the Borrower or any other Person or any of their respective Subsidiaries, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Borrower or any other Person or any of their assets or any resulting release or discharge of any obligation (including any of the Obligations) of the Borrower or any other Person under any Loan Document;
- (e) the existence of any claim, set-off, defense, counterclaim, withholding or other right that the Guarantor or the Borrower may have at any time against any Person (including the Administrative Agent, the Lenders and the Issuing Lenders), whether in connection with the Loan Documents or any unrelated transactions; provided that nothing herein shall prevent the assertion of any such claim or defense by separate suit or compulsory counterclaim;
- (f) any avoidance, subordination, invalidity or unenforceability relating to or against the Borrower or any other Person for any reason of any Obligation or any Loan Document, any provision of applicable law or regulation purporting to prohibit the payment of any Obligation by the Borrower or any other Person, or the Borrower denies that it has any or further liability or obligation under any Loan Document, or purports to revoke, terminate or rescind any Obligation or provision of any Loan Document;
- (g) any failure of the Administrative Agent, any Lender or any Issuing Lender to assert any claim or demand or to exercise or enforce any right or remedy under the provisions of any Loan Document or to assert any breach of or default under any Loan Document or any breach of the Obligations; or
- (h) any other act or omission to act or delay of any kind by the Borrower, any other party to any Loan Document or any other Person, or any other circumstance whatsoever that might, but for the provisions of this clause (h), constitute a legal or equitable discharge of or defense to any obligation of the Guarantor hereunder.

Section 10.03 Discharge Only Upon Payment in Full; Reinstatement in Certain Circumstances. The Guarantor's obligations hereunder shall remain in full force and effect until all Obligations shall have been paid in full, all Commitments have been terminated and all Letters of Credit have either expired, been repaid in full or been cash collateralized. If at any time any payment of any Obligation is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise, the Guarantor's obligations hereunder shall be reinstated as though such payment had been due but not made at such time.

Section 10.04 Waiver by Guarantor. The Guarantor irrevocably waives (a) acceptance hereof, presentment, demand for performance, promptness, diligence, notice of non-performance, default, acceleration, protest or dishonor and any notice not provided for herein, (b) any requirement that at any time any action be taken by any Person against the Borrower or any other Person, (c) any right to revoke this Guaranty, and (d) any defense based on any right of set-off, recoupment, counterclaim, withholding or other deduction of any nature against or in respect of the Obligations.

Section 10.05 Subrogation. Upon making payment with respect to any Obligation, the Guarantor shall be subrogated to the rights of the payee against the Borrower with respect to such payment; provided that the Guarantor agrees it will not exercise any rights against the Borrower arising in connection with the Obligations by way of subrogation against the Borrower, or by reason of contribution against any other guarantor of such Obligations until all Obligations shall have been paid in full, all Commitments have been terminated and all Letters of Credit have either expired, been repaid in full or been cash collateralized.

Section 10.06 Stay of Acceleration. If acceleration of the time for payment of any Obligation by the Borrower is stayed, enjoined or prevented for any reason (including but not limited to by reason of the insolvency or receivership of the Borrower or otherwise), all Obligations otherwise subject to acceleration under the terms of any Loan Document shall nonetheless be payable by the Guarantor forthwith on demand by the Administrative Agent.

Section 10.07 Continuing Guaranty. The Guaranty set forth in this Article X is a continuing guaranty, shall be binding on the Guarantor and its

successors and assigns, and shall be enforceable by each holder from time to time of the Obligations (including, without limitation, the Administrative Agent, the Lenders and the Issuing Lenders, each, a “Guaranteed Party”). If all or part of any Guaranteed Party’s interest in any Obligation is assigned or otherwise transferred, the transferor’s rights hereunder, to the extent applicable to the obligation so transferred, shall automatically be transferred with such obligation; and without limitation of the foregoing, any of the Obligations shall be and remain Obligations entitled to the benefit of this Guaranty if any Guaranteed Party assigns or otherwise transfers all or part of its interest in any Obligation or any of its rights or obligations under any Loan Document.

Section 10.08 Default Payments by Borrower. Upon the occurrence and during the continuation of any default under any Obligation, if any amount shall be paid to the Guarantor by or for the account of the Borrower with respect to such Obligation, such amount shall be held in trust for the benefit of each Lender, each Issuing Lender and the Administrative Agent and shall forthwith be paid to the Administrative Agent to be credited and applied to the Obligations when due and payable.

Section 10.09 Duty to Stay Advised. The Guarantor agrees that the Lenders shall have no duty to advise the Guarantor of information known to them regarding the financial condition of the Borrower and the Guarantor hereby assumes responsibility for keeping itself advised of the financial condition of the Borrower.

Section 2.01 Commitments to Lend. Each Lender severally agrees, on the terms and conditions set forth in this Agreement, to make Revolving Loans to the Borrower pursuant to this Section 2.01 from time to time during the Availability Period in amounts such that its Revolving Outstandings shall not exceed its Commitment; provided, that, immediately after giving effect to each such Revolving Loan, the aggregate principal amount of all outstanding Revolving Loans (after giving effect to any amount requested) shall not exceed the aggregate Commitments less the sum of all outstanding Swingline Loans and Letter of Credit Liabilities. Each Revolving Borrowing (other than Mandatory Letter of Credit Borrowings) shall be in an aggregate principal amount of \$10,000,000 or any larger integral multiple of \$1,000,000 (except that any such Borrowing may be in the aggregate amount of the unused Commitments) and shall be made from the several Lenders ratably in proportion to their respective Commitments. Within the foregoing limits, the Borrower may borrow under this Section 2.01, repay, or, to the extent permitted by Section 2.10, prepay, Revolving Loans and reborrow under this Section 2.01.

Section 2.02 Swingline Loans.

(a) Availability. Subject to the terms and conditions of this Agreement, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time from the Effective Date through, but not including, the Swingline Termination Date; provided, that the aggregate principal amount of all outstanding Swingline Loans (after giving effect to any amount requested), shall not exceed the lesser of (i) the aggregate Commitments less the sum of the aggregate principal amount of all outstanding Revolving Loans and all outstanding Letter of Credit Liabilities and (ii) the Swingline Sublimit; and provided further, that the Borrower shall not use the proceeds of any Swingline Loan to refinance any outstanding Swingline Loan. Each Swingline Loan shall be in an aggregate principal amount of \$2,000,000 or any larger integral multiple of \$500,000 (except that any such Borrowing may be in the aggregate amount of the unused Swingline Sublimit). Within the foregoing limits, the Borrower may borrow, repay and reborrow Swingline Loans, in each case under this Section 2.02. Each Swingline Loan shall be a Base Rate Loan.

(b) Refunding.

(i) Swingline Loans shall be refunded by the Lenders on demand by the Swingline Lender. Such refundings shall be made by the Lenders in accordance with their respective Commitment Ratios and shall thereafter be reflected as Revolving Loans of the Lenders on the books and records of the Administrative Agent. Each Lender shall fund its respective Commitment Ratio of Revolving Loans as required to repay Swingline Loans outstanding to the Swingline Lender upon demand by the Swingline Lender but in no event later than 1:00 P.M. (Charlotte, North Carolina time) on the next succeeding Business Day after such demand is made. No Lender’s obligation to fund its respective Commitment Ratio of a Swingline Loan shall be affected by any other Lender’s failure to fund its Commitment Ratio of a Swingline Loan, nor shall any Lender’s Commitment Ratio be increased as a result of any such failure of any other Lender to fund its Commitment Ratio of a Swingline Loan.

(ii) The Borrower shall pay to the Swingline Lender on demand, and in no case more than fourteen (14) days after the date that such Swingline Loan is made, the amount of such Swingline Loan to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. In addition, the Borrower hereby authorizes the Administrative Agent to charge any account maintained by the Borrower with the Swingline Lender (up to the amount available therein) in order to immediately pay the Swingline Lender the amount of such Swingline Loans to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. If any portion of any such amount paid to the Swingline Lender shall be recovered by or on behalf of the Borrower from the Swingline Lender in bankruptcy or otherwise, the loss of the amount so recovered shall be ratably shared among all the Lenders in accordance with their respective Commitment Ratios (unless the amounts so recovered by or on behalf of the Borrower pertain to a Swingline Loan extended after the occurrence and during the continuance of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable).

(iii) Each Lender acknowledges and agrees that its obligation to refund Swingline Loans (other than Swingline Loans extended after the occurrence and during the continuation of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable) in accordance with the terms of this Section is absolute and unconditional and shall not be affected by any circumstance whatsoever, including, without limitation, non-satisfaction of the conditions set forth in Article IV. Further, each Lender agrees and acknowledges that if prior to the refunding of any outstanding Swingline Loans pursuant to this Section, one of the events described in Section 7.01(h) or (i) shall have occurred, each Lender will, on the date the applicable Revolving Loan would have been made, purchase an undivided participating interest in the Swingline Loan to be refunded

in an amount equal to its Commitment Ratio of the aggregate amount of such Swingline Loan. Each Lender will immediately transfer to the Swingline Lender, in immediately available funds, the amount of its participation and upon receipt thereof the Swingline Lender will deliver to such Lender a certificate evidencing such participation dated the date of receipt of such funds and for such amount. Whenever, at any time after the Swingline Lender has received from any Lender such Lender's participating interest in a Swingline Loan, the Swingline Lender receives any payment on account thereof, the Swingline Lender will distribute to such Lender its participating interest in such amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's participating interest was outstanding and funded).

Section 2.03 Notice of Borrowings. The Borrower shall give the Administrative Agent notice substantially in the form of Exhibit A-1 hereto (a "Notice of Borrowing") not later than (a) 11:30 A.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the third Business Day before each Euro-Dollar Borrowing, specifying:

- (i) the date of such Borrowing, which shall be a Business Day;
- (ii) the aggregate amount of such Borrowing;
- (iii) whether such Borrowing is comprised of Revolving Loans or a Swingline Loan;
- (iv) in the case of a Revolving Borrowing, the initial Type of the Loans comprising such Borrowing; and
- (v) in the case of a Euro-Dollar Borrowing, the duration of the initial Interest Period applicable thereto, subject to the provisions of the definition of Interest Period.

Notwithstanding the foregoing, no more than six (6) Groups of Euro-Dollar Loans shall be outstanding at any one time, and any Loans which would exceed such limitation shall be made as Base Rate Loans.

Section 2.04 Notice to Lenders; Funding of Revolving Loans and Swingline Loans.

(a) Notice to Lenders. Upon receipt of a Notice of Borrowing (other than in respect of a Borrowing of a Swingline Loan), the Administrative Agent shall promptly notify each Lender of such Lender's ratable share (if any) of the Borrowing referred to in the Notice of Borrowing, and such Notice of Borrowing shall not thereafter be revocable by the Borrower.

(b) Funding of Loans. Not later than (a) 1:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing, each Lender shall make available its ratable share of such Borrowing, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. Unless the Administrative Agent determines that any applicable condition specified in Article IV has not been satisfied, the Administrative Agent shall apply any funds so received in respect of a Borrowing available to the Borrower at the Administrative Agent's address not later than (a) 3:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 2:00 P.M. (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing. Revolving Loans to be made for the purpose of refunding Swingline Loans shall be made by the Lenders as provided in Section 2.02(b).

(c) Funding By the Administrative Agent in Anticipation of Amounts Due from the Lenders . Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing (except in the case of a Base Rate Borrowing, in which case prior to the time of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available to the Administrative Agent on the date of such Borrowing in accordance with subsection (b) of this Section, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such share available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount, together with interest thereon for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) a rate per annum equal to the higher of the Federal Funds Rate and the interest rate applicable thereto pursuant to Section 2.06, in the case of the Borrower, and (ii) the Federal Funds Rate, in the case of such Lender. Any payment by the Borrower hereunder shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make its share of a Borrowing available to the Administrative Agent. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan included in such Borrowing for purposes of this Agreement.

(d) Obligations of Lenders Several. The failure of any Lender to make a Loan required to be made by it as part of any Borrowing hereunder shall not relieve any other Lender of its obligation, if any, hereunder to make any Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on such date of Borrowing.

Section 2.05 Noteless Agreement; Evidence of Indebtedness.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Administrative Agent shall also maintain accounts in which it will record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period with respect thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(c) The entries maintained in the accounts maintained pursuant to subsections (a) and (b) above shall be prima facie evidence of the existence and amounts of the Obligations therein recorded; provided, however, that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(d) Any Lender may request that its Loans be evidenced by a Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 9.06(c)) be represented by one or more Notes payable to the order of the payee named therein or any assignee pursuant to Section 9.06(c), except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once

again be evidenced as described in subsections (a) and (b) above.

Section 2.06 Interest Rates.

(a) Interest Rate Options. The Loans shall, at the option of the Borrower and except as otherwise provided herein, be incurred and maintained as, or converted into, one or more Base Rate Loans or Euro-Dollar Loans.

(b) Base Rate Loans. Each Loan which is made as, or converted into, a Base Rate Loan (other than a Swingline Loan) shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made as, or converted into, a Base Rate Loan until it becomes due or is converted into a Loan of any other Type, at a rate per annum equal to the sum of the Base Rate for such day plus the Applicable Percentage for Base Rate Loans for such day. Each Loan which is made as a Swingline Loan shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made until it becomes due at a rate per annum equal to the LIBOR Market Index Rate for such day plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall, in each case, be payable quarterly in arrears on each Quarterly Date (or, with respect to Base Rate Loans that are Swingline Loans, as the Swingline Lender and the Borrower may otherwise agree in writing) and, with respect to the principal amount of any Base Rate Loan (other than a Swingline Loan) converted to a Euro-Dollar Loan, on the date such Base Rate Loan is so converted. Any overdue principal of or interest on any Base Rate Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the rate otherwise applicable to Base Rate Loans for such day.

(c) Euro-Dollar Loans. Each Euro-Dollar Loan shall bear interest on the outstanding principal amount thereof, for each day during the Interest Period applicable thereto, at a rate per annum equal to the sum of the Adjusted London Interbank Offered Rate for such Interest Period plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall be payable for each Interest Period on the last day thereof and, if such Interest Period is longer than three months, at intervals of three months after the first day thereof. Any overdue principal of or interest on any Euro-Dollar Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the sum of (A) the Adjusted London Interbank Offered Rate applicable to such Loan at the date such payment was due plus (B) the Applicable Percentage for Euro-Dollar Loans for such day (or, if the circumstance described in Section 2.14 shall exist, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day).

(d) Method of Electing Interest Rates.

(i) Subject to Section 2.06(a), the Loans included in each Revolving Borrowing shall bear interest initially at the type of rate specified by the Borrower in the applicable Notice of Borrowing. Thereafter, with respect to each Group of Loans, the Borrower shall have the option (A) to convert all or any part of (y) so long as no Default is in existence on the date of conversion, outstanding Base Rate Loans to Euro-Dollar Loans and (z) outstanding Euro-Dollar Loans to Base Rate Loans; provided, in each case, that the amount so converted shall be equal to \$10,000,000 or any larger integral multiple of \$1,000,000, or (B) upon the expiration of any Interest Period applicable to outstanding Euro-Dollar Loans, so long as no Default is in existence on the date of continuation, to continue all or any portion of such Loans, equal to \$10,000,000 and any larger integral multiple of \$1,000,000 in excess of that amount as Euro-Dollar Loans. The Interest Period of any Base Rate Loan converted to a Euro-Dollar Loan pursuant to clause (A) above shall commence on the date of such conversion. The succeeding Interest Period of any Euro-Dollar Loan continued pursuant to clause (B) above shall commence on the last day of the Interest Period of the Loan so continued. Euro-Dollar Loans may only be converted on the last day of the then current Interest Period applicable thereto or on the date required pursuant to Section 2.18.

(ii) The Borrower shall deliver a written notice of each such conversion or continuation (a "Notice of Conversion/Continuation") to the Administrative Agent no later than (A) 12:00 Noon (Charlotte, North Carolina time) at least three (3) Business Days before the effective date of the proposed conversion to, or continuation of, a Euro Dollar Loan and (B) 11:30 A.M. (Charlotte, North Carolina time) on the day of a conversion to a Base Rate Loan. A written Notice of Conversion/Continuation shall be substantially in the form of Exhibit A-2 attached hereto and shall specify: (A) the Group of Loans (or portion thereof) to which such notice applies, (B) the proposed conversion/continuation date (which shall be a Business Day), (C) the aggregate amount of the Loans being converted/continued, (D) an election between the Base Rate and the Adjusted London Interbank Offered Rate and (E) in the case of a conversion to, or a continuation of, Euro-Dollar Loans, the requested Interest Period. Upon receipt of a Notice of Conversion/Continuation, the Administrative Agent shall give each Lender prompt notice of the contents thereof and such Lender's pro rata share of all conversions and continuations requested therein. If no timely Notice of Conversion/Continuation is delivered by the Borrower as to any Euro-Dollar Loan, and such Loan is not repaid by the Borrower at the end of the applicable Interest Period, such Loan shall be converted automatically to a Base Rate Loan on the last day of the then applicable Interest Period.

(e) Determination and Notice of Interest Rates. The Administrative Agent shall determine each interest rate applicable to the Loans hereunder. The Administrative Agent shall give prompt notice to the Borrower and the participating Lenders of each rate of interest so determined, and its determination thereof shall be conclusive in the absence of manifest error. Any notice with respect to Euro-Dollar Loans shall, without the necessity of the Administrative Agent so stating in such notice, be subject to adjustments in the Applicable Percentage applicable to such Loans after the beginning of the Interest Period applicable thereto. When during an Interest Period any event occurs that causes an adjustment in the Applicable Percentage applicable to Loans to which such Interest Period is applicable, the Administrative Agent shall give prompt notice to the Borrower and the Lenders of such event and the adjusted rate of interest so determined for such Loans, and its determination thereof shall be conclusive in the absence of manifest error.

Section 2.07 Fees.

(a) Commitment Fees. The Borrower shall pay to the Administrative Agent for the account of each Lender a fee (the "Commitment Fee") for each day at a rate per annum equal to the Applicable Percentage for the Commitment Fee for such day. The Commitment Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the amount by which such Lender's Commitment exceeds the sum of its Revolving Outstandings (solely for this purpose, exclusive of Swingline Exposure) on such day. The Commitment Fee shall be payable on the last day of each of March, June, September and December and on the Termination Date.

(b) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent a fee (the "Letter of Credit Fee") for each day at a rate per annum equal to the Applicable Percentage for the Letter of Credit Fee for such day. The Letter of Credit Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the aggregate amount available for drawing under any Letters of Credit outstanding on such day and shall be payable for the account of the Lenders ratably in proportion to their participations in such Letter(s) of Credit. In addition, the Borrower shall pay to each Issuing Lender a fee (the "Fronting Fee") in respect of each Letter of Credit issued by such Issuing Lender computed at the rate of 0.20% per annum on the average amount available for drawing under such Letter(s) of Credit. Fronting Fees shall be due and payable quarterly in arrears on each Quarterly Date and on the Termination Date (or such earlier date as all Letters of Credit shall be canceled or expire). In addition, the Borrower agrees to pay to each Issuing Lender, upon each issuance of, payment under, and/or amendment of, a Letter of Credit, such amount as shall at the time of such issuance, payment or

amendment be the administrative charges and expenses which such Issuing Lender is customarily charging for issuances of, payments under, or amendments to letters of credit issued by it.

(c) Payments. Except as otherwise provided in this Section 2.07, accrued fees under this Section 2.07 in respect of Loans and Letter of Credit Liabilities shall be payable quarterly in arrears on each Quarterly Date, on the last day of the Availability Period and, if later, on the date the Loans and Letter of Credit Liabilities shall be repaid in their entirety. Fees paid hereunder shall not be refundable under any circumstances.

Section 2.08 Adjustments of Commitments.

(a) Optional Termination or Reductions of Commitments (Pro-Rata). The Borrower may, upon at least three Business Days' prior written notice to the Administrative Agent, permanently (i) terminate the Commitments, if there are no Revolving Outstandings at such time or (ii) ratably reduce from time to time by a minimum amount of \$10,000,000 or any larger integral multiple of \$5,000,000, the aggregate amount of the Commitments in excess of the aggregate Revolving Outstandings. Upon receipt of any such notice, the Administrative Agent shall promptly notify the Lenders. If the Commitments are terminated in their entirety, all accrued fees shall be payable on the effective date of such termination.

(b) Replacement of Lenders; Optional Termination of Commitments (Non-Pro-Rata). If (i) any Lender has demanded compensation or indemnification pursuant to Sections 2.14, 2.15, 2.16 or 2.17, (ii) the obligation of any Lender to make Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (iii) any Lender is a Defaulting Lender (each such Lender described in clauses (i), (ii) or (iii) being a "Retiring Lender"), the Borrower shall have the right, if no Default then exists, to replace such Lender with one or more Eligible Assignees (which may be one or more of the Continuing Lenders) (each a "Replacement Lender" and, collectively, the "Replacement Lenders") reasonably acceptable to the Administrative Agent. The replacement of a Retiring Lender pursuant to this Section 2.08(b) shall be effective on the tenth Business Day (the "Replacement Date") following the date of notice given by the Borrower of such replacement to the Retiring Lender and each Continuing Lender through the Administrative Agent, subject to the satisfaction of the following conditions:

(i) the Replacement Lender shall have satisfied the conditions to assignment and assumption set forth in Section 9.06(c) (with all fees payable pursuant to Section 9.06(c) to be paid by the Borrower) and, in connection therewith, the Replacement Lender(s) shall pay:

(A) to the Retiring Lender an amount equal in the aggregate to the sum of (x) the principal of, and all accrued but unpaid interest on, all outstanding Loans of the Retiring Lender, (y) all unpaid drawings that have been funded by (and not reimbursed to) the Retiring Lender under Section 3.10, together with all accrued but unpaid interest with respect thereto and (z) all accrued but unpaid fees owing to the Retiring Lender pursuant to Section 2.07; and

(B) to the Swingline Lender an amount equal to the aggregate amount owing by the Retiring Lender to the Swingline Lender in respect of all unpaid refundings of Swingline Loans requested by the Swingline Lender pursuant to Section 2.02(b)(i), to the extent such amount was not theretofore funded by such Retiring Lender; and

(C) to the Issuing Lenders an amount equal to the aggregate amount owing by the Retiring Lender to the Issuing Lenders as reimbursement pursuant to Section 3.09, to the extent such amount was not theretofore funded by such Retiring Lender; and

(ii) the Borrower shall have paid to the Administrative Agent for the account of the Retiring Lender an amount equal to all obligations owing to the Retiring Lender by the Borrower pursuant to this Agreement and the other Loan Documents (other than those obligations of the Borrower referred to in clause (i)(A) above).

On the Replacement Date, each Replacement Lender that is a New Lender shall become a Lender hereunder and shall succeed to the obligations of the Retiring Lender with respect to outstanding Swingline Loans and Letters of Credit to the extent of the Commitment of the Retiring Lender assumed by such Replacement Lender, and the Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall continue to inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

In lieu of the foregoing, subject to Section 2.08(e), upon express written consent of Continuing Lenders holding more than 50% of the aggregate amount of the Commitments of the Continuing Lenders, the Borrower shall have the right to permanently terminate the Commitment of a Retiring Lender in full. Upon payment by the Borrower to the Administrative Agent for the account of the Retiring Lender of an amount equal to the sum of (i) the aggregate principal amount of all Loans and Reimbursement Obligations owed to the Retiring Lender and (ii) all accrued interest, fees and other amounts owing to the Retiring Lender hereunder, including, without limitation, all amounts payable by the Borrower to the Retiring Lender under Sections 2.12, 2.16, 2.17 or 9.03, such Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

(c) Optional Termination of Defaulting Lender Commitment (Non-Pro-Rata). At any time a Lender is a Defaulting Lender, subject to Section 2.08(e), the Borrower may terminate in full the Commitment of such Defaulting Lender by giving notice to such Defaulting Lender and the Administrative Agent, provided, that, (i) at the time of such termination, (A) no Default has occurred and is continuing (or alternatively, the Required Lenders shall consent to such termination) and (B) either (x) no Revolving Loans or Swingline Loans are outstanding or (y) the aggregate Revolving Outstandings of such Defaulting Lender in respect of Revolving Loans is zero; (ii) concurrently with such termination, the aggregate Commitments shall be reduced by the Commitment of the Defaulting Lender; and (iii) concurrently with any subsequent payment of interest or fees to the Lenders with respect to any period before the termination of a Defaulting Lender's Commitment, the Borrower shall pay to such Defaulting Lender its ratable share (based on its Commitment Ratio before giving effect to such termination) of such interest or fees, as applicable. The termination of a Defaulting Lender's Commitment pursuant to this Section 2.08(c) shall not be deemed to be a waiver of any right that the Borrower, Administrative Agent, any Issuing Lender or any other Lender may have against such Defaulting Lender.

(d) Termination Date; Optional Extensions.

(i) The Commitments shall terminate on the Termination Date.

(ii) The Borrower may, by sending an Extension Letter to the Administrative Agent (in which case the Administrative Agent shall promptly deliver a copy to each of the Lenders), not less than thirty (30) nor more than ninety (90) days prior to the first or second anniversary of the

date hereof (each such anniversary, the “Extension Date”), or at both times, request that the Lenders extend the Termination Date then in effect (the “Current Termination Date”) so that it will occur one year after the Current Termination Date. Each Lender, acting in its sole discretion, may, by notice to the Administrative Agent given no later than fifteen (15) days prior to the first or second annual anniversary of the date hereof, as applicable (the “Election Date”), advise the Administrative Agent in writing whether or not it agrees to such extension (each Lender to respond negatively to such request being referred to herein as a “Non-Extending Lender”); provided, that, any Lender not responding to such request within such time period shall be deemed to be a Non-Extending Lender. The election of any Lender to agree to such extension shall not obligate any other Lender to agree.

(iii) (A) If Lenders holding Commitments that aggregate at least 51% of the aggregate Commitments of the Lenders on or prior to the Election Date shall not have agreed to extend the Termination Date, then the Current Termination Date shall not be so extended and the outstanding principal balance of all loans and other amounts payable hereunder shall be due and payable on the Current Termination Date. (B) If (and only if) Lenders holding Commitments that aggregate at least 51% of the aggregate Revolving Commitments of the Lenders on or prior to the Election Date shall have agreed to extend the Current Termination Date, then the Termination Date applicable to the Lenders that are Extending Lenders shall, as of the Extension Date, be the day that is one year after the Current Termination Date. In the event of such extension, the Commitment of each Non-Extending Lender shall terminate on the Current Termination Date applicable to such Non-Extending Lender, all Loans and other amounts payable hereunder to such Non-Extending Lender shall become due and payable on such Current Termination Date and the aggregate Commitments of the Lenders hereunder shall be reduced by the aggregate Commitments of Non-Extending Lenders so terminated on and after such Current Termination Date. Each Non-Extending Lender shall be required to maintain its original Commitment up to the Termination Date, or Current Termination Date, as applicable, to which such Non-Extending Lender had previously agreed.

(iv) In the event that the conditions of clause (B) of paragraph (iii) above have been satisfied, the Borrower shall have the right on or before the applicable Extension Date, at its own expense, to require any Non-Extending Lender to transfer and assign without recourse or representation (except as to title and the absence of Liens created by it) (in accordance with and subject to the restrictions contained in Section 9.06(c)) all its interests, rights and obligations under the Loan Documents (including with respect to any Letter of Credit Liabilities) to one or more Eligible Assignees (which may include any Lender) (each, an “Additional Commitment Lender”), provided, that (x) such Additional Commitment Lender, if not already a Lender hereunder, shall be subject to the approval of the Administrative Agent, the Swingline Lender and the Issuing Lenders (not to be unreasonably withheld), (y) such assignment shall become effective as of the applicable Extension Date and (z) the Additional Commitment Lender shall pay to such Non-Extending Lender in immediately available funds on the effective date of such assignment the principal of and interest accrued to the date of payment on the Loans made by such Non-Extending Lender hereunder and all other amounts accrued for such Non-Extending Lender’s account or owed to it hereunder.

(v) Notwithstanding the foregoing, no extension of the Termination Date pursuant to this Section 2.08(d) shall become effective unless, on the Extension Date, (i) the conditions set forth in Section 4.02 shall be satisfied (with all references in such paragraphs to the making of a Loan or issuance of a Letter of Credit being deemed to be references to the extension of the Commitments on the Extension Date), (ii) any necessary governmental, regulatory and third party approvals, including, without limitation any PUC and/or FERC approval required to authorize the extension of the Termination Date shall be in full force and effect, in each case without any action being taken by any competent authority which could restrain or prevent such transaction or impose, in the reasonable judgment of the Administrative Agent, materially adverse conditions upon the consummation of the extension of the Termination Date and (iii) the Administrative Agent shall have received (a) a certificate to that effect, with any necessary governmental, regulatory or third party approvals attached thereto, dated the Extension Date and executed by a Responsible Officer of the Borrower and (b) opinions of counsel for the Borrower, addressed to the Administrative Agent and each Lender, dated the Extension Date, in form and substance satisfactory to the Administrative Agent.

(e) Redetermination of Commitment Ratios. On the date of termination of the Commitment of a Retiring Lender or Defaulting Lender pursuant to Section 2.08(b) or (c), or, if the Termination Date has been extended pursuant to Section 2.08(d) with respect to some, but not all, Lenders, the date on which the Current Termination Date with respect to Non-Extending Lenders occurs, the Commitment Ratios of the Continuing Lenders or the Extending Lenders, as applicable, shall be redetermined after giving effect thereto, and the participations of the Continuing Lenders or the Extending Lenders, as applicable, in and obligations of the Continuing Lenders or Extending Lenders, as applicable, in respect of any then outstanding Swingline Loans and Letters of Credit shall thereafter be based upon such redetermined Commitment Ratios (as adjusted pursuant to Sections 2.19 and 2.20). The right of the Borrower to effect such a termination pursuant to Section 2.08(b) or (c) is conditioned on there being sufficient unused availability in the Commitments of the Continuing Lenders such that the aggregate Revolving Outstandings will not exceed the aggregate Commitments after giving effect to such termination and redetermination.

Section 2.09 Maturity of Loans; Mandatory Prepayments.

(a) Scheduled Repayments and Prepayments of Loans; Overline Repayments.

(i) The Revolving Loans shall mature on the Termination Date, and any Revolving Loans, Swingline Loans and Letter of Credit Liabilities then outstanding (together with accrued interest thereon and fees in respect thereof) shall be due and payable or, in the case of Letters of Credit, cash collateralized pursuant to Section 2.09(a)(ii), on such date.

(ii) If on any date the aggregate Revolving Outstandings exceed the aggregate amount of the Commitments (such excess, a “Revolving Outstandings Excess”), the Borrower shall prepay, and there shall become due and payable (together with accrued interest thereon) on such date, an aggregate principal amount of Revolving Loans and/or Swingline Loans equal to such Revolving Outstandings Excess. If, at a time when a Revolving Outstandings Excess exists and (x) no Revolving Loans or Swingline Loans are outstanding or (y) the Commitment has been terminated pursuant to this Agreement and, in either case, any Letter of Credit Liabilities remain outstanding, then, in either case, the Borrower shall cash collateralize any Letter of Credit Liabilities by depositing into a cash collateral account established and maintained (including the investments made pursuant thereto) by the Administrative Agent pursuant to a cash collateral agreement in form and substance satisfactory to the Administrative Agent an amount in cash equal to the then outstanding Letter of Credit Liabilities. In determining Revolving Outstandings for purposes of this clause (ii), Letter of Credit Liabilities shall be reduced to the extent that they are cash collateralized as contemplated by this Section 2.09(a)(ii).

(b) Applications of Prepayments and Reductions.

(i) Each payment or prepayment of Loans pursuant to this Section 2.09 shall be applied ratably to the respective Loans of all of the Lenders.

(ii) Each payment of principal of the Loans shall be made together with interest accrued on the amount repaid to the date of payment.

(iii) Each payment of the Loans shall be applied to such Groups of Loans as the Borrower may designate (or, failing such designation, as determined by the Administrative Agent).

Section 2.10 Optional Prepayments and Repayments.

(a) Prepayments of Loans. Other than in respect of Swingline Loans, the repayment of which is governed pursuant to Section 2.02(b), subject to Section 2.12, the Borrower may (i) upon at least one (1) Business Day's notice to the Administrative Agent, prepay any Base Rate Borrowing or (ii) upon at least three (3) Business Days' notice to the Administrative Agent, prepay any Euro-Dollar Borrowing, in each case in whole at any time, or from time to time in part in amounts aggregating \$10,000,000 or any larger integral multiple of \$1,000,000, by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment. Each such optional prepayment shall be applied to prepay ratably the Loans of the several Lenders included in such Borrowing.

(b) Notice to Lenders. Upon receipt of a notice of prepayment pursuant to Section 2.10(a), the Administrative Agent shall promptly notify each Lender of the contents thereof and of such Lender's ratable share (if any) of such prepayment, and such notice shall not thereafter be revocable by the Borrower.

Section 2.11 General Provisions as to Payments.

(a) Payments by the Borrower. The Borrower shall make each payment of principal of and interest on the Loans and Letter of Credit Liabilities and fees hereunder (other than fees payable directly to the Issuing Lenders) not later than 12:00 Noon (Charlotte, North Carolina time) on the date when due, without set-off, counterclaim or other deduction, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. The Administrative Agent will promptly distribute to each Lender its ratable share of each such payment received by the Administrative Agent for the account of the Lenders. Whenever any payment of principal of or interest on the Base Rate Loans or Letter of Credit Liabilities or of fees shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day. Whenever any payment of principal of or interest on the Euro-Dollar Loans shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day unless such Business Day falls in another calendar month, in which case the date for payment thereof shall be the next preceding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(b) Distributions by the Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Lenders hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date, and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Rate.

Section 2.12 Funding Losses. If the Borrower makes any payment of principal with respect to any Euro-Dollar Loan pursuant to the terms and provisions of this Agreement (any conversion of a Euro-Dollar Loan to a Base Rate Loan pursuant to Section 2.18 being treated as a payment of such Euro-Dollar Loan on the date of conversion for purposes of this Section 2.12) on any day other than the last day of the Interest Period applicable thereto, or the last day of an applicable period fixed pursuant to Section 2.06(c), or if the Borrower fails to borrow, convert or prepay any Euro-Dollar Loan after notice has been given in accordance with the provisions of this Agreement, or in the event of payment in respect of any Euro-Dollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.08(b), the Borrower shall reimburse each Lender within fifteen (15) days after demand for any resulting loss or expense incurred by it (and by an existing Participant in the related Loan), including, without limitation, any loss incurred in obtaining, liquidating or employing deposits from third parties, but excluding loss of margin for the period after any such payment or failure to borrow or prepay; provided, that such Lender shall have delivered to the Borrower a certificate as to the amount of such loss or expense, which certificate shall be conclusive in the absence of manifest error.

Section 2.13 Computation of Interest and Fees. Interest on Loans based on the Prime Rate hereunder and Letter of Credit Fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and paid for the actual number of days elapsed. All other interest and fees shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day).

Section 2.14 Basis for Determining Interest Rate Inadequate, Unfair or Unavailable. If on or prior to the first day of any Interest Period for any Euro-Dollar Loan: (a) Lenders having 50% or more of the aggregate amount of the Commitments advise the Administrative Agent that the Adjusted London Interbank Offered Rate as determined by the Administrative Agent, will not adequately and fairly reflect the cost to such Lenders of funding their Euro-Dollar Loans for such Interest Period; or (b) the Administrative Agent shall determine that no reasonable means exists for determining the Adjusted London Interbank Offered Rate, the Administrative Agent shall forthwith give notice thereof to the Borrower and the Lenders, whereupon, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such suspension no longer exist, (i) the obligations of the Lenders to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans shall be suspended; and (ii) each outstanding Euro-Dollar Loan shall be converted into a Base Rate Loan on the last day of the current Interest Period applicable thereto. Unless the Borrower notifies the Administrative Agent at least two (2) Business Days before the date of (or, if at the time the Borrower receives such notice the day is the date of, or the date immediately preceding, the date of such Euro-Dollar Borrowing, by 10:00 A.M. (Charlotte, North Carolina time) on the date of) any Euro-Dollar Borrowing for which a Notice of Borrowing has previously been given that it elects not to borrow on such date, such Borrowing shall instead be made as a Base Rate Borrowing.

Section 2.15 Illegality. If, on or after the date of this Agreement, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Euro-Dollar Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for any Lender (or its Euro-Dollar Lending Office) to make, maintain or fund its Euro-Dollar Loans and such Lender shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof to the other Lenders and the Borrower, whereupon until such Lender notifies the Borrower and the Administrative Agent that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans, shall be suspended. Before giving any notice to the Administrative Agent pursuant to this Section, such Lender shall designate a different Euro-Dollar Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of

such Lender, be otherwise disadvantageous to such Lender. If such notice is given, each Euro-Dollar Loan of such Lender then outstanding shall be converted to a Base Rate Loan either (a) on the last day of the then current Interest Period applicable to such Euro-Dollar Loan if such Lender may lawfully continue to maintain and fund such Loan to such day or (b) immediately if such Lender shall determine that it may not lawfully continue to maintain and fund such Loan to such day.

Section 2.16 Increased Cost and Reduced Return.

(a) Increased Costs. If after the Effective Date, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Applicable Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall (i) impose, modify or deem applicable any reserve (including, without limitation, any such requirement imposed by the Board of Governors of the Federal Reserve System), special deposit, insurance assessment or similar requirement against Letters of Credit issued or participated in by, assets of, deposits with or for the account of or credit extended by, any Lender (or its Applicable Lending Office), (ii) subject any Lender or the Issuing Lender to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Euro-Dollar Loan made by it, or change the basis of taxation of payments to such Lender or the Issuing Lender in respect thereof (other than (A) Taxes, (B) Other Taxes, (C) the imposition of, or any change in the rate of, any taxes described in clauses (i) through (iv) of the definition of Taxes in Section 2.17(a) and (D) Taxes attributable to a Lender's or an Issuing Lender's failure to comply with Section 2.17(e)) or (iii) impose on any Lender (or its Applicable Lending Office) or on the United States market for certificates of deposit or the London interbank market any other condition affecting its Euro-Dollar Loans, Notes, obligation to make Euro-Dollar Loans or obligations hereunder in respect of Letters of Credit, and the result of any of the foregoing is to increase the cost to such Lender (or its Applicable Lending Office) of making or maintaining any Euro-Dollar Loan, or of issuing or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by such Lender (or its Applicable Lending Office) under this Agreement or under its Notes with respect thereto, then, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts, as determined by such Lender in good faith, as will compensate such Lender for such increased cost or reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(b) Capital Adequacy. If any Lender shall have determined that, after the Effective Date, the adoption of any applicable law, rule or regulation regarding capital adequacy or liquidity, or any change in any such law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Lender (or any Person controlling such Lender) as a consequence of such Lender's obligations hereunder to a level below that which such Lender (or any Person controlling such Lender) could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy), then from time to time, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender (or any Person controlling such Lender) for such reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(c) Notices. Each Lender will promptly notify the Borrower and the Administrative Agent of any event of which it has knowledge, occurring after the Effective Date, that will entitle such Lender to compensation pursuant to this Section and will designate a different Applicable Lending Office if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. A certificate of any Lender claiming compensation under this Section and setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Lender may use any reasonable averaging and attribution methods.

(d) Notwithstanding anything to the contrary herein, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "change in law" under this Article II regardless of the date enacted, adopted or issued.

Section 2.17 Taxes.

(a) Payments Net of Certain Taxes. Any and all payments made by the Borrower to or for the account of any Lender or any Agent hereunder or under any other Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, charges and withholdings and all liabilities with respect thereto, excluding: (i) taxes imposed on or measured by the net income (including branch profits or similar taxes) of, and gross receipts, franchise or similar taxes imposed on, any Agent or any Lender by the jurisdiction (or subdivision thereof) under the laws of which such Lender or Agent is organized or in which its principal executive office is located or, in the case of each Lender, in which its Applicable Lending Office is located, (ii) in the case of each Lender, any United States withholding tax imposed on such payments, but only to the extent that such Lender is subject to United States withholding tax at the time such Lender first becomes a party to this Agreement or changes its Applicable Lending Office, (iii) any backup withholding tax imposed by the United States (or any state or locality thereof) on a Lender or Administrative Agent, and (iv) any taxes imposed by FATCA (all such nonexcluded taxes, duties, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes"). If the Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender or any Agent, (i) the sum payable shall be increased as necessary so that after making all such required deductions (including deductions applicable to additional sums payable under this Section 2.17(a)) such Lender or Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions, (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law and (iv) the Borrower shall furnish to the Administrative Agent, for delivery to such Lender, the original or a certified copy of a receipt evidencing payment thereof.

(b) Other Taxes. In addition, the Borrower agrees to pay any and all present or future stamp or court or documentary taxes and any other excise or property taxes, or similar charges or levies, which arise from any payment made pursuant to this Agreement, any Note or any other Loan Document or from the execution, delivery, performance, registration or enforcement of, or otherwise with respect to, this Agreement, any Note or any other Loan Document (collectively, "Other Taxes").

(c) Indemnification. The Borrower agrees to indemnify each Lender and each Agent for the full amount of Taxes and Other Taxes (including, without limitation, any Taxes or Other Taxes imposed or asserted by any jurisdiction on amounts payable under this Section 2.17(c)), whether or not correctly or legally asserted, paid by such Lender or Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with

respect thereto as certified in good faith to the Borrower by each Lender or Agent seeking indemnification pursuant to this [Section 2.17\(c\)](#). This indemnification shall be paid within 15 days after such Lender or Agent (as the case may be) makes demand therefor.

(d) **Refunds or Credits.** If a Lender or Agent receives a refund, credit or other reduction from a taxation authority for any Taxes or Other Taxes for which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this [Section 2.17](#), it shall within fifteen (15) days from the date of such receipt pay over the amount of such refund, credit or other reduction to the Borrower (but only to the extent of indemnity payments made or additional amounts paid by the Borrower under this [Section 2.17](#) with respect to the Taxes or Other Taxes giving rise to such refund, credit or other reduction), net of all reasonable out-of-pocket expenses of such Lender or Agent (as the case may be) and without interest (other than interest paid by the relevant taxation authority with respect to such refund, credit or other reduction); provided, however, that the Borrower agrees to repay, upon the request of such Lender or Agent (as the case may be), the amount paid over to the Borrower (plus penalties, interest or other charges) to such Lender or Agent in the event such Lender or Agent is required to repay such refund or credit to such taxation authority.

(e) **Tax Forms and Certificates.** On or before the date it becomes a party to this Agreement, from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and at any time it changes its Applicable Lending Office: (i) each Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code shall deliver to the Borrower and the Administrative Agent two (2) properly completed and duly executed copies of Internal Revenue Service Form W-9, or any successor form prescribed by the Internal Revenue Service, or such other documentation or information prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, as the case may be, certifying that such Lender is a United States person and is entitled to an exemption from United States backup withholding tax or information reporting requirements; and (ii) each Lender that is not a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code (a "Non-U.S. Lender") shall deliver to the Borrower and the Administrative Agent: (A) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, or any successor form prescribed by the Internal Revenue Service, (x) certifying that such Non-U.S. Lender is entitled to the benefits under an income tax treaty to which the United States is a party which exempts the Non-U.S. Lender from United States withholding tax or reduces the rate of withholding tax on payments of interest for the account of such Non-U.S. Lender and (y) with respect to any other applicable payments under or entered into in connection with any Loan Document, establishing an exemption from, or reduction of, United States withholding tax pursuant to the "business profits" or "other income" article of such tax treaty; (B) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8ECI, or any successor form prescribed by the Internal Revenue Service, certifying that the income receivable pursuant to this Agreement and the other Loan Documents is effectively connected with the conduct of a trade or business in the United States; (C) in the case of a Non-U.S. Lender claiming the benefit of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, or any successor form prescribed by the Internal Revenue Service, together with a certificate to the effect that (x) such Non-U.S. Lender is not (1) a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (2) a "10-percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code, or (3) a "controlled foreign corporation" that is described in Section 881(c)(3)(C) of the Internal Revenue Code and is related to the Borrower within the meaning of Section 864(d)(4) of the Internal Revenue Code and (y) the interest payments in question are not effectively connected with a U.S. trade or business conducted by such Non-U.S. Lender; or (D) to the extent the Non-U.S. Lender is not the beneficial owner, two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8IMY, or any successor form prescribed by the Internal Revenue Service, accompanied by an Internal Revenue Service Form W-8ECI, W-8BEN, W-8BEN-E, W-9, and/or other certification documents from each beneficial owner, as applicable. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. In addition, each Lender agrees that from time to time after the Effective Date, when a lapse in time or change in circumstances renders the previous certification obsolete or inaccurate in any material respect, it will deliver to the Borrower and the Administrative Agent two new accurate and complete signed originals of Internal Revenue Service Form W-9, W-8BEN, W-8BEN-E, W-8ECI or W-8IMY or FATCA-related documentation described above, or successor forms, as the case may be, and such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under this Agreement and any other Loan Document, or it shall immediately notify the Borrower and the Administrative Agent of its inability to deliver any such form or certificate.

(f) **Exclusions.** The Borrower shall not be required to indemnify any Non-U.S. Lender, or to pay any additional amount to any Non-U.S. Lender, pursuant to [Section 2.17\(a\)](#), [\(b\)](#) or [\(c\)](#) in respect of Taxes or Other Taxes to the extent that the obligation to indemnify or pay such additional amounts would not have arisen but for the failure of such Non-U.S. Lender to comply with the provisions of subsection (e) above.

(g) **Mitigation.** If the Borrower is required to pay additional amounts to or for the account of any Lender pursuant to this [Section 2.17](#), then such Lender will use reasonable efforts (which shall include efforts to rebook the Revolving Loans held by such Lender to a new Applicable Lending Office, or through another branch or affiliate of such Lender) to change the jurisdiction of its Applicable Lending Office if, in the good faith judgment of such Lender, such efforts (i) will eliminate or, if it is not possible to eliminate, reduce to the greatest extent possible any such additional payment which may thereafter accrue and (ii) is not otherwise disadvantageous, in the sole determination of such Lender, to such Lender. Any Lender claiming any indemnity payment or additional amounts payable pursuant to this Section shall use reasonable efforts (consistent with legal and regulatory restrictions) to deliver to Borrower any certificate or document reasonably requested in writing by the Borrower or to change the jurisdiction of its Applicable Lending Office if the making of such a filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue and would not, in the sole determination of such Lender, be otherwise disadvantageous to such Lender.

(h) **Confidentiality.** Nothing contained in this Section shall require any Lender or any Agent to make available any of its tax returns (or any other information that it deems to be confidential or proprietary).

Section 2.18 **Base Rate Loans Substituted for Affected Euro-Dollar Loans.** If (a) the obligation of any Lender to make or maintain, or to convert outstanding Loans to, Euro-Dollar Loans has been suspended pursuant to [Section 2.15](#) or (b) any Lender has demanded compensation under [Section 2.16\(a\)](#) with respect to its Euro-Dollar Loans and, in any such case, the Borrower shall, by at least four Business Days' prior notice to such Lender through the Administrative Agent, have elected that the provisions of this Section shall apply to such Lender, then, unless and until such Lender notifies the Borrower that the circumstances giving rise to such suspension or demand for compensation no longer apply:

(i) all Loans which would otherwise be made by such Lender as (or continued as or converted into) Euro-Dollar Loans shall instead be Base Rate Loans (on which interest and principal shall be payable contemporaneously with the related Euro-Dollar Loans of the other Lenders); and

(ii) after each of its Euro-Dollar Loans has been repaid, all payments of principal that would otherwise be applied to repay such Loans shall instead be applied to repay its Base Rate Loans.

If such Lender notifies the Borrower that the circumstances giving rise to such notice no longer apply, the principal amount of each such Base Rate Loan shall be converted into a Euro-Dollar Loan on the first day of the next succeeding Interest Period applicable to the related Euro-Dollar Loans of the other Lenders.

Section 2.19 Increases in Commitments.

(a) Subject to the terms and conditions of this Agreement, the Borrower may, during the Availability Period by delivering to the Administrative Agent and the Lenders a Notice of Revolving Increase in the form of Exhibit E, request increases to the Lenders' Commitments (each such request, an "Optional Increase"); provided that: (i) the Borrower may not request any increase to the Commitments after the occurrence and during the continuance of a Default; (ii) each Optional Increase shall be in a minimum amount of \$50,000,000 and (iii) the aggregate amount of all Optional Increases shall be no more than \$100,000,000.

(b) Each Lender may, but shall not be obligated to, participate in any Optional Increase, subject to the approval of each Issuing Lender and the Swingline Lender (such approval not to be unreasonably withheld), and the decision of any Lender to commit to an Optional Increase shall be at such Lender's sole discretion and shall be made in writing. The Borrower may, at its own expense, solicit additional Commitments from third party financial institutions reasonably acceptable to the Administrative Agent, the Swingline Lender and the Issuing Lenders. Any such financial institution (if not already a Lender hereunder) shall become a party to this Agreement as a Lender, pursuant to a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent and the Borrower.

(c) As a condition precedent to the Optional Increase, the Borrower shall deliver to the Administrative Agent a certificate of the Borrower dated the effective date of the Optional Increase, signed by a Responsible Officer of the Borrower, certifying that: (i) the resolutions adopted by the Borrower approving or consenting to such Optional Increase are attached thereto and such resolutions are true and correct and have not been altered, amended or repealed and are in full force and effect, (ii) before and after giving effect to the Optional Increase, (A) the representations and warranties contained in Article V and the other Loan Documents are true and correct in all material respects (except to the extent any such representation and warranty is qualified by materiality or reference to Material Adverse Effect, in which case, such representation and warranty shall be true and correct in all respects) on and as of the effective date of the Optional Increase, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they were true and correct in all material respects (except to the extent any such representation and warranty was qualified by materiality or reference to Material Adverse Effect, in which case, such representation and warranty was true and correct in all respects) as of such earlier date, and (B) that no Default exists, is continuing, or would result from the Optional Increase and (iii) any necessary governmental, regulatory and third party approvals, including, without limitation any PUC and/or FERC approval required to approve the Optional Increase, are attached thereto and remain in full force and effect, in each case without any action being taken by any competent authority which could restrain or prevent such transaction or impose, in the reasonable judgment of the Administrative Agent, materially adverse conditions upon the consummation of the Optional Increase.

(d) The Revolving Outstandings will be reallocated by the Administrative Agent on the effective date of any Optional Increase among the Lenders in accordance with their revised Commitment Ratios, and the Borrower hereby agrees to pay any and all costs (if any) required pursuant to Section 2.12 incurred by any Lender in connection with the exercise of the Optional Increase. Each of the Lenders shall participate in any new Loans made on or after such date in accordance with their respective Commitment Ratios after giving effect to the increase in Commitments contemplated by this Section 2.19.

Section 2.20 Defaulting Lenders.

(a) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.07(a);

(ii) with respect to any Letter of Credit Liabilities or Swingline Exposure of such Defaulting Lender that exists at the time a Lender becomes a Defaulting Lender or thereafter:

(A) all or any part of such Defaulting Lender's Letter of Credit Liabilities and its Swingline Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.02 are satisfied at such time and (y) such reallocation does not cause the Revolving Outstandings of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment;

(B) if the reallocation described in clause (ii)(A) above cannot, or can only partially, be effected, each Issuing Lender and the Swingline Lender, in its discretion may require the Borrower to (i) reimburse all amounts paid by an Issuing Lender upon any drawing under a Letter of Credit, (ii) repay an outstanding Swingline Loan, and/or (iii) cash collateralize (in accordance with Section 2.09(a)(ii)) all obligations of such Defaulting Lender in respect of outstanding Letters of Credit and Swingline Loans, in each case, in an amount at least equal to the aggregate amount of the obligations (contingent or otherwise) of such Defaulting Lender in respect of such Letters of Credit or Swingline Loans (after giving effect to any partial reallocation pursuant to Section 2.20(a)(ii)(A) above);

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's pursuant to Section 2.20(a)(ii)(B) then the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities during the period such Defaulting Lender's Letter of Credit Liabilities are cash collateralized;

(iv) if the Letter of Credit Liabilities and/or Swingline Exposure of the Non-Defaulting Lenders is reallocated pursuant to Section 2.20(a)(ii)(A) above, then the fees payable to the Lenders pursuant to Section 2.07(a) and Section 2.07(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment); and

(v) if any Defaulting Lender's Letter of Credit Liabilities and/or Swingline Exposure is neither reimbursed, repaid, cash collateralized nor reallocated pursuant to this Section 2.20(a)(ii), then, without prejudice to any rights or remedies of the Issuing Lenders, the Swingline Lender or

any other Lender hereunder, all fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such Letter of Credit Liabilities and/or Swingline Exposure) and letter of credit fees payable under [Section 2.07\(b\)](#) with respect to such Defaulting Lender's Letter of Credit Liabilities shall be payable to the Issuing Lenders and the Swingline Lender, pro rata, until such Letter of Credit Liabilities and/or Swingline Exposure is cash collateralized, reallocated and/or repaid in full.

(b) So long as any Lender is a Defaulting Lender, (i) no Issuing Lender shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with [Section 2.20\(a\)](#), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with [Section 3.05](#) (and Defaulting Lenders shall not participate therein) and (ii) the Swingline Lender shall not be required to advance any Swingline Loan, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders.

ARTICLE III LETTERS OF CREDIT

Section 3.01 Issuing Lenders. Subject to the terms and conditions hereof, the Borrower may from time to time identify and arrange for one or more of the Lenders (in addition to the JLA Issuing Banks) to act as Issuing Lenders hereunder. Any such designation by the Borrower shall be notified to the Administrative Agent at least four Business Days prior to the first date upon which the Borrower proposes that such Issuing Lender issue its first Letter of Credit, so as to provide adequate time for such proposed Issuing Lender to be approved by the Administrative Agent hereunder (such approval not to be unreasonably withheld). Within two Business Days following the receipt of any such designation of a proposed Issuing Lender, the Administrative Agent shall notify the Borrower as to whether such designee is acceptable to the Administrative Agent. Nothing contained herein shall be deemed to require any Lender (other than a JLA Issuing Bank) to agree to act as an Issuing Lender, if it does not so desire.

Section 3.02 Letters of Credit.

(a) Existing Letters of Credit. On the Effective Date, each Issuing Lender (as defined in the Existing Credit Agreement) that has issued an Existing Letter of Credit shall be deemed, without further action by any party to this Agreement, to have issued such Existing Letter of Credit under this Agreement pursuant to the terms and subject to the conditions of this Article III; provided, that immediately after each Letter of Credit is deemed to have been issued, the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments.

(b) Additional Letters of Credit. Each Issuing Lender agrees, on the terms and conditions set forth in this Agreement, to issue Letters of Credit denominated in Dollars from time to time before the fifth day prior to the Termination Date, for the account, and upon the request, of the Borrower and in support of such obligations of the Borrower or any of its Subsidiaries that are reasonably acceptable to such Issuing Lender; provided, that immediately after each Letter of Credit is issued, (A) the aggregate amount of Letter of Credit Liabilities shall not exceed \$150,000,000, (B) the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments and (C) the aggregate fronting exposure of any Issuing Lender shall not exceed its Fronting Sublimit.

Section 3.03 Method of Issuance of Additional Letters of Credit. The Borrower shall give an Issuing Lender notice substantially in the form of Exhibit A-3 to this Agreement (a "Letter of Credit Request") of the requested issuance or extension of an Additional Letter of Credit not later than 1:00 P.M. (Charlotte, North Carolina time) at least one Business Day prior to the proposed date of the issuance or extension of Additional Letters of Credit (which shall be a Business Day) (or such shorter period as may be agreed by such Issuing Lender in any particular instance), specifying the date such Letter of Credit is to be issued or extended and describing the terms of such Letter of Credit and the nature of the transactions to be supported thereby. The extension or renewal of any Letter of Credit shall be deemed to be an issuance of such Letter of Credit, and if any Letter of Credit contains a provision pursuant to which it is deemed to be extended unless notice of termination is given by an Issuing Lender, such Issuing Lender shall timely give such notice of termination unless it has theretofore timely received a Letter of Credit Request and the other conditions to issuance of a Letter of Credit have theretofore been met with respect to such extension. No Letter of Credit shall have a term of more than one year, provided, that no Letter of Credit shall have a term extending or be so extendible beyond the fifth Business Day before the Termination Date, provided that if the Commitments of some, but not all, Lenders shall have been extended pursuant to [Section 2.08\(d\)](#), the "Termination Date" for this purpose shall be the latest Termination Date which is applicable to Commitments aggregating at least \$150,000,000.

Section 3.04 Conditions to Issuance of Letters of Credit. The issuance by an Issuing Lender of each Additional Letter of Credit shall, in addition to the conditions precedent set forth in [Article IV](#), be subject to the conditions precedent that (a) such Letter of Credit shall be satisfactory in form and substance to such Issuing Lender, (b) the Borrower and, if applicable, any such Affiliate of the Borrower, shall have executed and delivered such other instruments and agreements relating to such Letter of Credit as such Issuing Lender shall have reasonably requested and (c) such Issuing Lender shall have confirmed on the date of (and after giving effect to) such issuance that (i) the aggregate outstanding amount of Letter of Credit Liabilities shall not exceed \$150,000,000, (ii) the aggregate Revolving Outstandings will not exceed the aggregate amount of the Commitments and (iii) the aggregate fronting exposure of any Issuing Lender shall not exceed the Fronting Sublimit. Notwithstanding any other provision of this [Section 3.04](#), no Issuing Lender shall be under any obligation to issue any Additional Letter of Credit if: any order, judgment or decree of any governmental authority shall by its terms purport to enjoin or restrain such Issuing Lender from issuing such Additional Letter of Credit, or any requirement of law applicable to such Issuing Lender or any request or directive (whether or not having the force of law) from any governmental authority with jurisdiction over such Issuing Lender shall prohibit, or request that such Issuing Lender refrain from, the issuance of letters of credit generally or such Additional Letter of Credit in particular or shall impose upon such Issuing Lender with respect to such Additional Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Lender is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Lender in good faith deems material to it.

Section 3.05 Purchase and Sale of Letter of Credit Participations. Upon the issuance by an Issuing Lender of a Letter of Credit, such Issuing Lender shall be deemed, without further action by any party hereto, to have sold to each Lender, and each Lender shall be deemed, without further action by any party hereto, to have purchased from such Issuing Lender, without recourse or warranty, an undivided participation interest in such Letter of Credit and the related Letter of Credit Liabilities in accordance with its respective Commitment Ratio (although the Fronting Fee payable under [Section 2.07\(b\)](#) shall be payable directly to the Administrative Agent for the account of the applicable Issuing Lender, and the Lenders (other than such Issuing Lender) shall have no right to receive any portion of any such Fronting Fee) and any security therefor or guaranty pertaining thereto.

Section 3.06 Drawings under Letters of Credit. Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Lender shall determine in accordance with the terms of such Letter of Credit whether such drawing should be honored. If such Issuing Lender determines that any such drawing shall be honored, such Issuing Lender shall make available to such beneficiary in

accordance with the terms of such Letter of Credit the amount of the drawing and shall notify the Borrower as to the amount to be paid as a result of such drawing and the payment date.

Section 3.07 Reimbursement Obligations. The Borrower shall be irrevocably and unconditionally obligated forthwith to reimburse the applicable Issuing Lender for any amounts paid by such Issuing Lender upon any drawing under any Letter of Credit, together with any and all reasonable charges and expenses which such Issuing Lender may pay or incur relative to such drawing and interest on the amount drawn at the rate applicable to Base Rate Loans for each day from and including the date such amount is drawn to but excluding the date such reimbursement payment is due and payable. Such reimbursement payment shall be due and payable (a) at or before 1:00 P.M. (Charlotte, North Carolina time) on the date the applicable Issuing Lender notifies the Borrower of such drawing, if such notice is given at or before 10:00 A.M. (Charlotte, North Carolina time) on such date or (b) at or before 10:00 A.M. (Charlotte, North Carolina time) on the next succeeding Business Day; provided, that no payment otherwise required by this sentence to be made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on any day shall be overdue hereunder if arrangements for such payment satisfactory to the applicable Issuing Lender, in its reasonable discretion, shall have been made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on such day and such payment is actually made at or before 3:00 P.M. (Charlotte, North Carolina time) on such day. In addition, the Borrower agrees to pay to the applicable Issuing Lender interest, payable on demand, on any and all amounts not paid by the Borrower to such Issuing Lender when due under this Section 3.07, for each day from and including the date when such amount becomes due to but excluding the date such amount is paid in full, whether before or after judgment, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day. Each payment to be made by the Borrower pursuant to this Section 3.07 shall be made to the applicable Issuing Lender in Federal or other funds immediately available to it at its address referred to Section 9.01.

Section 3.08 Duties of Issuing Lenders to Lenders: Reliance. In determining whether to pay under any Letter of Credit, the relevant Issuing Lender shall not have any obligation relative to the Lenders participating in such Letter of Credit or the related Letter of Credit Liabilities other than to determine that any document or documents required to be delivered under such Letter of Credit have been delivered and that they substantially comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by an Issuing Lender under or in connection with any Letter of Credit shall not create for such Issuing Lender any resulting liability if taken or omitted in the absence of gross negligence or willful misconduct. Each Issuing Lender shall be entitled (but not obligated) to rely, and shall be fully protected in relying, on the representation and warranty by the Borrower set forth in the last sentence of Section 4.02 to establish whether the conditions specified in clauses (b) and (c) of Section 4.02 are met in connection with any issuance or extension of a Letter of Credit. Each Issuing Lender shall be entitled to rely, and shall be fully protected in relying, upon advice and statements of legal counsel, independent accountants and other experts selected by such Issuing Lender and upon any Letter of Credit, draft, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, telecopier, telex or teletype message, statement, order or other document believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary unless the beneficiary and the Borrower shall have notified such Issuing Lender that such documents do not comply with the terms and conditions of the Letter of Credit. Each Issuing Lender shall be fully justified in refusing to take any action requested of it under this Section in respect of any Letter of Credit unless it shall first have received such advice or concurrence of the Required Lenders as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take, or omitting or continuing to omit, any such action. Notwithstanding any other provision of this Section, each Issuing Lender shall in all cases be fully protected in acting, or in refraining from acting, under this Section in respect of any Letter of Credit in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant hereto shall be binding upon all Lenders and all future holders of participations in such Letter of Credit; provided, that this sentence shall not affect any rights the Borrower may have against any Issuing Lender or the Lenders that make such request.

Section 3.09 Obligations of Lenders to Reimburse Issuing Lender for Unpaid Drawings. If any Issuing Lender makes any payment under any Letter of Credit and the Borrower shall not have reimbursed such amount in full to such Issuing Lender pursuant to Section 3.07, such Issuing Lender shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender (other than the relevant Issuing Lender), and each such Lender shall promptly and unconditionally pay to the Administrative Agent, for the account of such Issuing Lender, such Lender's share of such payment (determined in accordance with its respective Commitment Ratio) in Dollars in Federal or other immediately available funds, the aggregate of such payments relating to each unreimbursed amount being referred to herein as a "Mandatory Letter of Credit Borrowing"; provided, however, that no Lender shall be obligated to pay to the Administrative Agent its pro rata share of such unreimbursed amount for any wrongful payment made by the relevant Issuing Lender under a Letter of Credit as a result of acts or omissions constituting willful misconduct or gross negligence by such Issuing Lender. If the Administrative Agent so notifies a Lender prior to 11:00 A.M. (Charlotte, North Carolina time) on any Business Day, such Lender shall make available to the Administrative Agent at its address referred to in Section 9.01 and for the account of the relevant Issuing Lender such Lender's pro rata share of the amount of such payment by 3:00 P.M. (Charlotte, North Carolina time) on the Business Day following such Lender's receipt of notice from the Administrative Agent, together with interest on such amount for each day from and including the date of such drawing to but excluding the day such payment is due from such Lender at the Federal Funds Rate for such day (which funds the Administrative Agent shall promptly remit to such Issuing Lender). The failure of any Lender to make available to the Administrative Agent for the account of an Issuing Lender its pro rata share of any unreimbursed drawing under any Letter of Credit shall not relieve any other Lender of its obligation hereunder to make available to the Administrative Agent for the account of such Issuing Lender its pro rata share of any payment made under any Letter of Credit on the date required, as specified above, but no such Lender shall be responsible for the failure of any other Lender to make available to the Administrative Agent for the account of such Issuing Lender such other Lender's pro rata share of any such payment. Upon payment in full of all amounts payable by a Lender under this Section 3.09, such Lender shall be subrogated to the rights of the relevant Issuing Lender against the Borrower to the extent of such Lender's pro rata share of the related Letter of Credit Liabilities (including interest accrued thereon). If any Lender fails to pay any amount required to be paid by it pursuant to this Section 3.09 on the date on which such payment is due, interest shall accrue on such Lender's obligation to make such payment, for each day from and including the date such payment became due to but excluding the date such Lender makes such payment, whether before or after judgment, at a rate per annum equal to (i) for each day from the date such payment is due to the third succeeding Business Day, inclusive, the Federal Funds Rate for such day as determined by the relevant Issuing Lender and (ii) for each day thereafter, the sum of 2% plus the rate applicable to its Base Rate Loans for such day. Any payment made by any Lender after 3:00 P.M. (Charlotte, North Carolina time) on any Business Day shall be deemed for purposes of the preceding sentence to have been made on the next succeeding Business Day.

Section 3.10 Funds Received from the Borrower in Respect of Drawn Letters of Credit. Whenever an Issuing Lender receives a payment of a Reimbursement Obligation as to which the Administrative Agent has received for the account of such Issuing Lender any payments from the other Lenders pursuant to Section 3.09 above, such Issuing Lender shall pay the amount of such payment to the Administrative Agent, and the Administrative Agent shall promptly pay to each Lender which has paid its pro rata share thereof, in Dollars in Federal or other immediately available funds, an amount equal to such Lender's pro rata share of the principal amount thereof and interest thereon for each day after relevant date of payment at the Federal Funds Rate.

Section 3.11 Obligations in Respect of Letters of Credit Unconditional. The obligations of the Borrower under Section 3.07 above shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, under all circumstances

whatsoever, including, without limitation, the following circumstances:

- (a) any lack of validity or enforceability of this Agreement or any Letter of Credit or any document related hereto or thereto;
- (b) any amendment or waiver of or any consent to departure from all or any of the provisions of this Agreement or any Letter of Credit or any document related hereto or thereto;
- (c) the use which may be made of the Letter of Credit by, or any acts or omission of, a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting);
- (d) the existence of any claim, set-off, defense or other rights that the Borrower may have at any time against a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting), any Issuing Lender or any other Person, whether in connection with this Agreement or any Letter of Credit or any document related hereto or thereto or any unrelated transaction;
- (e) any statement or any other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;
- (f) payment under a Letter of Credit against presentation to an Issuing Lender of a draft or certificate that does not comply with the terms of such Letter of Credit; provided, that the relevant Issuing Lender's determination that documents presented under such Letter of Credit comply with the terms thereof shall not have constituted gross negligence or willful misconduct of such Issuing Lender; or
- (g) any other act or omission to act or delay of any kind by any Issuing Lender or any other Person or any other event or circumstance whatsoever that might, but for the provisions of this subsection (g), constitute a legal or equitable discharge of the Borrower's obligations hereunder.

Nothing in this Section 3.11 is intended to limit the right of the Borrower to make a claim against any Issuing Lender for damages as contemplated by the proviso to the first sentence of Section 3.12.

Section 3.12 Indemnification in Respect of Letters of Credit. The Borrower hereby indemnifies and holds harmless each Lender (including each Issuing Lender) and the Administrative Agent from and against any and all claims, damages, losses, liabilities, costs or expenses which such Lender or the Administrative Agent may incur by reason of or in connection with the failure of any other Lender to fulfill or comply with its obligations to such Issuing Lender hereunder (but nothing herein contained shall affect any rights which the Borrower may have against such defaulting Lender), and none of the Lenders (including any Issuing Lender) nor the Administrative Agent, their respective affiliates nor any of their respective officers, directors, employees or agents shall be liable or responsible, by reason of or in connection with the execution and delivery or transfer of or payment or failure to pay under any Letter of Credit, including, without limitation, any of the circumstances enumerated in Section 3.11, as well as (i) any error, omission, interruption or delay in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, (ii) any error in interpretation of technical terms, (iii) any loss or delay in the transmission of any document required in order to make a drawing under a Letter of Credit, (iv) any consequences arising from causes beyond the control of such indemnitee, including without limitation, any government acts, or (v) any other circumstances whatsoever in making or failing to make payment under such Letter of Credit; provided, that the Borrower shall not be required to indemnify any Issuing Lender for any claims, damages, losses, liabilities, costs or expenses, and the Borrower shall have a claim against such Issuing Lender for direct (but not consequential) damages suffered by it, to the extent found by a court of competent jurisdiction in a final, non-appealable judgment or order to have been caused by (i) the willful misconduct or gross negligence of such Issuing Lender in determining whether a request presented under any Letter of Credit issued by it complied with the terms of such Letter of Credit or (ii) such Issuing Lender's failure to pay under any Letter of Credit issued by it after the presentation to it of a request strictly complying with the terms and conditions of such Letter of Credit, unless payment was prohibited by law, regulation or court order. Nothing in this Section 3.12 is intended to limit the obligations of the Borrower under any other provision of this Agreement.

Section 3.13 ISP98. The rules of the "International Standby Practices 1998" as published by the International Chamber of Commerce most recently at the time of issuance of any Letter of Credit shall apply to such Letter of Credit unless otherwise expressly provided in such Letter of Credit.

(a) This Agreement. The Administrative Agent shall have received counterparts hereof signed by each of the parties hereto (or, in the case of any party as to which an executed counterpart shall not have been received, receipt by the Administrative Agent in form satisfactory to it of telegraphic, telex, facsimile or other written confirmation from such party of execution of a counterpart hereof by such party) to be held in escrow and to be delivered to the Borrower upon satisfaction of the other conditions set forth in this Section 4.01.

(h) Counsel Fees. The Administrative Agent shall have received full payment from the Borrower of the fees and expenses of Davis Polk & Wardwell LLP described in Section 9.03 which are billed through the Effective Date and which have been invoiced one Business Day prior to the Effective Date.

The Administrative Agent and each Lender shall have received all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the Patriot Act, as has been reasonably requested in writing.

(j) Amendment Fee. The Borrower shall have paid to the Administrative Agent for the account of each Lender a non-refundable and fully earned fee (the "Amendment Fee") as set forth in the Fee Letter, on or before the Effective Date.

Section 4.02 Conditions to All Credit Events. The obligation of any Lender to make any Loan, and the obligation of any Issuing Lender to issue (or renew or extend the term of) any Letter of Credit, is subject to the satisfaction of the following conditions:

(a) receipt by the Administrative Agent of a Notice of Borrowing as required by Section 2.03, or receipt by an Issuing Lender of a Letter of Credit Request as required by Section 3.03;

(b) the fact that, immediately before and after giving effect to such Credit Event, no Default shall have occurred and be continuing; and

(c) the fact that the representations and warranties of the Borrower contained in this Agreement and the other Loan Documents shall be true and correct on and as of the date of such Credit Event, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they were true and correct as of such earlier date and except for the representations in Section 5.04(c), Section 5.05 and Section 5.13, which shall be deemed only to relate to the matters referred to therein on and as of the Effective Date.

Each Credit Event under this Agreement shall be deemed to be a representation and warranty by the Borrower on the date of such Credit Event as to the facts specified in clauses (b) and (c) of this Section.

ARTICLE VIII THE AGENTS

Section 8.01 Appointment and Authorization. Each Lender hereby irrevocably designates and appoints the Administrative Agent to act as specified herein and in the other Loan Documents and to take such actions on its behalf under the provisions of this Agreement and the other Loan Documents and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Administrative Agent agrees to act as such upon the express conditions contained in this Article VIII. Notwithstanding any provision to the contrary elsewhere in this Agreement or in any other Loan Document, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Administrative Agent. The provisions of this Article VIII are solely for the benefit of the Administrative Agent and Lenders, and no other Person shall have any rights as a third party beneficiary of any of the provisions hereof. For the sake of clarity, the Lenders hereby agree that no Agent other than the Administrative Agent shall have, in such capacity, any duties or powers with respect to this Agreement or the other Loan Documents.

Section 8.02 Individual Capacity. The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower and its Affiliates as though the Administrative Agent were not an Agent. With respect to the Loans made by it and all obligations owing to it, the Administrative Agent shall have the same rights and powers under this Agreement as any Lender and may exercise the same as though it were not an Agent, and the terms "Required Lenders", "Lender" and "Lenders" shall include the Administrative Agent in its individual capacity.

Section 8.03 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents or attorneys-in-fact. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care except to the extent otherwise required by Section 8.07.

Section 8.04 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, consent, certificate, affidavit, letter, teletype or other electronic facsimile transmission, telex, telegram, cable, teletype, electronic transmission by modem, computer disk or any other message, statement, order or other writing or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders, or all of the Lenders, if applicable, as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders or all of the Lenders, if applicable, and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

Section 8.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default hereunder unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default". If the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default as shall be reasonably directed by the Required Lenders; provided, that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06 Non-Reliance on the Agents and Other Lenders. Each Lender expressly acknowledges that no Agent or officer, director, employee, agent, attorney-in-fact or affiliate of any Agent has made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of the Borrower, shall be deemed to constitute any representation or warranty by such Agent to any Lender. Each Lender acknowledges to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower and made its own decision to make its Loans hereunder and to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and to make such investigation as it deems necessary to inform itself as to the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower. No Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, assets, property, financial and other condition, prospects or creditworthiness of the Borrower which may

come into the possession of such Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.07 Exculpatory Provisions. The Administrative Agent shall not, and no officers, directors, employees, agents, attorneys-in-fact or affiliates of the Administrative Agent, shall (i) be liable for any action lawfully taken or omitted to be taken by it under or in connection with this Agreement or any other Loan Document (except for its own gross negligence, willful misconduct or bad faith) or (ii) be responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by the Borrower or any of its officers contained in this Agreement, in any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for any failure of the Borrower or any of its officers to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of the Borrower. The Administrative Agent shall not be responsible to any Lender for the effectiveness, genuineness, validity, enforceability, collectibility or sufficiency of this Agreement or any other Loan Document or for any representations, warranties, recitals or statements made by any other Person herein or therein or made by any other Person in any written or oral statement or in any financial or other statements, instruments, reports, certificates or any other documents in connection herewith or therewith furnished or made by the Administrative Agent to the Lenders or by or on behalf of the Borrower to the Administrative Agent or any Lender or be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained herein or therein or as to the use of the proceeds of the Loans or of the existence or possible existence of any Default.

Section 8.08 Indemnification. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Sections 9.03(a), (b) or (c) to be paid by it to the Administrative Agent (or any sub-agent thereof), the Lenders severally agree to indemnify the Administrative Agent, in its capacity as such, and hold the Administrative Agent, in its capacity as such, harmless ratably according to their respective Commitments from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and reasonable expenses or disbursements of any kind whatsoever which may at any time (including, without limitation, at any time following the full payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against the Administrative Agent, in its capacity as such, in any way relating to or arising out of this Agreement or any other Loan Document, or any documents contemplated hereby or referred to herein or the transactions contemplated hereby or any action taken or omitted to be taken by the Administrative Agent under or in connection with any of the foregoing, but only to the extent that any of the foregoing is not paid by the Borrower; provided, that no Lender shall be liable to the Administrative Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs or expenses or disbursements resulting from the gross negligence, willful misconduct or bad faith of the Administrative Agent. If any indemnity furnished to the Administrative Agent for any purpose shall, in the reasonable opinion of the Administrative Agent, be insufficient or become impaired, the Administrative Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished. The agreement in this Section 8.08 shall survive the payment of all Loans, Letter of Credit Liabilities, fees and other obligations of the Borrower arising hereunder.

Section 8.09 Resignation: Successors. The Administrative Agent may resign as Administrative Agent upon twenty (20) days' notice to the Lenders. Upon the resignation of the Administrative Agent, the Required Lenders shall have the right to appoint from among the Lenders a successor to the Administrative Agent, subject to prior approval by the Borrower (so long as no Event of Default exists) (such approval not to be unreasonably withheld), whereupon such successor Administrative Agent shall succeed to and become vested with all the rights, powers and duties of the retiring Administrative Agent, and the term "Administrative Agent" shall include such successor Administrative Agent effective upon its appointment, and the retiring Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any other Loan Document. If no successor shall have been appointed by the Required Lenders and approved by the Borrower and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may at its election give notice to the Lenders and the Borrower of the immediate effectiveness of its resignation and such resignation shall thereupon become effective and the Lenders collectively shall perform all of the duties of the Administrative Agent hereunder and under the other Loan Documents until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After the retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement or any other Loan Document

Section 8.10 Administrative Agent's Fees. The Borrower shall pay to the Administrative Agent for its own account fees in the amount and at the times agreed to and accepted by the Borrower pursuant to the Fee Letter.

ARTICLE IX MISCELLANEOUS

Section 9.01 Notices. Except as otherwise expressly provided herein, all notices and other communications hereunder shall be in writing (for purposes hereof, the term "writing" shall include information in electronic format such as electronic mail and internet web pages) or by telephone subsequently confirmed in writing; provided that the foregoing shall not apply to notices to any Lender, the Swingline Lender or any Issuing Lender pursuant to Article II or Article III, as applicable, if such Lender, Swingline Lender or Issuing Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article in electronic format. Any notice shall have been duly given and shall be effective if delivered by hand delivery or sent via electronic mail, teletype, recognized overnight courier service or certified or registered mail, return receipt requested, or posting on an internet web page, and shall be presumed to be received by a party hereto (i) on the date of delivery if delivered by hand or sent by electronic mail, posting on an internet web page, or teletype (provided, however, that if any notice or other communication sent by electronic mail, posting on an internet webpage or teletype is received by a recipient after such recipient's normal business hours, such notice or other communication shall be deemed received upon the opening of such recipient's next Business Day), (ii) on the Business Day following the day on which the same has been delivered prepaid (or on an invoice basis) to a reputable national overnight air courier service or (iii) on the third Business Day following the day on which the same is sent by certified or registered mail, postage prepaid, in each case to the respective parties at the address or teletype numbers, in the case of the Borrower and the Administrative Agent, set forth below, and, in the case of the Lenders, set forth on signature pages hereto, or at such other address as such party may specify by written notice to the other parties hereto:

Section 9.02 No Waivers; Non-Exclusive Remedies. No failure by any Agent or any Lender to exercise, no course of dealing with respect to, and no delay in exercising any right, power or privilege hereunder or under any Note or other Loan Document shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies provided herein and in the other Loan Documents shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 9.03 Expenses; Indemnification.

(a) Expenses. The Borrower shall pay (i) all out-of-pocket expenses of the Agents, including legal fees and disbursements of Davis Polk & Wardwell LLP and any other local counsel retained by the Administrative Agent, in its reasonable discretion, in connection with the preparation, execution, delivery and administration of the Loan Documents, the syndication efforts of the Agents with respect thereto, any waiver or consent thereunder or any amendment thereof or any Default or alleged Default thereunder and (ii) all reasonable out-of-pocket expenses incurred by the Agents and each Lender, including (without duplication) the fees and disbursements of outside counsel, in connection with any restructuring, workout, collection, bankruptcy, insolvency and other enforcement proceedings in connection with the enforcement and protection of its rights; provided, that the Borrower shall not be liable for any legal fees or disbursements of any counsel for the Agents and the Lenders other than Davis Polk & Wardwell LLP associated with the preparation, execution and delivery of this Agreement and the closing documents contemplated hereby.

(b) Indemnity in Respect of Loan Documents. The Borrower agrees to indemnify the Agents and each Lender, their respective Affiliates and the respective directors, officers, trustees, agents, employees, trustees and advisors of the foregoing (each an "Indemnitee") and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses or disbursements of any kind whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and any civil penalties or fines assessed by OFAC), which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in connection with any investigative, administrative or judicial proceeding (whether or not such Indemnitee shall be designated a party thereto) brought or threatened (by any third party, by the Borrower or any Subsidiary of the Borrower) in any way relating to or arising out of this Agreement, any other Loan Document or any documents contemplated hereby or referred to herein or any actual or proposed use of proceeds of Loans hereunder; provided, that no Indemnitee shall have the right to be indemnified hereunder for such Indemnitee's own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment or order.

(c) Indemnity in Respect of Environmental Liabilities. The Borrower agrees to indemnify each Indemnitee and hold each Indemnitee harmless

from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs and expenses or disbursements of any kind whatsoever (including, without limitation, reasonable expenses of investigation by engineers, environmental consultants and similar technical personnel and reasonable fees and disbursements of counsel) which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in respect of or in connection with any actual or alleged presence or release of Hazardous Substances on or from any property now or previously owned or operated by the Borrower or any of its Subsidiaries or any predecessor of the Borrower or any of its Subsidiaries or any and all Environmental Liabilities. Without limiting the generality of the foregoing, the Borrower hereby waives all rights of contribution or any other rights of recovery with respect to liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs and expenses and disbursements in respect of or in connection with Environmental Liabilities that it might have by statute or otherwise against any Indemnitee.

(d) Waiver of Damages. To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in clause (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; provided that nothing in this Section 9.03(d) shall relieve any Lender from its obligations under Section 9.12.

Section 9.04 Sharing of Set-Offs. Each Lender agrees that if it shall, by exercising any right of set-off or counterclaim or otherwise, receive payment of a proportion of the aggregate amount of principal and interest due with respect to any Loan made or Note held by it and any Letter of Credit Liabilities which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal and interest due with respect to any Loan, Note and Letter of Credit Liabilities made or held by such other Lender, except as otherwise expressly contemplated by this Agreement, the Lender receiving such proportionately greater payment shall purchase such participations in the Loan made or Notes and Letter of Credit Liabilities held by the other Lenders, and such other adjustments shall be made, in each case as may be required so that all such payments of principal and interest with respect to the Loan made or Notes and Letter of Credit Liabilities made or held by the Lenders shall be shared by the Lenders pro rata; provided, that nothing in this Section shall impair the right of any Lender to exercise any right of set-off or counterclaim it may have for payment of indebtedness of the Borrower other than its indebtedness hereunder.

Section 9.05 Amendments and Waivers. Any provision of this Agreement or the Notes may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Borrower and the Required Lenders (and, if the rights or duties of the Administrative Agent, Swingline Lender or any Issuing Lenders are affected thereby, by the Administrative Agent, Swingline Lender or such Issuing Lender, as relevant); provided, that no such amendment or waiver shall, (a) unless signed by each Lender adversely affected thereby, (i) extend or increase the Commitment of any Lender or subject any Lender to any additional obligation (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or of mandatory reductions in the Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender as in effect at any time shall not constitute an increase in such Commitment), (ii) reduce the principal of or rate of interest on any Loan (except in connection with a waiver of applicability of any post-default increase in interest rates) or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder, (iii) postpone the date fixed for any payment of interest on any Loan or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder or for any scheduled reduction or termination of any Commitment or (except as expressly provided in Article III) expiration date of any Letter of Credit, (iv) postpone or change the date fixed for any scheduled payment of principal of any Loan, (v) change any provision hereof in a manner that would alter the pro rata funding of Loans required by Section 2.04(b), the pro rata sharing of payments required by Sections 2.09(b), 2.11(a) or 9.04 or the pro rata reduction of Commitments required by Section 2.08(a) or (vi) change the currency in which Loans are to be made, Letters of Credit are to be issued or payment under the Loan Documents is to be made, or add additional borrowers or (b) unless signed by each Lender, change the definition of Required Lender or this Section 9.05 or Section 9.06(a).

Section 9.06 Successors and Assigns.

(a) Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Borrower may not assign or otherwise transfer any of its rights under this Agreement without the prior written consent of all of the Lenders, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement.

(b) Participations. Any Lender may at any time grant to one or more banks or other financial institutions or special purpose funding vehicle (each a "Participant") participating interests in its Commitments and/or any or all of its Loans and Letter of Credit Liabilities. In the event of any such grant by a Lender of a participating interest to a Participant, whether or not upon notice to the Borrower and the Administrative Agent, such Lender shall remain responsible for the performance of its obligations hereunder, and the Borrower, the Issuing Lenders, the Swingline Lender and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such participation agreement may provide that such Lender will not agree to any modification, amendment or waiver of this Agreement which would (i) extend the Termination Date, reduce the rate or extend the time of payment of principal, interest or fees on any Loan or Letter of Credit Liability in which such Participant is participating (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the Participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or of a mandatory reduction in the Commitments shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan or Letter of Credit Liability shall be permitted without the consent of any Participant if the Participant's participation is not increased as a result thereof) or (ii) allow the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement, without the consent of the Participant, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement. The Borrower agrees that each Participant shall, to the extent provided in its participation agreement, be entitled to the benefits of Article II with respect to its participating interest to the same extent as if it were a Lender, subject to the same limitations, and in no case shall any Participant be entitled to receive any amount payable pursuant to Article II that is greater than the amount the Lender granting such Participant's participating interest would have been entitled to receive had such Lender not sold such participating interest. An assignment or other transfer which is not permitted by subsection (c) or (d) below shall be given effect for purposes of this Agreement only to the extent of a participating interest granted in accordance with this subsection (b). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register (solely for tax purposes) on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided, that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person except to the extent that such disclosure is necessary to establish that such

interest in the Loan or other obligation under the Loan Documents is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) Assignments Generally. Any Lender may at any time assign to one or more Eligible Assignees (each, an “Assignee”) all, or a proportionate part (equivalent to an initial amount of not less than \$5,000,000 or any larger integral multiple of \$1,000,000), of its rights and obligations under this Agreement and the Notes with respect to its Loans and, if still in existence, its Commitment, and such Assignee shall assume such rights and obligations, pursuant to an Assignment and Assumption Agreement in substantially the form of Exhibit C attached hereto executed by such Assignee and such transferor, with (and subject to) the consent of the Borrower, which shall not be unreasonably withheld or delayed, the Administrative Agent, Swingline Lender and the Issuing Lenders, which consents shall not be unreasonably withheld or delayed; provided, that if an Assignee is an Approved Fund or Affiliate of such transferor Lender or was a Lender immediately prior to such assignment, no such consent of the Borrower or the Administrative Agent shall be required; provided, further, that if at the time of such assignment a Default or an Event of Default has occurred and is continuing, no such consent of the Borrower shall be required; provided, further, that no such assignment may be made prior to the Effective Date without the prior written consent of the Joint Lead Arrangers; provided, further, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a transferor with respect to any Loans made, any Letters of Credit issued or any other actions taken by such transferor while it was a Lender. Upon execution and delivery of such instrument and payment by such Assignee to such transferor of an amount equal to the purchase price agreed between such transferor and such Assignee, such Assignee shall be a Lender party to this Agreement and shall have all the rights and obligations of a Lender with a Commitment, if any, as set forth in such instrument of assumption, and the transferor shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required. Upon the consummation of any assignment pursuant to this subsection (c), the transferor, the Administrative Agent and the Borrower shall make appropriate arrangements so that, if required, a new Note is issued to the Assignee. In connection with any such assignment, the transferor shall pay to the Administrative Agent an administrative fee for processing such assignment in the amount of \$3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such administrative fee in the case of any assignment. Each Assignee shall, on or before the effective date of such assignment, deliver to the Borrower and the Administrative Agent certification as to exemption from deduction or withholding of any United States Taxes in accordance with Section 2.17(e).

(d) Assignments to Federal Reserve Banks. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement and its Note to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central banking authority; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Register. The Borrower hereby designates the Administrative Agent to serve as the Borrower’s agent, solely for purposes of this Section 9.06(e), to (i) maintain a register (the “Register”) on which the Administrative Agent will record the Commitments from time to time of each Lender, the Loans made by each Lender and each repayment in respect of the principal amount of the Loans of each Lender and to (ii) retain a copy of each Assignment and Assumption Agreement delivered to the Administrative Agent pursuant to this Section. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower’s obligation in respect of such Loans. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, the Administrative Agent, Swingline Lender, the Issuing Lenders and the other Lenders shall treat each Person in whose name a Loan and the Note evidencing the same is registered as the owner thereof for all purposes of this Agreement, notwithstanding notice or any provision herein to the contrary. With respect to any Lender, the assignment or other transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made and any Note issued pursuant to this Agreement shall not be effective until such assignment or other transfer is recorded on the Register and, except to the extent provided in this Section 9.06(e), otherwise complies with Section 9.06, and prior to such recordation all amounts owing to the transferring Lender with respect to such Commitments, Loans and Notes shall remain owing to the transferring Lender. The registration of assignment or other transfer of all or part of any Commitments, Loans and Notes for a Lender shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement and payment of the administrative fee referred to in Section 9.06(c). The Register shall be available for inspection by each of the Borrower, the Swingline Lender and each Issuing Lender at any reasonable time and from time to time upon reasonable prior notice. In addition, at any time that a request for a consent for a material or substantive change to the Loan Documents is pending, any Lender wishing to consult with other Lenders in connection therewith may request and receive from the Administrative Agent a copy of the Register. The Borrower may not replace any Lender pursuant to Section 2.08(b), unless, with respect to any Notes held by such Lender, the requirements of Section 9.06(c) and this Section 9.06(e) have been satisfied.

Section 9.07 Governing Law; Submission to Jurisdiction. This Agreement, each Note and each Letter of Credit shall be governed by and construed in accordance with the internal laws of the State of New York. The Borrower hereby submits to the exclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State court sitting in New York City for purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. The Borrower irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such court and any claim that any such proceeding brought in any such court has been brought in an inconvenient forum.

Section 9.08 Counterparts; Integration; Effectiveness. This Agreement shall become effective on the Effective Date. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. On and after the Effective Date, this Agreement, the other Loan Documents and the Fee Letter constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof and thereof.

Section 9.09 Generally Accepted Accounting Principles. Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made and all financial statements required to be delivered hereunder shall be prepared in accordance with GAAP as in effect from time to time, applied on a basis consistent (except for changes concurred in by the Borrower’s independent public accountants) with the audited consolidated financial statements of the Borrower and its Consolidated Subsidiaries most recently delivered to the Lenders; provided, that, if the Borrower notifies the Administrative Agent that the Borrower wishes to amend any covenant in Article VI to eliminate the effect of any change in GAAP on the operation of such covenant (or if the Administrative Agent notifies the Borrower that the Required Lenders wish to amend Article VI for such purpose), then the Borrower’s compliance with such covenant shall be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either such notice is withdrawn or such covenant is amended in a manner satisfactory to the Borrower and the Required Lenders.

Section 9.10 Usage. The following rules of construction and usage shall be applicable to this Agreement and to any instrument or agreement that is governed by or referred to in this Agreement.

(a) All terms defined in this Agreement shall have the defined meanings when used in any instrument governed hereby or referred to herein and in any certificate or other document made or delivered pursuant hereto or thereto unless otherwise defined therein.

(b) The words “hereof”, “herein”, “hereunder” and words of similar import when used in this Agreement or in any instrument or agreement governed here shall be construed to refer to this Agreement or such instrument or agreement, as applicable, in its entirety and not to any particular provision or subdivision hereof or thereof.

The Borrower acknowledges and agrees that the Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to any Borrower Party, in connection with such transaction or the process leading thereto.

ARTICLE II THE CREDITS

Section 2.01 Commitments to Lend. Each Lender severally agrees, on the terms and conditions set forth in this Agreement, to make Revolving Loans to the Borrower pursuant to this Section 2.01 from time to time during the Availability Period in amounts such that its Revolving Outstandings shall not exceed its Commitment; provided, that, immediately after giving effect to each such Revolving Loan, the aggregate principal amount of all outstanding Revolving Loans (after giving effect to any amount requested) shall not exceed the aggregate Commitments less the sum of all outstanding Swingline Loans and Letter of Credit Liabilities. Each Revolving Borrowing (other than Mandatory Letter of Credit Borrowings) shall be in an aggregate principal amount of \$10,000,000 or any larger integral multiple of \$1,000,000 (except that any such Borrowing may be in the aggregate amount of the unused Commitments) and shall be made from the several Lenders ratably in proportion to their respective Commitments. Within the foregoing limits, the Borrower may borrow under this Section 2.01, repay, or, to the extent permitted by Section 2.10, prepay, Revolving Loans and reborrow under this Section 2.01.

Section 2.02 Swingline Loans.

(a) Availability. Subject to the terms and conditions of this Agreement, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time from the Effective Date through, but not including, the Swingline Termination Date; provided, that the aggregate principal amount of all outstanding Swingline Loans (after giving effect to any amount requested), shall not exceed the lesser of (i) the aggregate Commitments less the sum of the aggregate principal amount of all outstanding Revolving Loans and all outstanding Letter of Credit Liabilities and (ii) the Swingline Sublimit; and provided further, that the Borrower shall not use the proceeds of any Swingline Loan to refinance any outstanding Swingline Loan. Each Swingline Loan shall be in an aggregate principal amount of \$2,000,000 or any larger integral multiple of \$500,000 (except that any such Borrowing may be in the aggregate amount of the unused Swingline Sublimit). Within the foregoing limits, the Borrower may borrow, repay and reborrow Swingline Loans, in each case under this Section 2.02. Each Swingline Loan shall be a Base Rate Loan.

(b) Refunding.

(i) Swingline Loans shall be refunded by the Lenders on demand by the Swingline Lender. Such refundings shall be made by the Lenders in accordance with their respective Commitment Ratios and shall thereafter be reflected as Revolving Loans of the Lenders on the books and records of the Administrative Agent. Each Lender shall fund its respective Commitment Ratio of Revolving Loans as required to repay Swingline Loans outstanding to the Swingline Lender upon demand by the Swingline Lender but in no event later than 1:00 P.M. (Charlotte, North Carolina time) on the next succeeding Business Day after such demand is made. No Lender’s obligation to fund its respective Commitment Ratio of a Swingline Loan shall be affected by any other Lender’s failure to fund its Commitment Ratio of a Swingline Loan, nor shall any Lender’s Commitment Ratio be increased as a result of any such failure of any other Lender to fund its Commitment Ratio of a Swingline Loan.

(ii) The Borrower shall pay to the Swingline Lender on demand, and in no case more than fourteen (14) days after the date that such Swingline Loan is made, the amount of such Swingline Loan to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. In addition, the Borrower hereby authorizes the Administrative Agent to charge any account maintained by the Borrower with the Swingline Lender (up to the amount available therein) in order to immediately pay the Swingline Lender the amount of such Swingline Loans to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. If any portion of any such amount paid to the Swingline Lender shall be recovered by or on behalf of the Borrower from the Swingline Lender in bankruptcy or otherwise, the loss of the amount so recovered shall be ratably shared among all the Lenders in accordance with their respective Commitment Ratios (unless the amounts so recovered by or on behalf of the Borrower pertain to a Swingline Loan extended after the occurrence and during the continuance of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable).

(iii) Each Lender acknowledges and agrees that its obligation to refund Swingline Loans (other than Swingline Loans extended after the occurrence and during the continuation of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable) in accordance with the terms of this Section is absolute and unconditional and shall not be affected by any circumstance whatsoever, including, without limitation, non-satisfaction of the conditions set forth in Article IV. Further, each Lender agrees and acknowledges that if prior to the refunding of any outstanding Swingline Loans pursuant to this Section, one of the events described in Section 7.01(h) or (i) shall have occurred, each Lender will, on the date the applicable Revolving Loan would have been made, purchase an undivided participating interest in the Swingline Loan to be refunded in an amount equal to its Commitment Ratio of the aggregate amount of such Swingline Loan. Each Lender will immediately transfer to the Swingline Lender, in immediately available funds, the amount of its participation and upon receipt thereof the Swingline Lender will deliver to such Lender a certificate evidencing such participation dated the date of receipt of such funds and for such amount. Whenever, at any time after the Swingline Lender has received from any Lender such Lender’s participating interest in a Swingline Loan, the Swingline Lender receives any payment on account thereof, the Swingline Lender will distribute to such Lender its participating interest in such amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender’s participating interest was outstanding and funded).

Section 2.03 Notice of Borrowings. The Borrower shall give the Administrative Agent notice substantially in the form of Exhibit A-1 hereto (a "Notice of Borrowing") not later than (a) 11:30 A.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the third Business Day before each Euro-Dollar Borrowing, specifying:

- (i) the date of such Borrowing, which shall be a Business Day;
- (ii) the aggregate amount of such Borrowing;
- (iii) whether such Borrowing is comprised of Revolving Loans or a Swingline Loan;
- (iv) in the case of a Revolving Borrowing, the initial Type of the Loans comprising such Borrowing; and
- (v) in the case of a Euro-Dollar Borrowing, the duration of the initial Interest Period applicable thereto, subject to the provisions of the definition of Interest Period.

Notwithstanding the foregoing, no more than six (6) Groups of Euro-Dollar Loans shall be outstanding at any one time, and any Loans which would exceed such limitation shall be made as Base Rate Loans.

Section 2.04 Notice to Lenders; Funding of Revolving Loans and Swingline Loans.

(a) Notice to Lenders. Upon receipt of a Notice of Borrowing (other than in respect of a Borrowing of a Swingline Loan), the Administrative Agent shall promptly notify each Lender of such Lender's ratable share (if any) of the Borrowing referred to in the Notice of Borrowing, and such Notice of Borrowing shall not thereafter be revocable by the Borrower.

(b) Funding of Loans. Not later than (a) 1:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing, each Lender shall make available its ratable share of such Borrowing, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. Unless the Administrative Agent determines that any applicable condition specified in Article IV has not been satisfied, the Administrative Agent shall apply any funds so received in respect of a Borrowing available to the Borrower at the Administrative Agent's address not later than (a) 3:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 2:00 P.M. (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing. Revolving Loans to be made for the purpose of refunding Swingline Loans shall be made by the Lenders as provided in Section 2.02(b).

(c) Funding By the Administrative Agent in Anticipation of Amounts Due from the Lenders. Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing (except in the case of a Base Rate Borrowing, in which case prior to the time of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available to the Administrative Agent on the date of such Borrowing in accordance with subsection (b) of this Section, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such share available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount, together with interest thereon for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) a rate per annum equal to the higher of the Federal Funds Rate and the interest rate applicable thereto pursuant to Section 2.06, in the case of the Borrower, and (ii) the Federal Funds Rate, in the case of such Lender. Any payment by the Borrower hereunder shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make its share of a Borrowing available to the Administrative Agent. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan included in such Borrowing for purposes of this Agreement.

(d) Obligations of Lenders Several. The failure of any Lender to make a Loan required to be made by it as part of any Borrowing hereunder shall not relieve any other Lender of its obligation, if any, hereunder to make any Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on such date of Borrowing.

Section 2.05 Noteless Agreement; Evidence of Indebtedness.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Administrative Agent shall also maintain accounts in which it will record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period with respect thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(c) The entries maintained in the accounts maintained pursuant to subsections (a) and (b) above shall be prima facie evidence of the existence and amounts of the Obligations therein recorded; provided, however, that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(d) Any Lender may request that its Loans be evidenced by a Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 9.06(c)) be represented by one or more Notes payable to the order of the payee named therein or any assignee pursuant to Section 9.06(c), except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in subsections (a) and (b) above.

Section 2.06 Interest Rates.

(a) Interest Rate Options. The Loans shall, at the option of the Borrower and except as otherwise provided herein, be incurred and maintained as, or converted into, one or more Base Rate Loans or Euro-Dollar Loans.

(b) Base Rate Loans. Each Loan which is made as, or converted into, a Base Rate Loan (other than a Swingline Loan) shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made as, or converted into, a Base Rate Loan until it becomes due or is converted into a Loan of any other Type, at a rate per annum equal to the sum of the Base Rate for such day plus the Applicable Percentage for Base Rate Loans for such day. Each Loan which is made as a Swingline Loan shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made until it becomes due at a rate per annum equal to the LIBOR Market Index Rate for such day plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall, in each case, be payable quarterly in arrears on each Quarterly Date (or, with respect to Base Rate Loans that are Swingline Loans, as the Swingline Lender and the Borrower may otherwise agree in writing) and, with respect to the principal amount of any Base Rate Loan (other than a Swingline Loan) converted to a Euro-Dollar Loan, on the date such Base Rate Loan is so converted. Any overdue principal of or interest on any Base Rate Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the rate otherwise applicable to Base Rate Loans for such day.

(c) Euro-Dollar Loans. Each Euro-Dollar Loan shall bear interest on the outstanding principal amount thereof, for each day during the Interest Period applicable thereto, at a rate per annum equal to the sum of the Adjusted London Interbank Offered Rate for such Interest Period plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall be payable for each Interest Period on the last day thereof and, if such Interest Period is longer than three months, at intervals of three months after the first day thereof. Any overdue principal of or interest on any Euro-Dollar Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the sum of (A) the Adjusted London Interbank Offered Rate applicable to such Loan at the date such payment was due plus (B) the Applicable Percentage for Euro-Dollar Loans for such day (or, if the circumstance described in Section 2.14 shall exist, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day).

(d) Method of Electing Interest Rates.

(i) Subject to Section 2.06(a), the Loans included in each Revolving Borrowing shall bear interest initially at the type of rate specified by the Borrower in the applicable Notice of Borrowing. Thereafter, with respect to each Group of Loans, the Borrower shall have the option (A) to convert all or any part of (y) so long as no Default is in existence on the date of conversion, outstanding Base Rate Loans to Euro-Dollar Loans and (z) outstanding Euro-Dollar Loans to Base Rate Loans; provided, in each case, that the amount so converted shall be equal to \$10,000,000 or any larger integral multiple of \$1,000,000, or (B) upon the expiration of any Interest Period applicable to outstanding Euro-Dollar Loans, so long as no Default is in existence on the date of continuation, to continue all or any portion of such Loans, equal to \$10,000,000 and any larger integral multiple of \$1,000,000 in excess of that amount as Euro-Dollar Loans. The Interest Period of any Base Rate Loan converted to a Euro-Dollar Loan pursuant to clause (A) above shall commence on the date of such conversion. The succeeding Interest Period of any Euro-Dollar Loan continued pursuant to clause (B) above shall commence on the last day of the Interest Period of the Loan so continued. Euro-Dollar Loans may only be converted on the last day of the then current Interest Period applicable thereto or on the date required pursuant to Section 2.18.

(ii) The Borrower shall deliver a written notice of each such conversion or continuation (a “Notice of Conversion/Continuation”) to the Administrative Agent no later than (A) 12:00 Noon (Charlotte, North Carolina time) at least three (3) Business Days before the effective date of the proposed conversion to, or continuation of, a Euro Dollar Loan and (B) 11:30 A.M. (Charlotte, North Carolina time) on the day of a conversion to a Base Rate Loan. A written Notice of Conversion/Continuation shall be substantially in the form of Exhibit A-2 attached hereto and shall specify: (A) the Group of Loans (or portion thereof) to which such notice applies, (B) the proposed conversion/continuation date (which shall be a Business Day), (C) the aggregate amount of the Loans being converted/continued, (D) an election between the Base Rate and the Adjusted London Interbank Offered Rate and (E) in the case of a conversion to, or a continuation of, Euro-Dollar Loans, the requested Interest Period. Upon receipt of a Notice of Conversion/Continuation, the Administrative Agent shall give each Lender prompt notice of the contents thereof and such Lender’s pro rata share of all conversions and continuations requested therein. If no timely Notice of Conversion/Continuation is delivered by the Borrower as to any Euro-Dollar Loan, and such Loan is not repaid by the Borrower at the end of the applicable Interest Period, such Loan shall be converted automatically to a Base Rate Loan on the last day of the then applicable Interest Period.

(e) Determination and Notice of Interest Rates. The Administrative Agent shall determine each interest rate applicable to the Loans hereunder. The Administrative Agent shall give prompt notice to the Borrower and the participating Lenders of each rate of interest so determined, and its determination thereof shall be conclusive in the absence of manifest error. Any notice with respect to Euro-Dollar Loans shall, without the necessity of the Administrative Agent so stating in such notice, be subject to adjustments in the Applicable Percentage applicable to such Loans after the beginning of the Interest Period applicable thereto. When during an Interest Period any event occurs that causes an adjustment in the Applicable Percentage applicable to Loans to which such Interest Period is applicable, the Administrative Agent shall give prompt notice to the Borrower and the Lenders of such event and the adjusted rate of interest so determined for such Loans, and its determination thereof shall be conclusive in the absence of manifest error.

Section 2.07 Fees.

(a) Commitment Fees. The Borrower shall pay to the Administrative Agent for the account of each Lender a fee (the “Commitment Fee”) for each day at a rate per annum equal to the Applicable Percentage for the Commitment Fee for such day. The Commitment Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the amount by which such Lender’s Commitment exceeds the sum of its Revolving Outstandings (solely for this purpose, exclusive of Swingline Exposure) on such day. The Commitment Fee shall be payable on the last day of each of March, June, September and December and on the Termination Date.

(b) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent a fee (the “Letter of Credit Fee”) for each day at a rate per annum equal to the Applicable Percentage for the Letter of Credit Fee for such day. The Letter of Credit Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the aggregate amount available for drawing under any Letters of Credit outstanding on such day and shall be payable for the account of the Lenders ratably in proportion to their participations in such Letter(s) of Credit. In addition, the Borrower shall pay to each Issuing Lender a fee (the “Fronting Fee”) in respect of each Letter of Credit issued by such Issuing Lender computed at the rate of 0.20% per annum on the average amount available for drawing under such Letter(s) of Credit. Fronting Fees shall be due and payable quarterly in arrears on each Quarterly Date and on the Termination Date (or such earlier date as all Letters of Credit shall be canceled or expire). In addition, the Borrower agrees to pay to each Issuing Lender, upon each issuance of, payment under, and/or amendment of, a Letter of Credit, such amount as shall at the time of such issuance, payment or amendment be the administrative charges and expenses which such Issuing Lender is customarily charging for issuances of, payments under, or amendments to letters of credit issued by it.

(c) Payments. Except as otherwise provided in this Section 2.07, accrued fees under this Section 2.07 in respect of Loans and Letter of Credit Liabilities shall be payable quarterly in arrears on each Quarterly Date, on the last day of the Availability Period and, if later, on the date the Loans and Letter of Credit Liabilities shall be repaid in their entirety. Fees paid hereunder shall not be refundable under any circumstances.

(a) Optional Termination or Reductions of Commitments (Pro-Rata). The Borrower may, upon at least three Business Days' prior written notice to the Administrative Agent, permanently (i) terminate the Commitments, if there are no Revolving Outstandings at such time or (ii) ratably reduce from time to time by a minimum amount of \$10,000,000 or any larger integral multiple of \$5,000,000, the aggregate amount of the Commitments in excess of the aggregate Revolving Outstandings. Upon receipt of any such notice, the Administrative Agent shall promptly notify the Lenders. If the Commitments are terminated in their entirety, all accrued fees shall be payable on the effective date of such termination.

(b) Replacement of Lenders; Optional Termination of Commitments (Non-Pro-Rata). If (i) any Lender has demanded compensation or indemnification pursuant to Sections 2.14, 2.15, 2.16 or 2.17, (ii) the obligation of any Lender to make Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (iii) any Lender is a Defaulting Lender (each such Lender described in clauses (i), (ii) or (iii) being a "Retiring Lender"), the Borrower shall have the right, if no Default then exists, to replace such Lender with one or more Eligible Assignees (which may be one or more of the Continuing Lenders) (each a "Replacement Lender" and, collectively, the "Replacement Lenders") reasonably acceptable to the Administrative Agent. The replacement of a Retiring Lender pursuant to this Section 2.08(b) shall be effective on the tenth Business Day (the "Replacement Date") following the date of notice given by the Borrower of such replacement to the Retiring Lender and each Continuing Lender through the Administrative Agent, subject to the satisfaction of the following conditions:

(i) the Replacement Lender shall have satisfied the conditions to assignment and assumption set forth in Section 9.06(c) (with all fees payable pursuant to Section 9.06(c) to be paid by the Borrower) and, in connection therewith, the Replacement Lender(s) shall pay:

(A) to the Retiring Lender an amount equal in the aggregate to the sum of (x) the principal of, and all accrued but unpaid interest on, all outstanding Loans of the Retiring Lender, (y) all unpaid drawings that have been funded by (and not reimbursed to) the Retiring Lender under Section 3.10, together with all accrued but unpaid interest with respect thereto and (z) all accrued but unpaid fees owing to the Retiring Lender pursuant to Section 2.07; and

(B) to the Swingline Lender an amount equal to the aggregate amount owing by the Retiring Lender to the Swingline Lender in respect of all unpaid refundings of Swingline Loans requested by the Swingline Lender pursuant to Section 2.02(b)(i), to the extent such amount was not theretofore funded by such Retiring Lender; and

(C) to the Issuing Lenders an amount equal to the aggregate amount owing by the Retiring Lender to the Issuing Lenders as reimbursement pursuant to Section 3.09, to the extent such amount was not theretofore funded by such Retiring Lender; and

(ii) the Borrower shall have paid to the Administrative Agent for the account of the Retiring Lender an amount equal to all obligations owing to the Retiring Lender by the Borrower pursuant to this Agreement and the other Loan Documents (other than those obligations of the Borrower referred to in clause (i)(A) above).

On the Replacement Date, each Replacement Lender that is a New Lender shall become a Lender hereunder and shall succeed to the obligations of the Retiring Lender with respect to outstanding Swingline Loans and Letters of Credit to the extent of the Commitment of the Retiring Lender assumed by such Replacement Lender, and the Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall continue to inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

In lieu of the foregoing, subject to Section 2.08(e), upon express written consent of Continuing Lenders holding more than 50% of the aggregate amount of the Commitments of the Continuing Lenders, the Borrower shall have the right to permanently terminate the Commitment of a Retiring Lender in full. Upon payment by the Borrower to the Administrative Agent for the account of the Retiring Lender of an amount equal to the sum of (i) the aggregate principal amount of all Loans and Reimbursement Obligations owed to the Retiring Lender and (ii) all accrued interest, fees and other amounts owing to the Retiring Lender hereunder, including, without limitation, all amounts payable by the Borrower to the Retiring Lender under Sections 2.12, 2.16, 2.17 or 9.03, such Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

(c) Optional Termination of Defaulting Lender Commitment (Non-Pro-Rata). At any time a Lender is a Defaulting Lender, subject to Section 2.08(e), the Borrower may terminate in full the Commitment of such Defaulting Lender by giving notice to such Defaulting Lender and the Administrative Agent, provided, that, (i) at the time of such termination, (A) no Default has occurred and is continuing (or alternatively, the Required Lenders shall consent to such termination) and (B) either (x) no Revolving Loans or Swingline Loans are outstanding or (y) the aggregate Revolving Outstandings of such Defaulting Lender in respect of Revolving Loans is zero; (ii) concurrently with such termination, the aggregate Commitments shall be reduced by the Commitment of the Defaulting Lender; and (iii) concurrently with any subsequent payment of interest or fees to the Lenders with respect to any period before the termination of a Defaulting Lender's Commitment, the Borrower shall pay to such Defaulting Lender its ratable share (based on its Commitment Ratio before giving effect to such termination) of such interest or fees, as applicable. The termination of a Defaulting Lender's Commitment pursuant to this Section 2.08(e) shall not be deemed to be a waiver of any right that the Borrower, Administrative Agent, any Issuing Lender or any other Lender may have against such Defaulting Lender.

(d) Termination Date; Optional Extensions.

(i) The Commitments shall terminate on the Termination Date.

(ii) The Borrower may, by sending an Extension Letter to the Administrative Agent (in which case the Administrative Agent shall promptly deliver a copy to each of the Lenders), not less than thirty (30) nor more than ninety (90) days prior to the first or second anniversary of the date hereof (each such anniversary, the "Extension Date"), or at both times, request that the Lenders extend the Termination Date then in effect (the "Current Termination Date") so that it will occur one year after the Current Termination Date. Each Lender, acting in its sole discretion, may, by notice to the Administrative Agent given no later than fifteen (15) days prior to the first or second annual anniversary of the date hereof, as applicable (the "Election Date"), advise the Administrative Agent in writing whether or not it agrees to such extension (each Lender to respond negatively to such request being referred to herein as a "Non-Extending Lender"); provided, that, any Lender not responding to such request within such time period shall be deemed to be a Non-Extending Lender. The election of any Lender to agree to such extension shall not obligate any other Lender to agree.

(iii) (A) If Lenders holding Commitments that aggregate at least 51% of the aggregate Commitments of the Lenders on or prior to the Election Date shall not have agreed to extend the Termination Date, then the Current Termination Date shall not be so extended and the outstanding principal balance of all loans and other amounts payable hereunder shall be due and payable on the Current Termination Date. (B) If (and only if) Lenders holding Commitments that aggregate at least 51% of the aggregate Revolving Commitments of the Lenders on or prior to the Election Date shall have agreed to extend the Current Termination Date, then the Termination Date applicable to the Lenders that are Extending Lenders shall, as of the Extension Date, be the day that is one year after the Current Termination Date. In the event of such extension, the Commitment of each Non-Extending Lender shall terminate on the Current Termination Date applicable to such Non-Extending Lender, all Loans and other amounts payable hereunder to such Non-Extending Lender shall become due and payable on such Current Termination Date and the aggregate Commitments of the Lenders hereunder shall be reduced by the aggregate Commitments of Non-Extending Lenders so terminated on and after such Current Termination Date. Each Non-Extending Lender shall be required to maintain its original Commitment up to the Termination Date, or Current Termination Date, as applicable, to which such Non-Extending Lender had previously agreed.

(iv) In the event that the conditions of clause (B) of paragraph (iii) above have been satisfied, the Borrower shall have the right on or before the applicable Extension Date, at its own expense, to require any Non-Extending Lender to transfer and assign without recourse or representation (except as to title and the absence of Liens created by it) (in accordance with and subject to the restrictions contained in Section 9.06(c)) all its interests, rights and obligations under the Loan Documents (including with respect to any Letter of Credit Liabilities) to one or more Eligible Assignees (which may include any Lender) (each, an "Additional Commitment Lender"), provided, that (x) such Additional Commitment Lender, if not already a Lender hereunder, shall be subject to the approval of the Administrative Agent, the Swingline Lender and the Issuing Lenders (not to be unreasonably withheld), (y) such assignment shall become effective as of the applicable Extension Date and (z) the Additional Commitment Lender shall pay to such Non-Extending Lender in immediately available funds on the effective date of such assignment the principal of and interest accrued to the date of payment on the Loans made by such Non-Extending Lender hereunder and all other amounts accrued for such Non-Extending Lender's account or owed to it hereunder.

(v) Notwithstanding the foregoing, no extension of the Termination Date shall become effective unless, on the Extension Date, (i) the conditions set forth in Section 4.02 shall be satisfied (with all references in such paragraphs to the making of a Loan or issuance of a Letter of Credit being deemed to be references to the extension of the Commitments on the Extension Date), (ii) any necessary governmental, regulatory and third party approvals, including, without limitation any KPSC, TRA, VSCC and/or FERC approval required to authorize the extension of the Termination Date shall be in full force and effect, in each case without any action being taken by any competent authority which could restrain or prevent such transaction or impose, in the reasonable judgment of the Administrative Agent, materially adverse conditions upon the consummation of the extension of the Termination Date and (iii) the Administrative Agent shall have received (a) a certificate to that effect, with any necessary governmental, regulatory or third party approvals attached thereto, dated the Extension Date and executed by a Responsible Officer of the Borrower and (b) opinions of counsel for the Borrower, addressed to the Administrative Agent and each Lender, dated the Extension Date, in form and substance satisfactory to the Administrative Agent.

(e) Redetermination of Commitment Ratios. On the date of termination of the Commitment of a Retiring Lender or Defaulting Lender pursuant to Section 2.08(b) or (c), or, if the Termination Date has been extended pursuant to Section 2.08(d) with respect to some, but not all, Lenders, the date on which the Current Termination Date with respect to Non-Extending Lenders occurs, the Commitment Ratios of the Continuing Lenders or the Extending Lenders, as applicable, shall be redetermined after giving effect thereto, and the participations of the Continuing Lenders or the Extending Lenders, as applicable, in and obligations of the Continuing Lenders or Extending Lenders, as applicable, in respect of any then outstanding Swingline Loans and Letters of Credit shall thereafter be based upon such redetermined Commitment Ratios (as adjusted pursuant to Sections 2.19 and 2.20). The right of the Borrower to effect such a termination pursuant to Section 2.08(b) or (c) is conditioned on there being sufficient unused availability in the Commitments of the Continuing Lenders such that the aggregate Revolving Outstandings will not exceed the aggregate Commitments after giving effect to such termination and redetermination.

Section 2.09 Maturity of Loans; Mandatory Prepayments.

(a) Scheduled Repayments and Prepayments of Loans; Overline Repayments.

(i) The Revolving Loans shall mature on the Termination Date, and any Revolving Loans, Swingline Loans and Letter of Credit Liabilities then outstanding (together with accrued interest thereon and fees in respect thereof) shall be due and payable or, in the case of Letters of Credit, cash collateralized pursuant to Section 2.09(a)(ii), on such date.

(ii) If on any date the aggregate Revolving Outstandings exceed the aggregate amount of the Commitments (such excess, a "Revolving Outstandings Excess"), the Borrower shall prepay, and there shall become due and payable (together with accrued interest thereon) on such date, an aggregate principal amount of Revolving Loans and/or Swingline Loans equal to such Revolving Outstandings Excess. If, at a time when a Revolving Outstandings Excess exists and (x) no Revolving Loans or Swingline Loans are outstanding or (y) the Commitment has been terminated pursuant to this Agreement and, in either case, any Letter of Credit Liabilities remain outstanding, then, in either case, the Borrower shall cash collateralize any Letter of Credit Liabilities by depositing into a cash collateral account established and maintained (including the investments made pursuant thereto) by the Administrative Agent pursuant to a cash collateral agreement in form and substance satisfactory to the Administrative Agent an amount in cash equal to the then outstanding Letter of Credit Liabilities. In determining Revolving Outstandings for purposes of this clause (ii), Letter of Credit Liabilities shall be reduced to the extent that they are cash collateralized as contemplated by this Section 2.09(a)(ii).

(b) Applications of Prepayments and Reductions.

(i) Each payment or prepayment of Loans pursuant to this Section 2.09 shall be applied ratably to the respective Loans of all of the Lenders.

(ii) Each payment of principal of the Loans shall be made together with interest accrued on the amount repaid to the date of payment.

(iii) Each payment of the Loans shall be applied to such Groups of Loans as the Borrower may designate (or, failing such designation, as determined by the Administrative Agent).

Section 2.10 Optional Prepayments and Repayments.

(a) Prepayments of Loans. Other than in respect of Swingline Loans, the repayment of which is governed pursuant to Section 2.02(b), subject to Section 2.12, the Borrower may (i) upon at least one (1) Business Day's notice to the Administrative Agent, prepay any Base Rate Borrowing or (ii) upon at least three (3) Business Days' notice to the Administrative Agent, prepay any Euro-Dollar Borrowing, in each case in whole at any time, or from time to time in part in amounts aggregating \$10,000,000 or any larger integral multiple of \$1,000,000, by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment. Each such optional prepayment shall be applied to prepay ratably the Loans of the several Lenders included in such Borrowing.

(b) Notice to Lenders. Upon receipt of a notice of prepayment pursuant to Section 2.10(a), the Administrative Agent shall promptly notify each Lender of the contents thereof and of such Lender's ratable share (if any) of such prepayment, and such notice shall not thereafter be revocable by the Borrower.

Section 2.11 General Provisions as to Payments.

(a) Payments by the Borrower. The Borrower shall make each payment of principal of and interest on the Loans and Letter of Credit Liabilities and fees hereunder (other than fees payable directly to the Issuing Lenders) not later than 12:00 Noon (Charlotte, North Carolina time) on the date when due, without set-off, counterclaim or other deduction, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. The Administrative Agent will promptly distribute to each Lender its ratable share of each such payment received by the Administrative Agent for the account of the Lenders. Whenever any payment of principal of or interest on the Base Rate Loans or Letter of Credit Liabilities or of fees shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day. Whenever any payment of principal of or interest on the Euro-Dollar Loans shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day unless such Business Day falls in another calendar month, in which case the date for payment thereof shall be the next preceding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(b) Distributions by the Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Lenders hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date, and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Rate.

Section 2.12 Funding Losses. If the Borrower makes any payment of principal with respect to any Euro-Dollar Loan pursuant to the terms and provisions of this Agreement (any conversion of a Euro-Dollar Loan to a Base Rate Loan pursuant to Section 2.18 being treated as a payment of such Euro-Dollar Loan on the date of conversion for purposes of this Section 2.12) on any day other than the last day of the Interest Period applicable thereto, or the last day of an applicable period fixed pursuant to Section 2.06(c), or if the Borrower fails to borrow, convert or prepay any Euro-Dollar Loan after notice has been given in accordance with the provisions of this Agreement, or in the event of payment in respect of any Euro-Dollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.08(b), the Borrower shall reimburse each Lender within fifteen (15) days after demand for any resulting loss or expense incurred by it (and by an existing Participant in the related Loan), including, without limitation, any loss incurred in obtaining, liquidating or employing deposits from third parties, but excluding loss of margin for the period after any such payment or failure to borrow or prepay; provided, that such Lender shall have delivered to the Borrower a certificate as to the amount of such loss or expense, which certificate shall be conclusive in the absence of manifest error.

Section 2.13 Computation of Interest and Fees. Interest on Loans based on the Prime Rate hereunder and Letter of Credit Fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and paid for the actual number of days elapsed. All other interest and fees shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day).

Section 2.14 Basis for Determining Interest Rate Inadequate, Unfair or Unavailable. If on or prior to the first day of any Interest Period for any Euro-Dollar Loan: (a) Lenders having 50% or more of the aggregate amount of the Commitments advise the Administrative Agent that the Adjusted London Interbank Offered Rate as determined by the Administrative Agent, will not adequately and fairly reflect the cost to such Lenders of funding their Euro-Dollar Loans for such Interest Period; or (b) the Administrative Agent shall determine that no reasonable means exists for determining the Adjusted London Interbank Offered Rate, the Administrative Agent shall forthwith give notice thereof to the Borrower and the Lenders, whereupon, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such suspension no longer exist, (i) the obligations of the Lenders to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans shall be suspended; and (ii) each outstanding Euro-Dollar Loan shall be converted into a Base Rate Loan on the last day of the current Interest Period applicable thereto. Unless the Borrower notifies the Administrative Agent at least two (2) Business Days before the date of (or, if at the time the Borrower receives such notice the day is the date of, or the date immediately preceding, the date of such Euro-Dollar Borrowing, by 10:00 A.M. (Charlotte, North Carolina time) on the date of) any Euro-Dollar Borrowing for which a Notice of Borrowing has previously been given that it elects not to borrow on such date, such Borrowing shall instead be made as a Base Rate Borrowing.

Section 2.15 Illegality. If, on or after the date of this Agreement, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Euro-Dollar Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for any Lender (or its Euro-Dollar Lending Office) to make, maintain or fund its Euro-Dollar Loans and such Lender shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof to the other Lenders and the Borrower, whereupon until such Lender notifies the Borrower and the Administrative Agent that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans, shall be suspended. Before giving any notice to the Administrative Agent pursuant to this Section, such Lender shall designate a different Euro-Dollar Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. If such notice is given, each Euro-Dollar Loan of such Lender then outstanding shall be converted to a Base Rate Loan either (a) on the last day of the then current Interest Period applicable to such Euro-Dollar Loan if such Lender may lawfully continue to maintain and fund such Loan to such day or (b) immediately if such Lender shall determine that it may not lawfully continue to maintain and fund such Loan to such day.

Section 2.16 Increased Cost and Reduced Return.

(a) **Increased Costs.** If after the Effective Date, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Applicable Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall (i) impose, modify or deem applicable any reserve (including, without limitation, any such requirement imposed by the Board of Governors of the Federal Reserve System), special deposit, insurance assessment or similar requirement against Letters of Credit issued or participated in by, assets of, deposits with or for the account of or credit extended by, any Lender (or its Applicable Lending Office), (ii) subject any Lender or the Issuing Lender to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Euro-Dollar Loan made by it, or change the basis of taxation of payments to such Lender or the Issuing Lender in respect thereof (other than (A) Taxes, (B) Other Taxes, (C) the imposition of, or any change in the rate of, any taxes described in clauses (i) through (iv) of the definition of Taxes in [Section 2.17\(a\)](#) and (D) Taxes attributable to a Lender's or an Issuing Lender's failure to comply with [Section 2.17\(e\)](#)) or (iii) impose on any Lender (or its Applicable Lending Office) or on the United States market for certificates of deposit or the London interbank market any other condition affecting its Euro-Dollar Loans, Notes, obligation to make Euro-Dollar Loans or obligations hereunder in respect of Letters of Credit, and the result of any of the foregoing is to increase the cost to such Lender (or its Applicable Lending Office) of making or maintaining any Euro-Dollar Loan, or of issuing or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by such Lender (or its Applicable Lending Office) under this Agreement or under its Notes with respect thereto, then, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts, as determined by such Lender in good faith, as will compensate such Lender for such increased cost or reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(b) **Capital Adequacy.** If any Lender shall have determined that, after the Effective Date, the adoption of any applicable law, rule or regulation regarding capital adequacy or liquidity, or any change in any such law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Lender (or any Person controlling such Lender) as a consequence of such Lender's obligations hereunder to a level below that which such Lender (or any Person controlling such Lender) could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy), then from time to time, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender (or any Person controlling such Lender) for such reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(c) **Notices.** Each Lender will promptly notify the Borrower and the Administrative Agent of any event of which it has knowledge, occurring after the Effective Date, that will entitle such Lender to compensation pursuant to this Section and will designate a different Applicable Lending Office if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. A certificate of any Lender claiming compensation under this Section and setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Lender may use any reasonable averaging and attribution methods.

(d) Notwithstanding anything to the contrary herein, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "change in law" under this Article II regardless of the date enacted, adopted or issued.

Section 2.17 Taxes.

(a) **Payments Net of Certain Taxes.** Any and all payments made by the Borrower to or for the account of any Lender or any Agent hereunder or under any other Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, charges and withholdings and all liabilities with respect thereto, excluding: (i) taxes imposed on or measured by the net income (including branch profits or similar taxes) of, and gross receipts, franchise or similar taxes imposed on, any Agent or any Lender by the jurisdiction (or subdivision thereof) under the laws of which such Lender or Agent is organized or in which its principal executive office is located or, in the case of each Lender, in which its Applicable Lending Office is located, (ii) in the case of each Lender, any United States withholding tax imposed on such payments, but only to the extent that such Lender is subject to United States withholding tax at the time such Lender first becomes a party to this Agreement or changes its Applicable Lending Office, (iii) any backup withholding tax imposed by the United States (or any state or locality thereof) on a Lender or Administrative Agent, and (iv) any taxes imposed by FATCA (all such nonexcluded taxes, duties, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "**Taxes**"). If the Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender or any Agent, (i) the sum payable shall be increased as necessary so that after making all such required deductions (including deductions applicable to additional sums payable under this [Section 2.17\(a\)](#)) such Lender or Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions, (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law and (iv) the Borrower shall furnish to the Administrative Agent, for delivery to such Lender, the original or a certified copy of a receipt evidencing payment thereof.

(b) **Other Taxes.** In addition, the Borrower agrees to pay any and all present or future stamp or court or documentary taxes and any other excise or property taxes, or similar charges or levies, which arise from any payment made pursuant to this Agreement, any Note or any other Loan Document or from the execution, delivery, performance, registration or enforcement of, or otherwise with respect to, this Agreement, any Note or any other Loan Document (collectively, "**Other Taxes**").

(c) **Indemnification.** The Borrower agrees to indemnify each Lender and each Agent for the full amount of Taxes and Other Taxes (including, without limitation, any Taxes or Other Taxes imposed or asserted by any jurisdiction on amounts payable under this [Section 2.17\(c\)](#)), whether or not correctly or legally asserted, paid by such Lender or Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto as certified in good faith to the Borrower by each Lender or Agent seeking indemnification pursuant to this [Section 2.17\(c\)](#). This indemnification shall be paid within 15 days after such Lender or Agent (as the case may be) makes demand therefor.

(d) **Refunds or Credits.** If a Lender or Agent receives a refund, credit or other reduction from a taxation authority for any Taxes or Other Taxes for which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this [Section 2.17](#), it shall within fifteen (15) days from the date of such receipt pay over the amount of such refund, credit or other reduction to the Borrower (but only to the extent of indemnity payments made or additional amounts paid by the Borrower under this [Section 2.17](#) with respect to the Taxes or Other Taxes giving rise to such

refund, credit or other reduction), net of all reasonable out-of-pocket expenses of such Lender or Agent (as the case may be) and without interest (other than interest paid by the relevant taxation authority with respect to such refund, credit or other reduction); provided, however, that the Borrower agrees to repay, upon the request of such Lender or Agent (as the case may be), the amount paid over to the Borrower (plus penalties, interest or other charges) to such Lender or Agent in the event such Lender or Agent is required to repay such refund or credit to such taxation authority.

(e) Tax Forms and Certificates. On or before the date it becomes a party to this Agreement, from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and at any time it changes its Applicable Lending Office: (i) each Lender that is a “United States person” within the meaning of Section 7701(a)(30) of the Internal Revenue Code shall deliver to the Borrower and the Administrative Agent two (2) properly completed and duly executed copies of Internal Revenue Service Form W-9, or any successor form prescribed by the Internal Revenue Service, or such other documentation or information prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, as the case may be, certifying that such Lender is a United States person and is entitled to an exemption from United States backup withholding tax or information reporting requirements; and (ii) each Lender that is not a “United States person” within the meaning of Section 7701(a)(30) of the Internal Revenue Code (a “Non-U.S. Lender”) shall deliver to the Borrower and the Administrative Agent: (A) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, or any successor form prescribed by the Internal Revenue Service, (x) certifying that such Non-U.S. Lender is entitled to the benefits under an income tax treaty to which the United States is a party which exempts the Non-U.S. Lender from United States withholding tax or reduces the rate of withholding tax on payments of interest for the account of such Non-U.S. Lender and (y) with respect to any other applicable payments under or entered into in connection with any Loan Document, establishing an exemption from, or reduction of, United States withholding tax pursuant to the “business profits” or “other income” article of such tax treaty; (B) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8ECI, or any successor form prescribed by the Internal Revenue Service, certifying that the income receivable pursuant to this Agreement and the other Loan Documents is effectively connected with the conduct of a trade or business in the United States; (C) in the case of a Non-U.S. Lender claiming the benefit of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, or any successor form prescribed by the Internal Revenue Service, together with a certificate to the effect that (x) such Non-U.S. Lender is not (1) a “bank” within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (2) a “10-percent shareholder” of the Borrower within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code, or (3) a “controlled foreign corporation” that is described in Section 881(c)(3)(C) of the Internal Revenue Code and is related to the Borrower within the meaning of Section 864(d)(4) of the Internal Revenue Code and (y) the interest payments in question are not effectively connected with a U.S. trade or business conducted by such Non-U.S. Lender; or (D) to the extent the Non-U.S. Lender is not the beneficial owner, two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8IMY, or any successor form prescribed by the Internal Revenue Service, accompanied by an Internal Revenue Service Form W-8ECI, W-8BEN, W-8BEN-E, W-9, and/or other certification documents from each beneficial owner, as applicable. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (e), “FATCA” shall include any amendments made to FATCA after the date of this Agreement. In addition, each Lender agrees that from time to time after the Effective Date, when a lapse in time or change in circumstances renders the previous certification obsolete or inaccurate in any material respect, it will deliver to the Borrower and the Administrative Agent two new accurate and complete signed originals of Internal Revenue Service Form W-9, W-8BEN, W-8BEN-E, W-8ECI or W-8IMY or FATCA-related documentation described above, or successor forms, as the case may be, and such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under this Agreement and any other Loan Document, or it shall immediately notify the Borrower and the Administrative Agent of its inability to deliver any such form or certificate.

(f) Exclusions. The Borrower shall not be required to indemnify any Non-U.S. Lender, or to pay any additional amount to any Non-U.S. Lender, pursuant to Section 2.17(a), (b) or (c) in respect of Taxes or Other Taxes to the extent that the obligation to indemnify or pay such additional amounts would not have arisen but for the failure of such Non-U.S. Lender to comply with the provisions of subsection (e) above.

(g) Mitigation. If the Borrower is required to pay additional amounts to or for the account of any Lender pursuant to this Section 2.17, then such Lender will use reasonable efforts (which shall include efforts to rebook the Revolving Loans held by such Lender to a new Applicable Lending Office, or through another branch or affiliate of such Lender) to change the jurisdiction of its Applicable Lending Office if, in the good faith judgment of such Lender, such efforts (i) will eliminate or, if it is not possible to eliminate, reduce to the greatest extent possible any such additional payment which may thereafter accrue and (ii) is not otherwise disadvantageous, in the sole determination of such Lender, to such Lender. Any Lender claiming any indemnity payment or additional amounts payable pursuant to this Section shall use reasonable efforts (consistent with legal and regulatory restrictions) to deliver to Borrower any certificate or document reasonably requested in writing by the Borrower or to change the jurisdiction of its Applicable Lending Office if the making of such a filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue and would not, in the sole determination of such Lender, be otherwise disadvantageous to such Lender.

(h) Confidentiality. Nothing contained in this Section shall require any Lender or any Agent to make available any of its tax returns (or any other information that it deems to be confidential or proprietary).

Section 2.18 Base Rate Loans Substituted for Affected Euro-Dollar Loans. If (a) the obligation of any Lender to make or maintain, or to convert outstanding Loans to, Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (b) any Lender has demanded compensation under Section 2.16(a) with respect to its Euro-Dollar Loans and, in any such case, the Borrower shall, by at least four Business Days’ prior notice to such Lender through the Administrative Agent, have elected that the provisions of this Section shall apply to such Lender, then, unless and until such Lender notifies the Borrower that the circumstances giving rise to such suspension or demand for compensation no longer apply:

(i) all Loans which would otherwise be made by such Lender as (or continued as or converted into) Euro-Dollar Loans shall instead be Base Rate Loans (on which interest and principal shall be payable contemporaneously with the related Euro-Dollar Loans of the other Lenders); and

(ii) after each of its Euro-Dollar Loans has been repaid, all payments of principal that would otherwise be applied to repay such Loans shall instead be applied to repay its Base Rate Loans.

If such Lender notifies the Borrower that the circumstances giving rise to such notice no longer apply, the principal amount of each such Base Rate Loan shall be converted into a Euro-Dollar Loan on the first day of the next succeeding Interest Period applicable to the related Euro-Dollar Loans of the other Lenders.

Section 2.19

Increases in Commitments.

(a) Subject to the terms and conditions of this Agreement, the Borrower may, during the Availability Period by delivering to the Administrative Agent and the Lenders a Notice of Revolving Increase in the form of Exhibit E, request increases to the Lenders' Commitments (each such request, an "Optional Increase"); provided that: (i) the Borrower may not request any increase to the Commitments after the occurrence and during the continuance of a Default; (ii) each Optional Increase shall be in a minimum amount of \$50,000,000 and (iii) the aggregate amount of all Optional Increases shall be no more than \$100,000,000.

(b) Each Lender may, but shall not be obligated to, participate in any Optional Increase, subject to the approval of each Issuing Lender and the Swingline Lender (such approval not to be unreasonably withheld), and the decision of any Lender to commit to an Optional Increase shall be at such Lender's sole discretion and shall be made in writing. The Borrower may, at its own expense, solicit additional Commitments from third party financial institutions reasonably acceptable to the Administrative Agent, the Swingline Lender and the Issuing Lenders. Any such financial institution (if not already a Lender hereunder) shall become a party to this Agreement as a Lender, pursuant to a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent and the Borrower.

(c) As a condition precedent to the Optional Increase, the Borrower shall deliver to the Administrative Agent a certificate of the Borrower dated the effective date of the Optional Increase, signed by a Responsible Officer of the Borrower, certifying that: (i) the resolutions adopted by the Borrower approving or consenting to such Optional Increase are attached thereto and such resolutions are true and correct and have not been altered, amended or repealed and are in full force and effect, (ii) before and after giving effect to the Optional Increase, (A) the representations and warranties contained in Article V and the other Loan Documents are true and correct in all material respects (except to the extent any such representation and warranty is qualified by materiality or reference to Material Adverse Effect, in which case, such representation and warranty shall be true and correct in all respects) on and as of the effective date of the Optional Increase, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they were true and correct in all material respects (except to the extent any such representation and warranty was qualified by materiality or reference to Material Adverse Effect, in which case, such representation and warranty was true and correct in all respects) as of such earlier date, and (B) that no Default exists, is continuing, or would result from the Optional Increase and (iii) any necessary governmental, regulatory and third party approvals, including, without limitation any KPSC, TRA, VSCC and/or FERC approval required to approve the Optional Increase, are attached thereto and remain in full force and effect, in each case without any action being taken by any competent authority which could restrain or prevent such transaction or impose, in the reasonable judgment of the Administrative Agent, materially adverse conditions upon the consummation of the Optional Increase.

(d) The Revolving Outstandings will be reallocated by the Administrative Agent on the effective date of any Optional Increase among the Lenders in accordance with their revised Commitment Ratios, and the Borrower hereby agrees to pay any and all costs (if any) required pursuant to Section 2.12 incurred by any Lender in connection with the exercise of the Optional Increase. Each of the Lenders shall participate in any new Loans made on or after such date in accordance with their respective Commitment Ratios after giving effect to the increase in Commitments contemplated by this Section 2.19.

Section 2.20

Defaulting Lenders.

(a) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.07(a);

(ii) with respect to any Letter of Credit Liabilities or Swingline Exposure of such Defaulting Lender that exists at the time a Lender becomes a Defaulting Lender or thereafter:

(A) all or any part of such Defaulting Lender's Letter of Credit Liabilities and its Swingline Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.02 are satisfied at such time and (y) such reallocation does not cause the Revolving Outstandings of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment;

(B) if the reallocation described in clause (ii)(A) above cannot, or can only partially, be effected, each Issuing Lender and the Swingline Lender, in its discretion may require the Borrower to (i) reimburse all amounts paid by an Issuing Lender upon any drawing under a Letter of Credit, (ii) repay an outstanding Swingline Loan, and/or (iii) cash collateralize (in accordance with Section 2.09(a)(ii)) all obligations of such Defaulting Lender in respect of outstanding Letters of Credit and Swingline Loans, in each case, in an amount at least equal to the aggregate amount of the obligations (contingent or otherwise) of such Defaulting Lender in respect of such Letters of Credit or Swingline Loans (after giving effect to any partial reallocation pursuant to Section 2.20(a)(ii)(A) above);

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's pursuant to Section 2.20(a)(ii)(B) then the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities during the period such Defaulting Lender's Letter of Credit Liabilities are cash collateralized;

(iv) if the Letter of Credit Liabilities and/or Swingline Exposure of the Non-Defaulting Lenders is reallocated pursuant to Section 2.20(a)(ii)(A) above, then the fees payable to the Lenders pursuant to Section 2.07(a) and Section 2.07(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment); and

(v) if any Defaulting Lender's Letter of Credit Liabilities and/or Swingline Exposure is neither reimbursed, repaid, cash collateralized nor reallocated pursuant to this Section 2.20(a)(ii), then, without prejudice to any rights or remedies of the Issuing Lenders, the Swingline Lender or any other Lender hereunder, all fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such Letter of Credit Liabilities and/or Swingline Exposure) and letter of credit fees payable under Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities shall be payable to the Issuing Lenders and the Swingline Lender, pro rata, until such Letter of Credit Liabilities and/or Swingline Exposure is cash collateralized, reallocated and/or repaid in full.

(b) So long as any Lender is a Defaulting Lender, (i) no Issuing Lender shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders and/or cash collateral will be provided by

the Borrower in accordance with Section 2.20(a), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 3.05 (and Defaulting Lenders shall not participate therein) and (ii) the Swingline Lender shall not be required to advance any Swingline Loan, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders.

ARTICLE III LETTERS OF CREDIT

Section 3.01 Issuing Lenders. Subject to the terms and conditions hereof, the Borrower may from time to time identify and arrange for one or more of the Lenders (in addition to the JLA Issuing Banks) to act as Issuing Lenders hereunder. Any such designation by the Borrower shall be notified to the Administrative Agent at least four Business Days prior to the first date upon which the Borrower proposes that such Issuing Lender issue its first Letter of Credit, so as to provide adequate time for such proposed Issuing Lender to be approved by the Administrative Agent hereunder (such approval not to be unreasonably withheld). Within two Business Days following the receipt of any such designation of a proposed Issuing Lender, the Administrative Agent shall notify the Borrower as to whether such designee is acceptable to the Administrative Agent. Nothing contained herein shall be deemed to require any Lender (other than a JLA Issuing Bank) to agree to act as an Issuing Lender, if it does not so desire.

Section 3.02 Letters of Credit.

(a) Letters of Credit. Each Issuing Lender agrees, on the terms and conditions set forth in this Agreement, to issue Letters of Credit denominated in Dollars from time to time before the fifth day prior to the Termination Date, for the account, and upon the request, of the Borrower and in support of such obligations of the Borrower or any of its Subsidiaries that are reasonably acceptable to such Issuing Lender; provided, that immediately after each Letter of Credit is issued, (A) the aggregate amount of Letter of Credit Liabilities shall not exceed \$200,000,000, (B) the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments and (C) the aggregate fronting exposure of any Issuing Lender shall not exceed its Fronting Sublimit.

Section 3.03 Method of Issuance of Letters of Credit. The Borrower shall give an Issuing Lender notice substantially in the form of Exhibit A-3 to this Agreement (a "Letter of Credit Request") of the requested issuance or extension of a Letter of Credit not later than 1:00 P.M. (Charlotte, North Carolina time) at least one Business Day prior to the proposed date of the issuance or extension of Letters of Credit (which shall be a Business Day) (or such shorter period as may be agreed by such Issuing Lender in any particular instance), specifying the date such Letter of Credit is to be issued or extended and describing the terms of such Letter of Credit and the nature of the transactions to be supported thereby. The extension or renewal of any Letter of Credit shall be deemed to be an issuance of such Letter of Credit, and if any Letter of Credit contains a provision pursuant to which it is deemed to be extended unless notice of termination is given by an Issuing Lender, such Issuing Lender shall timely give such notice of termination unless it has theretofore timely received a Letter of Credit Request and the other conditions to issuance of a Letter of Credit have theretofore been met with respect to such extension. No Letter of Credit shall have a term of more than one year, provided, that no Letter of Credit shall have a term extending or be so extendible beyond the fifth Business Day before the Termination Date, provided that if the Commitments of some, but not all, Lenders shall have been extended pursuant to Section 2.08(d), the "Termination Date" for this purpose shall be the latest Termination Date which is applicable to Commitments aggregating at least \$200,000,000.

Section 3.04 Conditions to Issuance of Letters of Credit. The issuance by an Issuing Lender of each Letter of Credit shall, in addition to the conditions precedent set forth in Article IV, be subject to the conditions precedent that (a) such Letter of Credit shall be satisfactory in form and substance to such Issuing Lender, (b) the Borrower and, if applicable, any such Affiliate of the Borrower, shall have executed and delivered such other instruments and agreements relating to such Letter of Credit as such Issuing Lender shall have reasonably requested and (c) such Issuing Lender shall have confirmed on the date of (and after giving effect to) such issuance that (i) the aggregate outstanding amount of Letter of Credit Liabilities shall not exceed \$200,000,000, (ii) the aggregate Revolving Outstandings will not exceed the aggregate amount of the Commitments and (iii) the aggregate fronting exposure of any Issuing Lender shall not exceed the Fronting Sublimit. Notwithstanding any other provision of this Section 3.04, no Issuing Lender shall be under any obligation to issue any Letter of Credit if: any order, judgment or decree of any governmental authority shall by its terms purport to enjoin or restrain such Issuing Lender from issuing such Letter of Credit, or any requirement of law applicable to such Issuing Lender or any request or directive (whether or not having the force of law) from any governmental authority with jurisdiction over such Issuing Lender shall prohibit, or request that such Issuing Lender refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Lender with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Lender is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Lender in good faith deems material to it.

Section 3.05 Purchase and Sale of Letter of Credit Participations. Upon the issuance by an Issuing Lender of a Letter of Credit, such Issuing Lender shall be deemed, without further action by any party hereto, to have sold to each Lender, and each Lender shall be deemed, without further action by any party hereto, to have purchased from such Issuing Lender, without recourse or warranty, an undivided participation interest in such Letter of Credit and the related Letter of Credit Liabilities in accordance with its respective Commitment Ratio (although the Fronting Fee payable under Section 2.07(b) shall be payable directly to the Administrative Agent for the account of the applicable Issuing Lender, and the Lenders (other than such Issuing Lender) shall have no right to receive any portion of any such Fronting Fee) and any security therefor or guaranty pertaining thereto.

Section 3.06 Drawings under Letters of Credit. Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Lender shall determine in accordance with the terms of such Letter of Credit whether such drawing should be honored. If such Issuing Lender determines that any such drawing shall be honored, such Issuing Lender shall make available to such beneficiary in accordance with the terms of such Letter of Credit the amount of the drawing and shall notify the Borrower as to the amount to be paid as a result of such drawing and the payment date.

Section 3.07 Reimbursement Obligations. The Borrower shall be irrevocably and unconditionally obligated forthwith to reimburse the applicable Issuing Lender for any amounts paid by such Issuing Lender upon any drawing under any Letter of Credit, together with any and all reasonable charges and expenses which such Issuing Lender may pay or incur relative to such drawing and interest on the amount drawn at the rate applicable to Base Rate Loans for each day from and including the date such amount is drawn to but excluding the date such reimbursement payment is due and payable. Such reimbursement payment shall be due and payable (a) at or before 1:00 P.M. (Charlotte, North Carolina time) on the date the applicable Issuing Lender notifies the Borrower of such drawing, if such notice is given at or before 10:00 A.M. (Charlotte, North Carolina time) on such date or (b) at or before 10:00 A.M. (Charlotte, North Carolina time) on the next succeeding Business Day; provided, that no payment otherwise required by this sentence to be made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on any day shall be overdue hereunder if arrangements for such payment satisfactory to the applicable Issuing Lender, in its reasonable discretion, shall have been made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on such

day and such payment is actually made at or before 3:00 P.M. (Charlotte, North Carolina time) on such day. In addition, the Borrower agrees to pay to the applicable Issuing Lender interest, payable on demand, on any and all amounts not paid by the Borrower to such Issuing Lender when due under this Section 3.07, for each day from and including the date when such amount becomes due to but excluding the date such amount is paid in full, whether before or after judgment, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day. Each payment to be made by the Borrower pursuant to this Section 3.07 shall be made to the applicable Issuing Lender in Federal or other funds immediately available to it at its address referred to Section 9.01.

Section 3.08 Duties of Issuing Lenders to Lenders; Reliance. In determining whether to pay under any Letter of Credit, the relevant Issuing Lender shall not have any obligation relative to the Lenders participating in such Letter of Credit or the related Letter of Credit Liabilities other than to determine that any document or documents required to be delivered under such Letter of Credit have been delivered and that they substantially comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by an Issuing Lender under or in connection with any Letter of Credit shall not create for such Issuing Lender any resulting liability if taken or omitted in the absence of gross negligence or willful misconduct. Each Issuing Lender shall be entitled (but not obligated) to rely, and shall be fully protected in relying, on the representation and warranty by the Borrower set forth in the last sentence of Section 4.02 to establish whether the conditions specified in clauses (b) and (c) of Section 4.02 are met in connection with any issuance or extension of a Letter of Credit. Each Issuing Lender shall be entitled to rely, and shall be fully protected in relying, upon advice and statements of legal counsel, independent accountants and other experts selected by such Issuing Lender and upon any Letter of Credit, draft, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, telecopier, telex or teletype message, statement, order or other document believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary unless the beneficiary and the Borrower shall have notified such Issuing Lender that such documents do not comply with the terms and conditions of the Letter of Credit. Each Issuing Lender shall be fully justified in refusing to take any action requested of it under this Section in respect of any Letter of Credit unless it shall first have received such advice or concurrence of the Required Lenders as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take, or omitting or continuing to omit, any such action. Notwithstanding any other provision of this Section, each Issuing Lender shall in all cases be fully protected in acting, or in refraining from acting, under this Section in respect of any Letter of Credit in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant hereto shall be binding upon all Lenders and all future holders of participations in such Letter of Credit; provided, that this sentence shall not affect any rights the Borrower may have against any Issuing Lender or the Lenders that make such request.

Section 3.09 Obligations of Lenders to Reimburse Issuing Lender for Unpaid Drawings. If any Issuing Lender makes any payment under any Letter of Credit and the Borrower shall not have reimbursed such amount in full to such Issuing Lender pursuant to Section 3.07, such Issuing Lender shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender (other than the relevant Issuing Lender), and each such Lender shall promptly and unconditionally pay to the Administrative Agent, for the account of such Issuing Lender, such Lender's share of such payment (determined in accordance with its respective Commitment Ratio) in Dollars in Federal or other immediately available funds, the aggregate of such payments relating to each unreimbursed amount being referred to herein as a "Mandatory Letter of Credit Borrowing"; provided, however, that no Lender shall be obligated to pay to the Administrative Agent its pro rata share of such unreimbursed amount for any wrongful payment made by the relevant Issuing Lender under a Letter of Credit as a result of acts or omissions constituting willful misconduct or gross negligence by such Issuing Lender. If the Administrative Agent so notifies a Lender prior to 11:00 A.M. (Charlotte, North Carolina time) on any Business Day, such Lender shall make available to the Administrative Agent at its address referred to in Section 9.01 and for the account of the relevant Issuing Lender such Lender's pro rata share of the amount of such payment by 3:00 P.M. (Charlotte, North Carolina time) on the Business Day following such Lender's receipt of notice from the Administrative Agent, together with interest on such amount for each day from and including the date of such drawing to but excluding the day such payment is due from such Lender at the Federal Funds Rate for such day (which funds the Administrative Agent shall promptly remit to such Issuing Lender). The failure of any Lender to make available to the Administrative Agent for the account of an Issuing Lender its pro rata share of any unreimbursed drawing under any Letter of Credit shall not relieve any other Lender of its obligation hereunder to make available to the Administrative Agent for the account of such Issuing Lender its pro rata share of any payment made under any Letter of Credit on the date required, as specified above, but no such Lender shall be responsible for the failure of any other Lender to make available to the Administrative Agent for the account of such Issuing Lender such other Lender's pro rata share of any such payment. Upon payment in full of all amounts payable by a Lender under this Section 3.09, such Lender shall be subrogated to the rights of the relevant Issuing Lender against the Borrower to the extent of such Lender's pro rata share of the related Letter of Credit Liabilities (including interest accrued thereon). If any Lender fails to pay any amount required to be paid by it pursuant to this Section 3.09 on the date on which such payment is due, interest shall accrue on such Lender's obligation to make such payment, for each day from and including the date such payment became due to but excluding the date such Lender makes such payment, whether before or after judgment, at a rate per annum equal to (i) for each day from the date such payment is due to the third succeeding Business Day, inclusive, the Federal Funds Rate for such day as determined by the relevant Issuing Lender and (ii) for each day thereafter, the sum of 2% plus the rate applicable to its Base Rate Loans for such day. Any payment made by any Lender after 3:00 P.M. (Charlotte, North Carolina time) on any Business Day shall be deemed for purposes of the preceding sentence to have been made on the next succeeding Business Day.

Section 3.10 Funds Received from the Borrower in Respect of Drawn Letters of Credit. Whenever an Issuing Lender receives a payment of a Reimbursement Obligation as to which the Administrative Agent has received for the account of such Issuing Lender any payments from the other Lenders pursuant to Section 3.09 above, such Issuing Lender shall pay the amount of such payment to the Administrative Agent, and the Administrative Agent shall promptly pay to each Lender which has paid its pro rata share thereof, in Dollars in Federal or other immediately available funds, an amount equal to such Lender's pro rata share of the principal amount thereof and interest thereon for each day after relevant date of payment at the Federal Funds Rate.

Section 3.11 Obligations in Respect of Letters of Credit Unconditional. The obligations of the Borrower under Section 3.07 above shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including, without limitation, the following circumstances:

- (a) any lack of validity or enforceability of this Agreement or any Letter of Credit or any document related hereto or thereto;
- (b) any amendment or waiver of or any consent to departure from all or any of the provisions of this Agreement or any Letter of Credit or any document related hereto or thereto;
- (c) the use which may be made of the Letter of Credit by, or any acts or omission of, a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting);
- (d) the existence of any claim, set-off, defense or other rights that the Borrower may have at any time against a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting), any Issuing Lender or any other Person, whether in connection with this Agreement or any Letter of

Credit or any document related hereto or thereto or any unrelated transaction;

(e) any statement or any other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;

(f) payment under a Letter of Credit against presentation to an Issuing Lender of a draft or certificate that does not comply with the terms of such Letter of Credit; provided, that the relevant Issuing Lender's determination that documents presented under such Letter of Credit comply with the terms thereof shall not have constituted gross negligence or willful misconduct of such Issuing Lender; or

(g) any other act or omission to act or delay of any kind by any Issuing Lender or any other Person or any other event or circumstance whatsoever that might, but for the provisions of this subsection (g), constitute a legal or equitable discharge of the Borrower's obligations hereunder.

Nothing in this Section 3.11 is intended to limit the right of the Borrower to make a claim against any Issuing Lender for damages as contemplated by the proviso to the first sentence of Section 3.12.

Section 3.12 Indemnification in Respect of Letters of Credit. The Borrower hereby indemnifies and holds harmless each Lender (including each Issuing Lender) and the Administrative Agent from and against any and all claims, damages, losses, liabilities, costs or expenses which such Lender or the Administrative Agent may incur by reason of or in connection with the failure of any other Lender to fulfill or comply with its obligations to such Issuing Lender hereunder (but nothing herein contained shall affect any rights which the Borrower may have against such defaulting Lender), and none of the Lenders (including any Issuing Lender) nor the Administrative Agent, their respective affiliates nor any of their respective officers, directors, employees or agents shall be liable or responsible, by reason of or in connection with the execution and delivery or transfer of or payment or failure to pay under any Letter of Credit, including, without limitation, any of the circumstances enumerated in Section 3.11, as well as (i) any error, omission, interruption or delay in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, (ii) any error in interpretation of technical terms, (iii) any loss or delay in the transmission of any document required in order to make a drawing under a Letter of Credit, (iv) any consequences arising from causes beyond the control of such indemnitee, including without limitation, any government acts, or (v) any other circumstances whatsoever in making or failing to make payment under such Letter of Credit; provided, that the Borrower shall not be required to indemnify any Issuing Lender for any claims, damages, losses, liabilities, costs or expenses, and the Borrower shall have a claim against such Issuing Lender for direct (but not consequential) damages suffered by it, to the extent found by a court of competent jurisdiction in a final, non-appealable judgment or order to have been caused by (i) the willful misconduct or gross negligence of such Issuing Lender in determining whether a request presented under any Letter of Credit issued by it complied with the terms of such Letter of Credit or (ii) such Issuing Lender's failure to pay under any Letter of Credit issued by it after the presentation to it of a request strictly complying with the terms and conditions of such Letter of Credit, unless payment was prohibited by law, regulation or court order. Nothing in this Section 3.12 is intended to limit the obligations of the Borrower under any other provision of this Agreement.

Section 3.13 ISP98. The rules of the "International Standby Practices 1998" as published by the International Chamber of Commerce most recently at the time of issuance of any Letter of Credit shall apply to such Letter of Credit unless otherwise expressly provided in such Letter of Credit.

ARTICLE IV CONDITIONS

Section 4.01 Conditions to Closing. The obligation of each Lender to make a Loan or issue a Letter of Credit on the occasion of the first Credit Event hereunder is subject to the satisfaction of the following conditions:

(a) This Agreement. The Administrative Agent shall have received counterparts hereof signed by each of the parties hereto (or, in the case of any party as to which an executed counterpart shall not have been received, receipt by the Administrative Agent in form satisfactory to it of telegraphic, telex, facsimile or other written confirmation from such party of execution of a counterpart hereof by such party) to be held in escrow and to be delivered to the Borrower upon satisfaction of the other conditions set forth in this Section 4.01.

approvals with respect to elections by the Borrower to increase the Commitment as contemplated by Section 2.19 or extend the Termination Date as contemplated by Section 2.08(d) need not be obtained or provided until the Borrower makes any such election.

(g) Payment of Fees. All costs, fees and expenses due to the Administrative Agent, the Joint Lead Arrangers and the Lenders accrued through the Effective Date (including Commitment Fees and Letter of Credit Fees) shall have been paid in full.

(h) Counsel Fees. The Administrative Agent shall have received full payment from the Borrower of the fees and expenses of Davis Polk & Wardwell LLP described in Section 9.03 which are billed through the Effective Date and which have been invoiced one Business Day prior to the Effective Date.

(i) Know Your Customer. The Administrative Agent and each Lender shall have received all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the Patriot Act, as has been reasonably requested in writing.

(j) Amendment Fee. The Borrower shall have paid to the Administrative Agent for the account of each Lender a non-refundable and fully earned fee (the "Amendment Fee") as set forth in the Fee Letter, on or before the Effective Date.

Section 4.02 Conditions to All Credit Events. The obligation of any Lender to make any Loan, and the obligation of any Issuing Lender to issue (or renew or extend the term of) any Letter of Credit, is subject to the satisfaction of the following conditions:

(a) receipt by the Administrative Agent of a Notice of Borrowing as required by Section 2.03, or receipt by an Issuing Lender of a Letter of Credit Request as required by Section 3.03;

(b) the fact that, immediately before and after giving effect to such Credit Event, no Default shall have occurred and be continuing; and

(c) the fact that the representations and warranties of the Borrower contained in this Agreement and the other Loan Documents shall be true and correct on and as of the date of such Credit Event, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they were true and correct as of such earlier date and except for the representations in Section 5.04(c), Section 5.05 and Section 5.13, which shall be deemed only to relate to the matters referred to therein on and as of the Effective Date.

Each Credit Event under this Agreement shall be deemed to be a representation and warranty by the Borrower on the date of such Credit Event as to the facts specified in clauses (b) and (c) of this Section.

ARTICLE V REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants that:

Section 5.01 Status. The Borrower is a corporation duly organized, validly existing and in good standing under the laws of the Commonwealth of Kentucky and the Commonwealth of Virginia and has the corporate authority to make and perform this Agreement and each other Loan Document to which it is a party.

Section 5.02 Authority; No Conflict. The execution, delivery and performance by the Borrower of this Agreement and each other Loan Document to which it is a party have been duly authorized by all necessary corporate action and do not violate (i) any provision of law or regulation, or any decree, order, writ or judgment, (ii) any provision of its articles of incorporation or bylaws, or (iii) result in the breach of or constitute a default under any indenture or other agreement or instrument to which the Borrower is a party; provided that any exercise of the option to increase the Commitment as contemplated in Section 2.19 or extend the Termination Date as contemplated by Section 2.08(d) may require further authorization of the Borrower's Board of Directors, or approvals of the KPSC, TRA, VSCC and/or FERC.

Section 5.03 Legality; Etc. This Agreement and each other Loan Document (other than the Notes) to which the Borrower is a party constitute the legal, valid and binding obligations of the Borrower, and the Notes, when executed and delivered in accordance with this Agreement, will constitute legal, valid and binding obligations of the Borrower, in each case enforceable against the Borrower in accordance with their terms except to the extent limited by (a) bankruptcy, insolvency, fraudulent conveyance or reorganization laws or by other similar laws relating to or affecting the enforceability of creditors' rights generally and by general equitable principles which may limit the right to obtain equitable remedies regardless of whether enforcement is considered in a proceeding of law or equity or (b) any applicable public policy on enforceability of provisions relating to contribution and indemnification.

Section 5.04 Financial Condition.

(a) Audited Financial Statements. The consolidated balance sheet of the Borrower and its Consolidated Subsidiaries as of December 31, 2013 and the related consolidated statements of income and cash flows for the fiscal year then ended, reported on by Ernst and Young LLP, copies of which have been delivered to each of the Administrative Agent and the Lenders, fairly present, in conformity with GAAP, the consolidated financial position of the Borrower and its Consolidated Subsidiaries as of such date and their consolidated results of operations and cash flows for such fiscal year.

(b) Interim Financial Statements. The unaudited consolidated balance sheet of the Borrower and its Consolidated Subsidiaries as of March 31, 2014 and the related unaudited consolidated statements of income and cash flows for the three months then ended fairly present, in conformity with GAAP applied on a basis consistent with the financial statements referred to in subsection (a) of this Section, the consolidated financial position of the Borrower and its Consolidated Subsidiaries as of such date and their consolidated results of operations and cash flows for such three-month period (subject to normal year-end audit adjustments).

(c) Material Adverse Change. Since December 31, 2013 there has been no change in the business, assets, financial condition or operations of the Borrower and its Consolidated Subsidiaries, considered as a whole, that would materially and adversely affect the Borrower's ability to perform any of its obligations under this Agreement, the Notes or the other Loan Documents.

Section 5.05 Litigation. Except as disclosed in or contemplated by the financial statements referenced in Sections 5.04(a) and 5.05(b) above, or in any subsequent report of the Borrower filed with the SEC on a Form 10-K, 10-Q or 8-K Report, or otherwise furnished in writing to the

Administrative Agent and each Lender, no litigation, arbitration or administrative proceeding against the Borrower is pending or, to the Borrower's knowledge, threatened, which would reasonably be expected to materially and adversely affect the ability of the Borrower to perform any of its obligations under this Agreement, the Notes or the other Loan Documents. There is no litigation, arbitration or administrative proceeding pending or, to the knowledge of the Borrower, threatened which questions the validity of this Agreement or the other Loan Documents to which it is a party.

Section 5.06 No Violation. No part of the proceeds of the borrowings by hereunder will be used, directly or indirectly by the Borrower for the purpose of purchasing or carrying any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System, or for any other purpose which violates, or which conflicts with, the provisions of Regulations U or X of said Board of Governors. The Borrower is not engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any such "margin stock".

Section 5.07 ERISA. Each member of the ERISA Group has fulfilled its obligations under the minimum funding standards of ERISA and the Internal Revenue Code with respect to each Material Plan and is in compliance in all material respects with the presently applicable provisions of ERISA and the Internal Revenue Code with respect to each Material Plan. No member of the ERISA Group has (i) sought a waiver of the minimum funding standard under Section 412 of the Internal Revenue Code in respect of any Material Plan, (ii) failed to make any contribution or payment to any Material Plan, or made any amendment to any Material Plan, which has resulted or could result in the imposition of a Lien or the posting of a bond or other security under ERISA or the Internal Revenue Code or (iii) incurred any material liability under Title IV of ERISA other than a liability to the PBGC for premiums under Section 4007 of ERISA.

Section 5.08 Governmental Approvals. ARTICLE VIII THE AGENTS

Section 8.01 Appointment and Authorization. Each Lender hereby irrevocably designates and appoints the Administrative Agent to act as specified herein and in the other Loan Documents and to take such actions on its behalf under the provisions of this Agreement and the other Loan

Documents and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Administrative Agent agrees to act as such upon the express conditions contained in this Article VIII. Notwithstanding any provision to the contrary elsewhere in this Agreement or in any other Loan Document, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Administrative Agent. The provisions of this Article VIII are solely for the benefit of the Administrative Agent and Lenders, and no other Person shall have any rights as a third party beneficiary of any of the provisions hereof. For the sake of clarity, the Lenders hereby agree that no Agent other than the Administrative Agent shall have, in such capacity, any duties or powers with respect to this Agreement or the other Loan Documents.

Section 8.02 Individual Capacity. The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower and its Affiliates as though the Administrative Agent were not an Agent. With respect to the Loans made by it and all obligations owing to it, the Administrative Agent shall have the same rights and powers under this Agreement as any Lender and may exercise the same as though it were not an Agent, and the terms "Required Lenders", "Lender" and "Lenders" shall include the Administrative Agent in its individual capacity.

Section 8.03 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents or attorneys-in-fact. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care except to the extent otherwise required by Section 8.07.

Section 8.04 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, consent, certificate, affidavit, letter, teletype or other electronic facsimile transmission, telex, telegram, cable, teletype, electronic transmission by modem, computer disk or any other message, statement, order or other writing or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders, or all of the Lenders, if applicable, as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders or all of the Lenders, if applicable, and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

Section 8.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default hereunder unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default". If the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default as shall be reasonably directed by the Required Lenders; provided, that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders.

Each Lender expressly acknowledges that no Agent or officer, director, employee, agent, attorney-in-fact or affiliate of any Agent has made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of the Borrower, shall be deemed to constitute any representation or warranty by such Agent to any Lender. Each Lender acknowledges to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower and made its own decision to make its Loans hereunder and to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and to make such investigation as it deems necessary to inform itself as to the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower. No Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, assets, property, financial and other condition, prospects or creditworthiness of the Borrower which may come into the possession of such Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.07 Exculpatory Provisions. The Administrative Agent shall not, and no officers, directors, employees, agents, attorneys-in-fact or affiliates of the Administrative Agent, shall (i) be liable for any action lawfully taken or omitted to be taken by it under or in connection with this Agreement or any other Loan Document (except for its own gross negligence, willful misconduct or bad faith) or (ii) be responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by the Borrower or any of its officers contained in this Agreement, in any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for any failure of the Borrower or any of its officers to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of the Borrower. The Administrative Agent shall not be responsible to any Lender for the effectiveness, genuineness, validity, enforceability, collectibility or sufficiency of this Agreement or any other Loan Document or for any representations, warranties, recitals or statements made by any other Person herein or therein or made by any other Person in any written or oral statement or in any financial or other statements, instruments, reports, certificates or any other documents in connection herewith or therewith furnished or made by the Administrative Agent to the Lenders or by or on behalf of the Borrower to the Administrative Agent or any Lender or be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained herein or therein or as to the use of the proceeds of the Loans or of the existence or possible existence of any Default.

Section 8.08 Indemnification. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Sections 9.03(a), (b) or (c) to be paid by it to the Administrative Agent (or any sub-agent thereof), the Lenders severally agree to indemnify the Administrative Agent, in its capacity as such, and hold the Administrative Agent, in its capacity as such, harmless ratably according to their respective Commitments from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and reasonable expenses or disbursements of any kind whatsoever which may at any time (including, without limitation, at any time following the full payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against the Administrative Agent, in its capacity as such, in any way relating to or arising out of this Agreement or any other Loan Document, or any documents contemplated hereby or referred to herein or the transactions contemplated hereby or any action taken or omitted to be taken by the Administrative Agent under or in connection with any of the foregoing, but only to the extent that any of the foregoing is not paid by the Borrower; provided, that no Lender shall be liable to the Administrative Agent for the payment of any portion of such liabilities, obligations, losses,

damages, penalties, actions, judgments, suits, costs or expenses or disbursements resulting from the gross negligence, willful misconduct or bad faith of the Administrative Agent. If any indemnity furnished to the Administrative Agent for any purpose shall, in the reasonable opinion of the Administrative Agent, be insufficient or become impaired, the Administrative Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished. The agreement in this Section 8.08 shall survive the payment of all Loans, Letter of Credit Liabilities, fees and other obligations of the Borrower arising hereunder.

Section 8.09 Resignation; Successors. The Administrative Agent may resign as Administrative Agent upon twenty (20) days' notice to the Lenders. Upon the resignation of the Administrative Agent, the Required Lenders shall have the right to appoint from among the Lenders a successor to the Administrative Agent, subject to prior approval by the Borrower (so long as no Event of Default exists) (such approval not to be unreasonably withheld), whereupon such successor Administrative Agent shall succeed to and become vested with all the rights, powers and duties of the retiring Administrative Agent, and the term "Administrative Agent" shall include such successor Administrative Agent effective upon its appointment, and the retiring Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any other Loan Document. If no successor shall have been appointed by the Required Lenders and approved by the Borrower and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may at its election give notice to the Lenders and the Borrower of the immediate effectiveness of its resignation and such resignation shall thereupon become effective and the Lenders collectively shall perform all of the duties of the Administrative Agent hereunder and under the other Loan Documents until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After the retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement or any other Loan Document

Section 8.10 Administrative Agent's Fees. The Borrower shall pay to the Administrative Agent for its own account fees in the amount and at the times agreed to and accepted by the Borrower pursuant to the Fee Letter.

Section 9.02 No Waivers; Non-Exclusive Remedies. No failure by any Agent or any Lender to exercise, no course of dealing with respect to, and no delay in exercising any right, power or privilege hereunder or under any Note or other Loan Document shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies provided herein and in the other Loan Documents shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 9.03 Expenses; Indemnification.

(a) Expenses. The Borrower shall pay (i) all out-of-pocket expenses of the Agents, including legal fees and disbursements of Davis Polk & Wardwell LLP and any other local counsel retained by the Administrative Agent, in its reasonable discretion, in connection with the preparation, execution, delivery and administration of the Loan Documents, the syndication efforts of the Agents with respect thereto, any waiver or consent thereunder or any amendment thereof or any Default or alleged Default thereunder and (ii) all reasonable out-of-pocket expenses incurred by the Agents and each Lender, including (without duplication) the fees and disbursements of outside counsel, in connection with any restructuring, workout, collection, bankruptcy, insolvency and other enforcement proceedings in connection with the enforcement and protection of its rights; provided, that the Borrower shall not be liable for any legal fees or disbursements of any counsel for the Agents and the Lenders other than Davis Polk & Wardwell LLP associated with the preparation, execution and delivery of this Agreement and the closing documents contemplated hereby.

(b) Indemnity in Respect of Loan Documents. The Borrower agrees to indemnify the Agents and each Lender, their respective Affiliates and the respective directors, officers, trustees, agents, employees, trustees and advisors of the foregoing (each an "Indemnitee") and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses or disbursements of any kind whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and any civil penalties or fines assessed by OFAC), which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in connection with any investigative, administrative or judicial proceeding (whether or not such Indemnitee shall be designated a party thereto) brought or threatened (by any third party, by the Borrower or any Subsidiary of the Borrower) in any way relating to or arising out of this Agreement, any other Loan Document or any documents contemplated hereby or referred to herein or any actual or proposed use of proceeds of Loans hereunder; provided, that no Indemnitee shall have the right to be indemnified hereunder for such Indemnitee's own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment or order.

(c) Indemnity in Respect of Environmental Liabilities. The Borrower agrees to indemnify each Indemnitee and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs and expenses or disbursements of any kind whatsoever (including, without limitation, reasonable expenses of investigation by engineers, environmental consultants and similar technical personnel and reasonable fees and disbursements of counsel) which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in respect of or in connection with any actual or alleged presence or release of Hazardous Substances on or from any property now or previously owned or operated by the Borrower or any of its Subsidiaries or any predecessor of the Borrower or any of its Subsidiaries or any and all Environmental Liabilities. Without limiting the generality of the foregoing, the Borrower hereby waives all rights of contribution or any other rights of recovery with respect to liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs and expenses and disbursements in respect of or in connection with Environmental Liabilities that it might have by statute or otherwise against any Indemnitee.

(d) Waiver of Damages. To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions

contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in clause (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; provided that nothing in this Section 9.03(d) shall relieve any Lender from its obligations under Section 9.12.

Section 9.04 Sharing of Set-Offs. Each Lender agrees that if it shall, by exercising any right of set-off or counterclaim or otherwise, receive payment of a proportion of the aggregate amount of principal and interest due with respect to any Loan made or Note held by it and any Letter of Credit Liabilities which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal and interest due with respect to any Loan, Note and Letter of Credit Liabilities made or held by such other Lender, except as otherwise expressly contemplated by this Agreement, the Lender receiving such proportionately greater payment shall purchase such participations in the Loan made or Notes and Letter of Credit Liabilities held by the other Lenders, and such other adjustments shall be made, in each case as may be required so that all such payments of principal and interest with respect to the Loan made or Notes and Letter of Credit Liabilities made or held by the Lenders shall be shared by the Lenders pro rata; provided, that nothing in this Section shall impair the right of any Lender to exercise any right of set-off or counterclaim it may have for payment of indebtedness of the Borrower other than its indebtedness hereunder.

Section 9.05 Amendments and Waivers. Any provision of this Agreement or the Notes may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Borrower and the Required Lenders (and, if the rights or duties of the Administrative Agent, Swingline Lender or any Issuing Lenders are affected thereby, by the Administrative Agent, Swingline Lender or such Issuing Lender, as relevant); provided, that no such amendment or waiver shall, (a) unless signed by each Lender adversely affected thereby, (i) extend or increase the Commitment of any Lender or subject any Lender to any additional obligation (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or of mandatory reductions in the Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender as in effect at any time shall not constitute an increase in such Commitment), (ii) reduce the principal or rate of interest on any Loan (except in connection with a waiver of applicability of any post-default increase in interest rates) or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder, (iii) postpone the date fixed for any payment of interest on any Loan or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder or for any scheduled reduction or termination of any Commitment or (except as expressly provided in Article III) expiration date of any Letter of Credit, (iv) postpone or change the date fixed for any scheduled payment of principal of any Loan, (v) change any provision hereof in a manner that would alter the pro rata funding of Loans required by Section 2.04(b), the pro rata sharing of payments required by Sections 2.09(b), 2.11(a) or 9.04 or the pro rata reduction of Commitments required by Section 2.08(a) or (vi) change the currency in which Loans are to be made, Letters of Credit are to be issued or payment under the Loan Documents is to be made, or add additional borrowers or (b) unless signed by each Lender, change the definition of Required Lender or this Section 9.05 or Section 9.06(a).

Section 9.06 Successors and Assigns.

(a) Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Borrower may not assign or otherwise transfer any of its rights under this Agreement without the prior written consent of all of the Lenders, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement.

(b) Participations. Any Lender may at any time grant to one or more banks or other financial institutions or special purpose funding vehicle (each a "Participant") participating interests in its Commitments and/or any or all of its Loans and Letter of Credit Liabilities. In the event of any such grant by a Lender of a participating interest to a Participant, whether or not upon notice to the Borrower and the Administrative Agent, such Lender shall remain responsible for the performance of its obligations hereunder, and the Borrower, the Issuing Lenders, the Swingline Lender and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such participation agreement may provide that such Lender will not agree to any modification, amendment or waiver of this Agreement which would (i) extend the Termination Date, reduce the rate or extend the time of payment of principal, interest or fees on any Loan or Letter of Credit Liability in which such Participant is participating (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the Participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or of a mandatory reduction in the Commitments shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan or Letter of Credit Liability shall be permitted without the consent of any Participant if the Participant's participation is not increased as a result thereof) or (ii) allow the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement, without the consent of the Participant, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement. The Borrower agrees that each Participant shall, to the extent provided in its participation agreement, be entitled to the benefits of Article II with respect to its participating interest to the same extent as if it were a Lender, subject to the same limitations, and in no case shall any Participant be entitled to receive any amount payable pursuant to Article II that is greater than the amount the Lender granting such Participant's participating interest would have been entitled to receive had such Lender not sold such participating interest. An assignment or other transfer which is not permitted by subsection (c) or (d) below shall be given effect for purposes of this Agreement only to the extent of a participating interest granted in accordance with this subsection (b). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register (solely for tax purposes) on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided, that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person except to the extent that such disclosure is necessary to establish that such interest in the Loan or other obligation under the Loan Documents is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) Assignments Generally. Any Lender may at any time assign to one or more Eligible Assignees (each, an "Assignee") all, or a proportionate part (equivalent to an initial amount of not less than \$5,000,000 or any larger integral multiple of \$1,000,000), of its rights and obligations under this Agreement and the Notes with respect to its Loans and, if still in existence, its Commitment, and such Assignee shall assume such rights and obligations, pursuant to an Assignment and Assumption Agreement in substantially the form of Exhibit C attached hereto executed by such Assignee and such transferor, with (and subject to) the consent of the Borrower, which shall not be unreasonably withheld or delayed, the Administrative Agent, Swingline Lender and the Issuing Lenders, which consents shall not be unreasonably withheld or delayed; provided, that if an Assignee is an Approved Fund or Affiliate of such transferor Lender or was a Lender immediately prior to such assignment, no such consent of the Borrower or the Administrative Agent shall be required; provided, further, that if at the time of such assignment a Default or an Event of Default has occurred and is continuing, no such consent of the Borrower shall be required; provided, further, that no such assignment may be made prior to the Effective Date without the prior written consent of the Joint Lead Arrangers;

provided, further, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a transferor with respect to any Loans made, any Letters of Credit issued or any other actions taken by such transferor while it was a Lender. Upon execution and delivery of such instrument and payment by such Assignee to such transferor of an amount equal to the purchase price agreed between such transferor and such Assignee, such Assignee shall be a Lender party to this Agreement and shall have all the rights and obligations of a Lender with a Commitment, if any, as set forth in such instrument of assumption, and the transferor shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required. Upon the consummation of any assignment pursuant to this subsection (c), the transferor, the Administrative Agent and the Borrower shall make appropriate arrangements so that, if required, a new Note is issued to the Assignee. In connection with any such assignment, the transferor shall pay to the Administrative Agent an administrative fee for processing such assignment in the amount of \$3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such administrative fee in the case of any assignment. Each Assignee shall, on or before the effective date of such assignment, deliver to the Borrower and the Administrative Agent certification as to exemption from deduction or withholding of any United States Taxes in accordance with Section 2.17(e).

(d) Assignments to Federal Reserve Banks. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement and its Note to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central banking authority; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Register. The Borrower hereby designates the Administrative Agent to serve as the Borrower's agent, solely for purposes of this Section 9.06(e), to (i) maintain a register (the "Register") on which the Administrative Agent will record the Commitments from time to time of each Lender, the Loans made by each Lender and each repayment in respect of the principal amount of the Loans of each Lender and to (ii) retain a copy of each Assignment and Assumption Agreement delivered to the Administrative Agent pursuant to this Section. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligation in respect of such Loans. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, the Administrative Agent, Swingline Lender, the Issuing Lenders and the other Lenders shall treat each Person in whose name a Loan and the Note evidencing the same is registered as the owner thereof for all purposes of this Agreement, notwithstanding notice or any provision herein to the contrary. With respect to any Lender, the assignment or other transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made and any Note issued pursuant to this Agreement shall not be effective until such assignment or other transfer is recorded on the Register and, except to the extent provided in this Section 9.06(e), otherwise complies with Section 9.06, and prior to such recordation all amounts owing to the transferring Lender with respect to such Commitments, Loans and Notes shall remain owing to the transferring Lender. The registration of assignment or other transfer of all or part of any Commitments, Loans and Notes for a Lender shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement and payment of the administrative fee referred to in Section 9.06(c). The Register shall be available for inspection by each of the Borrower, the Swingline Lender and each Issuing Lender at any reasonable time and from time to time upon reasonable prior notice. In addition, at any time that a request for a consent for a material or substantive change to the Loan Documents is pending, any Lender wishing to consult with other Lenders in connection therewith may request and receive from the Administrative Agent a copy of the Register. The Borrower may not replace any Lender pursuant to Section 2.08(b), unless, with respect to any Notes held by such Lender, the requirements of Section 9.06(c) and this Section 9.06(e) have been satisfied.

Section 9.07 Governing Law; Submission to Jurisdiction. This Agreement, each Note and each Letter of Credit shall be governed by and construed in accordance with the internal laws of the State of New York. The Borrower hereby submits to the exclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State court sitting in New York City for purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. The Borrower irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such court and any claim that any such proceeding brought in any such court has been brought in an inconvenient forum.

Section 9.08 Counterparts; Integration; Effectiveness. This Agreement shall become effective on the Effective Date. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. On and after the Effective Date, this Agreement, the other Loan Documents and the Fee Letter constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof and thereof.

Section 9.09 Generally Accepted Accounting Principles. Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made and all financial statements required to be delivered hereunder shall be prepared in accordance with GAAP as in effect from time to time, applied on a basis consistent (except for changes concurred in by the Borrower's independent public accountants) with the audited consolidated financial statements of the Borrower and its Consolidated Subsidiaries most recently delivered to the Lenders; provided, that, if the Borrower notifies the Administrative Agent that the Borrower wishes to amend any covenant in Article VI to eliminate the effect of any change in GAAP on the operation of such covenant (or if the Administrative Agent notifies the Borrower that the Required Lenders wish to amend Article VI for such purpose), then the Borrower's compliance with such covenant shall be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either such notice is withdrawn or such covenant is amended in a manner satisfactory to the Borrower and the Required Lenders.

Section 9.10 Usage. The following rules of construction and usage shall be applicable to this Agreement and to any instrument or agreement that is governed by or referred to in this Agreement.

(a) All terms defined in this Agreement shall have the defined meanings when used in any instrument governed hereby or referred to herein and in any certificate or other document made or delivered pursuant hereto or thereto unless otherwise defined therein.

(b) The words "hereof", "herein", "hereunder" and words of similar import when used in this Agreement or in any instrument or agreement governed here shall be construed to refer to this Agreement or such instrument or agreement, as applicable, in its entirety and not to any particular provision or subdivision hereof or thereof.

(c) References in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, this Agreement unless the context otherwise requires; references in any instrument or agreement governed by or referred to in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, such instrument or agreement unless the context otherwise requires.

(d) The definitions contained in this Agreement shall apply equally to the singular and plural forms of such terms. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The word “will” shall be construed to have the same meaning as the word “shall”. The term “including” shall be construed to have the same meaning as the phrase “including without limitation”.

(e) Unless the context otherwise requires, any definition of or reference to any agreement, instrument, statute or document contained in this Agreement or in any agreement or instrument that is governed by or referred to in this Agreement shall be construed (i) as referring to such agreement, instrument, statute or document as the same may be amended, supplemented or otherwise modified from time to time (subject to any restrictions on such amendments, supplements or modifications set forth in this Agreement or in any agreement or instrument governed by or referred to in this Agreement), including (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and (ii) to include (in the case of agreements or instruments) references to all attachments thereto and instruments incorporated therein. Any reference to any Person shall be construed to include such Person’s successors and permitted assigns.

(f) Unless the context otherwise requires, whenever any statement is qualified by “to the best knowledge of” or “known to” (or a similar phrase) any Person that is not a natural person, it is intended to indicate that the senior management of such Person has conducted a commercially reasonable inquiry and investigation prior to making such statement and no member of the senior management of such Person (including managers, in the case of limited liability companies, and general partners, in the case of partnerships) has current actual knowledge of the inaccuracy of such statement.

(g) Unless otherwise specified, all references herein to times of day shall constitute references to Charlotte, North Carolina time.

Section 9.11 WAIVER OF JURY TRIAL. THE BORROWER HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 9.12 Confidentiality. Each Lender agrees to hold all non-public information obtained pursuant to the requirements of this Agreement in accordance with its customary procedure for handling confidential information of this nature and in accordance with safe and sound banking practices; provided, that nothing herein shall prevent any Lender from disclosing such information (i) to any other Lender or to any Agent, (ii) to any other Person if reasonably incidental to the administration of the Loans and Letter of Credit Liabilities, (iii) upon the order of any court or administrative agency, (iv) to the extent requested by, or required to be disclosed to, any rating agency or regulatory agency or similar authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (v) which had been publicly disclosed other than as a result of a disclosure by any Agent or any Lender prohibited by this Agreement, (vi) in connection with any litigation to which any Agent, any Lender or any of their respective Subsidiaries or Affiliates may be party, (vii) to the extent necessary in connection with the exercise of any remedy hereunder, (viii) to such Lender’s or Agent’s Affiliates and their respective directors, officers, employees, service providers and agents including legal counsel and independent auditors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential), (ix) with the consent of the Borrower, (x) to Gold Sheets and other similar bank trade publications, such information to consist solely of deal terms and other information customarily found in such publications and (xi) subject to provisions substantially similar to those contained in this Section, to any actual or proposed Participant or Assignee or to any actual or prospective counterparty (or its advisors) to any securitization, swap or derivative transaction relating to the Borrower’s Obligations hereunder. Notwithstanding the foregoing, any Agent, any Lender or Davis Polk & Wardwell LLP may circulate promotional materials and place advertisements in financial and other newspapers and periodicals or on a home page or similar place for dissemination of information on the Internet or worldwide web, in each case, after the closing of the transactions contemplated by this Agreement in the form of a “tombstone” or other release limited to describing the names of the Borrower or its Affiliates, or any of them, and the amount, type and closing date of such transactions, all at their sole expense.

Section 9.13 USA PATRIOT Act Notice. If any portion of any such amount paid to the Swingline Lender shall be recovered by or on behalf of the Borrower from the Swingline Lender in bankruptcy or otherwise, the loss of the amount so recovered shall be ratably shared among all the Lenders in accordance with their respective Commitment Ratios (unless the amounts so recovered by or on behalf of the Borrower pertain to a Swingline Loan extended after the occurrence and during the continuance of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable).

(iii) Each Lender acknowledges and agrees that its obligation to refund Swingline Loans (other than Swingline Loans extended after the occurrence and during the continuation of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable) in accordance with the terms of this Section is absolute and unconditional and shall not be affected by any circumstance whatsoever, including, without limitation, non-satisfaction of the conditions set forth in Article IV. Further, each Lender agrees and acknowledges that if prior to the refunding of any outstanding Swingline Loans pursuant to this Section, one of the events described in Section 7.01(h) or (i) shall have occurred, each Lender will, on the date the applicable Revolving Loan would have been made, purchase an undivided participating interest in the Swingline Loan to be refunded in an amount equal to its Commitment Ratio of the aggregate amount of such Swingline Loan. Each Lender will immediately transfer to the Swingline Lender, in immediately available funds, the amount of its participation and upon receipt thereof the Swingline Lender will deliver to such Lender a certificate evidencing such participation dated the date of receipt of such funds and for such amount. Whenever, at any time after the Swingline Lender has received from any Lender such Lender’s participating interest in a Swingline Loan, the Swingline Lender receives any payment on account thereof, the Swingline Lender will distribute to such Lender its participating interest in such amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender’s participating interest was outstanding and funded).

Section 2.03 Notice of Borrowings. The Borrower shall give the Administrative Agent notice substantially in the form of Exhibit A-1 hereto (a “Notice of Borrowing”) not later than (a) 11:30 A.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the third Business Day before each Euro-Dollar Borrowing, specifying:

- (i) the date of such Borrowing, which shall be a Business Day;
- (ii) the aggregate amount of such Borrowing;
- (iii) whether such Borrowing is comprised of Revolving Loans or a Swingline Loan;
- (iv) in the case of a Revolving Borrowing, the initial Type of the Loans comprising such Borrowing; and
- (v) in the case of a Euro-Dollar Borrowing, the duration of the initial Interest Period applicable thereto, subject to the provisions of the definition of Interest Period.

Notwithstanding the foregoing, no more than six (6) Groups of Euro-Dollar Loans shall be outstanding at any one time, and any Loans which would exceed such limitation shall be made as Base Rate Loans.

Section 2.04 Notice to Lenders; Funding of Revolving Loans and Swingline Loans.

(a) Notice to Lenders. Upon receipt of a Notice of Borrowing (other than in respect of a Borrowing of a Swingline Loan), the Administrative Agent shall promptly notify each Lender of such Lender's ratable share (if any) of the Borrowing referred to in the Notice of Borrowing, and such Notice of Borrowing shall not thereafter be revocable by the Borrower.

(b) Funding of Loans. Not later than (a) 1:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing, each Lender shall make available its ratable share of such Borrowing, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. Unless the Administrative Agent determines that any applicable condition specified in Article IV has not been satisfied, the Administrative Agent shall apply any funds so received in respect of a Borrowing available to the Borrower at the Administrative Agent's address not later than (a) 3:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 2:00 P.M. (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing. Revolving Loans to be made for the purpose of refunding Swingline Loans shall be made by the Lenders as provided in Section 2.02(b).

(c) Funding By the Administrative Agent in Anticipation of Amounts Due from the Lenders. Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing (except in the case of a Base Rate Borrowing, in which case prior to the time of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available to the Administrative Agent on the date of such Borrowing in accordance with subsection (b) of this Section, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such share available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount, together with interest thereon for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) a rate per annum equal to the higher of the Federal Funds Rate and the interest rate applicable thereto pursuant to Section 2.06, in the case of the Borrower, and (ii) the Federal Funds Rate, in the case of such Lender. Any payment by the Borrower hereunder shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make its share of a Borrowing available to the Administrative Agent. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan included in such Borrowing for purposes of this Agreement.

(d) Obligations of Lenders Several. The failure of any Lender to make a Loan required to be made by it as part of any Borrowing hereunder shall not relieve any other Lender of its obligation, if any, hereunder to make any Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on such date of Borrowing.

Section 2.05 Noteless Agreement; Evidence of Indebtedness.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Administrative Agent shall also maintain accounts in which it will record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period with respect thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(c) The entries maintained in the accounts maintained pursuant to subsections (a) and (b) above shall be prima facie evidence of the existence and amounts of the Obligations therein recorded; provided, however, that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(d) Any Lender may request that its Loans be evidenced by a Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 9.06(c)) be represented by one or more Notes payable to the order of the payee named therein or any assignee pursuant to Section 9.06(c), except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in subsections (a) and (b) above.

Section 2.06 Interest Rates.

(a) Interest Rate Options. The Loans shall, at the option of the Borrower and except as otherwise provided herein, be incurred and maintained as, or converted into, one or more Base Rate Loans or Euro-Dollar Loans.

(b) Base Rate Loans. Each Loan which is made as, or converted into, a Base Rate Loan (other than a Swingline Loan) shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made as, or converted into, a Base Rate Loan until it becomes due or is converted into a Loan of any other Type, at a rate per annum equal to the sum of the Base Rate for such day plus the Applicable Percentage for Base Rate Loans for such day. Each Loan which is made as a Swingline Loan shall bear interest on the outstanding principal amount thereof, for each day from the date

such Loan is made until it becomes due at a rate per annum equal to the LIBOR Market Index Rate for such day plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall, in each case, be payable quarterly in arrears on each Quarterly Date (or, with respect to Base Rate Loans that are Swingline Loans, as the Swingline Lender and the Borrower may otherwise agree in writing) and, with respect to the principal amount of any Base Rate Loan (other than a Swingline Loan) converted to a Euro-Dollar Loan, on the date such Base Rate Loan is so converted. Any overdue principal of or interest on any Base Rate Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the rate otherwise applicable to Base Rate Loans for such day.

(c) Euro-Dollar Loans. Each Euro-Dollar Loan shall bear interest on the outstanding principal amount thereof, for each day during the Interest Period applicable thereto, at a rate per annum equal to the sum of the Adjusted London Interbank Offered Rate for such Interest Period plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall be payable for each Interest Period on the last day thereof and, if such Interest Period is longer than three months, at intervals of three months after the first day thereof. Any overdue principal of or interest on any Euro-Dollar Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the sum of (A) the Adjusted London Interbank Offered Rate applicable to such Loan at the date such payment was due plus (B) the Applicable Percentage for Euro-Dollar Loans for such day (or, if the circumstance described in Section 2.14 shall exist, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day).

(d) Method of Electing Interest Rates.

(i) Subject to Section 2.06(a), the Loans included in each Revolving Borrowing shall bear interest initially at the type of rate specified by the Borrower in the applicable Notice of Borrowing. Thereafter, with respect to each Group of Loans, the Borrower shall have the option (A) to convert all or any part of (y) so long as no Default is in existence on the date of conversion, outstanding Base Rate Loans to Euro-Dollar Loans and (z) outstanding Euro-Dollar Loans to Base Rate Loans; provided, in each case, that the amount so converted shall be equal to \$10,000,000 or any larger integral multiple of \$1,000,000, or (B) upon the expiration of any Interest Period applicable to outstanding Euro-Dollar Loans, so long as no Default is in existence on the date of continuation, to continue all or any portion of such Loans, equal to \$10,000,000 and any larger integral multiple of \$1,000,000 in excess of that amount as Euro-Dollar Loans. The Interest Period of any Base Rate Loan converted to a Euro-Dollar Loan pursuant to clause (A) above shall commence on the date of such conversion. The succeeding Interest Period of any Euro-Dollar Loan continued pursuant to clause (B) above shall commence on the last day of the Interest Period of the Loan so continued. Euro-Dollar Loans may only be converted on the last day of the then current Interest Period applicable thereto or on the date required pursuant to Section 2.18.

(ii) The Borrower shall deliver a written notice of each such conversion or continuation (a "Notice of Conversion/Continuation") to the Administrative Agent no later than (A) 12:00 Noon (Charlotte, North Carolina time) at least three (3) Business Days before the effective date of the proposed conversion to, or continuation of, a Euro Dollar Loan and (B) 11:30 A.M. (Charlotte, North Carolina time) on the day of a conversion to a Base Rate Loan. A written Notice of Conversion/Continuation shall be substantially in the form of Exhibit A-2 attached hereto and shall specify: (A) the Group of Loans (or portion thereof) to which such notice applies, (B) the proposed conversion/continuation date (which shall be a Business Day), (C) the aggregate amount of the Loans being converted/continued, (D) an election between the Base Rate and the Adjusted London Interbank Offered Rate and (E) in the case of a conversion to, or a continuation of, Euro-Dollar Loans, the requested Interest Period. Upon receipt of a Notice of Conversion/Continuation, the Administrative Agent shall give each Lender prompt notice of the contents thereof and such Lender's pro rata share of all conversions and continuations requested therein. If no timely Notice of Conversion/Continuation is delivered by the Borrower as to any Euro-Dollar Loan, and such Loan is not repaid by the Borrower at the end of the applicable Interest Period, such Loan shall be converted automatically to a Base Rate Loan on the last day of the then applicable Interest Period.

(e) Determination and Notice of Interest Rates. The Administrative Agent shall determine each interest rate applicable to the Loans hereunder. The Administrative Agent shall give prompt notice to the Borrower and the participating Lenders of each rate of interest so determined, and its determination thereof shall be conclusive in the absence of manifest error. Any notice with respect to Euro-Dollar Loans shall, without the necessity of the Administrative Agent so stating in such notice, be subject to adjustments in the Applicable Percentage applicable to such Loans after the beginning of the Interest Period applicable thereto. When during an Interest Period any event occurs that causes an adjustment in the Applicable Percentage applicable to Loans to which such Interest Period is applicable, the Administrative Agent shall give prompt notice to the Borrower and the Lenders of such event and the adjusted rate of interest so determined for such Loans, and its determination thereof shall be conclusive in the absence of manifest error.

Section 2.07 Fees.

(a) Commitment Fees. The Borrower shall pay to the Administrative Agent for the account of each Lender a fee (the "Commitment Fee") for each day at a rate per annum equal to the Applicable Percentage for the Commitment Fee for such day. The Commitment Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the amount by which such Lender's Commitment exceeds the sum of its Revolving Outstandings (solely for this purpose, exclusive of Swingline Exposure) on such day. The Commitment Fee shall be payable on the last day of each of March, June, September and December and on the Termination Date.

(b) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent a fee (the "Letter of Credit Fee") for each day at a rate per annum equal to the Applicable Percentage for the Letter of Credit Fee for such day. The Letter of Credit Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the aggregate amount available for drawing under any Letters of Credit outstanding on such day and shall be payable for the account of the Lenders ratably in proportion to their participations in such Letter(s) of Credit. In addition, the Borrower shall pay to each Issuing Lender a fee (the "Fronting Fee") in respect of each Letter of Credit issued by such Issuing Lender computed at the rate of 0.20% per annum on the average amount available for drawing under such Letter(s) of Credit. Fronting Fees shall be due and payable quarterly in arrears on each Quarterly Date and on the Termination Date (or such earlier date as all Letters of Credit shall be canceled or expire). In addition, the Borrower agrees to pay to each Issuing Lender, upon each issuance of, payment under, and/or amendment of, a Letter of Credit, such amount as shall at the time of such issuance, payment or amendment be the administrative charges and expenses which such Issuing Lender is customarily charging for issuances of, payments under, or amendments to letters of credit issued by it.

(c) Payments. Except as otherwise provided in this Section 2.07, accrued fees under this Section 2.07 in respect of Loans and Letter of Credit Liabilities shall be payable quarterly in arrears on each Quarterly Date, on the last day of the Availability Period and, if later, on the date the Loans and Letter of Credit Liabilities shall be repaid in their entirety. Fees paid hereunder shall not be refundable under any circumstances.

Section 2.08 Adjustments of Commitments.

(a) Optional Termination or Reductions of Commitments (Pro-Rata). The Borrower may, upon at least three Business Days' prior written notice to the Administrative Agent, permanently (i) terminate the Commitments, if there are no Revolving Outstandings at such time or (ii) ratably reduce from time to

time by a minimum amount of \$10,000,000 or any larger integral multiple of \$5,000,000, the aggregate amount of the Commitments in excess of the aggregate Revolving Outstandings. Upon receipt of any such notice, the Administrative Agent shall promptly notify the Lenders. If the Commitments are terminated in their entirety, all accrued fees shall be payable on the effective date of such termination.

(b) **Replacement of Lenders; Optional Termination of Commitments (Non-Pro-Rata).** If (i) any Lender has demanded compensation or indemnification pursuant to Sections 2.14, 2.15, 2.16 or 2.17, (ii) the obligation of any Lender to make Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (iii) any Lender is a Defaulting Lender (each such Lender described in clauses (i), (ii) or (iii) being a “Retiring Lender”), the Borrower shall have the right, if no Default then exists, to replace such Lender with one or more Eligible Assignees (which may be one or more of the Continuing Lenders) (each a “Replacement Lender” and, collectively, the “Replacement Lenders”) reasonably acceptable to the Administrative Agent. The replacement of a Retiring Lender pursuant to this Section 2.08(b) shall be effective on the tenth Business Day (the “Replacement Date”) following the date of notice given by the Borrower of such replacement to the Retiring Lender and each Continuing Lender through the Administrative Agent, subject to the satisfaction of the following conditions:

(i) the Replacement Lender shall have satisfied the conditions to assignment and assumption set forth in Section 9.06(c) (with all fees payable pursuant to Section 9.06(c) to be paid by the Borrower) and, in connection therewith, the Replacement Lender(s) shall pay:

(A) to the Retiring Lender an amount equal in the aggregate to the sum of (x) the principal of, and all accrued but unpaid interest on, all outstanding Loans of the Retiring Lender, (y) all unpaid drawings that have been funded by (and not reimbursed to) the Retiring Lender under Section 3.10, together with all accrued but unpaid interest with respect thereto and (z) all accrued but unpaid fees owing to the Retiring Lender pursuant to Section 2.07; and

(B) to the Swingline Lender an amount equal to the aggregate amount owing by the Retiring Lender to the Swingline Lender in respect of all unpaid refundings of Swingline Loans requested by the Swingline Lender pursuant to Section 2.02(b)(i), to the extent such amount was not theretofore funded by such Retiring Lender; and

(C) to the Issuing Lenders an amount equal to the aggregate amount owing by the Retiring Lender to the Issuing Lenders as reimbursement pursuant to Section 3.09, to the extent such amount was not theretofore funded by such Retiring Lender; and

(ii) the Borrower shall have paid to the Administrative Agent for the account of the Retiring Lender an amount equal to all obligations owing to the Retiring Lender by the Borrower pursuant to this Agreement and the other Loan Documents (other than those obligations of the Borrower referred to in clause (i)(A) above).

On the Replacement Date, each Replacement Lender that is a New Lender shall become a Lender hereunder and shall succeed to the obligations of the Retiring Lender with respect to outstanding Swingline Loans and Letters of Credit to the extent of the Commitment of the Retiring Lender assumed by such Replacement Lender, and the Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall continue to inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

In lieu of the foregoing, subject to Section 2.08(e), upon express written consent of Continuing Lenders holding more than 50% of the aggregate amount of the Commitments of the Continuing Lenders, the Borrower shall have the right to permanently terminate the Commitment of a Retiring Lender in full. Upon payment by the Borrower to the Administrative Agent for the account of the Retiring Lender of an amount equal to the sum of (i) the aggregate principal amount of all Loans and Reimbursement Obligations owed to the Retiring Lender and (ii) all accrued interest, fees and other amounts owing to the Retiring Lender hereunder, including, without limitation, all amounts payable by the Borrower to the Retiring Lender under Sections 2.12, 2.16, 2.17 or 9.03, such Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

(c) **Optional Termination of Defaulting Lender Commitment (Non-Pro-Rata).** At any time a Lender is a Defaulting Lender, subject to Section 2.08(e), the Borrower may terminate in full the Commitment of such Defaulting Lender by giving notice to such Defaulting Lender and the Administrative Agent, provided, that, (i) at the time of such termination, (A) no Default has occurred and is continuing (or alternatively, the Required Lenders shall consent to such termination) and (B) either (x) no Revolving Loans or Swingline Loans are outstanding or (y) the aggregate Revolving Outstandings of such Defaulting Lender in respect of Revolving Loans is zero; (ii) concurrently with such termination, the aggregate Commitments shall be reduced by the Commitment of the Defaulting Lender; and (iii) concurrently with any subsequent payment of interest or fees to the Lenders with respect to any period before the termination of a Defaulting Lender's Commitment, the Borrower shall pay to such Defaulting Lender its ratable share (based on its Commitment Ratio before giving effect to such termination) of such interest or fees, as applicable. The termination of a Defaulting Lender's Commitment pursuant to this Section 2.08(c) shall not be deemed to be a waiver of any right that the Borrower, Administrative Agent, any Issuing Lender or any other Lender may have against such Defaulting Lender.

(d) **Termination Date; Optional Extensions.**

(i) The Commitments shall terminate on the Termination Date.

(ii) The Borrower may, by sending an Extension Letter to the Administrative Agent (in which case the Administrative Agent shall promptly deliver a copy to each of the Lenders), not less than thirty (30) nor more than ninety (90) days prior to the first or second anniversary of the date hereof (each such anniversary, the “Extension Date”), or at both times, request that the Lenders extend the Termination Date then in effect (the “Current Termination Date”) so that it will occur one year after the Current Termination Date. Each Lender, acting in its sole discretion, may, by notice to the Administrative Agent given no later than fifteen (15) days prior to the first or second annual anniversary of the date hereof, as applicable (the “Election Date”), advise the Administrative Agent in writing whether or not it agrees to such extension (each Lender to respond negatively to such request being referred to herein as a “Non-Extending Lender”); provided, that, any Lender not responding to such request within such time period shall be deemed to be a Non-Extending Lender. The election of any Lender to agree to such extension shall not obligate any other Lender to agree.

(iii) (A) If Lenders holding Commitments that aggregate at least 51% of the aggregate Commitments of the Lenders on or prior to the Election Date shall not have agreed to extend the Termination Date, then the Current Termination Date shall not be so extended and the outstanding principal balance of all loans and other amounts payable hereunder shall be due and payable on the Current Termination Date. (B) If

(and only if) Lenders holding Commitments that aggregate at least 51% of the aggregate Revolving Commitments of the Lenders on or prior to the Election Date shall have agreed to extend the Current Termination Date, then the Termination Date applicable to the Lenders that are Extending Lenders shall, as of the Extension Date, be the day that is one year after the Current Termination Date. In the event of such extension, the Commitment of each Non-Extending Lender shall terminate on the Current Termination Date applicable to such Non-Extending Lender, all Loans and other amounts payable hereunder to such Non-Extending Lender shall become due and payable on such Current Termination Date and the aggregate Commitments of the Lenders hereunder shall be reduced by the aggregate Commitments of Non-Extending Lenders so terminated on and after such Current Termination Date. Each Non-Extending Lender shall be required to maintain its original Commitment up to the Termination Date, or Current Termination Date, as applicable, to which such Non-Extending Lender had previously agreed.

(iv) In the event that the conditions of clause (B) of paragraph (iii) above have been satisfied, the Borrower shall have the right on or before the applicable Extension Date, at its own expense, to require any Non-Extending Lender to transfer and assign without recourse or representation (except as to title and the absence of Liens created by it) (in accordance with and subject to the restrictions contained in Section 9.06(c)) all its interests, rights and obligations under the Loan Documents (including with respect to any Letter of Credit Liabilities) to one or more Eligible Assignees (which may include any Lender) (each, an "Additional Commitment Lender"), provided, that (x) such Additional Commitment Lender, if not already a Lender hereunder, shall be subject to the approval of the Administrative Agent, the Swingline Lender and the Issuing Lenders (not to be unreasonably withheld), (y) such assignment shall become effective as of the applicable Extension Date and (z) the Additional Commitment Lender shall pay to such Non-Extending Lender in immediately available funds on the effective date of such assignment the principal of and interest accrued to the date of payment on the Loans made by such Non-Extending Lender hereunder and all other amounts accrued for such Non-Extending Lender's account or owed to it hereunder.

(v) Notwithstanding the foregoing, no extension of the Termination Date shall become effective unless, on the Extension Date, (i) the conditions set forth in Section 4.02 shall be satisfied (with all references in such paragraphs to the making of a Loan or issuance of a Letter of Credit being deemed to be references to the extension of the Commitments on the Extension Date), (ii) any necessary governmental, regulatory and third party approvals, including, without limitation any KPSC and/or FERC approval required to authorize the extension of the Termination Date shall be in full force and effect, in each case without any action being taken by any competent authority which could restrain or prevent such transaction or impose, in the reasonable judgment of the Administrative Agent, materially adverse conditions upon the consummation of the extension of the Termination Date and (iii) the Administrative Agent shall have received (a) a certificate to that effect, with any necessary governmental, regulatory or third party approvals attached thereto, dated the Extension Date and executed by a Responsible Officer of the Borrower and (b) opinions of counsel for the Borrower, addressed to the Administrative Agent and each Lender, dated the Extension Date, in form and substance satisfactory to the Administrative Agent.

(e) Redetermination of Commitment Ratios. On the date of termination of the Commitment of a Retiring Lender or Defaulting Lender pursuant to Section 2.08(b) or (c), or, if the Termination Date has been extended pursuant to Section 2.08(d) with respect to some, but not all, Lenders, the date on which the Current Termination Date with respect to Non-Extending Lenders occurs, the Commitment Ratios of the Continuing Lenders or the Extending Lenders, as applicable, shall be redetermined after giving effect thereto, and the participations of the Continuing Lenders or the Extending Lenders, as applicable, in and obligations of the Continuing Lenders or Extending Lenders, as applicable, in respect of any then outstanding Swingline Loans and Letters of Credit shall thereafter be based upon such redetermined Commitment Ratios (as adjusted pursuant to Sections 2.19 and 2.20). The right of the Borrower to effect such a termination pursuant to Section 2.08(b) or (c) is conditioned on there being sufficient unused availability in the Commitments of the Continuing Lenders such that the aggregate Revolving Outstandings will not exceed the aggregate Commitments after giving effect to such termination and redetermination.

Section 2.09 Maturity of Loans; Mandatory Prepayments.

(a) Scheduled Repayments and Prepayments of Loans; Overline Repayments.

(i) The Revolving Loans shall mature on the Termination Date, and any Revolving Loans, Swingline Loans and Letter of Credit Liabilities then outstanding (together with accrued interest thereon and fees in respect thereof) shall be due and payable or, in the case of Letters of Credit, cash collateralized pursuant to Section 2.09(a)(ii), on such date.

(ii) If on any date the aggregate Revolving Outstandings exceed the aggregate amount of the Commitments (such excess, a "Revolving Outstandings Excess"), the Borrower shall prepay, and there shall become due and payable (together with accrued interest thereon) on such date, an aggregate principal amount of Revolving Loans and/or Swingline Loans equal to such Revolving Outstandings Excess. If, at a time when a Revolving Outstandings Excess exists and (x) no Revolving Loans or Swingline Loans are outstanding or (y) the Commitment has been terminated pursuant to this Agreement and, in either case, any Letter of Credit Liabilities remain outstanding, then, in either case, the Borrower shall cash collateralize any Letter of Credit Liabilities by depositing into a cash collateral account established and maintained (including the investments made pursuant thereto) by the Administrative Agent pursuant to a cash collateral agreement in form and substance satisfactory to the Administrative Agent an amount in cash equal to the then outstanding Letter of Credit Liabilities. In determining Revolving Outstandings for purposes of this clause (ii), Letter of Credit Liabilities shall be reduced to the extent that they are cash collateralized as contemplated by this Section 2.09(a)(ii).

(b) Applications of Prepayments and Reductions.

(i) Each payment or prepayment of Loans pursuant to this Section 2.09 shall be applied ratably to the respective Loans of all of the Lenders.

(ii) Each payment of principal of the Loans shall be made together with interest accrued on the amount repaid to the date of payment.

(iii) Each payment of the Loans shall be applied to such Groups of Loans as the Borrower may designate (or, failing such designation, as determined by the Administrative Agent).

Section 2.10 Optional Prepayments and Repayments.

(a) Prepayments of Loans. Other than in respect of Swingline Loans, the repayment of which is governed pursuant to Section 2.02(b), subject to Section 2.12, the Borrower may (i) upon at least one (1) Business Day's notice to the Administrative Agent, prepay any Base Rate Borrowing or (ii) upon at least three (3) Business Days' notice to the Administrative Agent, prepay any Euro-Dollar Borrowing, in each case in whole at any time, or from time to time in part in amounts aggregating \$10,000,000 or any larger integral multiple of \$1,000,000, by paying the principal amount to be prepaid together with

accrued interest thereon to the date of prepayment. Each such optional prepayment shall be applied to prepay ratably the Loans of the several Lenders included in such Borrowing.

(b) Notice to Lenders. Upon receipt of a notice of prepayment pursuant to Section 2.10(a), the Administrative Agent shall promptly notify each Lender of the contents thereof and of such Lender's ratable share (if any) of such prepayment, and such notice shall not thereafter be revocable by the Borrower.

Section 2.11 General Provisions as to Payments.

(a) Payments by the Borrower. The Borrower shall make each payment of principal of and interest on the Loans and Letter of Credit Liabilities and fees hereunder (other than fees payable directly to the Issuing Lenders) not later than 12:00 Noon (Charlotte, North Carolina time) on the date when due, without set-off, counterclaim or other deduction, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. The Administrative Agent will promptly distribute to each Lender its ratable share of each such payment received by the Administrative Agent for the account of the Lenders. Whenever any payment of principal of or interest on the Base Rate Loans or Letter of Credit Liabilities or of fees shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day. Whenever any payment of principal of or interest on the Euro-Dollar Loans shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day unless such Business Day falls in another calendar month, in which case the date for payment thereof shall be the next preceding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(b) Distributions by the Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Lenders hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date, and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Rate.

Section 2.12 Funding Losses. If the Borrower makes any payment of principal with respect to any Euro-Dollar Loan pursuant to the terms and provisions of this Agreement (any conversion of a Euro-Dollar Loan to a Base Rate Loan pursuant to Section 2.18 being treated as a payment of such Euro-Dollar Loan on the date of conversion for purposes of this Section 2.12) on any day other than the last day of the Interest Period applicable thereto, or the last day of an applicable period fixed pursuant to Section 2.06(c), or if the Borrower fails to borrow, convert or prepay any Euro-Dollar Loan after notice has been given in accordance with the provisions of this Agreement, or in the event of payment in respect of any Euro-Dollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.08(b), the Borrower shall reimburse each Lender within fifteen (15) days after demand for any resulting loss or expense incurred by it (and by an existing Participant in the related Loan), including, without limitation, any loss incurred in obtaining, liquidating or employing deposits from third parties, but excluding loss of margin for the period after any such payment or failure to borrow or prepay; provided, that such Lender shall have delivered to the Borrower a certificate as to the amount of such loss or expense, which certificate shall be conclusive in the absence of manifest error.

Section 2.13 Computation of Interest and Fees. Interest on Loans based on the Prime Rate hereunder and Letter of Credit Fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and paid for the actual number of days elapsed. All other interest and fees shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day).

Section 2.14 Basis for Determining Interest Rate Inadequate, Unfair or Unavailable. If on or prior to the first day of any Interest Period for any Euro-Dollar Loan: (a) Lenders having 50% or more of the aggregate amount of the Commitments advise the Administrative Agent that the Adjusted London Interbank Offered Rate as determined by the Administrative Agent, will not adequately and fairly reflect the cost to such Lenders of funding their Euro-Dollar Loans for such Interest Period; or (b) the Administrative Agent shall determine that no reasonable means exists for determining the Adjusted London Interbank Offered Rate, the Administrative Agent shall forthwith give notice thereof to the Borrower and the Lenders, whereupon, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such suspension no longer exist, (i) the obligations of the Lenders to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans shall be suspended; and (ii) each outstanding Euro-Dollar Loan shall be converted into a Base Rate Loan on the last day of the current Interest Period applicable thereto. Unless the Borrower notifies the Administrative Agent at least two (2) Business Days before the date of (or, if at the time the Borrower receives such notice the day is the date of, or the date immediately preceding, the date of such Euro-Dollar Borrowing, by 10:00 A.M. (Charlotte, North Carolina time) on the date of) any Euro-Dollar Borrowing for which a Notice of Borrowing has previously been given that it elects not to borrow on such date, such Borrowing shall instead be made as a Base Rate Borrowing.

Section 2.15 Illegality. If, on or after the date of this Agreement, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Euro-Dollar Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for any Lender (or its Euro-Dollar Lending Office) to make, maintain or fund its Euro-Dollar Loans and such Lender shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof to the other Lenders and the Borrower, whereupon until such Lender notifies the Borrower and the Administrative Agent that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans, shall be suspended. Before giving any notice to the Administrative Agent pursuant to this Section, such Lender shall designate a different Euro-Dollar Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. If such notice is given, each Euro-Dollar Loan of such Lender then outstanding shall be converted to a Base Rate Loan either (a) on the last day of the then current Interest Period applicable to such Euro-Dollar Loan if such Lender may lawfully continue to maintain and fund such Loan to such day or (b) immediately if such Lender shall determine that it may not lawfully continue to maintain and fund such Loan to such day.

Section 2.16 Increased Cost and Reduced Return.

(a) Increased Costs. If after the Effective Date, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Applicable Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall (i) impose, modify or deem applicable any reserve (including, without

limitation, any such requirement imposed by the Board of Governors of the Federal Reserve System), special deposit, insurance assessment or similar requirement against Letters of Credit issued or participated in by, assets of, deposits with or for the account of or credit extended by, any Lender (or its Applicable Lending Office), (ii) subject any Lender or the Issuing Lender to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Euro-Dollar Loan made by it, or change the basis of taxation of payments to such Lender or the Issuing Lender in respect thereof (other than (A) Taxes, (B) Other Taxes, (C) the imposition of, or any change in the rate of, any taxes described in clauses (i) through (iv) of the definition of Taxes in [Section 2.17\(a\)](#) and (D) Taxes attributable to a Lender's or an Issuing Lender's failure to comply with [Section 2.17\(e\)](#)) or (iii) impose on any Lender (or its Applicable Lending Office) or on the United States market for certificates of deposit or the London interbank market any other condition affecting its Euro-Dollar Loans, Notes, obligation to make Euro-Dollar Loans or obligations hereunder in respect of Letters of Credit, and the result of any of the foregoing is to increase the cost to such Lender (or its Applicable Lending Office) of making or maintaining any Euro-Dollar Loan, or of issuing or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by such Lender (or its Applicable Lending Office) under this Agreement or under its Notes with respect thereto, then, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts, as determined by such Lender in good faith, as will compensate such Lender for such increased cost or reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(b) **Capital Adequacy.** If any Lender shall have determined that, after the Effective Date, the adoption of any applicable law, rule or regulation regarding capital adequacy or liquidity, or any change in any such law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Lender (or any Person controlling such Lender) as a consequence of such Lender's obligations hereunder to a level below that which such Lender (or any Person controlling such Lender) could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy), then from time to time, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender (or any Person controlling such Lender) for such reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(c) **Notices.** Each Lender will promptly notify the Borrower and the Administrative Agent of any event of which it has knowledge, occurring after the Effective Date, that will entitle such Lender to compensation pursuant to this Section and will designate a different Applicable Lending Office if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. A certificate of any Lender claiming compensation under this Section and setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Lender may use any reasonable averaging and attribution methods.

(d) Notwithstanding anything to the contrary herein, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "change in law" under this Article II regardless of the date enacted, adopted or issued.

Section 2.17 Taxes.

(a) **Payments Net of Certain Taxes.** Any and all payments made by the Borrower to or for the account of any Lender or any Agent hereunder or under any other Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, charges and withholdings and all liabilities with respect thereto, excluding: (i) taxes imposed on or measured by the net income (including branch profits or similar taxes) of, and gross receipts, franchise or similar taxes imposed on, any Agent or any Lender by the jurisdiction (or subdivision thereof) under the laws of which such Lender or Agent is organized or in which its principal executive office is located or, in the case of each Lender, in which its Applicable Lending Office is located, (ii) in the case of each Lender, any United States withholding tax imposed on such payments, but only to the extent that such Lender is subject to United States withholding tax at the time such Lender first becomes a party to this Agreement or changes its Applicable Lending Office, (iii) any backup withholding tax imposed by the United States (or any state or locality thereof) on a Lender or Administrative Agent, and (iv) any taxes imposed by FATCA (all such nonexcluded taxes, duties, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "**Taxes**"). If the Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender or any Agent, (i) the sum payable shall be increased as necessary so that after making all such required deductions (including deductions applicable to additional sums payable under this [Section 2.17\(a\)](#)) such Lender or Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions, (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law and (iv) the Borrower shall furnish to the Administrative Agent, for delivery to such Lender, the original or a certified copy of a receipt evidencing payment thereof.

(b) **Other Taxes.** In addition, the Borrower agrees to pay any and all present or future stamp or court or documentary taxes and any other excise or property taxes, or similar charges or levies, which arise from any payment made pursuant to this Agreement, any Note or any other Loan Document or from the execution, delivery, performance, registration or enforcement of, or otherwise with respect to, this Agreement, any Note or any other Loan Document (collectively, "**Other Taxes**").

(c) **Indemnification.** The Borrower agrees to indemnify each Lender and each Agent for the full amount of Taxes and Other Taxes (including, without limitation, any Taxes or Other Taxes imposed or asserted by any jurisdiction on amounts payable under this [Section 2.17\(c\)](#)), whether or not correctly or legally asserted, paid by such Lender or Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto as certified in good faith to the Borrower by each Lender or Agent seeking indemnification pursuant to this [Section 2.17\(c\)](#). This indemnification shall be paid within 15 days after such Lender or Agent (as the case may be) makes demand therefor.

(d) **Refunds or Credits.** If a Lender or Agent receives a refund, credit or other reduction from a taxation authority for any Taxes or Other Taxes for which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this [Section 2.17](#), it shall within fifteen (15) days from the date of such receipt pay over the amount of such refund, credit or other reduction to the Borrower (but only to the extent of indemnity payments made or additional amounts paid by the Borrower under this [Section 2.17](#) with respect to the Taxes or Other Taxes giving rise to such refund, credit or other reduction), net of all reasonable out-of-pocket expenses of such Lender or Agent (as the case may be) and without interest (other than interest paid by the relevant taxation authority with respect to such refund, credit or other reduction); **provided, however,** that the Borrower agrees to repay, upon the request of such Lender or Agent (as the case may be), the amount paid over to the Borrower (plus penalties, interest or other charges) to such Lender or Agent in the event such Lender or Agent is required to repay such refund or credit to such taxation authority.

(e) Tax Forms and Certificates. On or before the date it becomes a party to this Agreement, from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and at any time it changes its Applicable Lending Office: (i) each Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code shall deliver to the Borrower and the Administrative Agent two (2) properly completed and duly executed copies of Internal Revenue Service Form W-9, or any successor form prescribed by the Internal Revenue Service, or such other documentation or information prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, as the case may be, certifying that such Lender is a United States person and is entitled to an exemption from United States backup withholding tax or information reporting requirements; and (ii) each Lender that is not a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code (a "Non-U.S. Lender") shall deliver to the Borrower and the Administrative Agent: (A) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, or any successor form prescribed by the Internal Revenue Service, (x) certifying that such Non-U.S. Lender is entitled to the benefits under an income tax treaty to which the United States is a party which exempts the Non-U.S. Lender from United States withholding tax or reduces the rate of withholding tax on payments of interest for the account of such Non-U.S. Lender and (y) with respect to any other applicable payments under or entered into in connection with any Loan Document, establishing an exemption from, or reduction of, United States withholding tax pursuant to the "business profits" or "other income" article of such tax treaty; (B) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8ECI, or any successor form prescribed by the Internal Revenue Service, certifying that the income receivable pursuant to this Agreement and the other Loan Documents is effectively connected with the conduct of a trade or business in the United States; (C) in the case of a Non-U.S. Lender claiming the benefit of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, or any successor form prescribed by the Internal Revenue Service, together with a certificate to the effect that (x) such Non-U.S. Lender is not (1) a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (2) a "10-percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code, or (3) a "controlled foreign corporation" that is described in Section 881(c)(3)(C) of the Internal Revenue Code and is related to the Borrower within the meaning of Section 864(d)(4) of the Internal Revenue Code and (y) the interest payments in question are not effectively connected with a U.S. trade or business conducted by such Non-U.S. Lender; or (D) to the extent the Non-U.S. Lender is not the beneficial owner, two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8IMY, or any successor form prescribed by the Internal Revenue Service, accompanied by an Internal Revenue Service Form W-8ECI, W-8BEN, W-8BEN-E, W-9, and/or other certification documents from each beneficial owner, as applicable. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. In addition, each Lender agrees that from time to time after the Effective Date, when a lapse in time or change in circumstances renders the previous certification obsolete or inaccurate in any material respect, it will deliver to the Borrower and the Administrative Agent two new accurate and complete signed originals of Internal Revenue Service Form W-9, W-8BEN, W-8BEN-E, W-8ECI or W-8IMY or FATCA-related documentation described above, or successor forms, as the case may be, and such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under this Agreement and any other Loan Document, or it shall immediately notify the Borrower and the Administrative Agent of its inability to deliver any such form or certificate.

(f) Exclusions. The Borrower shall not be required to indemnify any Non-U.S. Lender, or to pay any additional amount to any Non-U.S. Lender, pursuant to Section 2.17(a), (b) or (c) in respect of Taxes or Other Taxes to the extent that the obligation to indemnify or pay such additional amounts would not have arisen but for the failure of such Non-U.S. Lender to comply with the provisions of subsection (e) above.

(g) Mitigation. If the Borrower is required to pay additional amounts to or for the account of any Lender pursuant to this Section 2.17, then such Lender will use reasonable efforts (which shall include efforts to rebook the Revolving Loans held by such Lender to a new Applicable Lending Office, or through another branch or affiliate of such Lender) to change the jurisdiction of its Applicable Lending Office if, in the good faith judgment of such Lender, such efforts (i) will eliminate or, if it is not possible to eliminate, reduce to the greatest extent possible any such additional payment which may thereafter accrue and (ii) is not otherwise disadvantageous, in the sole determination of such Lender, to such Lender. Any Lender claiming any indemnity payment or additional amounts payable pursuant to this Section shall use reasonable efforts (consistent with legal and regulatory restrictions) to deliver to Borrower any certificate or document reasonably requested in writing by the Borrower or to change the jurisdiction of its Applicable Lending Office if the making of such filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue and would not, in the sole determination of such Lender, be otherwise disadvantageous to such Lender.

(h) Confidentiality. Nothing contained in this Section shall require any Lender or any Agent to make available any of its tax returns (or any other information that it deems to be confidential or proprietary).

Section 2.18 Base Rate Loans Substituted for Affected Euro-Dollar Loans. If (a) the obligation of any Lender to make or maintain, or to convert outstanding Loans to, Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (b) any Lender has demanded compensation under Section 2.16(a) with respect to its Euro-Dollar Loans and, in any such case, the Borrower shall, by at least four Business Days' prior notice to such Lender through the Administrative Agent, have elected that the provisions of this Section shall apply to such Lender, then, unless and until such Lender notifies the Borrower that the circumstances giving rise to such suspension or demand for compensation no longer apply:

(i) all Loans which would otherwise be made by such Lender as (or continued as or converted into) Euro-Dollar Loans shall instead be Base Rate Loans (on which interest and principal shall be payable contemporaneously with the related Euro-Dollar Loans of the other Lenders); and

(ii) after each of its Euro-Dollar Loans has been repaid, all payments of principal that would otherwise be applied to repay such Loans shall instead be applied to repay its Base Rate Loans.

If such Lender notifies the Borrower that the circumstances giving rise to such notice no longer apply, the principal amount of each such Base Rate Loan shall be converted into a Euro-Dollar Loan on the first day of the next succeeding Interest Period applicable to the related Euro-Dollar Loans of the other Lenders.

Section 2.19 Increases in Commitments.

(a) Subject to the terms and conditions of this Agreement, the Borrower may, during the Availability Period by delivering to the Administrative Agent and the Lenders a Notice of Revolving Increase in the form of Exhibit E, request increases to the Lenders' Commitments (each such request, an "Optional Increase"); provided that: (i) the Borrower may not request any increase to the Commitments after the occurrence and during the continuance of a Default; (ii) each Optional Increase shall be in a minimum amount of \$50,000,000 and (iii) the aggregate amount of all Optional Increases shall be no more than \$100,000,000.

(b) Each Lender may, but shall not be obligated to, participate in any Optional Increase, subject to the approval of each Issuing Lender and the Swingline Lender (such approval not to be unreasonably withheld), and the decision of any Lender to commit to an Optional Increase shall be at such Lender's sole discretion and shall be made in writing. The Borrower may, at its own expense, solicit additional Commitments from third party financial institutions reasonably acceptable to the Administrative Agent, the Swingline Lender and the Issuing Lenders. Any such financial institution (if not already a Lender hereunder) shall become a party to this Agreement as a Lender, pursuant to a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent and the Borrower.

(c) As a condition precedent to the Optional Increase, the Borrower shall deliver to the Administrative Agent a certificate of the Borrower dated the effective date of the Optional Increase, signed by a Responsible Officer of the Borrower, certifying that: (i) the resolutions adopted by the Borrower approving or consenting to such Optional Increase are attached thereto and such resolutions are true and correct and have not been altered, amended or repealed and are in full force and effect, (ii) before and after giving effect to the Optional Increase, (A) the representations and warranties contained in Article V and the other Loan Documents are true and correct in all material respects (except to the extent any such representation and warranty is qualified by materiality or reference to Material Adverse Effect, in which case, such representation and warranty shall be true and correct in all respects) on and as of the effective date of the Optional Increase, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they were true and correct in all material respects (except to the extent any such representation and warranty was qualified by materiality or reference to Material Adverse Effect, in which case, such representation and warranty was true and correct in all respects) as of such earlier date, and (B) that no Default exists, is continuing, or would result from the Optional Increase and (iii) any necessary governmental, regulatory and third party approvals, including, without limitation any KPSC and/or FERC approval required to approve the Optional Increase, are attached thereto and remain in full force and effect, in each case without any action being taken by any competent authority which could restrain or prevent such transaction or impose, in the reasonable judgment of the Administrative Agent, materially adverse conditions upon the consummation of the Optional Increase.

(d) The Revolving Outstandings will be reallocated by the Administrative Agent on the effective date of any Optional Increase among the Lenders in accordance with their revised Commitment Ratios, and the Borrower hereby agrees to pay any and all costs (if any) required pursuant to Section 2.12 incurred by any Lender in connection with the exercise of the Optional Increase. Each of the Lenders shall participate in any new Loans made on or after such date in accordance with their respective Commitment Ratios after giving effect to the increase in Commitments contemplated by this Section 2.19.

Section 2.20 Defaulting Lenders.

(a) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.07(a);

(ii) with respect to any Letter of Credit Liabilities or Swingline Exposure of such Defaulting Lender that exists at the time a Lender becomes a Defaulting Lender or thereafter:

(A) all or any part of such Defaulting Lender's Letter of Credit Liabilities and its Swingline Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.02 are satisfied at such time and (y) such reallocation does not cause the Revolving Outstandings of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment;

(B) if the reallocation described in clause (ii)(A) above cannot, or can only partially, be effected, each Issuing Lender and the Swingline Lender, in its discretion may require the Borrower to (i) reimburse all amounts paid by an Issuing Lender upon any drawing under a Letter of Credit, (ii) repay an outstanding Swingline Loan, and/or (iii) cash collateralize (in accordance with Section 2.09(a)(ii)) all obligations of such Defaulting Lender in respect of outstanding Letters of Credit and Swingline Loans, in each case, in an amount at least equal to the aggregate amount of the obligations (contingent or otherwise) of such Defaulting Lender in respect of such Letters of Credit or Swingline Loans (after giving effect to any partial reallocation pursuant to Section 2.20(a)(ii)(A) above);

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's pursuant to Section 2.20(a)(ii)(B) then the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities during the period such Defaulting Lender's Letter of Credit Liabilities are cash collateralized;

(iv) if the Letter of Credit Liabilities and/or Swingline Exposure of the Non-Defaulting Lenders is reallocated pursuant to Section 2.20(a)(ii)(A) above, then the fees payable to the Lenders pursuant to Section 2.07(a) and Section 2.07(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment); and

(v) if any Defaulting Lender's Letter of Credit Liabilities and/or Swingline Exposure is neither reimbursed, repaid, cash collateralized nor reallocated pursuant to this Section 2.20(a)(ii), then, without prejudice to any rights or remedies of the Issuing Lenders, the Swingline Lender or any other Lender hereunder, all fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such Letter of Credit Liabilities and/or Swingline Exposure) and letter of credit fees payable under Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities shall be payable to the Issuing Lenders and the Swingline Lender, pro rata, until such Letter of Credit Liabilities and/or Swingline Exposure is cash collateralized, reallocated and/or repaid in full.

(b) So long as any Lender is a Defaulting Lender, (i) no Issuing Lender shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.20(a), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 3.05 (and Defaulting Lenders shall not participate therein) and (ii) the Swingline Lender shall not be

required to advance any Swingline Loan, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders.

ARTICLE III LETTERS OF CREDIT

Section 3.01 Issuing Lenders. Subject to the terms and conditions hereof, the Borrower may from time to time identify and arrange for one or more of the Lenders (in addition to the JLA Issuing Banks) to act as Issuing Lenders hereunder. Any such designation by the Borrower shall be notified to the Administrative Agent at least four Business Days prior to the first date upon which the Borrower proposes that such Issuing Lender issue its first Letter of Credit, so as to provide adequate time for such proposed Issuing Lender to be approved by the Administrative Agent hereunder (such approval not to be unreasonably withheld). Within two Business Days following the receipt of any such designation of a proposed Issuing Lender, the Administrative Agent shall notify the Borrower as to whether such designee is acceptable to the Administrative Agent. Nothing contained herein shall be deemed to require any Lender (other than a JLA Issuing Bank) to agree to act as an Issuing Lender, if it does not so desire.

Section 3.02 Letters of Credit.

(a) Letters of Credit. Each Issuing Lender agrees, on the terms and conditions set forth in this Agreement, to issue Letters of Credit denominated in Dollars from time to time before the fifth day prior to the Termination Date, for the account, and upon the request, of the Borrower and in support of such obligations of the Borrower or any of its Subsidiaries that are reasonably acceptable to such Issuing Lender; provided, that immediately after each Letter of Credit is issued, (A) the aggregate amount of Letter of Credit Liabilities shall not exceed \$250,000,000, (B) the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments and (C) the aggregate fronting exposure of any Issuing Lender shall not exceed its Fronting Sublimit.

Section 3.03 Method of Issuance of Letters of Credit. The Borrower shall give an Issuing Lender notice substantially in the form of Exhibit A-3 to this Agreement (a "Letter of Credit Request") of the requested issuance or extension of a Letter of Credit not later than 1:00 P.M. (Charlotte, North Carolina time) at least one Business Day prior to the proposed date of the issuance or extension of Letters of Credit (which shall be a Business Day) (or such shorter period as may be agreed by such Issuing Lender in any particular instance), specifying the date such Letter of Credit is to be issued or extended and describing the terms of such Letter of Credit and the nature of the transactions to be supported thereby. The extension or renewal of any Letter of Credit shall be deemed to be an issuance of such Letter of Credit, and if any Letter of Credit contains a provision pursuant to which it is deemed to be extended unless notice of termination is given by an Issuing Lender, such Issuing Lender shall timely give such notice of termination unless it has theretofore timely received a Letter of Credit Request and the other conditions to issuance of a Letter of Credit have theretofore been met with respect to such extension. No Letter of Credit shall have a term of more than one year, provided, that no Letter of Credit shall have a term extending or be so extendible beyond the fifth Business Day before the Termination Date, provided that if the Commitments of some, but not all, Lenders shall have been extended pursuant to Section 2.08(d), the "Termination Date" for this purpose shall be the latest Termination Date which is applicable to Commitments aggregating at least \$250,000,000.

Section 3.04 Conditions to Issuance of Letters of Credit. The issuance by an Issuing Lender of each Letter of Credit shall, in addition to the conditions precedent set forth in Article IV, be subject to the conditions precedent that (a) such Letter of Credit shall be satisfactory in form and substance to such Issuing Lender, (b) the Borrower and, if applicable, any such Affiliate of the Borrower, shall have executed and delivered such other instruments and agreements relating to such Letter of Credit as such Issuing Lender shall have reasonably requested and (c) such Issuing Lender shall have confirmed on the date of (and after giving effect to) such issuance that (i) the aggregate outstanding amount of Letter of Credit Liabilities shall not exceed \$250,000,000, (ii) the aggregate Revolving Outstandings will not exceed the aggregate amount of the Commitments and (iii) the aggregate fronting exposure of any Issuing Lender shall not exceed the Fronting Sublimit. Notwithstanding any other provision of this Section 3.04, no Issuing Lender shall be under any obligation to issue any Letter of Credit if: any order, judgment or decree of any governmental authority shall by its terms purport to enjoin or restrain such Issuing Lender from issuing such Letter of Credit, or any requirement of law applicable to such Issuing Lender or any request or directive (whether or not having the force of law) from any governmental authority with jurisdiction over such Issuing Lender shall prohibit, or request that such Issuing Lender refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Lender with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Lender is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Lender in good faith deems material to it.

Section 3.05 Purchase and Sale of Letter of Credit Participations. Upon the issuance by an Issuing Lender of a Letter of Credit, such Issuing Lender shall be deemed, without further action by any party hereto, to have sold to each Lender, and each Lender shall be deemed, without further action by any party hereto, to have purchased from such Issuing Lender, without recourse or warranty, an undivided participation interest in such Letter of Credit and the related Letter of Credit Liabilities in accordance with its respective Commitment Ratio (although the Fronting Fee payable under Section 2.07(b) shall be payable directly to the Administrative Agent for the account of the applicable Issuing Lender, and the Lenders (other than such Issuing Lender) shall have no right to receive any portion of any such Fronting Fee) and any security therefor or guaranty pertaining thereto.

Section 3.06 Drawings under Letters of Credit. Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Lender shall determine in accordance with the terms of such Letter of Credit whether such drawing should be honored. If such Issuing Lender determines that any such drawing shall be honored, such Issuing Lender shall make available to such beneficiary in accordance with the terms of such Letter of Credit the amount of the drawing and shall notify the Borrower as to the amount to be paid as a result of such drawing and the payment date.

Section 3.07 Reimbursement Obligations. The Borrower shall be irrevocably and unconditionally obligated forthwith to reimburse the applicable Issuing Lender for any amounts paid by such Issuing Lender upon any drawing under any Letter of Credit, together with any and all reasonable charges and expenses which such Issuing Lender may pay or incur relative to such drawing and interest on the amount drawn at the rate applicable to Base Rate Loans for each day from and including the date such amount is drawn to but excluding the date such reimbursement payment is due and payable. Such reimbursement payment shall be due and payable (a) at or before 1:00 P.M. (Charlotte, North Carolina time) on the date the applicable Issuing Lender notifies the Borrower of such drawing, if such notice is given at or before 10:00 A.M. (Charlotte, North Carolina time) on such date or (b) at or before 10:00 A.M. (Charlotte, North Carolina time) on the next succeeding Business Day; provided, that no payment otherwise required by this sentence to be made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on any day shall be overdue hereunder if arrangements for such payment satisfactory to the applicable Issuing Lender, in its reasonable discretion, shall have been made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on such day and such payment is actually made at or before 3:00 P.M. (Charlotte, North Carolina time) on such day. In addition, the Borrower agrees to pay to the applicable Issuing Lender interest, payable on demand, on any and all amounts not paid by the Borrower to such Issuing Lender when due under this Section 3.07, for each day from and including the date when such amount becomes due to but excluding the date such amount is paid in full, whether before or after judgment, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day. Each payment to be made by the Borrower pursuant to

this Section 3.07 shall be made to the applicable Issuing Lender in Federal or other funds immediately available to it at its address referred to Section 9.01.

Section 3.08 Duties of Issuing Lenders to Lenders; Reliance. In determining whether to pay under any Letter of Credit, the relevant Issuing Lender shall not have any obligation relative to the Lenders participating in such Letter of Credit or the related Letter of Credit Liabilities other than to determine that any document or documents required to be delivered under such Letter of Credit have been delivered and that they substantially comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by an Issuing Lender under or in connection with any Letter of Credit shall not create for such Issuing Lender any resulting liability if taken or omitted in the absence of gross negligence or willful misconduct. Each Issuing Lender shall be entitled (but not obligated) to rely, and shall be fully protected in relying, on the representation and warranty by the Borrower set forth in the last sentence of Section 4.02 to establish whether the conditions specified in clauses (b) and (c) of Section 4.02 are met in connection with any issuance or extension of a Letter of Credit. Each Issuing Lender shall be entitled to rely, and shall be fully protected in relying, upon advice and statements of legal counsel, independent accountants and other experts selected by such Issuing Lender and upon any Letter of Credit, draft, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, telecopier, telex or teletype message, statement, order or other document believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary unless the beneficiary and the Borrower shall have notified such Issuing Lender that such documents do not comply with the terms and conditions of the Letter of Credit. Each Issuing Lender shall be fully justified in refusing to take any action requested of it under this Section in respect of any Letter of Credit unless it shall first have received such advice or concurrence of the Required Lenders as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take, or omitting or continuing to omit, any such action. Notwithstanding any other provision of this Section, each Issuing Lender shall in all cases be fully protected in acting, or in refraining from acting, under this Section in respect of any Letter of Credit in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant hereto shall be binding upon all Lenders and all future holders of participations in such Letter of Credit; provided, that this sentence shall not affect any rights the Borrower may have against any Issuing Lender or the Lenders that make such request.

Section 3.09 Obligations of Lenders to Reimburse Issuing Lender for Unpaid Drawings. If any Issuing Lender makes any payment under any Letter of Credit and the Borrower shall not have reimbursed such amount in full to such Issuing Lender pursuant to Section 3.07, such Issuing Lender shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender (other than the relevant Issuing Lender), and each such Lender shall promptly and unconditionally pay to the Administrative Agent, for the account of such Issuing Lender, such Lender's share of such payment (determined in accordance with its respective Commitment Ratio) in Dollars in Federal or other immediately available funds, the aggregate of such payments relating to each unreimbursed amount being referred to herein as a "Mandatory Letter of Credit Borrowing"; provided, however, that no Lender shall be obligated to pay to the Administrative Agent its pro rata share of such unreimbursed amount for any wrongful payment made by the relevant Issuing Lender under a Letter of Credit as a result of acts or omissions constituting willful misconduct or gross negligence by such Issuing Lender. If the Administrative Agent at its address referred to in Section 9.01 and for the account of the relevant Issuing Lender such Lender's pro rata share of the amount of such payment by 3:00 P.M. (Charlotte, North Carolina time) on the Business Day following such Lender's receipt of notice from the Administrative Agent, together with interest on such amount for each day from and including the date of such drawing to but excluding the day such payment is due from such Lender at the Federal Funds Rate for such day (which funds the Administrative Agent shall promptly remit to such Issuing Lender). The failure of any Lender to make available to the Administrative Agent for the account of an Issuing Lender its pro rata share of any unreimbursed drawing under any Letter of Credit shall not relieve any other Lender of its obligation hereunder to make available to the Administrative Agent for the account of such Issuing Lender its pro rata share of any payment made under any Letter of Credit on the date required, as specified above, but no such Lender shall be responsible for the failure of any other Lender to make available to the Administrative Agent for the account of such Issuing Lender such other Lender's pro rata share of any such payment. Upon payment in full of all amounts payable by a Lender under this Section 3.09, such Lender shall be subrogated to the rights of the relevant Issuing Lender against the Borrower to the extent of such Lender's pro rata share of the related Letter of Credit Liabilities (including interest accrued thereon). If any Lender fails to pay any amount required to be paid by it pursuant to this Section 3.09 on the date on which such payment is due, interest shall accrue on such Lender's obligation to make such payment, for each day from and including the date such payment became due to but excluding the date such Lender makes such payment, whether before or after judgment, at a rate per annum equal to (i) for each day from the date such payment is due to the third succeeding Business Day, inclusive, the Federal Funds Rate for such day as determined by the relevant Issuing Lender and (ii) for each day thereafter, the sum of 2% plus the rate applicable to its Base Rate Loans for such day. Any payment made by any Lender after 3:00 P.M. (Charlotte, North Carolina time) on any Business Day shall be deemed for purposes of the preceding sentence to have been made on the next succeeding Business Day.

Section 3.10 Funds Received from the Borrower in Respect of Drawn Letters of Credit. Whenever an Issuing Lender receives a payment of a Reimbursement Obligation as to which the Administrative Agent has received for the account of such Issuing Lender any payments from the other Lenders pursuant to Section 3.09 above, such Issuing Lender shall pay the amount of such payment to the Administrative Agent, and the Administrative Agent shall promptly pay to each Lender which has paid its pro rata share thereof, in Dollars in Federal or other immediately available funds, an amount equal to such Lender's pro rata share of the principal amount thereof and interest thereon for each day after relevant date of payment at the Federal Funds Rate.

Section 3.11 Obligations in Respect of Letters of Credit Unconditional. The obligations of the Borrower under Section 3.07 above shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including, without limitation, the following circumstances:

- (a) any lack of validity or enforceability of this Agreement or any Letter of Credit or any document related hereto or thereto;
- (b) any amendment or waiver of or any consent to departure from all or any of the provisions of this Agreement or any Letter of Credit or any document related hereto or thereto;
- (c) the use which may be made of the Letter of Credit by, or any acts or omission of, a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting);
- (d) the existence of any claim, set-off, defense or other rights that the Borrower may have at any time against a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting), any Issuing Lender or any other Person, whether in connection with this Agreement or any Letter of Credit or any document related hereto or thereto or any unrelated transaction;
- (e) any statement or any other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;
- (f) payment under a Letter of Credit against presentation to an Issuing Lender of a draft or certificate that does not comply with the terms of such

Letter of Credit; provided, that the relevant Issuing Lender's determination that documents presented under such Letter of Credit comply with the terms thereof shall not have constituted gross negligence or willful misconduct of such Issuing Lender; or

(g) any other act or omission to act or delay of any kind by any Issuing Lender or any other Person or any other event or circumstance whatsoever that might, but for the provisions of this subsection (g), constitute a legal or equitable discharge of the Borrower's obligations hereunder.

Nothing in this Section 3.11 is intended to limit the right of the Borrower to make a claim against any Issuing Lender for damages as contemplated by the proviso to the first sentence of Section 3.12.

Section 3.12 Indemnification in Respect of Letters of Credit. The Borrower hereby indemnifies and holds harmless each Lender (including each Issuing Lender) and the Administrative Agent from and against any and all claims, damages, losses, liabilities, costs or expenses which such Lender or the Administrative Agent may incur by reason of or in connection with the failure of any other Lender to fulfill or comply with its obligations to such Issuing Lender hereunder (but nothing herein contained shall affect any rights which the Borrower may have against such defaulting Lender), and none of the Lenders (including any Issuing Lender) nor the Administrative Agent, their respective affiliates nor any of their respective officers, directors, employees or agents shall be liable or responsible, by reason of or in connection with the execution and delivery or transfer of or payment or failure to pay under any Letter of Credit, including, without limitation, any of the circumstances enumerated in Section 3.11, as well as (i) any error, omission, interruption or delay in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, (ii) any error in interpretation of technical terms, (iii) any loss or delay in the transmission of any document required in order to make a drawing under a Letter of Credit, (iv) any consequences arising from causes beyond the control of such indemnitee, including without limitation, any government acts, or (v) any other circumstances whatsoever in making or failing to make payment under such Letter of Credit; provided, that the Borrower shall not be required to indemnify any Issuing Lender for any claims, damages, losses, liabilities, costs or expenses, and the Borrower shall have a claim against such Issuing Lender for direct (but not consequential) damages suffered by it, to the extent found by a court of competent jurisdiction in a final, non-appealable judgment or order to have been caused by (i) the willful misconduct or gross negligence of such Issuing Lender in determining whether a request presented under any Letter of Credit issued by it complied with the terms of such Letter of Credit or (ii) such Issuing Lender's failure to pay under any Letter of Credit issued by it after the presentation to it of a request strictly complying with the terms and conditions of such Letter of Credit, unless payment was prohibited by law, regulation or court order. Nothing in this Section 3.12 is intended to limit the obligations of the Borrower under any other provision of this Agreement.

Section 3.13 ISP98. The rules of the "International Standby Practices 1998" as published by the International Chamber of Commerce most recently at the time of issuance of any Letter of Credit shall apply to such Letter of Credit unless otherwise expressly provided in such Letter of Credit.

(g) Payment of Fees. All costs, fees and expenses due to the Administrative Agent, the Joint Lead Arrangers and the Lenders accrued through the Effective Date (including Commitment Fees and Letter of Credit Fees) shall have been paid in full.

(h) Counsel Fees. The Administrative Agent shall have received full payment from the Borrower of the fees and expenses of Davis Polk & Wardwell

(c) the fact that the representations and warranties of the Borrower contained in this Agreement and the other Loan Documents shall be true and correct on and as of the date of such Credit Event, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they were true and correct as of such earlier date and except for the representations in [Section 5.04\(c\)](#), [Section 5.05](#) and [Section 5.13](#), which shall be deemed only to relate to the matters referred to therein on and as of the Effective Date.

Each Credit Event under this Agreement shall be deemed to be a representation and warranty by the Borrower on the date of such Credit Event as to the facts specified in clauses (b) and (c) of this Section.

ARTICLE V REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants that:

Section 5.02 [Authority; No Conflict](#). The execution, delivery and performance by the Borrower of this Agreement and each other Loan Document to which it is a party have been duly authorized by all necessary corporate action and do not violate (i) any provision of law or regulation, or any decree, order, writ or judgment, (ii) any provision of its articles of incorporation or bylaws, or (iii) result in the breach of or constitute a default under any indenture or other agreement or instrument to which the Borrower is a party; [provided](#) that any exercise of the option to increase the Commitment as contemplated in [Section 2.19](#) or extend the Termination Date as contemplated by [Section 2.08\(d\)](#) may require further authorization of the Borrower’s Board of Directors, or approvals of the KPSC and/or FERC.

Section 5.03 [Legality; Etc](#). This Agreement and each other Loan Document (other than the Notes) to which the Borrower is a party constitute the legal, valid and binding obligations of the Borrower, and the Notes, when executed and delivered in accordance with this Agreement, will constitute legal, valid and binding obligations of the Borrower, in each case enforceable against the Borrower in accordance with their terms except to the extent limited by (a) bankruptcy, insolvency, fraudulent conveyance or reorganization laws or by other similar laws relating to or affecting the enforceability of creditors’ rights generally and by general equitable principles which may limit the right to obtain equitable remedies regardless of whether enforcement is considered in a proceeding of law or equity or (b) any applicable public policy on enforceability of provisions relating to contribution and indemnification.

Section 5.04 [Financial Condition](#).

(a) [Audited Financial Statements](#). The consolidated balance sheet of the Borrower and its Consolidated Subsidiaries as of December 31, 2013 and the related consolidated statements of income and cash flows for the fiscal year then ended, reported on by Ernst and Young LLP, copies of which have been delivered to each of the Administrative Agent and the Lenders, fairly present, in conformity with GAAP, the consolidated financial position of the Borrower and its Consolidated Subsidiaries as of such date and their consolidated results of operations and cash flows for such fiscal year.

(c) [Material Adverse Change](#). Since December 31, 2013 there has been no change in the business, assets, financial condition or operations of the Borrower and its Consolidated Subsidiaries, considered as a whole, that would materially and adversely affect the Borrower’s ability to perform any of its obligations under this Agreement, the Notes or the other Loan Documents.

Section 5.05 [Litigation](#). Except as disclosed in or contemplated by the Borrower’s Annual Report on Form 10-K for the year ended December 31, 2013, or in any subsequent report of the Borrower filed with the SEC on a Form 10-K, 10-Q or 8-K Report, or otherwise furnished in writing to the Administrative Agent and each Lender, no litigation, arbitration or administrative proceeding against the Borrower is pending or, to the Borrower’s knowledge, threatened, which would reasonably be expected to materially and adversely affect the ability of the Borrower to perform any of its obligations under this Agreement, the Notes or the other Loan Documents. There is no litigation, arbitration or administrative proceeding pending or, to the knowledge of the Borrower, threatened which questions the validity of this Agreement or the other Loan Documents to which it is a party.

Section 5.06 [No Violation](#). No part of the proceeds of the borrowings by hereunder will be used, directly or indirectly by the Borrower for the purpose of purchasing or carrying any “margin stock” within the meaning of Regulation U of the Board of Governors of the Federal Reserve System, or for any other purpose which violates, or which conflicts with, the provisions of Regulations U or X of said Board of Governors. No member of the ERISA Group has (i) sought a waiver of the minimum funding standard under Section 412 of the Internal Revenue Code in respect of any Material Plan, (ii) failed to make any contribution or payment to any Material Plan, or made any amendment to any Material Plan, which has resulted or could result in the imposition of a Lien or the posting of a bond or other security under ERISA or the Internal Revenue Code or (iii) incurred any material liability under Title IV of ERISA other than a liability to the PBGC for premiums under Section 4007 of ERISA.

Section 5.08 Governmental Approvals. No authorization, consent or approval from any Governmental Authority is required for the execution, delivery and performance by the Borrower of this Agreement, the Notes and the other Loan Documents to which it is a party and except such authorizations, consents and approvals, including, without limitation, the KPSC Order, as shall have been obtained prior to the Effective Date and shall be in full force and effect; provided, that any exercise of the option to increase the Commitment as contemplated in Section 2.19 or extend the Termination Date as contemplated by Section 2.08(d) may require additional approvals of the KPSC and/or FERC.

Section 5.09 Investment Company Act. The Borrower is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended, or required to register as an investment company under such Act.

Section 5.12 No Default. No Default has occurred and is continuing.

Section 5.13 Environmental Matters.

(a) Except (x) as disclosed in or contemplated by the Borrower's Annual Report on Form 10-K for the year ended December 31, 2013, or in any subsequent report of the Borrower filed with the SEC on a Form 10-K, 10-Q or 8-K Report, or otherwise furnished in writing to the Administrative Agent and each Lender, or (y) to the extent that the liabilities of the Borrower and its Subsidiaries, taken as a whole, that relate to or could reasonably be expected to result from the matters referred to in clauses (i) through (iii) below of this Section 5.13(a), inclusive, would not reasonably be expected to result in a Material Adverse Effect:

(iii) no property now or previously owned, leased or operated by the Borrower or any of its Subsidiaries or, to the Borrower's or any of its Subsidiaries' knowledge, any property to which the Borrower or any of its Subsidiaries has, directly or indirectly, transported or arranged for the transportation of any Hazardous Substances, is listed or, to the Borrower's or any of its Subsidiaries' knowledge, proposed for listing, on the National Priorities List promulgated pursuant to the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), on CERCLIS (as defined in CERCLA) or on any similar federal, state or foreign list of sites requiring investigation or clean-up.

(b) Except as disclosed in or contemplated by the Borrower's Annual Report on Form 10-K for the year ended December 31, 2013, or in any subsequent report of the Borrower filed with the SEC on a Form 10-K, 10-Q or 8-K Report, or otherwise furnished in writing to the Administrative Agent and each Lender, to the Borrower's or any of its Subsidiaries' knowledge, there are no Environmental Liabilities that have resulted or could reasonably be expected to result in a Material Adverse Effect.

ARTICLE VIII THE AGENTS

Section 8.01 Appointment and Authorization. Each Lender hereby irrevocably designates and appoints the Administrative Agent to act as specified herein and in the other Loan Documents and to take such actions on its behalf under the provisions of this Agreement and the other Loan Documents and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Administrative Agent agrees to act as such upon the express conditions contained in this Article VIII. Notwithstanding any provision to the contrary elsewhere in this Agreement or in any other Loan Document, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Administrative Agent. The provisions of this Article VIII are solely for the benefit of the Administrative Agent and Lenders, and no other Person shall have any rights as a third party beneficiary of any of the provisions hereof. For the sake of clarity, the Lenders hereby agree that no Agent other than the Administrative Agent shall have, in such capacity, any duties or powers with respect to this Agreement or the other Loan Documents.

Section 8.02 Individual Capacity. The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower and its Affiliates as though the Administrative Agent were not an Agent. With respect to the Loans made by it and all obligations owing to it, the Administrative Agent shall have the same rights and powers under this Agreement as any Lender and may exercise the same as though it were not an Agent, and the terms "Required Lenders", "Lender" and "Lenders" shall include the Administrative Agent in its individual capacity.

Section 8.03 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents or attorneys-in-fact. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care except to the extent otherwise required by Section 8.07.

Section 8.04 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, consent, certificate, affidavit, letter, teletype or other electronic facsimile transmission, telex, telegram, cable, teletype, electronic transmission by modem, computer disk or any other message, statement, order or other writing or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders, or all of the Lenders, if applicable, as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders or all of the Lenders, if applicable, and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

Section 8.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default hereunder unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default". If the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default as shall be reasonably directed by the Required Lenders; provided, that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06 Non-Reliance on the Agents and Other Lenders. Each Lender expressly acknowledges that no Agent or officer, director, employee, agent, attorney-in-fact or affiliate of any Agent has made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of the Borrower, shall be deemed to constitute any representation or warranty by such Agent to any Lender. Each Lender acknowledges to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower and made its own decision to make its Loans hereunder and to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and to make such investigation as it deems necessary to inform itself as to the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower. No Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, assets, property, financial and other condition, prospects or creditworthiness of the Borrower which may come into the possession of such Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.07 Exculpatory Provisions. The Administrative Agent shall not, and no officers, directors, employees, agents, attorneys-in-fact or affiliates of the Administrative Agent, shall (i) be liable for any action lawfully taken or omitted to be taken by it under or in connection with this Agreement or any other Loan Document (except for its own gross negligence, willful misconduct or bad faith) or (ii) be responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by the Borrower or any of its officers contained in this Agreement, in any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for any failure of the Borrower or any of its officers to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of the Borrower. The Administrative Agent shall not be responsible to any Lender for the effectiveness, genuineness, validity, enforceability, collectibility or sufficiency of this Agreement or any other Loan Document or for any representations, warranties, recitals or statements made by any other Person herein or therein or made by any other Person in any written or oral statement or in any financial or other statements, instruments, reports, certificates or any other documents in connection herewith or therewith furnished or made by the Administrative Agent to the Lenders or by or on behalf of the Borrower to the Administrative Agent or any Lender or be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained herein or therein or as to the use of the proceeds of the Loans or of the existence or possible existence of any Default.

Section 8.08 Indemnification. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Sections 9.03(a), (b) or (c) to be paid by it to the Administrative Agent (or any sub-agent thereof), the Lenders severally agree to indemnify the Administrative Agent, in its capacity as such, and hold the Administrative Agent, in its capacity as such, harmless ratably according to their respective Commitments from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and reasonable expenses or disbursements of any kind whatsoever which may at any time (including, without limitation, at any time following the full payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against the Administrative Agent, in its capacity as such, in any way relating to or arising out of this Agreement or any other Loan Document, or any documents contemplated hereby or referred to herein or the transactions contemplated hereby or any action taken or omitted to be taken by the Administrative Agent under or in connection with any of the foregoing, but only to the extent that any of the foregoing is not paid by the Borrower; provided, that no Lender shall be liable to the Administrative Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs or expenses or disbursements resulting from the gross negligence, willful misconduct or bad faith of the Administrative Agent. If any indemnity furnished to the Administrative Agent for any purpose shall, in the reasonable opinion of the Administrative Agent, be insufficient or become impaired, the Administrative Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished. The agreement in this Section 8.08 shall survive the payment of all Loans, Letter of Credit Liabilities, fees and other obligations of the Borrower arising hereunder.

Section 8.09 Resignation; Successors. The Administrative Agent may resign as Administrative Agent upon twenty (20) days' notice to the Lenders. Upon the resignation of the Administrative Agent, the Required Lenders shall have the right to appoint from among the Lenders a successor to the Administrative Agent, subject to prior approval by the Borrower (so long as no Event of Default exists) (such approval not to be unreasonably withheld), whereupon such successor Administrative Agent shall succeed to and become vested with all the rights, powers and duties of the retiring Administrative Agent, and the term "Administrative Agent" shall include such successor Administrative Agent effective upon its appointment, and the retiring Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any other Loan Document. If no successor shall have been appointed by the Required Lenders and approved by the Borrower and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may at its election give notice to the Lenders and the Borrower of the immediate effectiveness of its resignation and such resignation shall thereupon become effective and the Lenders collectively shall perform all of the duties of the Administrative Agent

hereunder and under the other Loan Documents until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After the retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement or any other Loan Document

Section 8.10 Administrative Agent's Fees. The Borrower shall pay to the Administrative Agent for its own account fees in the amount and at the times agreed to and accepted by the Borrower pursuant to the Fee Letter.

Section 9.02 No Waivers; Non-Exclusive Remedies. No failure by any Agent or any Lender to exercise, no course of dealing with respect to, and no delay in exercising any right, power or privilege hereunder or under any Note or other Loan Document shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies provided herein and in the other Loan Documents shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 9.03 Expenses; Indemnification.

(a) Expenses. The Borrower shall pay (i) all out-of-pocket expenses of the Agents, including legal fees and disbursements of Davis Polk & Wardwell LLP and any other local counsel retained by the Administrative Agent, in its reasonable discretion, in connection with the preparation, execution, delivery and administration of the Loan Documents, the syndication efforts of the Agents with respect thereto, any waiver or consent thereunder or any amendment thereof or any Default or alleged Default thereunder and (ii) all reasonable out-of-pocket expenses incurred by the Agents and each Lender, including (without duplication) the fees and disbursements of outside counsel, in connection with any restructuring, workout, collection, bankruptcy, insolvency and other enforcement proceedings in connection with the enforcement and protection of its rights; provided, that the Borrower shall not be liable for any legal fees or disbursements of any counsel for the Agents and the Lenders other than Davis Polk & Wardwell LLP associated with the preparation, execution and delivery of this Agreement and the closing documents contemplated hereby.

(b) Indemnity in Respect of Loan Documents. The Borrower agrees to indemnify the Agents and each Lender, their respective Affiliates and the respective directors, officers, trustees, agents, employees, trustees and advisors of the foregoing (each an “Indemnitee”) and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses or disbursements of any kind whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and any civil penalties or fines assessed by OFAC), which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in connection with any investigative, administrative or judicial proceeding (whether or not such Indemnitee shall be designated a party thereto) brought or threatened (by any third party, by the Borrower or any Subsidiary of the Borrower) in any way relating to or arising out of this Agreement, any other Loan Document or any documents contemplated hereby or referred to herein or any actual or proposed use of proceeds of Loans hereunder; provided, that no Indemnitee shall have the right to be indemnified hereunder for such Indemnitee’s own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment or order.

(c) Indemnity in Respect of Environmental Liabilities. The Borrower agrees to indemnify each Indemnitee and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs and expenses or disbursements of any kind whatsoever (including, without limitation, reasonable expenses of investigation by engineers, environmental consultants and similar technical personnel and reasonable fees and disbursements of counsel) which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in respect of or in connection with any actual or alleged presence or release of Hazardous Substances on or from any property now or previously owned or operated by the Borrower or any of its Subsidiaries or any predecessor of the Borrower or any of its Subsidiaries or any and all Environmental Liabilities. Without limiting the generality of the foregoing, the Borrower hereby waives all rights of contribution or any other rights of recovery with respect to liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs and expenses and disbursements in respect of or in connection with Environmental Liabilities that it might have by statute or otherwise against any Indemnitee.

(d) Waiver of Damages. To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in clause (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; provided that nothing in this Section 9.03(d) shall relieve any Lender from its obligations under Section 9.12.

Section 9.04 Sharing of Set-Offs. Each Lender agrees that if it shall, by exercising any right of set-off or counterclaim or otherwise, receive payment of a proportion of the aggregate amount of principal and interest due with respect to any Loan made or Note held by it and any Letter of Credit Liabilities which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal and interest due with respect to any Loan, Note and Letter of Credit Liabilities made or held by such other Lender, except as otherwise expressly contemplated by this Agreement, the Lender receiving such proportionately greater payment shall purchase such participations in the Loan made or Notes and Letter of Credit Liabilities held by the other Lenders, and such other adjustments shall be made, in each case as may be required so that all such payments of principal and interest with respect to the Loan made or Notes and Letter of Credit Liabilities made or held by the Lenders shall be shared by the Lenders pro rata; provided, that nothing in this Section shall impair the right of any Lender to exercise any right of set-off or counterclaim it may have for payment of indebtedness of the Borrower other than its indebtedness hereunder.

Section 9.05 Amendments and Waivers. Any provision of this Agreement or the Notes may be amended or waived if, but only if, such amendment or

waiver is in writing and is signed by the Borrower and the Required Lenders (and, if the rights or duties of the Administrative Agent, Swingline Lender or any Issuing Lenders are affected thereby, by the Administrative Agent, Swingline Lender or such Issuing Lender, as relevant); provided, that no such amendment or waiver shall, (a) unless signed by each Lender adversely affected thereby, (i) extend or increase the Commitment of any Lender or subject any Lender to any additional obligation (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or of mandatory reductions in the Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender as in effect at any time shall not constitute an increase in such Commitment), (ii) reduce the principal or rate of interest on any Loan (except in connection with a waiver of applicability of any post-default increase in interest rates) or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder, (iii) postpone the date fixed for any payment of interest on any Loan or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder or for any scheduled reduction or termination of any Commitment or (except as expressly provided in Article III) expiration date of any Letter of Credit, (iv) postpone or change the date fixed for any scheduled payment of principal of any Loan, (v) change any provision hereof in a manner that would alter the pro rata funding of Loans required by Section 2.04(b), the pro rata sharing of payments required by Sections 2.09(b), 2.11(a) or 9.04 or the pro rata reduction of Commitments required by Section 2.08(a) or (vi) change the currency in which Loans are to be made, Letters of Credit are to be issued or payment under the Loan Documents is to be made, or add additional borrowers or (b) unless signed by each Lender, change the definition of Required Lender or this Section 9.05 or Section 9.06(a).

Section 9.06 Successors and Assigns.

(a) Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Borrower may not assign or otherwise transfer any of its rights under this Agreement without the prior written consent of all of the Lenders, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement.

(b) Participations. Any Lender may at any time grant to one or more banks or other financial institutions or special purpose funding vehicle (each a "Participant") participating interests in its Commitments and/or any or all of its Loans and Letter of Credit Liabilities. In the event of any such grant by a Lender of a participating interest to a Participant, whether or not upon notice to the Borrower and the Administrative Agent, such Lender shall remain responsible for the performance of its obligations hereunder, and the Borrower, the Issuing Lenders, the Swingline Lender and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such participation agreement may provide that such Lender will not agree to any modification, amendment or waiver of this Agreement which would (i) extend the Termination Date, reduce the rate or extend the time of payment of principal, interest or fees on any Loan or Letter of Credit Liability in which such Participant is participating (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the Participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or of a mandatory reduction in the Commitments shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan or Letter of Credit Liability shall be permitted without the consent of any Participant if the Participant's participation is not increased as a result thereof) or (ii) allow the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement, without the consent of the Participant, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement. The Borrower agrees that each Participant shall, to the extent provided in its participation agreement, be entitled to the benefits of Article II with respect to its participating interest to the same extent as if it were a Lender, subject to the same limitations, and in no case shall any Participant be entitled to receive any amount payable pursuant to Article II that is greater than the amount the Lender granting such Participant's participating interest would have been entitled to receive had such Lender not sold such participating interest. An assignment or other transfer which is not permitted by subsection (c) or (d) below shall be given effect for purposes of this Agreement only to the extent of a participating interest granted in accordance with this subsection (b). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register (solely for tax purposes) on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided, that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person except to the extent that such disclosure is necessary to establish that such interest in the Loan or other obligation under the Loan Documents is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) Assignments Generally. Any Lender may at any time assign to one or more Eligible Assignees (each, an "Assignee") all, or a proportionate part (equivalent to an initial amount of not less than \$5,000,000 or any larger integral multiple of \$1,000,000), of its rights and obligations under this Agreement and the Notes with respect to its Loans and, if still in existence, its Commitment, and such Assignee shall assume such rights and obligations, pursuant to an Assignment and Assumption Agreement in substantially the form of Exhibit C attached hereto executed by such Assignee and such transferor, with (and subject to) the consent of the Borrower, which shall not be unreasonably withheld or delayed, the Administrative Agent, Swingline Lender and the Issuing Lenders, which consents shall not be unreasonably withheld or delayed; provided, that if an Assignee is an Approved Fund or Affiliate of such transferor Lender or was a Lender immediately prior to such assignment, no such consent of the Borrower or the Administrative Agent shall be required; provided, further, that if at the time of such assignment a Default or an Event of Default has occurred and is continuing, no such consent of the Borrower shall be required; provided, further, that no such assignment may be made prior to the Effective Date without the prior written consent of the Joint Lead Arrangers; provided, further, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a transferor with respect to any Loans made, any Letters of Credit issued or any other actions taken by such transferor while it was a Lender. Upon execution and delivery of such instrument and payment by such Assignee to such transferor of an amount equal to the purchase price agreed between such transferor and such Assignee, such Assignee shall be a Lender party to this Agreement and shall have all the rights and obligations of a Lender with a Commitment, if any, as set forth in such instrument of assumption, and the transferor shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required. Upon the consummation of any assignment pursuant to this subsection (c), the transferor, the Administrative Agent and the Borrower shall make appropriate arrangements so that, if required, a new Note is issued to the Assignee. In connection with any such assignment, the transferor shall pay to the Administrative Agent an administrative fee for processing such assignment in the amount of \$3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such administrative fee in the case of any assignment. Each Assignee shall, on or before the effective date of such assignment, deliver to the Borrower and the Administrative Agent certification as to exemption from deduction or withholding of any United States Taxes in accordance with Section 2.17(e).

(d) Assignments to Federal Reserve Banks. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement and its Note to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central banking authority; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Register. The Borrower hereby designates the Administrative Agent to serve as the Borrower's agent, solely for purposes of this Section 9.06(e), to (i) maintain a register (the "Register") on which the Administrative Agent will record the Commitments from time to time of each Lender, the Loans made by each Lender and each repayment in respect of the principal amount of the Loans of each Lender and to (ii) retain a copy of each Assignment and Assumption Agreement delivered to the Administrative Agent pursuant to this Section. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligation in respect of such Loans. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, the Administrative Agent, Swingline Lender, the Issuing Lenders and the other Lenders shall treat each Person in whose name a Loan and the Note evidencing the same is registered as the owner thereof for all purposes of this Agreement, notwithstanding notice or any provision herein to the contrary. With respect to any Lender, the assignment or other transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made and any Note issued pursuant to this Agreement shall not be effective until such assignment or other transfer is recorded on the Register and, except to the extent provided in this Section 9.06(e), otherwise complies with Section 9.06, and prior to such recordation all amounts owing to the transferring Lender with respect to such Commitments, Loans and Notes shall remain owing to the transferring Lender. The registration of assignment or other transfer of all or part of any Commitments, Loans and Notes for a Lender shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement and payment of the administrative fee referred to in Section 9.06(c). The Register shall be available for inspection by each of the Borrower, the Swingline Lender and each Issuing Lender at any reasonable time and from time to time upon reasonable prior notice. In addition, at any time that a request for a consent for a material or substantive change to the Loan Documents is pending, any Lender wishing to consult with other Lenders in connection therewith may request and receive from the Administrative Agent a copy of the Register. The Borrower may not replace any Lender pursuant to Section 2.08(b), unless, with respect to any Notes held by such Lender, the requirements of Section 9.06(c) and this Section 9.06(e) have been satisfied.

Section 9.07 Governing Law; Submission to Jurisdiction. This Agreement, each Note and each Letter of Credit shall be governed by and construed in accordance with the internal laws of the State of New York. The Borrower hereby submits to the exclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State court sitting in New York City for purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. The Borrower irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such court and any claim that any such proceeding brought in any such court has been brought in an inconvenient forum.

Section 9.08 Counterparts; Integration; Effectiveness. This Agreement shall become effective on the Effective Date. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. On and after the Effective Date, this Agreement, the other Loan Documents and the Fee Letter constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof and thereof.

Section 9.09 Generally Accepted Accounting Principles. Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made and all financial statements required to be delivered hereunder shall be prepared in accordance with GAAP as in effect from time to time, applied on a basis consistent (except for changes concurred in by the Borrower's independent public accountants) with the audited consolidated financial statements of the Borrower and its Consolidated Subsidiaries most recently delivered to the Lenders; provided, that, if the Borrower notifies the Administrative Agent that the Borrower wishes to amend any covenant in Article VI to eliminate the effect of any change in GAAP on the operation of such covenant (or if the Administrative Agent notifies the Borrower that the Required Lenders wish to amend Article VI for such purpose), then the Borrower's compliance with such covenant shall be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either such notice is withdrawn or such covenant is amended in a manner satisfactory to the Borrower and the Required Lenders.

Section 9.10 Usage. The following rules of construction and usage shall be applicable to this Agreement and to any instrument or agreement that is governed by or referred to in this Agreement.

(a) All terms defined in this Agreement shall have the defined meanings when used in any instrument governed hereby or referred to herein and in any certificate or other document made or delivered pursuant hereto or thereto unless otherwise defined therein.

(b) The words "hereof", "herein", "hereunder" and words of similar import when used in this Agreement or in any instrument or agreement governed here shall be construed to refer to this Agreement or such instrument or agreement, as applicable, in its entirety and not to any particular provision or subdivision hereof or thereof.

(c) References in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, this Agreement unless the context otherwise requires; references in any instrument or agreement governed by or referred to in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, such instrument or agreement unless the context otherwise requires.

(d) The definitions contained in this Agreement shall apply equally to the singular and plural forms of such terms. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The word "will" shall be construed to have the same meaning as the word "shall". The term "including" shall be construed to have the same meaning as the phrase "including without limitation".

(e) Unless the context otherwise requires, any definition of or reference to any agreement, instrument, statute or document contained in this Agreement or in any agreement or instrument that is governed by or referred to in this Agreement shall be construed (i) as referring to such agreement, instrument, statute or document as the same may be amended, supplemented or otherwise modified from time to time (subject to any restrictions on such amendments, supplements or modifications set forth in this Agreement or in any agreement or instrument governed by or referred to in this Agreement), including (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and (ii) to include (in the case of agreements or instruments) references to all attachments thereto and instruments incorporated therein. Any reference to any Person shall be construed to include such Person's successors and permitted assigns.

(f) Unless the context otherwise requires, whenever any statement is qualified by "to the best knowledge of" or "known to" (or a similar phrase) any Person that is not a natural person, it is intended to indicate that the senior management of such Person has conducted a commercially reasonable inquiry and investigation prior to making such statement and no member of the senior management of such Person (including managers, in the case of limited liability companies, and general partners, in the case of partnerships) has current actual knowledge of the inaccuracy of such statement.

(g) Unless otherwise specified, all references herein to times of day shall constitute references to Charlotte, North Carolina time.

Section 9.11 WAIVER OF JURY TRIAL. THE BORROWER HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 9.12 Confidentiality. Each Lender agrees to hold all non-public information obtained pursuant to the requirements of this Agreement in accordance with its customary procedure for handling confidential information of this nature and in accordance with safe and sound banking practices; provided, that nothing herein shall prevent any Lender from disclosing such information (i) to any other Lender or to any Agent, (ii) to any other Person if reasonably incidental to the administration of the Loans and Letter of Credit Liabilities, (iii) upon the order of any court or administrative agency, (iv) to the extent requested by, or required to be disclosed to, any rating agency or regulatory agency or similar authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (v) which had been publicly disclosed other than as a result of a disclosure by any Agent or any Lender prohibited by this Agreement, (vi) in connection with any litigation to which any Agent, any Lender or any of their respective Subsidiaries or Affiliates may be party, (vii) to the extent necessary in connection with the exercise of any remedy hereunder, (viii) to such Lender's or Agent's Affiliates and their respective directors, officers, employees, service providers and agents including legal counsel and independent auditors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential), (ix) with the consent of the Borrower, (x) to Gold Sheets and other similar bank trade publications, such information to consist solely of deal terms and other information customarily found in such publications and (xi) subject to provisions substantially similar to those contained in this Section, to any actual or proposed Participant or Assignee or to any actual or prospective counterparty (or its advisors) to any securitization, swap or derivative transaction relating to the Borrower's Obligations hereunder. Notwithstanding the foregoing, any Agent, any Lender or Davis Polk & Wardwell LLP may circulate promotional materials and place advertisements in financial and other newspapers and periodicals or on a home page or similar place for dissemination of information on the Internet or worldwide web, in each case, after the closing of the transactions contemplated by this Agreement in the form of a "tombstone" or other release limited to describing the names of the Borrower or its Affiliates, or any of them, and the amount, type and closing date of such transactions, all at their sole expense.

Section 9.13 USA PATRIOT Act Notice. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub.L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower in accordance with the Patriot Act.

Section 9.14 No Fiduciary Duty. Each Agent, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the "Lender Parties"), may have economic interests that conflict with those of the Borrower, its Affiliates and/or their respective stockholders (collectively, solely for purposes of this paragraph, the "Borrower Parties"). The Borrower agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty (other than any implied duty of good faith) between any Lender Party, on the one hand, and any Borrower Party, on the other. The Lender Parties acknowledge and agree that (a) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lender Parties, on the one hand, and the Borrower, on the other and (b) in connection therewith and with the process leading thereto, (i) no Lender Party has assumed an advisory or fiduciary responsibility in favor of any Borrower Party with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender Party has advised, is currently advising or will advise any Borrower Party on other matters) or any other obligation to any Borrower Party except the obligations expressly set forth in the Loan Documents and (ii) each Lender Party is acting solely as principal and not as the agent or fiduciary of any Borrower Party. The Borrower acknowledges and agrees that the Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to any Borrower Party, in connection with such transaction or the process leading thereto.

Section 9.15 Survival. Sections 2.12, 2.16, 2.17 and 9.03 shall survive the Termination Date for the benefit of each Agent and each Lender, as applicable.

Section 9.16 Amendment and Restatement of Existing Credit Agreement. Upon the execution and delivery of this Agreement, the Existing Credit Agreement shall be amended and restated to read in its entirety as set forth herein. With effect from and including the Effective Date, (i) the Commitments of each Lender party hereto (the "Consenting Lenders") shall be as set forth on the Commitment Appendix (and any Lender under the Existing Credit Agreement that is not listed on the Commitment Appendix shall cease to be a Lender hereunder and its commitment hereunder shall be terminated; provided that, for the avoidance of doubt, such Lender under the Existing Credit Agreement shall continue to be entitled to the benefits of Section 9.03 of the Existing Credit Agreement), (ii) the Commitment Ratio of the Consenting Lenders shall be redetermined based on the Commitments set forth in the Appendix A and the participations of the Consenting Lenders in, and the obligations of the Consenting Lenders in respect of, any Letters of Credit or Swingline Loans outstanding on the Effective Date shall be reallocated to reflect such redetermined Commitment Ratio and (iii) each JLA Issuing Bank shall have the Fronting Sublimit set forth in Appendix B.

 - (f) the Commitments of the other Lenders shall continue in full force and effect; and
 - (g) any increase in the Total Commitments shall take effect on the date specified by the Company in the notice referred to above or any later date on which the conditions set out in sub-clause 2.2.2 below are satisfied.
- 2.2.2 An increase in the Total Commitments will only be effective on:

- 2.2.4 Unless the Facility Agent otherwise agrees or the increased Commitment is assumed by an existing Lender, the Company shall, on the date upon which the increase takes effect, pay to the Facility Agent (for its own account) a fee of £1,750 and the Company shall promptly on demand pay the Facility Agent the amount of all costs and expenses (including legal fees) reasonably incurred by it in connection with any increase in Commitments under this Clause 2.2.
- 2.2.5 The Company may pay to the Increase Lender a fee in the amount and at the times agreed between the Company and the Increase Lender in a letter between the Company and the Increase Lender setting out that fee. A reference in this Agreement to a Fee Letter shall include any letter referred to in this paragraph.
- 2.2.6 Clause 29.4 (*Limitation of responsibility of Existing Lender*) shall apply *mutatis mutandis* in this Clause 2.2 in relation to an Increase Lender as if references in that Clause to:
- (a) an “**Existing Lender**” were references to all the Lenders immediately prior to the relevant increase;

-
- (b) the “**New Lender**” were references to that “**Increase Lender**”; and
 - (c) a “**re-transfer**” and “**re-assignment**” were references to respectively a “**transfer**” and “**assignment**.”

4. **CONDITIONS PRECEDENT**

4.1 **Conditions precedent documents**

A Request may not be given until the Facility Agent has notified the Company and the Lenders that it has received (or waived receipt of) all of the documents and evidence set out in Schedule 2 (*Conditions Precedent Documents*) in form and substance satisfactory to the Facility Agent. The Facility Agent shall give this notification to the Company and the Lenders upon being so satisfied.

4.2 Further conditions precedent

The obligations of each Lender to participate in any Loan are subject to the further conditions precedent that on both the date of the Request and the Drawdown Date for that Loan:

- 4.2.1 the Repeating Representations are correct in all material respects; and
- 4.2.2 no Default or, in the case of a Rollover Loan, no Event of Default is outstanding or would result from the Loan.

4.3 Conditions relating to Optional Currencies

- 4.3.1 A currency will constitute an Optional Currency in relation to a Loan if:
 - (a) it is readily available in the amount required and freely convertible into the Base Currency in the Relevant Interbank Market on the Quotation Day and the Drawdown Date for that Loan; and
 - (b) it is euros or U.S. Dollars or has been approved by the Facility Agent (acting on the instructions of all the Lenders) on or prior to receipt by the Facility Agent of the relevant Request for that Loan.
- 4.3.2 If the Facility Agent has received a written request from the Company for a currency to be approved under paragraph (b) of sub-clause 4.3.1 above, the Facility Agent will confirm to the Company by the Specified Time:

Unless the Facility Agent agrees, a Request may not be given if, as a result, there would be more than 20 Loans outstanding.

5. UTILISATION

5.1 Giving of Requests

- 5.1.1 The Company may borrow a Loan by giving to the Facility Agent a duly completed Request not later than the Specified Time.
- 5.1.2 Each Request is irrevocable.

5.2 Completion of Requests

- 5.2.1 A Request for a Loan will not be regarded as having been duly completed unless:
 - (a) the Drawdown Date is a Business Day falling within the Availability Period;

-
- (b) the currency and amount of the Loan comply with Clause 5.3 (*Currency and amount*); and
 - (c) the proposed Term complies with this Agreement.

5.4 **Advance of Loan**

5.4.1 The Facility Agent must promptly notify each Lender of the details of the requested Loan and the amount of its share in that Loan.

5.4.2 If the conditions set out in this Agreement have been met, and subject to Clause 9.2 (*Cashless Rollover*), each Lender shall make its participation in each Loan available by no later than 2.00pm on the Drawdown Date through its Facility Office.

5.4.3 Save as set out in sub-clause 5.4.4 below, the amount of each Lender's share of the Loan will be its Pro Rata Share on the proposed Drawdown Date.

5.4.4 If a Loan is made to repay Ancillary Outstandings, each Lender's participation in that Loan will be in an amount (as determined by the Facility Agent) which will result as nearly as possible in the aggregate amount of its participation in the Loans then outstanding bearing the same proportion to the aggregate amount of the Loans then outstanding as its Commitment bears to the Total Commitments.

5.4.5 No Lender is obliged to participate in a Loan if as a result:

- (a) the Base Currency Amount of its share in the aggregate amount of the Loans would exceed its Commitment; or
- (b) the Base Currency Amount of the Loans would exceed the Total Commitments.

5.4.6 The Facility Agent shall determine the Base Currency Amount of each Loan which is to be made in an Optional Currency and shall notify each Lender of the amount, currency and the Base Currency Amount of each Loan, the amount of its participation in that Loan and, if different, the amount of that participation to be made available in accordance with Clause 17 (*Payments*), in each case by the Specified Time.

Each Lender that agrees to an Extension Request by the date falling 15 days before, the relevant anniversary of the date of this Agreement, will extend its Commitment for a further period of one year or two years, as set out in the relevant Extension Request, from the then current Final Maturity Date and the Final Maturity Date of that Lender will be extended accordingly.

6.5 If any Lender fails to reply to an Extension Request on or before the date falling 15 days before the relevant anniversary of the date of this Agreement, it will be deemed to have refused that Extension Request and its Commitment will not be extended.

6.6 Subject to Clause 6.8 below, each Extension Request is irrevocable.

6.7 If one or more (but not all) of the Lenders agree to an Extension Request, then the Facility Agent must notify the Company and the Lenders which have agreed to the extension, identifying in that notification which Lenders have not agreed to the Extension Request.

- 6.8 The Company may, on the basis that one or more of the Lenders have not agreed to the Extension Request and no later than the date falling 5 days before the relevant anniversary of the date of this Agreement, withdraw the request by notice to the Facility Agent which will promptly notify the Lenders.

- 7.2 **Revocation of currency**
- 7.2.1 Notwithstanding any other term of this Agreement, if before the Specified Time on any Quotation Day the Facility Agent receives notice from a Lender that:
- (a) the Optional Currency requested is not readily available to it in the relevant interbank market in the amount and for the period required; or
 - (b) participating in a Loan in the proposed Optional Currency might contravene any law or regulation applicable to it,
- the Facility Agent must give notice to the Company to that effect promptly and in any event before the Specified Time on that day.
- 7.2.2 In this event:
- (a) that Lender must participate in the Loan in the Base Currency (in an amount equal to that Lender's proportion of the Base Currency Amount or, in respect of a Rollover Loan, an amount equal to that Lender's proportion of the Base Currency Amount of the Rollover Loan that is due to be made); and
 - (b) the share of that Lender in the Loan and any other similarly affected Lender(s) will be treated as a separate Loan denominated in the Base Currency during that Term.
- 7.2.3 Any part of a Loan treated as a separate Loan under this sub-clause will not be taken into account for the purposes of any limit on the number of Loans or currencies outstanding at any one time.
- 7.2.4 A Loan will still be treated as a Rollover Loan if it is not denominated in the same currency as the maturing Loan by reason only of the operation of this sub-clause.

8.1.6 any other multicurrency facility or accommodation required in connection with the business of the Group and which is agreed by the Company with an Ancillary Lender.

8.2 **Availability**

8.2.1 If the Company and a Lender agree and except as otherwise provided in this Agreement, the Lender may provide all or part of its Commitment as an Ancillary Facility.

8.2.2 An Ancillary Facility shall not be made available unless, not later than three Business Days prior to the Ancillary Commencement Date for an Ancillary Facility, the Facility Agent has received from the Company:

(a) a notice in writing of the establishment of an Ancillary Facility and specifying:

8.3.2 Those terms:

- (a) must be based upon normal commercial terms at that time (except as varied by this Agreement);
- (b) may only allow the Company to use the Ancillary Facility;
- (c) may not allow the Ancillary Outstandings to exceed the Ancillary Commitment;
- (d) may not allow the Ancillary Commitment of a Lender to exceed the Available Commitment of that Lender (before taking into account the effect of the Ancillary Facility on that Available Commitment); and
- (e) must require that the Ancillary Commitment is reduced to nil, and that all Ancillary Outstandings are repaid not later than the Final Maturity Date (or such earlier date as the Commitment of the relevant Ancillary Lender (or its Affiliate) is reduced to zero).

8.3.3 If there is any inconsistency between any term of an Ancillary Facility and any term of this Agreement, this Agreement shall prevail except for (i) Clause 24.3

(Calculations) which shall not prevail for the purposes of calculating fees, interest or commission relating to an Ancillary Facility; (ii) an Ancillary Facility comprising more than one account where the terms of the Ancillary Documents shall prevail to the extent required to permit the netting of balances on those accounts; and (iii) where the relevant term of this Agreement would be contrary to, or inconsistent with, the law governing the relevant Ancillary Document, in which case that term of this Agreement shall not prevail.

8.3.4 Interest, commission and fees on Ancillary Facilities are dealt with in Clause 25.6 (*Interest, commission and fees on Ancillary Facilities*).

8.4 **Repayment of Ancillary Facility**

8.4.1 An Ancillary Facility shall cease to be available on the Final Maturity Date or such earlier date on which its expiry date occurs or on which it is cancelled in accordance with the terms of this Agreement.

8.4.2 If an Ancillary Facility expires or is cancelled in accordance with its terms the Ancillary Commitment of the Ancillary Lender shall be reduced to zero.

8.4.3 No Ancillary Lender may demand repayment or prepayment of any Ancillary Outstandings prior to the expiry date of the relevant Ancillary Facility unless:

- (a) required to reduce the Permitted Gross Outstandings of a Multi-account Overdraft to or towards an amount equal to its Designated Net Amount;
- (b) the Total Commitments have been cancelled in full, or all outstanding Loans have become due and payable in accordance with the terms of this Agreement;
- (c) it becomes unlawful in any applicable jurisdiction for the Ancillary Lender to perform any of its obligations as contemplated by this Agreement or to fund, issue or maintain its participation in its Ancillary Facility (or it becomes unlawful for any Affiliate of the Ancillary Lender for the Ancillary Lender to do so); or
- (d) both:
 - (i) the Available Commitments; and
 - (ii) the notice of the demand given by the Ancillary Lender,would not prevent the Company funding the repayment of those Ancillary Outstandings in full by way of Loan.

8.4.4 If a Loan is made to repay Ancillary Outstandings in full, the relevant Ancillary Commitment shall be reduced to zero.

8.5 **Limitations on Ancillary Outstandings**

The Company shall procure that:

8.5.1 the Ancillary Outstandings under any Ancillary Facility shall not exceed the Ancillary Commitment applicable to that Ancillary Facility; and

8.5.2 in relation to a Multi-account Overdraft:

(b) the Gross Outstandings shall not exceed the Designated Gross Amount applicable to that Multi-account Overdraft.

8.6 **Information**

The Company and each Ancillary Lender shall, promptly upon request by the Facility Agent, supply the Facility Agent with any information relating to the operation of an Ancillary Facility (including the Ancillary Outstandings) as the Facility Agent may reasonably request from time to time. The Company consents to all such information being released to the Facility Agent and the other Finance Parties.

8.7 **Affiliates of Lenders as Ancillary Lenders**

8.7.1 Subject to the terms of this Agreement, an Affiliate of a Lender may become an Ancillary Lender. In such case, the Lender and its Affiliate shall be treated as a single Lender whose Commitment is the amount set out opposite the relevant Lender's name in Schedule 1 (*Original Parties*) and/or the amount of any Commitment transferred to or assumed by that Lender under this Agreement, to the extent (in each case) not cancelled, reduced or transferred by it under this Agreement.

8.7.2 The Company shall specify any relevant Affiliate of a Lender in any notice delivered by the Company to the Facility Agent pursuant to paragraph 8.2.2(a) of Clause 8.2 (*Availability*).

8.7.3 If a Lender assigns all of its rights and benefits or transfers all of its rights and obligations to a New Lender, its Affiliate shall cease to have any obligations under this Agreement or any Ancillary Document.

8.7.4 Where this Agreement or any other Finance Document imposes an obligation on an Ancillary Lender and the relevant Ancillary Lender is an Affiliate of a Lender which is not a party to that document, the relevant Lender shall ensure that the obligation is performed by its Affiliate.

8.8 **Commitment amounts**

Notwithstanding any other term of this Agreement, each Lender shall ensure that at all times its Commitment is not less than its Ancillary Commitment or the Ancillary Commitment of its Affiliate.

8.9 **Amendments and Waivers – Ancillary Facilities**

No amendment or waiver of a term of any Ancillary Facility shall require the consent of any Finance Party other than the relevant Ancillary Lender unless such amendment or waiver itself relates to or gives rise to a matter which would require an amendment of or under this Agreement (including, for the avoidance of doubt, under this Clause). In such a case, the provisions of this Agreement with regard to amendments and waivers will apply.

9. **REPAYMENT**

9.1 **Repayment of Loans**

9.1.1 The Company must repay each Loan in full on its Maturity Date. No Loan may be outstanding after the Final Maturity Date.

- (a) on the same day that a maturing Loan is due to be repaid by the Company;
- (b) in the same currency as the maturing Loan (unless it arose as a result of the operation of Clause 7.2 (*Revocation of currency*)); and
- (c) in whole or in part for the purpose of refinancing the maturing Loan,

the aggregate amount of the new Loans shall be treated as if applied in or towards repayment of the maturing Loan so that:

- (i) if the amount of the maturing Loan exceeds the aggregate amount of the new Loans:
 - (A) the Company will only be required to pay an amount in cash in the relevant currency equal to that excess; and
 - (B) each Lender's participation (if any) in the new Loans shall be treated as having been made available and applied by the Company in or towards repayment of that Lender's participation (if any) in the maturing Loan and that Lender will not be required to make its participation in the new Loans available in cash; and
- (ii) if the amount of the maturing Loan is equal to or less than the aggregate amount of the new Loans:
 - (A) the Company will not be required to make any payment in cash; and

- (B) each Lender will be required to make its participation in the new Loans available in cash only to the extent that its participation (if any) in the new Loans exceeds that Lender's participation (if any) in the maturing Loan and the remainder of that Lender's participation in the new Loans shall be treated as having been made available and applied by the Company in or towards repayment of that Lender's participation in the maturing Loan.

-
- 10.2.3 if no such agreement is reached within the said period of 45 days then:
- (a) any Lender may on 10 days' notice to the Facility Agent and to the Company require the repayment of its share in each Loan and the repayment of its Ancillary Outstandings and cancel its Commitment; and
 - (b) the Majority Lenders may on 10 days' notice to the Company require repayment in full of all outstanding Loans and Ancillary Outstandings and cancel the Total Commitments; and
- 10.2.4 a Lender shall not be obliged to fund any further loans under the Facility (except for a Rollover Loan) during the negotiation period set out in sub-clause 10.2.2, and if no agreement is reached within such negotiation period, during the 10 day notice period set out in sub-clause 10.2.3.

- 10.5.2 Partial cancellation of the Total Commitments must be in a minimum amount of £5,000,000 and an integral multiple of £1,000,000.
- 10.5.3 Any cancellation in part shall be applied against the Commitment of each Lender pro rata.

10.6 **Involuntary prepayment and cancellation**

- 10.6.1 If the Company is, or will be, required to pay to a Lender a Tax Payment or an Increased Cost, the Company may, while the requirement continues, give notice to the Facility Agent requesting prepayment and cancellation in respect of that Lender.

-
- 10.6.2 After notification under sub-clause 10.6.1 above:
- (a) the Company must repay or prepay that Lender's share in each Loan made to it on the date specified in sub-clause 10.6.3 below; and
 - (b) the Commitments of that Lender will be immediately cancelled.

 - (c) The Facility Agent shall as soon as practicable after receipt of a notice referred to in paragraph (a) above, notify all the Lenders.

10.7 **Re-borrowing of Loans**

Any voluntary prepayment of a Loan may be re-borrowed on the terms of this Agreement. Any mandatory or involuntary prepayment of a Loan may not be re-borrowed.

10.8 **Miscellaneous provisions**

11.1.2 LIBOR or, in relation to any Loan in euro, EURIBOR.

11.2 **Payment of interest**

Except where it is provided to the contrary in this Agreement, the Company must pay accrued interest on each Loan made to it on the last day of each Term and also, if the Term is longer than six months, on the dates falling at six-monthly intervals after the first day of that Term.

11.3 **Interest on overdue amounts**

11.3.1 If the Company fails to pay any amount payable by it under the Finance Documents, it must immediately on demand by the Facility Agent pay interest on the overdue amount from its due date up to the date of actual payment, both before, on and after judgment.

11.3.2 Interest on an overdue amount is payable at a rate determined by the Facility Agent to be one per cent. per annum above the rate which would have been payable if the overdue amount had, during the period of non-payment, constituted a Loan in the currency of the overdue amount. For this purpose, the Facility Agent may (acting reasonably):

(a) select successive Terms of any duration of up to three months; and

(b) determine the appropriate Quotation Day for that Term.

11.3.3 Notwithstanding sub-clause 11.3.2 above, if the overdue amount is a principal amount of a Loan and becomes due and payable prior to the last day of its current Term, then:

(b) the rate of interest on the overdue amount for that first Term will be one per cent. per annum above the rate then payable on that Loan.

After the expiry of the first Term for that overdue amount, the rate on the overdue amount will be calculated in accordance with sub-clause 11.3.2 above.

11.3.4 Interest (if unpaid) on an overdue amount will be compounded with that overdue amount at the end of each of its Terms but will remain immediately due and payable.

11.4 **Notification of rates of interest**

The Facility Agent must promptly notify each relevant Party of the determination of a rate of interest under this Agreement.

12. **TERMS**

12.1 **Selection**

12.1.1 Each Loan has one Term only.

12.1.2 The Company must select the Term for a Loan in the relevant Request.

12.1.3 Subject to the following provisions of this Clause, each Term for a Loan will be one, two, three or six months or for a period of one to thirty days or any other period agreed between the Company and the Lenders.

12.1.4 The Company shall not use its right under paragraph 12.1.3 above to select for a Loan a Term of less than one month's duration more than six times in any calendar year.

12.1.5 A Term for a Loan shall start on the Drawdown Date for that Loan.

12.2 **No overrunning the Final Maturity Date**

If a Term would otherwise overrun the Final Maturity Date, it will be shortened so that it ends on the Final Maturity Date.

12.3 **Other adjustments**

12.3.1 The Facility Agent and the Company may enter into such other arrangements as they may agree for the adjustment of Terms and the consolidation and/or splitting of Loans.

12.3.2 Subject to Clause 12.3.3 below, if two or more Terms end on the same date, those Loans will, unless the Company specifies to the contrary in the Request for the next Term, be consolidated into, and treated as, a single Loan on the last day of the Term.

12.3.3 Subject to Clause 4.4 (*Maximum Number*) and Clause 5.2 (*Completion of Requests*) if the Company requests in a Request that a Loan be divided into two or more Loans, that Loan will, on the last day of its Term, be so divided into the Base Currency Amounts specified in that Request, having an aggregate Base Currency Amount equal to the Base Currency Amount of the Loan immediately before its division.

12.4 **Notification**

The Facility Agent must notify the Company and the Lenders of the duration of each Term promptly after ascertaining its duration.

13. **MARKET DISRUPTION**

13.1 **Failure of a Reference Bank to supply a rate**

Subject to the other provisions of this Clause, if LIBOR or, if applicable, EURIBOR is to be determined by reference to the Reference Banks but a Reference Bank does not supply a quotation by the Specified Time on the Quotation Day, the applicable LIBOR or EURIBOR will be determined on the basis of the quotations of the remaining Reference Banks.

13.2 **Market disruption**

13.2.1 In this Clause, each of the following events is a **market disruption event**:

- (a) at or about noon on the Quotation Day for the relevant Term, LIBOR or if applicable EURIBOR is to be determined by reference to the Reference Banks and none or only one of the Reference Banks supplies a rate to the Facility Agent to determine LIBOR or, if applicable, EURIBOR for the relevant currency and Term; or
- (b) before close of business in London on the Quotation Day for the relevant Term, the Facility Agent receives notification from a Lender or Lenders whose participations in the relevant Loan exceed 50% of that Loan that the cost to it (or them) of funding its participation in that Loan from whatever source it may reasonably select would be in excess of LIBOR or, if applicable, EURIBOR for the relevant Term.

13.2.2 The Facility Agent must promptly notify the Company and the Lenders of a market disruption event.

13.2.3 After notification under sub-clause 13.2.1(a) above, the rate of interest on each Lender's share in the affected Loan for the relevant Term will be the aggregate of the applicable:

- (a) Margin; and
- (b) rate notified to the Facility Agent by that Lender as soon as practicable, and in any event before interest is due to be paid in respect of that Term, to be that which expresses as a percentage rate per annum the cost to that Lender of funding its share in that Loan from whatever source it may reasonably select.

13.3 **Alternative basis of interest or funding**

13.3.1 If a market disruption event occurs and the Facility Agent or the Company so requires, the Company and the Facility Agent must enter into negotiations for a period of not more than 30 days with a view to agreeing an alternative basis for determining the rate of interest and/or funding for the affected Loan and any future Loan.

13.3.2 Any alternative basis agreed will be, with the prior consent of all the Lenders, binding on all the Parties.

“**Treaty Lender**” means a Lender which:

14.1.2 Unless a contrary indication appears, in this Clause 14 a reference to “determines” or “determined” means a determination made in the absolute discretion of the person making the determination.

14.2 **Tax gross-up**

14.2.1 The Company shall make all payments to be made by it without any Tax Deduction, unless a Tax Deduction is required by law.

14.2.2 The Company shall promptly upon becoming aware that it must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Facility Agent accordingly. Similarly, a Lender shall notify the Facility Agent on becoming so aware in respect of a payment payable to that Lender. If the Facility Agent receives such notification from a Lender it shall notify the Company.

14.2.3 If a Tax Deduction is required by law to be made by the Company, the amount of the payment due from the Company shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

14.2.4 A payment shall not be increased under sub-clause 14.2.3 above by reason of a Tax Deduction on account of Tax imposed by the United Kingdom, if on the date on which the payment falls due:

- (a) the payment could have been made to the relevant Lender without a Tax Deduction if the Lender had been a Qualifying Lender, but on that date that Lender is not or has ceased to be a Qualifying Lender other than as a result of any change after the date it became a Lender under this Agreement in (or in the interpretation, administration, or application of) any law or Treaty, or any published practice or published concession of any relevant taxing authority; or
- (b) the relevant Lender is a Qualifying Lender solely by virtue of paragraph (a)(ii) of the definition of Qualifying Lender and:
 - (i) an officer of HM Revenue & Customs has given (and not revoked) a direction (a “**Direction**”) under section 931 of the ITA which relates to the payment and that Lender has received from the Company a certified copy of that Direction; and
 - (ii) the payment could have been made to the Lender without any Tax Deduction if that Direction had not been made; or

-
- (c) the relevant Lender is a Qualifying Lender solely by virtue of paragraph (a)(ii) of the definition of Qualifying Lender and:
 - (i) the relevant Lender has not given a Tax Confirmation to the Company; and
 - (ii) the payment could have been made to the Lender without any Tax Deduction if the Lender had given a Tax Confirmation to the Company on the basis that the Tax Confirmation would have enabled the Company to have formed a reasonable belief that the payment was an “excepted payment” for the purpose of section 930 of the ITA; or
 - (d) the relevant Lender is a Treaty Lender and the Company making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender complied with its obligations under sub-clause 14.2.7 below.

14.2.5 If the Company is required to make a Tax Deduction, the Company shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

14.2.6 Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Company making that Tax Deduction shall deliver to the Facility Agent for the Finance Party entitled to the payment a statement under Section 975 of the ITA, or other evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

14.2.7

- (a) Subject to paragraph (b) below, a Treaty Lender and the Company which makes a payment to which that Treaty Lender is entitled shall co-operate in completing any procedural formalities necessary for that Company to obtain authorisation to make that payment without a Tax Deduction.
- (b) Nothing in paragraph (a) above shall require a Treaty Lender to:
 - (i) register under the HMRC DT Treaty Passport scheme;
 - (ii) apply the HMRC DT Treaty Passport scheme to any Loan if it has so registered; or
 - (iii) file Treaty forms if it has included an indication to the effect that it wishes the HMRC DT Treaty Passport scheme to apply to this Agreement in accordance with paragraph 14.2.10 below or paragraph 14.6.1 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*) and the Company making that payment has not complied with its obligations under paragraph 14.2.11 below or paragraph 14.6.2 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*).

- 14.2.8 A UK Non-Bank Lender which becomes a Party on the day on which this Agreement is entered into gives a Tax Confirmation to the Company by entering into this Agreement.
- 14.2.9 A UK Non-Bank Lender shall promptly notify the Company and the Facility Agent if there is any change in the position from that set out in the Tax Confirmation.
- 14.2.10 A Treaty Lender which becomes a Party on the day on which this Agreement is entered into that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall include an indication to that effect (for the benefit of the Facility Agent and without liability to the Company) by including its scheme reference number and its jurisdiction of tax residence opposite its name in Schedule 1 (*Original Parties*).
- 14.2.11 Where a Lender includes the indication described in paragraph 14.2.10 above in Schedule 1 (*Original Parties*), the Company shall file a duly completed form DTTP2 in respect of such Lender with HM Revenue & Customs within 30 days of the date of this Agreement and shall promptly provide the Lender with a copy of that filing provided that the Company shall not be liable in respect of any non-compliance with its obligations under this Clause 14.2.11 where such non-compliance is due to circumstances beyond the control of the Company (including, without limitation, any delay, failure or omission on the part of the relevant Lender or the Facility Agent to comply with any obligation owed to the Company, or to any inaccuracy in any information provided by the relevant Lender or the Facility Agent in connection with the DT Treaty Passport scheme).
- 14.2.12 Any Lender which has confirmed that it is entitled to use its DT Treaty Passport in accordance with Clause 14.2.10 or Clause 14.6.1 will reasonably promptly notify the Facility Agent and the Company if at any time it ceases to hold a passport under the HMRC DT Treaty Passport scheme or if it ceases to be able to use such passport as a Lender.
- 14.2.13 If a Lender has not included an indication to the effect that it wishes the HMRC DT Treaty Passport scheme to apply to this Agreement in accordance with sub-clause 14.2.10 above or sub-clause 14.6.1 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*), the Company shall not file any form relating to the HMRC DT Treaty Passport scheme in respect of that Lender's Commitment or its participation in any Loan.
- 14.3 **Tax indemnity**
- 14.3.1 Except as provided below, the Company must, within three Business Days of demand, indemnify a Finance Party against any loss or liability which that Finance Party (in its absolute discretion) determines will be or has been suffered (directly or indirectly) by that Finance Party for or on account of Tax in relation to a payment received or receivable (or any payment deemed to be received or receivable) under a Finance Document.

- 14.3.2 Sub-clause 14.3.1 above does not apply to any Tax assessed on a Finance Party under the laws of the jurisdiction in which:
- (a) that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or
 - (b) that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction, if that Tax is imposed on or calculated by reference to the net income received or receivable by that Finance Party. However, any payment deemed to be received or receivable, including any amount treated as income but not actually received by the Finance Party, such as a Tax Deduction, will not be treated as net income received or receivable for this purpose.
- 14.3.3 Sub-clause 14.3.1 above does not apply to any Tax assessed on a Finance Party to the extent the loss or liability:
- (a) is compensated for by an increased payment under Clause 14.2 (*Tax gross-up*);
 - (b) would have been compensated for by an increased payment under Clause 14.2 (*Tax gross-up*) but was not so compensated solely because one of the exclusions in Clause 14.2 (*Tax gross-up*) applied; or
 - (c) relates to a FATCA Deduction required to be made by a Party.
- 14.3.4 A Finance Party making, or intending to make, a claim under sub-clause 14.3.1 above must promptly notify the Company of the event which will give, or has given, rise to the claim.

14.4 **Tax Credit**

If the Company makes a Tax Payment and the relevant Finance Party has obtained, used and retained any Tax Credit that is attributable to that Tax Payment, then, in its discretion (acting reasonably) it can do so without any further adverse consequences for it, that Finance Party must pay an amount to the Company which that Finance Party determines (in its discretion, acting reasonably) will leave it (after that payment) in the same after-tax position as it would have been in if the Tax Payment had not been required to be made by the Company. The relevant Finance Party shall take those steps it considers in its opinion reasonable to seek and claim any tax credit.

14.5 **Lender Status Confirmation**

Each Lender which becomes a Party to this Agreement after the date of this Agreement shall indicate, in the Transfer Certificate, assignment agreement or Increase Confirmation which it executes on becoming a Party, and for the benefit of the Facility Agent and without liability to the Company, which of the following categories it falls in:

- 14.5.1 not a Qualifying Lender;

14.5.2 a Qualifying Lender (other than a Treaty Lender); or

14.5.3 a Treaty Lender.

If a New Lender fails to indicate its status in accordance with this Clause 14.5 then such New Lender shall be treated for the purposes of this Agreement as if it is not a Qualifying Lender until such time as it notifies the Facility Agent which category applies (and the Facility Agent, upon receipt of such notification, shall inform the Company). For the avoidance of doubt, a Transfer Certificate or assignment agreement shall not be invalidated by any failure of a Lender to comply with this Clause 14.5.

14.6 HMRC DT Treaty Passport scheme confirmation

14.6.1 A New Lender that is a Treaty Lender that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall include an indication to that effect (for the benefit of the Facility Agent and without liability to the Company) in the Transfer Certificate or Increase Confirmation which it executes by including its scheme reference number and its jurisdiction of tax residence in that Transfer Certificate or Increase Confirmation.

14.6.2 Where a New Lender includes the indication described in sub-clause 14.6.1 above in the relevant Transfer Certificate or Increase Confirmation the Company shall file a duly completed form DTTP2 in respect of such Lender with HM Revenue & Customs within 30 days of the relevant Transfer Date and shall promptly provide the Lender with a copy of that filing.

14.7 Stamp taxes

The Company shall pay and, within three Business Days of demand, indemnify each Finance Party against any cost, loss or liability that Finance Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document, except for any such Tax payable in respect of a Transfer Certificate or other transfer or disposal of a Lender's rights or obligations under a Finance Document.

14.8 VAT

14.8.1 All amounts set out, or expressed in a Finance Document to be payable by any Party to a Finance Party which (in whole or in part) constitute the consideration for a supply or supplies for VAT purposes shall be deemed to be exclusive of any VAT which is chargeable on such supply or supplies, and accordingly, subject to sub-clause 14.8.2 below, if VAT is or becomes chargeable on any supply made by any Finance Party to any Party under a Finance Document, that Party shall pay to the Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of such VAT (and such Finance Party shall promptly provide an appropriate VAT invoice to such Party).

- 14.8.2 If VAT is or becomes chargeable on any supply made by any Finance Party (the “**Supplier**”) to any other Finance Party (the “**Recipient**”) under a Finance Document, and any Party other than the Recipient (the “**Subject Party**”) is required by the terms of any Finance Document to pay an amount equal to the consideration for such supply to the Supplier (rather than being required to reimburse the Recipient in respect of that consideration), such Party shall also pay to the Supplier (in addition to and at the same time as paying such amount) an amount equal to the amount of such VAT. The Recipient will promptly pay to the Subject Party an amount equal to any credit or repayment obtained by the Recipient from the relevant tax authority which the Recipient reasonably determines is in respect of such VAT.
- 14.8.3 Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Finance Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- 14.8.4 Any reference in this Clause 14.8 to any Party shall, at any time when such Party is treated as a member of a group for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the representative member of such group at such time (the term “representative member” to have the same meaning as in the Value Added Tax Act 1994).

14.9 **FATCA Information**

- 14.9.1 Subject to sub-clause 14.9.3 below, each Party shall, within ten Business Days of a reasonable request by another Party:
- (a) confirm to that other Party whether it is:
 - (i) a FATCA Exempt Party; or
 - (ii) not a FATCA Exempt Party; and
 - (b) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party’s compliance with FATCA;
 - (c) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party’s compliance with any other law, regulation, or exchange of information regime.
- 14.9.2 If a Party confirms to another Party pursuant to paragraph (a) of sub-clause 14.9.1 above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not, or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.

14.9.3 Sub-clause 14.9.1 above shall not oblige any Finance Party to do anything, and paragraph (c) of sub-clause 14.9.1. above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:

- (a) any law or regulation;
- (b) any fiduciary duty; or
- (c) any duty of confidentiality.

14.9.4 If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a) or (b) of sub-clause 14.9.1 above (including, for the avoidance of doubt, where sub-clause 14.9.3 above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

14.10 **FATCA Deduction**

14.10.1 Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction, or otherwise compensate the recipient of the payment for that FATCA Deduction.

14.10.2 Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment and, in addition, shall notify the Company, the Facility Agent and the other Finance Parties.

15. **INCREASED COSTS**

15.1 **Increased Costs**

Except as provided below in this Clause, the Company must pay to a Finance Party the amount of any Increased Cost incurred by that Finance Party or any of its Affiliates as a result of:

- 15.1.1 the introduction of, or any change in, or any change in the interpretation or application of, any law or regulation;
- 15.1.2 compliance with any law or regulation made after the date of this Agreement **provided that** for the purposes of this Agreement and any other Finance Document, Dodd-Frank shall be deemed to be a law or regulation made after the date of this Agreement; or
- 15.1.3 the implementation or application of, or compliance with, Basel III or CRD IV or any law or regulation that implements or applies Basel III or CRD IV.

15.2 **Exceptions**

The Company need not make any payment for an Increased Cost to the extent that the Increased Cost is:

- 15.2.1 compensated for under another Clause or would have been but for an exception to that Clause;
- 15.2.2 a Tax on the overall net income of a Finance Party or any of its Affiliates;
- 15.2.3 attributable to a FATCA Deduction required to be made by a Party;
- 15.2.4 attributable to a Finance Party or its Affiliate wilfully failing to comply with any law or regulation;
- 15.2.5 attributable to the implementation or application of or compliance with the “International Convergence of Capital Measurement and Capital Standards, a Revised Framework” published by the Basel Committee in June 2004 in the form existing on the date of this Agreement (but excluding any amendment arising out of Basel III) (**Basel II**) or any other law or regulation which implements Basel II (whether such implementation, application or compliance is by a government, regulator, Finance Party or any of its Affiliates); or
- 15.2.6 not notified by the relevant Finance Party to the Facility Agent and the Company within three Months of that Finance Party becoming aware of such Increased Cost.

15.3 **Claims**

A Finance Party intending to make a claim for an Increased Cost must notify the Company promptly of the circumstances giving rise to, and the amount of, the claim.

16. MITIGATION

16.1 **Mitigation**

- 16.1.1 Each Finance Party must, in consultation with the Company (other than upon the occurrence of an event referred to at paragraph (d) below where no such consultation is required), take all reasonable steps to mitigate any circumstances which arise and which result or would result in the Facility ceasing to be available or:
 - (a) any Tax Payment or Increased Cost being payable to that Finance Party;
 - (b) that Finance Party being able to exercise any right of prepayment and/or cancellation under this Agreement by reason of any illegality;

- (c) that Finance Party incurring any cost of complying with the minimum reserve requirements of the European Central Bank; or
 - (d) the occurrence of any market disruption event,
including transferring its rights and obligations under the Finance Documents to an Affiliate or changing its Facility Office.
- 16.1.2 A Finance Party is not obliged to take any step under this Clause 16 if, in the opinion of that Finance Party (acting reasonably), to do so might be prejudicial to it.
- 16.1.3 Each Finance Party must promptly notify the Company of any circumstances as described in paragraphs (a) to (d) of sub-clause 16.1.1 of this Clause 16.1.
- 16.1.4 The Company must indemnify each Finance Party for all costs and expenses reasonably incurred by it as a result of any step taken under this Clause 16.1.
- 16.1.5 This Clause does not in any way limit the obligations of the Company under the Finance Documents.

16.2 **Substitution**

Notwithstanding Clause 16.1 (*Mitigation*), if any circumstances arise which result in:

- 16.2.1 any Tax Payment or Increased Cost being payable to that Finance Party;
- 16.2.2 that Finance Party being able to exercise any right of prepayment and/or cancellation under this Agreement by reason of any illegality;
- 16.2.3 that Finance Party incurring any cost of complying with the minimum reserve requirements of the European Central Bank;
- 16.2.4 the occurrence of any market disruption event; or
- 16.2.5 any Lender becoming a Non-Consenting Lender,

then the Company, at its expense, at any time within 180 days after the occurrence of the relevant event or circumstance, so long as no Default is outstanding, may by notice to the Facility Agent and such Finance Party require it (and, if applicable, its Affiliate) to (and to the extent permitted by law such Finance Party or, if applicable, its Affiliate shall) novate pursuant to Clause 29 (*Changes to the Parties*) all (and not part only) of its rights and obligations under this Agreement to a bank, financial institution, trust, fund or other entity (a “**Replacement Finance Party**”) selected by the Company, and which is acceptable to the Facility Agent (acting reasonably) (unless the Facility Agent is an Impaired Agent), which confirms its willingness to assume and does assume all the obligations of the transferring Finance Party (including the assumption of the transferring Finance Party’s participations or unfunded participations (as the case may be) on the same basis as the transferring Finance Party) for a purchase price in cash payable at the time of transfer equal to the outstanding principal amount of such Finance Party’s participation in the outstanding Loans and all accrued interest (to the extent that the Facility Agent has not given a notification under Clause 29.9 (*Pro rata interest settlement*)), Break Costs and other amounts payable to such Finance Party under the Finance Documents **provided that:**

- 16.2.6 the Company shall have no right to replace the Facility Agent;

- 16.2.7 neither the Facility Agent nor such Finance Party shall have any obligation to the Company to find a Replacement Finance Party;
- 16.2.8 the transfer must take place no later than 14 days after the notice referred to above;
- 16.2.9 in no event shall such Finance Party be required to pay or surrender to the Replacement Finance Party any of the fees received by such Finance Party pursuant to the Finance Documents; and
- 16.2.10 the Finance Party shall only be obliged to transfer its rights and obligations pursuant to this Clause 16.2 once it is satisfied that it has complied with all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to that transfer to the Replacement Finance Party.

16.3 **Conduct of business by a Finance Party**

No term of this Agreement will:

- 16.3.1 interfere with the right of any Finance Party to arrange its affairs (Tax or otherwise) in whatever manner it thinks fit or oblige any Finance Party to investigate or claim any Tax Credit; or
- 16.3.2 oblige any Finance Party to disclose any information relating to its affairs (Tax or otherwise) or any computation in respect of Tax.

17. **PAYMENTS**

17.1 **Place**

Unless a Finance Document specifies that payments under it are to be made in another manner, all payments by a Party (other than the Facility Agent) under the Finance Documents, excluding a payment under the terms of an Ancillary Document, must be made to the Facility Agent to its account at such office or bank:

- 17.1.1 in the principal financial centre of the country of the relevant currency; or
 - 17.1.2 in the case of euro, in the principal financial centre of a Participating Member State or London,
- as it may notify to that Party for this purpose by not less than five Business Days’ prior notice.

17.2 **Funds**

Payments under the Finance Documents to the Facility Agent must be made for value on the due date at such times and in such funds as the Facility Agent may specify to the Party concerned as being customary at the time for the settlement of transactions in the relevant currency in the place of payment.

17.3 **Distribution**

17.3.1 Each payment received by the Facility Agent under the Finance Documents for another Party must, except as provided below, be made available by the Facility Agent to that Party by payment (as soon as practicable after receipt) to its account with such office or bank:

- (a) in the principal financial centre of the country of the relevant currency; or
- (b) in the case of euro, in the principal financial centre of a Participating Member State or London,

as it may notify to the Facility Agent for this purpose by not less than five Business Days' prior notice.

17.3.2 The Facility Agent may apply any amount received by it for the Company in or towards payment (as soon as practicable after receipt) of any amount due from the Company under the Finance Documents or in or towards the purchase of any amount of any currency to be so applied.

17.3.3 Where a sum is paid to the Facility Agent under this Agreement for another Party, the Facility Agent is not obliged to pay that sum to that Party until it has established that it has actually received it. 23.8.2 The Facility Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Facility Agent, if the Facility Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Facility Agent for that purpose.

23.8.3 No Party (other than the Facility Agent or the Ancillary Lender) may take any proceedings against any officer, employee or agent of the Facility Agent or any Ancillary Lender in respect of any claim it might have against the Facility Agent or any Ancillary Lender or in respect of any act or omission of any kind by that officer, employee or agent in connection with any Finance Document. 23.10.3 Except as provided above, the Facility Agent has no duty:

- (a) either initially or on a continuing basis to provide any Lender with any credit or other information concerning the risks arising under or in connection with the Finance Documents (including any information relating to the financial condition or affairs of the Company or its related entities or the nature or extent of recourse against any Party or its assets) whether coming into its possession before, on or after the date of this Agreement; or
- (b) unless specifically requested to do so by a Lender in accordance with a Finance Document, to request any certificate or other document from the Company.

23.10.4 In acting as the Facility Agent, the agency division of the Facility Agent is treated as a separate entity from its other divisions and departments. Any information acquired by the Facility Agent which, in its opinion, is acquired

by it otherwise than in its capacity as the Facility Agent may be treated as confidential by the Facility Agent and will not be treated as information possessed by the Facility Agent in its capacity as such.

23.10.5 The Facility Agent is not obliged to disclose to any person any confidential information supplied to it by a member of the Group solely for the purpose of evaluating whether any waiver or amendment is required to any term of the Finance Documents.

23.10.6 The Company irrevocably authorises the Facility Agent to disclose to the other Finance Parties any information which, in its opinion, is received by it in its capacity as the Facility Agent.

23.10.7 Without prejudice to the generality of the foregoing, the Facility Agent may disclose the identity of a Defaulting Lender to the other Finance Parties and the Company and shall disclose the same upon the written request of the Company or the Majority Lenders.

23.11 **Indemnities**

23.11.1 Without limiting the liability of the Company under the Finance Documents, each Lender must indemnify the Facility Agent for that Lender's Pro Rata Share of any loss or liability incurred by the Facility Agent in acting as the Facility Agent, except to the extent that the loss or liability is caused by the Facility Agent's gross negligence or wilful misconduct or to the extent that the Facility Agent has been reimbursed in full by the Company for such loss or liability.

23.11.2 The Facility Agent may deduct from any amount received by it for a Lender any amount due to the Facility Agent from that Lender under a Finance Document but unpaid.

23.11.3 The Company must indemnify the Facility Agent against any loss or liability properly incurred by the Facility Agent as a result of:

- (b) acting or relying on any notice which the Facility Agent reasonably believes to be genuine, correct and appropriately authorised.

23.12 **Compliance**

The Facility Agent may refrain from doing anything (including disclosing any information) which might, in its opinion, constitute a breach of any law or regulation or be otherwise actionable at the suit of any person, and may do anything which, in its opinion, is necessary or desirable to comply with any law or regulation.

- 23.13.5 The resignation of the Facility Agent and the appointment of any successor Facility Agent will both become effective only when the successor Facility Agent notifies all the Parties that it accepts its appointment. On giving the notification, the successor Facility Agent will succeed to the position of the Facility Agent and the term “**Facility Agent**” will mean the successor Facility Agent.
- 23.13.6 The retiring Facility Agent must, at its own cost, make available to the successor Facility Agent such documents and records and provide such assistance as the successor Facility Agent may reasonably request for the purposes of performing its functions as the Facility Agent under the Finance Documents.
- 23.13.7 Upon its resignation becoming effective, this Clause will continue to benefit the retiring Facility Agent in respect of any action taken or not taken by it in connection with the Finance Documents while it was the Facility Agent, and, subject to sub-clause 23.13.6 above, it will have no further obligations under any Finance Document.

23.14 **Replacement of the Facility Agent**

- 23.14.1 After consultation with the Company, the Majority Lenders may, by giving 30 days’ notice to the Facility Agent (or, at any time the Facility Agent is an Impaired Agent, by giving any shorter notice determined by the Majority Lenders) replace the Facility Agent by appointing a successor Facility Agent (acting through an office in the United Kingdom).
- 23.14.2 The retiring Facility Agent shall (at its own cost if it is an Impaired Agent and otherwise at the expense of the Lenders) make available to the successor Facility Agent such documents and records and provide such assistance as the successor Facility Agent may reasonably request for the purposes of performing its functions as Facility Agent under the Finance Documents.
- 23.14.3 The replacement of the Facility Agent and the appointment of the successor Facility Agent shall take effect on the date specified in the notice from the Majority Lenders to the retiring Facility Agent. As from this date, the retiring Facility Agent shall be discharged from any further obligation in respect of the Finance Documents but shall remain entitled to the benefit of this Clause 23 (and any agency fees for the account of the retiring Facility Agent shall cease to accrue from (and shall be payable on) that date).

23.14.4 Any successor Facility Agent and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.

23.15 **Relationship with Lenders**

23.15.1 Subject to Clause 29.9 (*Pro rata interest settlement*), the Facility Agent may treat each Lender as a Lender, entitled to payments under this Agreement and as acting through its Facility Office(s) until it has received not less than five Business Days' prior notice from that Lender to the contrary.

23.15.2 The Facility Agent may at any time, and must if requested to do so by the Majority Lenders, convene a meeting of the Lenders.

23.15.3 The Facility Agent must keep a register of all the Parties and supply any other Party with a copy of the register on request. The register will include each Lender's Facility Office(s) and contact details for the purposes of this Agreement.

23.16 **Facility Agent's management time**

If the Facility Agent requires, any amount payable to the Facility Agent by any Party under any indemnity or in respect of any costs or expenses incurred by the Facility Agent under the Finance Documents after the date of this Agreement may include the cost of using its management time or other resources and will be calculated on the basis of such reasonable daily or hourly rates as the Facility Agent may notify to the relevant Party. This is in addition to any amount in respect of fees or expenses paid or payable to the Facility Agent under any other term of the Finance Documents.

23.17 **Notice period**

Where this Agreement specifies a minimum period of notice to be given to the Facility Agent, the Facility Agent may, at its discretion, accept a shorter notice period.

23.18 **Subordination Deed**

The Facility Agent will execute any Subordination Deed within two Business Days of receipt of a request (which shall include an execution version of such Subordination Deed) from the Company.

24. **EVIDENCE AND CALCULATIONS**

24.1 **Accounts**

Accounts maintained by a Finance Party in connection with this Agreement are prima facie evidence of the matters to which they relate for the purpose of any litigation or arbitration proceedings.

-
- 24.2 **Certificates and determinations**
Any certification or determination by a Finance Party of a rate or amount under the Finance Documents will be, in the absence of manifest error, conclusive evidence of the matters to which it relates.
- 24.3 **Calculations**
Any interest or fee accruing under this Agreement accrues from day to day and is calculated on the basis of the actual number of days elapsed and a year of 360 or 365 days or otherwise, depending on what the Facility Agent determines is market practice.
25. **FEES**
- 25.1 **Agency fee**
The Company must pay to the Facility Agent for its own account an annual agency fee in the manner agreed between the Facility Agent and the Company.
- 25.2 **Arrangement and participation fees**
The Company must pay the upfront fees in the manner agreed between the Arrangers and the Company.
- 25.3 **Co-ordination fee**
The Company must pay a co-ordination fee in the manner agreed between the Joint Coordinators and the Company.
- 25.4 **Commitment fee**
- 25.4.1 The Company must pay a commitment fee computed at the rate of 35 per cent. of the applicable Margin on the undrawn, uncanceled amount of each Lender's Commitment for the Availability Period calculated from the date of this Agreement.
- 25.4.2 The commitment fee is payable quarterly in arrears during the Availability Period and on the last day of the Availability Period. Accrued commitment fee is also payable to the Facility Agent for a Lender on the date its Commitment is cancelled in full.
- 25.4.3 No commitment fee is payable to the Facility Agent (for the account of a Lender) on any Available Commitment of that Lender for any day on which that Lender is a Defaulting Lender.
- 25.5 **Utilisation fee**
- 25.5.1 The Company must pay to the Facility Agent for each Lender a utilisation fee computed at the rate of 0.20 per cent. per annum on the aggregate principal amount of the Loans for each day on which the aggregate Base Currency Amount of all Loans exceeds 33.3 per cent. of the Total Commitments.

- 25.5.2 The Company must pay to the Facility Agent for each Lender a utilisation fee computed at the rate of 0.40 per cent. per annum on the aggregate principal amount of the Loans for each day on which the Base Currency Amount of all Loans exceeds 66.6 per cent. of the Total Commitments. For the avoidance of doubt, the fee described in sub-clause 25.5.1 above is not payable in respect of any day for which the fee described in this sub-clause 25.5.2 is payable.
- 25.5.3 Utilisation fee is payable on the amount of each Lender's share in the Loans.
- 25.5.4 Accrued utilisation fee is payable quarterly in arrears. Accrued utilisation fee is also payable to the Facility Agent for a Lender on the date its Commitment is cancelled in full.

25.6 **Interest, commission and fees on Ancillary Facilities**

The rate and time of payment of interest, commission, fees and any other remuneration in respect of each Ancillary Facility shall be determined by agreement between the relevant Ancillary Lender and the Company based upon normal market rates and terms.

26. **INDEMNITIES AND BREAK COSTS**

26.1 **Currency indemnity**

- 26.1.1 The Company must, as an independent obligation, indemnify each Finance Party against any loss or liability which that Finance Party incurs as a consequence of:
- (a) that Finance Party receiving an amount in respect of the Company's liability under the Finance Documents; or
 - (b) that liability being converted into a claim, proof, judgment or order,
- in a currency other than the currency in which the amount is expressed to be payable under the relevant Finance Document.
- 26.1.2 Unless otherwise required by law, the Company waives any right it may have in any jurisdiction to pay any amount under the Finance Documents in a currency other than that in which it is expressed to be payable.

26.2 **Other indemnities**

The Company shall within 15 days of demand indemnify the Facility Agent and each Lender against any funding or other cost, loss, expense or liability in an amount certified by it in reasonable detail (together with documentation in support) sustained or incurred by it as a direct result of:

- 26.2.1 the occurrence of any Event of Default;
- 26.2.2 (other than by reason of negligence or default by a Finance Party) a Loan not being made after a Request has been delivered for that Loan; or

26.2.3 the receipt or recovery by any party (or the Facility Agent on its behalf) of all or any part of a Loan or overdue sum due from the Company otherwise than on the Final Maturity Date or Maturity Date of that Loan or, in the case of an overdue sum, the last day of an interest period relating to that overdue sum, as the case may be or a Loan or any part thereof not being prepaid in accordance with a notice of prepayment.

26.3 **Break Costs**

26.3.1 The Company must pay to each Lender its Break Costs within three Business Days of demand.

26.3.2 Break Costs are the amount (if any) determined by the relevant Lender by which:

(a) the interest (excluding Margin) which that Lender would have received for the period from the date of receipt of any part of its share in a Loan or overdue amount to the last day of the applicable Term for that Loan or overdue amount if the principal or overdue amount received had been paid on the last day of that Term;

exceeds

(b) the amount which that Lender would be able to obtain by placing an amount equal to the amount received by it on deposit with a leading bank in the appropriate interbank market for a period starting on the Business Day following receipt and ending on the last day of the applicable Term.

26.3.3 Each Lender must supply to the Facility Agent for the Company details of the amount of any Break Costs claimed by it under this Clause.

27. **EXPENSES**

27.1 **Initial costs**

The Company must pay to each Administrative Party promptly on demand the amount of all costs and expenses (including legal fees) reasonably incurred by it in connection with the negotiation, preparation, printing, execution and syndication of the Finance Documents.

27.2 **Subsequent costs**

The Company must pay to the Facility Agent promptly on demand the amount of all costs and expenses (including legal fees) reasonably incurred by it in connection with:

27.2.1 the negotiation, preparation, printing and execution of any Finance Document (other than a Transfer Certificate or Increase Confirmation) executed after the date of this Agreement; and

27.2.2 any amendment, waiver or consent requested by or on behalf of the Company or specifically allowed by this Agreement.

27.3 **Enforcement costs**

The Company must pay to each Finance Party the amount of all costs and expenses (including legal fees) incurred by it in connection with the enforcement of, or the preservation of any rights under, any Finance Document.

28. **AMENDMENTS AND WAIVERS**

28.1 **Procedure**

28.1.1 Except as provided in this Clause 28, any term of the Finance Documents (other than the Fee Letters) may be amended or waived with the agreement of the Company and the Majority Lenders. The Facility Agent may effect, on behalf of any Finance Party, an amendment or waiver allowed under this Clause.

28.1.2 The Facility Agent must promptly notify the other Parties of any amendment or waiver effected by it under sub-clause 28.1.1 above. Any such amendment or waiver is binding on all the Parties.

28.2 **Exceptions**

28.2.1 An amendment or waiver which relates to:

- (a) the definition of Majority Lenders in Clause 1.1 (*Definitions*);
- (b) Clause 2.3 (*Nature of a Finance Party's rights and obligations*);
- (c) an extension of the date of payment of any amount to a Lender under the Finance Documents;
- (d) a reduction in the Margin or a reduction in the amount of any payment of principal, interest, fee or other amount payable to a Lender under the Finance Documents;
- (e) an increase in, or an extension of, a Commitment or the Total Commitments;
- (f) a term of a Finance Document which expressly requires the consent of each Lender;
- (g) the right of a Lender to assign or transfer its rights or obligations under the Finance Documents;
- (h) Clause 10.1 (*Mandatory prepayment – illegality*) or Clause 10.2 (*Mandatory prepayment – change of control*); or
- (i) this Clause,

may only be made with the consent of all the Lenders.

28.2.2 An amendment or waiver which relates to the rights or obligations of an Administrative Party or an Ancillary Lender may only be made with the consent of that Administrative Party or Ancillary Lender.

28.3 **Disenfranchisement of Defaulting Lenders**

28.3.1 For so long as a Defaulting Lender has any Available Commitment, in ascertaining the Majority Lenders or whether any given percentage (including, for the avoidance of doubt, unanimity) of the Total Commitments has been obtained to approve any request for a consent, waiver, amendment or other vote under the Finance Documents, that Defaulting Lender's Commitments will be reduced by the amount of its Available Commitments.

28.3.2 For the purposes of this Clause 28.3, the Facility Agent may assume that the following Lenders are Defaulting Lenders:

- (a) any Lender which has notified the Facility Agent that it has become a Defaulting Lender;
- (b) any Lender in relation to which it is aware that any of the events or circumstances referred to in paragraphs (a), (b) or (c) of the definition of "Defaulting Lender" has occurred where, in the case of the events or circumstances referred to in paragraph (a), none of the exceptions to that paragraph apply,

unless it has received notice to the contrary from the Lender concerned (together with any supporting evidence reasonably requested by the Facility Agent) or the Facility Agent is otherwise aware that the Lender has ceased to be a Defaulting Lender.

28.4 **Replacement of a Defaulting Lender**

28.4.1 The Company may, at any time a Lender has become and continues to be a Defaulting Lender, by giving 10 Business Days' prior written notice to the Facility Agent and such Lender:

- (a) replace such Lender by requiring such Lender to (and to the extent permitted by law such Lender shall) transfer pursuant to Clause 29 (*Changes to the Parties*) all (and not part only) of its rights and obligations under this Agreement; or
- (b) require such Lender to (and to the extent permitted by law such Lender shall) transfer pursuant to Clause 29 (*Changes to the Parties*) all (and not part only) of the undrawn Commitment of the Lender.

to a Lender or other bank, financial institution, trust, fund or other entity (a "**Replacement Lender**") selected by the Company, and which is acceptable to the Facility Agent (acting reasonably) (unless the Facility Agent is an Impaired Agent), which confirms its willingness to assume and does assume all the obligations or all the relevant obligations of the transferring Lender (including the assumption of the transferring Lender's participations or unfunded participations (as the case may be) on the same basis as the transferring Lender) for a purchase price in cash payable at the

time of transfer equal to the outstanding principal amount of such Lender's participation in the outstanding Loans and all accrued interest (to the extent that the Facility Agent has not given a notification under Clause 29.9 (*Pro rata interest settlement*)), Break Costs and other amounts payable in relation thereto under the Finance Documents.

- 28.4.2 Any transfer of rights and obligations of a Defaulting Lender pursuant to this Clause shall be subject to the following conditions:
- (a) the Company shall have no right to replace the Facility Agent;
 - (b) neither the Facility Agent nor the Defaulting Lender shall have any obligation to the Company to find a Replacement Lender;
 - (c) the transfer must take place no later than 14 days after the notice referred to in sub-clause 28.4.1 above;
 - (d) in no event shall the Defaulting Lender be required to pay or surrender to the Replacement Lender any of the fees received by the Defaulting Lender pursuant to the Finance Documents; and
 - (e) the Defaulting Lender shall only be obliged to transfer its rights and obligations pursuant to sub-clause 28.4.1 above once it is satisfied that it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the transfer to the Replacement Lender.

28.5 **Excluded Commitments**

If a Lender does not accept or reject a request for an amendment, waiver or consent within 15 Business Days of receipt of such request (or such longer period as the Company and the Facility Agent may agree), or abstains from accepting or rejecting a request for an amendment, waiver or consent, its Commitments shall not be included for the purpose of calculating the Total Commitments or participations under the Facility when ascertaining whether any relevant percentage (including, for the avoidance of doubt, unanimity) of Total Commitments and/or participations has been obtained to approve that request.

28.6 **Change of currency**

If a change in any currency of a country occurs (including where there is more than one currency or currency unit recognised at the same time as the lawful currency of a country), the Finance Documents will be amended to the extent the Facility Agent (acting reasonably and after consultation with the Company) determines is necessary to reflect the change.

28.7 **Waivers and remedies cumulative**

The rights of each Finance Party under the Finance Documents:

- 28.7.1 may be exercised as often as necessary;

28.7.2 are cumulative and not exclusive of its rights under the general law; and

28.7.3 may be waived only in writing and specifically.

Delay in exercising or non-exercise of any right is not a waiver of that right.

29. **CHANGES TO THE PARTIES**

29.1 **Assignments and transfers by the Company**

The Company may not assign or transfer any of its rights and obligations under the Finance Documents without the prior consent of all the Lenders.

29.2 **Assignments and transfers by Lenders**

29.2.1 A Lender (the **Existing Lender**) may, subject to the following provisions of this Clause 29, at any time assign or transfer (including by way of novation) any of its rights and obligations under this Agreement to any bank, financial institution or trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (the **New Lender**).

29.2.2 Unless the Company and the Facility Agent otherwise agree, an assignment or transfer of part of a Commitment or rights and obligations under this Agreement by the Existing Lender must be in a minimum amount of £5,000,000.

29.2.3 An Existing Lender must consult with the Company for no more than five Business Days before it may make an assignment or transfer unless the New Lender is another Lender or an Affiliate of a Lender or an Event of Default has occurred and is outstanding.

29.2.4 The Facility Agent is not obliged to accept an assignment or execute a Transfer Certificate until it has completed all know your customer requirements to its satisfaction. The Facility Agent must promptly notify the Existing Lender and the New Lender if there are any such requirements.

29.2.5 An assignment of rights or a transfer of rights and obligations will be effective only if either:

- (a) the obligations are novated in accordance with the following provisions of this Clause 29; or
- (b) the New Lender confirms to the Facility Agent and the Company in form and substance satisfactory to the Facility Agent that it is bound by the terms of this Agreement as a Lender. On the assignment or transfer becoming effective in this manner the Existing Lender will be released from its rights and obligations under this Agreement to the extent that they are assigned or transferred to the New Lender.

- 29.2.6 Unless the Facility Agent otherwise agrees, the New Lender must pay to the Facility Agent for its own account, on or before the date any assignment or transfer occurs, a fee of £1,750.
- 29.2.7 Any reference in this Agreement to a Lender includes a New Lender but excludes a Lender if no amount is or may be owed to or by it under this Agreement.

29.3 **Procedure for transfer by way of novations**

29.3.1 In this Clause:

Transfer Date means, for a Transfer Certificate, the later of:

- (a) the proposed Transfer Date specified in that Transfer Certificate; and
- (b) the date on which the Facility Agent executes that Transfer Certificate.

29.3.2 A novation is effected if:

- (a) the Existing Lender and the New Lender deliver to the Facility Agent a duly completed Transfer Certificate; and
- (b) the Facility Agent executes it.

Subject to sub-clause 29.2.4 of Clause 29.2 (*Assignments and transfers by Lenders*), the Facility Agent must execute as soon as reasonably practicable a Transfer Certificate delivered to it and which appears on its face to be in order.

29.3.3 Each Party (other than the Existing Lender and the New Lender) irrevocably authorises the Facility Agent to execute any duly completed Transfer Certificate on its behalf.

29.3.4 Subject to Clause 29.9 (*Pro rata interest settlement*), on the Transfer Date:

- (a) the New Lender will assume the rights and obligations of the Existing Lender expressed to be the subject of the novation in the Transfer Certificate in substitution for the Existing Lender; and
- (b) the Existing Lender will be released from those obligations and cease to have those rights.

29.4 **Limitation of responsibility of Existing Lender**

29.4.1 Unless expressly agreed to the contrary, an Existing Lender is not responsible to a New Lender for the legality, validity, adequacy, accuracy, completeness or performance of:

- (a) any Finance Document or any other document; or

(b) any statement or information (whether written or oral) made in or supplied in connection with any Finance Document,

and any representations or warranties implied by law are excluded.

29.4.2 Each New Lender confirms to the Existing Lender and the other Finance Parties that it:

(a) has made, and will continue to make, its own independent appraisal of all risks arising under or in connection with the Finance Documents (including the financial condition and affairs of the Company and its related entities and the nature and extent of any recourse against any Party or its assets) in connection with its participation in this Agreement; and

(b) has not relied exclusively on any information supplied to it by the Existing Lender in connection with any Finance Document.

29.4.3 Nothing in any Finance Document requires an Existing Lender to:

(a) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause; or

(b) support any losses incurred by the New Lender by reason of the non-performance by the Company of its obligations under any Finance Document or otherwise.

29.5 **Costs resulting from change of Lender or Facility Office**

If:

29.5.1 a Lender assigns or transfers any of its rights and obligations under the Finance Documents or changes its Facility Office; and

29.5.2 as a result of circumstances existing at the date the assignment, transfer or change occurs, the Company would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 14 (*Tax gross-up and indemnities*) or Clause 15 (*Increased costs*),

then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under those Clauses to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred. This Clause 29.5 shall not apply in relation to Clause 14 (*Tax gross-up and indemnities*), to a Treaty Lender that has included an indication to the effect that it wishes the HMRC DT Treaty Passport scheme to apply to this Agreement in accordance with sub-clause 14.6.1 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*) if the Company making the payment has not complied with its obligations under sub-clause 14.1.2 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*).

29.6 **Changes to the Reference Banks**

29.6.1 If a Reference Bank (or, if a Reference Bank is not a Lender, the Lender of which it is an Affiliate) ceases to be a Lender, the Facility Agent must (in consultation with the Company) appoint another Lender or an Affiliate of a Lender to replace that Reference Bank.

29.6.2 If a Reference Bank ceases to have a London office or novates or assigns all its rights and obligations under this Agreement or if any Commitments of any Reference Bank are cancelled or if Loans it has advanced are prepaid it shall be replaced as a Reference Bank by such other Lender or an Affiliate of a Lender with an office in London as the Facility Agent (after consultation with the Company) shall designate by notice to the Company and the Lenders.

29.7 **Copy of Transfer Certificate or Increase Confirmation to Company**

The Facility Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate or an Increase Confirmation, send to the Company a copy of that Transfer Certificate or Increase Confirmation.

29.8 **Security over Lenders' rights**

In addition to the other rights provided to Lenders under this Clause 29, each Lender may without consulting with or obtaining consent from the Company, at any time charge, assign or otherwise create security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

- (a) any charge, assignment or other security to secure obligations to a federal reserve or central bank; and
- (b) in the case of any Lender which is a fund, any charge, assignment or other security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or Security shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or other security for the Lender as a party to any of the Finance Documents; or
- (ii) require any payments to be made by the Company or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

29.9 **Pro rata interest settlement**

If the Facility Agent has notified the Lenders that it is able to distribute interest payments on a “*pro rata basis*” to Existing Lenders and New Lenders then (in respect of any transfer pursuant to Clause 29.3 (*Procedure for transfer by way of novations*) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of a Term):

- 29.9.1 any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date (“**Accrued Amounts**”) and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Term (or, if the Term is longer than six months, on the next of the dates which falls at six monthly intervals after the first day of that Term); and
- 29.9.2 the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts, so that, for the avoidance of doubt:
 - (i) when the Accrued Amounts become payable, those Accrued Amounts will be payable for the account of the Existing Lender; and
 - (ii) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 29.9, have been payable to it on that date, but after deduction of the Accrued Amounts.

In this Clause 29.9, references to “**Term**” shall be construed to include a reference to any other period for accrual of fees.

30. **CONFIDENTIALITY AND DISCLOSURE OF INFORMATION**

30.1 **Confidential Information**

Each Finance Party agrees to keep all Confidential Information confidential and not to disclose it to anyone, save to the extent permitted by Clause 30.2 (*Disclosure of Confidential Information*) and Clause 30.3 (*Disclosure to numbering service providers*), and to ensure that all Confidential Information is protected with security measures and a degree of care that would apply to its own confidential information.

30.2 **Disclosure of Confidential Information**

Any Finance Party may disclose:

- 30.2.1 to any of its Affiliates and Related Funds and any of its or their officers, directors, employees, professional advisers, auditors, partners and Representatives such Confidential Information as that Finance Party shall consider appropriate if any person to whom the Confidential Information is to be given pursuant to this sub-clause 30.2.1 is informed in writing of its confidential nature and that some or all of such Confidential Information may be price-sensitive information except that there shall be no such requirement to so inform if the recipient is subject to professional obligations to maintain the confidentiality of the information or is otherwise bound by requirements of confidentiality in relation to the Confidential Information;

 - (c) appointed by any Finance Party or by a person to whom sub-clause 30.2.2 (a) or (b) above applies to receive communications, notices, information or documents delivered pursuant to the Finance Documents on its behalf;

in each case, such Confidential Information as that Finance Party shall consider appropriate if:

- (i) in relation to sub-clause 30.2.2 (a), (b) and (c) above, the person to whom the Confidential Information is to be given has entered into a Confidentiality Undertaking except that there shall be no requirement for a Confidentiality Undertaking if the recipient is a professional adviser and is subject to professional obligations to maintain the confidentiality of the Confidential Information;

- (iii) in relation to sub-clause 30.2.2 (e), (f) and (g) above, the person to whom the Confidential Information is to be given is informed of its confidential nature and that some or all of such Confidential Information may be price-sensitive information except that there shall be no requirement to so inform if, in the opinion of that Finance Party, it is not practicable so to do in the circumstances;

30.2.3 to any person appointed by that Finance Party or by a person to whom sub-clause 30.2.2 (a) or (b) above applies to provide administration or settlement services in respect of one or more of the Finance Documents including without limitation, in relation to the trading of participations in respect of the Finance Documents, such Confidential Information as may be required to be disclosed to enable such service provider to provide any of the services referred to in this sub-clause 30.2.3 if the service provider to whom the Confidential Information is to be given has entered into a confidentiality agreement substantially in the form of the LMA Master Confidentiality Undertaking for Use With Administration/Settlement Service Providers or such other form of confidentiality undertaking agreed between the Company and the relevant Finance Party;

30.3 **Disclosure to numbering service providers**

30.3.1 Any Finance Party may disclose to any national or international numbering service provider appointed by that Finance Party to provide identification numbering services in respect of this Agreement, the Facility and/or the Company the following information:

31. CONFIDENTIALITY OF FUNDING RATES AND REFERENCE BANK QUOTATIONS

31.1 Confidentiality and disclosure

31.1.1 The Facility Agent and each Obligor agree to keep each Funding Rate (and, in the case of the Facility Agent, each Reference Bank Quotation) confidential and not to disclose it to anyone, save to the extent permitted by sub-clause 31.1.2, 31.1.3 and 31.1.4 below.

31.1.2 The Facility Agent may disclose:

- (a) any Funding Rate (but not, for the avoidance of doubt, any Reference Bank Quotation) to the Company pursuant to Clause 11.4 (*Notification of rates of interest*); and

-
- (b) any Funding Rate or any Reference Bank Quotation to any person appointed by it to provide administration services in respect of one or more of the Finance Documents to the extent necessary to enable such service provider to provide those services if the service provider to whom that information is to be given has entered into a Confidentiality Undertaking.
- 31.1.3 The Facility Agent may disclose any Funding Rate or any Reference Bank Quotation, and each Obligor may disclose any Funding Rate, to:
- (a) any of its Affiliates and any of its or their officers, directors, employees, professional advisers, auditors and partners if any person to whom that Funding Rate or Reference Bank Quotation is to be given pursuant to this paragraph (a) is informed in writing of its confidential nature and that it may be price-sensitive information except that there shall be no such requirement to so inform if the recipient is subject to professional obligations to maintain the confidentiality of that Funding Rate or Reference Bank Quotation or is otherwise bound by requirements of confidentiality in relation to it;
- (b) any person to whom information is required or requested to be disclosed by any court of competent jurisdiction or any governmental, banking, taxation or other regulatory authority or similar body, the rules of any relevant stock exchange or pursuant to any applicable law or regulation if the person to whom that Funding Rate or Reference Bank Quotation is to be given is informed in writing of its confidential nature and that it may be price-sensitive information except that there shall be no requirement to so inform if, in the opinion of the Facility Agent or the relevant Obligor, as the case may be, it is not practicable to do so in the circumstances;
- (c) any person to whom information is required to be disclosed in connection with, and for the purposes of, any litigation, arbitration, administrative or other investigations, proceedings or disputes if the person to whom that Funding Rate or Reference Bank Quotation is to be given is informed in writing of its confidential nature and that it may be price-sensitive information except that there shall be no requirement to so inform if, in the opinion of the Facility Agent or the relevant Obligor, as the case may be, it is not practicable to do so in the circumstances; and
- (d) any person with the consent of the relevant Lender or Reference Bank, as the case may be.
- 31.1.4 The Facility Agent's obligations in this Clause 31 (*Confidentiality of Funding Rates and Reference Bank Quotations*) relating to Reference Bank Quotations are without prejudice to its obligations to make notifications under Clause 11.4 (*Notification of rates of interest*) provided that (other than pursuant to paragraph (a) of sub-clause 31.1.2 above) the Facility Agent shall not include the details of any individual Reference Bank Quotation as part of any such notification.

-
- 31.2 Other obligations
- 31.2.1 The Facility Agent and each Obligor acknowledge that each Funding Rate (and, in the case of the Facility Agent, each Reference Bank Quotation) is or may be price-sensitive information and that its use may be regulated or prohibited by applicable legislation including securities law relating to insider dealing and market abuse and the Facility Agent and each Obligor undertake not to use any Funding Rate or, in the case of the Facility Agent, any Reference Bank Quotation for any unlawful purpose.
- 31.2.2 The Facility Agent and each Obligor agree (to the extent permitted by law and regulation) to inform the relevant Lender or Reference Bank, as the case may be:
- (a) of the circumstances of any disclosure made pursuant to paragraph (b) of sub-clause 31.1.3 above except where such disclosure is made to any of the persons referred to in that paragraph during the ordinary course of its supervisory or regulatory function; and
 - (b) upon becoming aware that any information has been disclosed in breach of this Clause 31 (*Confidentiality of Funding Rates and Reference Bank Quotations*).
32. **SET-OFF**
- 32.1.1 A Finance Party may set off any matured obligation owed to it by the Company under the Finance Documents (to the extent beneficially owned by that Finance Party) against any obligation (whether or not matured) owed by that Finance Party to the Company, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Finance Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.
- 32.1.2 Any credit balances taken into account by an Ancillary Lender when operating a net limit in respect of any overdraft under an Ancillary Facility shall on enforcement of the Finance Documents be applied first in reduction of the overdraft provided under that Ancillary Facility in accordance with its terms.
33. **PRO RATA SHARING**
- 33.1 **Redistribution**
- 33.1.1 If any amount owing by the Company under this Agreement to a Lender (the “**recovering Lender**”) is discharged by payment, set-off or any other manner other than through the Facility Agent under this Agreement (a “**recovery**”), then:
- (a) the recovering Lender must, within three Business Days, supply details of the recovery to the Facility Agent;

(b) the Facility Agent must calculate whether the recovery is in excess of the amount which the recovering Lender would have received if the recovery had been received by the Facility Agent under this Agreement; and

(c) the recovering Lender must pay to the Facility Agent an amount equal to the excess (the “**redistribution**”).

Sub-clause 33.1.1 above shall not apply to any amount received or recovered by an Ancillary Lender in respect of any cash cover provided for the benefit of that Ancillary Lender.

33.2 **Effect of redistribution**

33.2.1 The Facility Agent must treat a redistribution as if it were a payment by the Company under this Agreement and distribute it among the Lenders, other than the recovering Lender, accordingly.

33.2.2 When the Facility Agent makes a distribution under sub-clause 33.2.1 above, the recovering Lender will be subrogated to the rights of the Finance Parties which have shared in that redistribution.

33.2.3 If and to the extent that the recovering Lender is not able to rely on any rights of subrogation under sub-clause 33.2.2 above, the Company will owe the recovering Lender a debt which is equal to the redistribution, immediately payable and of the type originally discharged.

33.2.4 If:

(a) a recovering Lender must subsequently return a recovery, or an amount measured by reference to a recovery, to the Company; and

(b) the recovering Lender has paid a redistribution in relation to that recovery,

each Finance Party must reimburse the recovering Lender all or the appropriate portion of the redistribution paid to that Finance Party, together with interest for the period while it held the re-distribution. In this event, the subrogation in sub-clause 33.2.2 above will operate in reverse to the extent of the reimbursement.

33.3 **Exceptions**

Notwithstanding any other term of this Clause 32.1.1, a recovering Lender need not pay a redistribution to the extent that:

33.3.1 it would not, after the payment, have a valid claim against the Company in the amount of the redistribution; or

- 33.3.2 it would be sharing with another Finance Party any amount which the recovering Lender has received or recovered as a result of legal or arbitration proceedings, where:
- (a) the recovering Lender notified the Facility Agent of those proceedings; and
 - (b) the other Finance Party had an opportunity to participate in those proceedings but did not do so or did not take separate legal or arbitration proceedings as soon as reasonably practicable after receiving notice of them.

33.4 **Ancillary Lenders**

- 33.4.1 This Clause 32 shall not apply to any receipt or recovery by a Lender in its capacity as an Ancillary Lender at any time prior to service of notice under Clause 22.15 (*Acceleration*).
- 33.4.2 Following service of notice under Clause 22.15 (*Acceleration*), this Clause 32 shall apply to all receipts or recoveries by Ancillary Lenders except to the extent that the receipt or recovery represents a reduction from the Permitted Gross Outstandings of a Multi-account Overdraft to or towards an amount equal to its Designated Net Amount.

34. **SEVERABILITY**

- 34.1 If a term of a Finance Document is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect:
- 34.1.1 the legality, validity or enforceability in that jurisdiction of any other term of the Finance Documents; or
 - 34.1.2 the legality, validity or enforceability in other jurisdictions of that or any other term of the Finance Documents.

35. **COUNTERPARTS**

Each Finance Document may be executed in any number of counterparts. This has the same effect as if the signatures on the counterparts were on a single copy of the Finance Document.

36.4 **The Company**

All formal communication under the Finance Documents to or from the Company must be sent through the Facility Agent.

36.5 **Communication when Facility Agent is Impaired Agent**

If the Facility Agent is an Impaired Agent the Parties may, instead of communicating with each other through the Facility Agent, communicate with each other directly and (while the Facility Agent is an Impaired Agent) all the provisions of the Finance Documents which require communications to be made or notices to be given to or by the Facility Agent shall be varied so that communications may be made and notices given to or by the relevant Parties directly. This provision shall not operate after a replacement Facility Agent has been appointed.

37. **LANGUAGE**

37.1.1 Any notice given in connection with a Finance Document must be in English.

37.1.2 Any other document provided in connection with a Finance Document must be:

(a) in English; or

(b) (unless the Facility Agent otherwise agrees) accompanied by a certified English translation. In this case, the English translation prevails unless the document is a statutory or other official document.

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

39. **ENFORCEMENT**

39.1 **Jurisdiction**

39.1.1 The English courts have exclusive jurisdiction to settle any dispute in connection with any Finance Document including a dispute relating to any non-contractual obligation arising out of or in connection with this Agreement.

39.1.2 The English courts are the most appropriate and convenient courts to settle any such dispute and the Company waives objection to those courts on the grounds of inconvenient forum or otherwise in relation to proceedings in connection with any Finance Document.

39.1.3 This Clause is for the benefit of the Finance Parties only. To the extent allowed by law, a Finance Party may take:

- (a) proceedings in any other court; and
- (b) concurrent proceedings in any number of jurisdictions.

This Agreement has been entered into on the date stated at the beginning of this Agreement.

- 2.3.5 The Subordinated Creditor and the Company hereby agree for the benefit of the Facility Agent and the Lenders that, notwithstanding the terms of the Subordinated Finance Document and any agreement relating to the Subordinated Debt, the Subordinated Debt is made available on terms such that it is not, save for a Permitted Subordinated Debt Payment or otherwise with the consent of the Lenders, repayable unless and until the Senior Debt Discharge Date shall have occurred.

2.4 Subordination on insolvency

If there occurs any payment, distribution, division or application, partial or complete, voluntary or involuntary, by operation of law or otherwise, of all or any part of the assets of any kind or character of the Company or the proceeds thereof, to creditors of the Company, by reason of the liquidation, dissolution or other winding-up of the Company or its businesses or any bankruptcy, reorganisation, receivership or insolvency or similar proceeding or any assignment for the benefit of creditors or there is a marshalling of the assets and liabilities of the Company, or the Company becomes subject to any event mentioned in clause 22.6 (*Insolvency proceedings*) of the Agreement or a voluntary arrangement, then and in any such event:

- 2.4.1 the Subordinated Debt shall continue to be subordinated to the Senior Debt;

- 2.4.3 if the trust referred to in paragraph 2.4.2 above or paragraph 2.3.4 of Clause 2.3 above fails or cannot be given effect to or if the Subordinated Creditor receives and retains the relevant payment or distribution, the Subordinated Creditor will pay over such rights in the form received to the Facility Agent (acting on behalf of the Lenders) to be applied against the Senior Debt;
- 2.4.4 the Subordinated Creditor acknowledges the rights of the Facility Agent (acting on behalf of the Lenders) to demand, sue and prove for, collect and receive every payment or distribution referred to in paragraph 2.4.2 above and give acquittance therefore and to file claims and take such other proceedings, in the Facility Agent’s own name or otherwise, as the Facility Agent may deem necessary or advisable for the enforcement of this Deed; and

2.4.5 the Subordinated Creditor by way of security for its obligations under this Deed irrevocably appoints the Facility Agent to be its attorney in order to enable the Facility Agent to enforce any and all claims upon or with respect to the Subordinated Debt or any part thereof, and to collect and receive any and all payments or distributions referred to in paragraph 2.4.2 above or to do anything which that Subordinated Creditor has authorised the Facility Agent or any other Party to do under this Deed or is itself required to do under this Deed but has failed to do (and the Facility Agent may delegate that power on such terms as it sees fit).

3. **SET-OFF**

3.1.1 The Subordinated Creditor shall not set off against the Subordinated Debt any amount payable by the Subordinated Creditor to the Company.

4. **NEW MONEY**

The Subordinated Creditor hereby agrees that the Facility Agent (acting on behalf of the Lenders) may, at its discretion, increase the facility made available to the Company and make further advances to the Company, and each such advance will be deemed to be made under the terms of the Agreement.

5. **PROTECTION OF SUBORDINATION**

5.1.1 The subordination in this Deed is a continuing subordination and benefits the ultimate balance of the Senior Debt.

5.1.2 Except as provided in this Deed, the subordination is, and the Subordinated Creditor's obligations under this Deed will, not be affected by any act, omission or thing which, but for this provision, would reduce, release or prejudice the subordination or any of the Subordinated Creditor's obligations under this Deed.

6.1.2 Any communication in respect of this Deed must be in writing. Contact details for each Party are set out opposite their name, below.

 - (b) the share of that Lender in the Loan and any other similarly affected Lender(s) will be treated as a separate Loan denominated in the Base Currency during that Term.
- 7.2.3 Any part of a Loan treated as a separate Loan under this sub-clause will not be taken into account for the purposes of any limit on the number of Loans or currencies outstanding at any one time.

 - (i) the Available Commitments; and
 - (ii) the notice of the demand given by the Ancillary Lender,would not prevent the Company funding the repayment of those Ancillary Outstandings in full by way of Loan.

11.2 **Payment of interest**

Except where it is provided to the contrary in this Agreement, the Company must pay accrued interest on each Loan made to it on the last day of each Term and also, if the Term is longer than six months, on the dates falling at six-monthly intervals after the first day of that Term.

11.3 **Interest on overdue amounts**

- 11.3.1 If the Company fails to pay any amount payable by it under the Finance Documents, it must immediately on demand by the Facility Agent pay interest on the overdue amount from its due date up to the date of actual payment, both before, on and after judgment.
- 11.3.2 Interest on an overdue amount is payable at a rate determined by the Facility Agent to be one per cent. per annum above the rate which would have been payable if the overdue amount had, during the period of non-payment, constituted a Loan in the currency of the overdue amount. For this purpose, the Facility Agent may (acting reasonably):
- (a) select successive Terms of any duration of up to three months; and
 - (b) determine the appropriate Quotation Day for that Term.

11.3.3 Notwithstanding sub-clause 11.3.2 above, if the overdue amount is a principal amount of a Loan and becomes due and payable prior to the last day of its current Term, then:

- (a) the first Term for that overdue amount will be the unexpired portion of that Term; and
- (b) the rate of interest on the overdue amount for that first Term will be one per cent. per annum above the rate then payable on that Loan.

After the expiry of the first Term for that overdue amount, the rate on the overdue amount will be calculated in accordance with sub-clause 11.3.2 above.

11.3.4 Interest (if unpaid) on an overdue amount will be compounded with that overdue amount at the end of each of its Terms but will remain immediately due and payable.

11.4 **Notification of rates of interest**

The Facility Agent must promptly notify each relevant Party of the determination of a rate of interest under this Agreement.

12. **TERMS**

12.1 **Selection**

12.1.1 Each Loan has one Term only.

12.1.4 The Company shall not use its right under paragraph 12.1.3 above to select for a Loan a Term of less than one month's duration more than six times in any calendar year.

12.1.5 A Term for a Loan shall start on the Drawdown Date for that Loan.

12.2 **No overrunning the Final Maturity Date**

If a Term would otherwise overrun the Final Maturity Date, it will be shortened so that it ends on the Final Maturity Date.

12.3 **Other adjustments**

12.3.1 The Facility Agent and the Company may enter into such other arrangements as they may agree for the adjustment of Terms and the consolidation and/or splitting of Loans.

- 12.3.2 Subject to Clause 12.3.3 below, if two or more Terms end on the same date, those Loans will, unless the Company specifies to the contrary in the Request for the next Term, be consolidated into, and treated as, a single Loan on the last day of the Term.
- 12.3.3 Subject to Clause 4.4 (*Maximum Number*) and Clause 5.2 (*Completion of Requests*) if the Company requests in a Request that a Loan be divided into two or more Loans, that Loan will, on the last day of its Term, be so divided into the Base Currency Amounts specified in that Request, having an aggregate Base Currency Amount equal to the Base Currency Amount of the Loan immediately before its division.

12.4 **Notification**

The Facility Agent must notify the Company and the Lenders of the duration of each Term promptly after ascertaining its duration.

13. **MARKET DISRUPTION**

13.1 **Failure of a Reference Bank to supply a rate**

Subject to the other provisions of this Clause, if LIBOR or, if applicable, EURIBOR is to be determined by reference to the Reference Banks but a Reference Bank does not supply a quotation by the Specified Time on the Quotation Day, the applicable LIBOR or EURIBOR will be determined on the basis of the quotations of the remaining Reference Banks.

13.2 **Market disruption**

13.2.1 In this Clause, each of the following events is a **market disruption event**:

- (a) at or about noon on the Quotation Day for the relevant Term, LIBOR or if applicable EURIBOR is to be determined by reference to the Reference Banks and none or only one of the Reference Banks supplies a rate to the Facility Agent to determine LIBOR or, if applicable, EURIBOR for the relevant currency and Term; or
- (b) before close of business in London on the Quotation Day for the relevant Term, the Facility Agent receives notification from a Lender or Lenders whose participations in the relevant Loan exceed 50% of that Loan that the cost to it (or them) of funding its participation in that Loan from whatever source it may reasonably select would be in excess of LIBOR or, if applicable, EURIBOR for the relevant Term.

13.2.2 The Facility Agent must promptly notify the Company and the Lenders of a market disruption event.

13.2.3 After notification under sub-clause 13.2.1(a) above, the rate of interest on each Lender's share in the affected Loan for the relevant Term will be the aggregate of the applicable:

- (a) Margin; and
- (b) rate notified to the Facility Agent by that Lender as soon as practicable, and in any event before interest is due to be paid in respect of that Term, to be that which expresses as a percentage rate per annum the cost to that Lender of funding its share in that Loan from whatever source it may reasonably select.

13.3 **Alternative basis of interest or funding**

13.3.1 If a market disruption event occurs and the Facility Agent or the Company so requires, the Company and the Facility Agent must enter into negotiations for a period of not more than 30 days with a view to agreeing an alternative basis for determining the rate of interest and/or funding for the affected Loan and any future Loan.

13.3.2 Any alternative basis agreed will be, with the prior consent of all the Lenders, binding on all the Parties.

Similarly, a Lender shall notify the Facility Agent on becoming so aware in respect of a payment payable to that Lender. If the Facility Agent receives such notification from a Lender it shall notify the Company.

14.2.3 If a Tax Deduction is required by law to be made by the Company, the amount of the payment due from the Company shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

14.2.4 A payment shall not be increased under sub-clause 14.2.3 above by reason of a Tax Deduction on account of Tax imposed by the United Kingdom, if on the date on which the payment falls due:

- (a) the payment could have been made to the relevant Lender without a Tax Deduction if the Lender had been a Qualifying Lender, but on that date that Lender is not or has ceased to be a Qualifying Lender other than as a result of any change after the date it became a Lender under this Agreement in (or in the interpretation, administration, or application of) any law or Treaty, or any published practice or published concession of any relevant taxing authority; or

 - (i) the relevant Lender has not given a Tax Confirmation to the Company; and
 - (ii) the payment could have been made to the Lender without any Tax Deduction if the Lender had given a Tax Confirmation to the Company on the basis that the Tax Confirmation would have enabled the Company to have formed a reasonable belief that the payment was an “excepted payment” for the purpose of section 930 of the ITA; or
- (d) the relevant Lender is a Treaty Lender and the Company making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender complied with its obligations under sub-clause 14.2.7 below.

14.2.5 If the Company is required to make a Tax Deduction, the Company shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

14.2.6 Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Company making that Tax Deduction shall deliver to the Facility Agent for the Finance Party entitled to the payment a statement under Section 975 of the ITA, or other evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

14.2.7

- (a) Subject to paragraph (b) below, a Treaty Lender and the Company which makes a payment to which that Treaty Lender is entitled shall co-operate in completing any procedural formalities necessary for that Company to obtain authorisation to make that payment without a Tax Deduction.
- (b) Nothing in paragraph (a) above shall require a Treaty Lender to:
 - (i) register under the HMRC DT Treaty Passport scheme;
 - (ii) apply the HMRC DT Treaty Passport scheme to any Loan if it has so registered; or

-
- (iii) file Treaty forms if it has included an indication to the effect that it wishes the HMRC DT Treaty Passport scheme to apply to this Agreement in accordance with paragraph 14.2.10 below or paragraph 14.6.1 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*) and the Company making that payment has not complied with its obligations under paragraph 14.2.11 below or paragraph 14.6.2 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*).
- 14.2.8 A UK Non-Bank Lender which becomes a Party on the day on which this Agreement is entered into gives a Tax Confirmation to the Company by entering into this Agreement.
- 14.2.9 A UK Non-Bank Lender shall promptly notify the Company and the Facility Agent if there is any change in the position from that set out in the Tax Confirmation.
- 14.2.10 A Treaty Lender which becomes a Party on the day on which this Agreement is entered into that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall include an indication to that effect (for the benefit of the Facility Agent and without liability to the Company) by including its scheme reference number and its jurisdiction of tax residence opposite its name in Schedule 1 (*Original Parties*).
- 14.2.11 Where a Lender includes the indication described in paragraph 14.2.10 above in Schedule 1 (*Original Parties*), the Company shall file a duly completed form DTTP2 in respect of such Lender with HM Revenue & Customs within 30 days of the date of this Agreement and shall promptly provide the Lender with a copy of that filing provided that the Company shall not be liable in respect of any non-compliance with its obligations under this Clause 14.2.11 where such non-compliance is due to circumstances beyond the control of the Company (including, without limitation, any delay, failure or omission on the part of the relevant Lender or the Facility Agent to comply with any obligation owed to the Company, or to any inaccuracy in any information provided by the relevant Lender or the Facility Agent in connection with the DT Treaty Passport scheme).
- 14.2.12 Any Lender which has confirmed that it is entitled to use its DT Treaty Passport in accordance with Clause 14.2.10 or Clause 14.6.1 will reasonably promptly notify the Facility Agent and the Company if at any time it ceases to hold a passport under the HMRC DT Treaty Passport scheme or if it ceases to be able to use such passport as a Lender.
- 14.2.13 If a Lender has not included an indication to the effect that it wishes the HMRC DT Treaty Passport scheme to apply to this Agreement in accordance with sub-clause 14.2.10 above or sub-clause 14.6.1 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*), the Company shall not file any form relating to the HMRC DT Treaty Passport scheme in respect of that Lender's Commitment or its participation in any Loan.

14.3 **Tax indemnity**

14.3.1 Except as provided below, the Company must, within three Business Days of demand, indemnify a Finance Party against any loss or liability which that Finance Party (in its absolute discretion) determines will be or has been suffered (directly or indirectly) by that Finance Party for or on account of Tax in relation to a payment received or receivable (or any payment deemed to be received or receivable) under a Finance Document.

14.3.2 Sub-clause 14.3.1 above does not apply to any Tax assessed on a Finance Party under the laws of the jurisdiction in which:

- (a) that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or
- (b) that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction, if that Tax is imposed on or calculated by reference to the net income received or receivable by that Finance Party. However, any payment deemed to be received or receivable, including any amount treated as income but not actually received by the Finance Party, such as a Tax Deduction, will not be treated as net income received or receivable for this purpose.

14.3.3 Sub-clause 14.3.1 above does not apply to any Tax assessed on a Finance Party to the extent the loss or liability:

- (a) is compensated for by an increased payment under Clause 14.2 (*Tax gross-up*);
- (b) would have been compensated for by an increased payment under Clause 14.2 (*Tax gross-up*) but was not so compensated solely because one of the exclusions in Clause 14.2 (*Tax gross-up*) applied; or
- (c) relates to a FATCA Deduction required to be made by a Party.

14.3.4 A Finance Party making, or intending to make, a claim under sub-clause 14.3.1 above must promptly notify the Company of the event which will give, or has given, rise to the claim.

14.4 **Tax Credit**

If the Company makes a Tax Payment and the relevant Finance Party has obtained, used and retained any Tax Credit that is attributable to that Tax Payment, then, if in its discretion (acting reasonably) it can do so without any further adverse consequences for it, that Finance Party must pay an amount to the Company which that Finance Party determines (in its discretion, acting reasonably) will leave it (after that payment) in the same after-tax position as it would have been in if the Tax Payment had not been required to be made by the Company. The relevant Finance Party shall take those steps it considers in its opinion reasonable to seek and claim any tax credit.

14.5 **Lender Status Confirmation**

Each Lender which becomes a Party to this Agreement after the date of this Agreement shall indicate, in the Transfer Certificate, assignment agreement or Increase Confirmation which it executes on becoming a Party, and for the benefit of the Facility Agent and without liability to the Company, which of the following categories it falls in:

- 14.5.1 not a Qualifying Lender;
- 14.5.2 a Qualifying Lender (other than a Treaty Lender); or
- 14.5.3 a Treaty Lender.

If a New Lender fails to indicate its status in accordance with this Clause 14.5 then such New Lender shall be treated for the purposes of this Agreement as if it is not a Qualifying Lender until such time as it notifies the Facility Agent which category applies (and the Facility Agent, upon receipt of such notification, shall inform the Company). For the avoidance of doubt, a Transfer Certificate or assignment agreement shall not be invalidated by any failure of a Lender to comply with this Clause 14.5.

14.6 **HMRC DT Treaty Passport scheme confirmation**

- 14.6.1 A New Lender that is a Treaty Lender that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall include an indication to that effect (for the benefit of the Facility Agent and without liability to the Company) in the Transfer Certificate or Increase Confirmation which it executes by including its scheme reference number and its jurisdiction of tax residence in that Transfer Certificate or Increase Confirmation.
- 14.6.2 Where a New Lender includes the indication described in sub-clause 14.6.1 above in the relevant Transfer Certificate or Increase Confirmation the Company shall file a duly completed form DTTP2 in respect of such Lender with HM Revenue & Customs within 30 days of the relevant Transfer Date and shall promptly provide the Lender with a copy of that filing.

14.7 **Stamp taxes**

The Company shall pay and, within three Business Days of demand, indemnify each Finance Party against any cost, loss or liability that Finance Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document, except for any such Tax payable in respect of a Transfer Certificate or other transfer or disposal of a Lender's rights or obligations under a Finance Document.

14.8 **VAT**

- 14.8.1 All amounts set out, or expressed in a Finance Document to be payable by any Party to a Finance Party which (in whole or in part) constitute the consideration for a supply or supplies for VAT purposes shall be deemed to be exclusive of any VAT which is chargeable on such supply or supplies, and accordingly, subject to sub-clause 14.8.2 below, if VAT is or becomes chargeable on any supply made by any Finance Party to any Party under a Finance Document, that Party shall pay to the Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of such VAT (and such Finance Party shall promptly provide an appropriate VAT invoice to such Party).

- 14.8.2 If VAT is or becomes chargeable on any supply made by any Finance Party (the “**Supplier**”) to any other Finance Party (the “**Recipient**”) under a Finance Document, and any Party other than the Recipient (the “**Subject Party**”) is required by the terms of any Finance Document to pay an amount equal to the consideration for such supply to the Supplier (rather than being required to reimburse the Recipient in respect of that consideration), such Party shall also pay to the Supplier (in addition to and at the same time as paying such amount) an amount equal to the amount of such VAT. The Recipient will promptly pay to the Subject Party an amount equal to any credit or repayment obtained by the Recipient from the relevant tax authority which the Recipient reasonably determines is in respect of such VAT.
- 14.8.3 Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Finance Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- 14.8.4 Any reference in this Clause 14.8 to any Party shall, at any time when such Party is treated as a member of a group for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the representative member of such group at such time (the term “representative member” to have the same meaning as in the Value Added Tax Act 1994).

14.9 **FATCA Information**

- 14.9.1 Subject to sub-clause 14.9.3 below, each Party shall, within ten Business Days of a reasonable request by another Party:
- (a) confirm to that other Party whether it is:
 - (i) a FATCA Exempt Party; or
 - (ii) not a FATCA Exempt Party; and
 - (b) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party’s compliance with FATCA;
 - (c) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party’s compliance with any other law, regulation, or exchange of information regime.
- 14.9.2 If a Party confirms to another Party pursuant to paragraph (a) of sub-clause 14.9.1 above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not, or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
- 14.9.3 Sub-clause 14.9.1 above shall not oblige any Finance Party to do anything, and paragraph (c) of sub-clause 14.9.1. above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:
- (a) any law or regulation;

- (b) any fiduciary duty; or
- (c) any duty of confidentiality.

14.9.4 If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a) or (b) of sub-clause 14.9.1 above (including, for the avoidance of doubt, where sub-clause 14.9.3 above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

14.10 **FATCA Deduction**

14.10.1 Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction, or otherwise compensate the recipient of the payment for that FATCA Deduction.

14.10.2 Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment and, in addition, shall notify the Company, the Facility Agent and the other Finance Parties.

15. **INCREASED COSTS**

15.1 **Increased Costs**

Except as provided below in this Clause, the Company must pay to a Finance Party the amount of any Increased Cost incurred by that Finance Party or any of its Affiliates as a result of:

- 15.1.1 the introduction of, or any change in, or any change in the interpretation or application of, any law or regulation;
- 15.1.2 compliance with any law or regulation made after the date of this Agreement **provided that** for the purposes of this Agreement and any other Finance Document, Dodd-Frank shall be deemed to be a law or regulation made after the date of this Agreement; or
- 15.1.3 the implementation or application of, or compliance with, Basel III or CRD IV or any law or regulation that implements or applies Basel III or CRD IV.

15.2 **Exceptions**

The Company need not make any payment for an Increased Cost to the extent that the Increased Cost is:

- 15.2.1 compensated for under another Clause or would have been but for an exception to that Clause;

-
- 15.2.2 a Tax on the overall net income of a Finance Party or any of its Affiliates;
 - 15.2.3 attributable to a FATCA Deduction required to be made by a Party;
 - 15.2.4 attributable to a Finance Party or its Affiliate wilfully failing to comply with any law or regulation;
 - 15.2.5 attributable to the implementation or application of or compliance with the “International Convergence of Capital Measurement and Capital Standards, a Revised Framework” published by the Basel Committee in June 2004 in the form existing on the date of this Agreement (but excluding any amendment arising out of Basel III) (**Basel II**) or any other law or regulation which implements Basel II (whether such implementation, application or compliance is by a government, regulator, Finance Party or any of its Affiliates); or
 - 15.2.6 not notified by the relevant Finance Party to the Facility Agent and the Company within three Months of that Finance Party becoming aware of such Increased Cost.

15.3 **Claims**

A Finance Party intending to make a claim for an Increased Cost must notify the Company promptly of the circumstances giving rise to, and the amount of, the claim.

16. **MITIGATION**

16.1 **Mitigation**

- 16.1.1 Each Finance Party must, in consultation with the Company (other than upon the occurrence of an event referred to at paragraph (d) below where no such consultation is required), take all reasonable steps to mitigate any circumstances which arise and which result or would result in the Facility ceasing to be available or:
 - (a) any Tax Payment or Increased Cost being payable to that Finance Party;
 - (b) that Finance Party being able to exercise any right of prepayment and/or cancellation under this Agreement by reason of any illegality;
 - (c) that Finance Party incurring any cost of complying with the minimum reserve requirements of the European Central Bank; or
 - (d) the occurrence of any market disruption event,including transferring its rights and obligations under the Finance Documents to an Affiliate or changing its Facility Office.
- 16.1.2 A Finance Party is not obliged to take any step under this Clause 16 if, in the opinion of that Finance Party (acting reasonably), to do so might be prejudicial to it.

- 16.1.3 Each Finance Party must promptly notify the Company of any circumstances as described in paragraphs (a) to (d) of sub-clause 16.1.1 of this Clause 16.1.
- 16.1.4 The Company must indemnify each Finance Party for all costs and expenses reasonably incurred by it as a result of any step taken under this Clause 16.1.
- 16.1.5 This Clause does not in any way limit the obligations of the Company under the Finance Documents.

16.2 **Substitution**

Notwithstanding Clause 16.1 (*Mitigation*), if any circumstances arise which result in:

- 16.2.1 any Tax Payment or Increased Cost being payable to that Finance Party;
- 16.2.2 that Finance Party being able to exercise any right of prepayment and/or cancellation under this Agreement by reason of any illegality;
- 16.2.3 that Finance Party incurring any cost of complying with the minimum reserve requirements of the European Central Bank;
- 16.2.4 the occurrence of any market disruption event; or
- 16.2.5 any Lender becoming a Non-Consenting Lender,

then the Company, at its expense, at any time within 180 days after the occurrence of the relevant event or circumstance, so long as no Default is outstanding, may by notice to the Facility Agent and such Finance Party require it (and, if applicable, its Affiliate) to (and to the extent permitted by law such Finance Party or, if applicable, its Affiliate shall) novate pursuant to Clause 29 (*Changes to the Parties*) all (and not part only) of its rights and obligations under this Agreement to a bank, financial institution, trust, fund or other entity (a “**Replacement Finance Party**”) selected by the Company, and which is acceptable to the Facility Agent (acting reasonably) (unless the Facility Agent is an Impaired Agent), which confirms its willingness to assume and does assume all the obligations of the transferring Finance Party (including the assumption of the transferring Finance Party’s participations or unfunded participations (as the case may be) on the same basis as the transferring Finance Party) for a purchase price in cash payable at the time of transfer equal to the outstanding principal amount of such Finance Party’s participation in the outstanding Loans and all accrued interest (to the extent that the Facility Agent has not given a notification under Clause 29.9 (*Pro rata interest settlement*)), Break Costs and other amounts payable to such Finance Party under the Finance Documents **provided that:**

- 16.2.8 the transfer must take place no later than 14 days after the notice referred to above;
- 16.2.9 in no event shall such Finance Party be required to pay or surrender to the Replacement Finance Party any of the fees received by such Finance Party pursuant to the Finance Documents; and
- 16.2.10 the Finance Party shall only be obliged to transfer its rights and obligations pursuant to this Clause 16.2 once it is satisfied that it has complied with all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to that transfer to the Replacement Finance Party.

16.3 **Conduct of business by a Finance Party**

No term of this Agreement will:

- 16.3.1 interfere with the right of any Finance Party to arrange its affairs (Tax or otherwise) in whatever manner it thinks fit or oblige any Finance Party to investigate or claim any Tax Credit; or
- 16.3.2 oblige any Finance Party to disclose any information relating to its affairs (Tax or otherwise) or any computation in respect of Tax.

17. **PAYMENTS**

17.1 **Place**

- 17.1.1 in the principal financial centre of the country of the relevant currency; or
- 17.1.2 in the case of euro, in the principal financial centre of a Participating Member State or London,

as it may notify to that Party for this purpose by not less than five Business Days' prior notice.

17.3.3 Where a sum is paid to the Facility Agent under this Agreement for another Party, the Facility Agent is not obliged to pay that sum to that Party until it has established that it has actually received it. However, the Facility Agent may assume that the sum has been paid to it, and, in reliance on that assumption, make available to that Party a corresponding amount. If it transpires that the sum has not been received by the Facility Agent, that Party must immediately on demand by the Facility Agent refund any corresponding amount made available to it together with interest on that amount from the date of payment to the date of receipt by the Facility Agent at a rate calculated by the Facility Agent to reflect its cost of funds.

17.6.1 If a payment under the Finance Documents is due on a day which is not a Business Day, the due date for that payment will instead be the next Business Day in the same calendar month (if there is one) or the preceding Business Day (if there is not) or whatever day the Facility Agent determines is market practice.

17.6.2 During any extension of the due date for payment of any principal (or overdue amount) under this Agreement interest is payable on that principal (or overdue amount) at the rate payable on the original due date.

17.7 **Impaired Agent**

- 17.7.1 If, at any time, the Facility Agent becomes an Impaired Agent, the Company or a Lender which is required to make a payment under the Finance Documents to the Facility Agent in accordance with Clause 17.1 (*Place*) may instead either pay that amount direct to the required recipient or pay that amount to an interest bearing account held with an Acceptable Bank and in relation to which no Insolvency Event has occurred and is continuing, in the name of the Company or the Lender making the payment and designated as a trust account for the benefit of the Party or Parties beneficially entitled to that payment under the Finance Documents. In each case such payments must be made on the due date for payment under the Finance Documents.

17.8 **Partial payments**

- 17.8.1 If any Administrative Party receives a payment insufficient to discharge all the amounts then due and payable by the Company under the Finance Documents, the Administrative Party must apply that payment towards the obligations of the Company under the Finance Documents in the following order:
- (a) **first**, in or towards payment pro rata of any unpaid fees, costs and expenses of the Administrative Parties under the Finance Documents;

23. **THE ADMINISTRATIVE PARTIES**

23.1 **Appointment and duties of the Facility Agent**

23.1.1 Each Finance Party (other than the Facility Agent) irrevocably appoints the Facility Agent to act as its agent under the Finance Documents.

23.1.2 Each Finance Party irrevocably authorises the Facility Agent to:

- (a) perform the duties and to exercise the rights, powers and discretions that are specifically given to it under the Finance Documents, together with any other incidental rights, powers and discretions; and
- (b) execute each Finance Document expressed to be executed by the Facility Agent.

23.1.3 The Facility Agent has only those duties which are expressly specified in the Finance Documents. Those duties are solely of a mechanical and administrative nature.

23.1.4 The Facility Agent shall provide to the Company within three Business Days of a request by the Company (but no more frequently than once per calendar month), a list (which may be in electronic form) setting out the names of the Lenders as at the date of that request, their respective Commitments, the address and fax number (and the department or officer, if any, for whose attention any communication is to be made) of each Lender for any communication to be made or document to be delivered under or in connection with the Finance Documents, the electronic mail address and/or any other information required to enable the sending and receipt of information by electronic mail or other electronic means to and by each Lender to whom any communication under or in connection with the Finance Documents may be made by that means and the account details of each Lender for any payment to be distributed by the Facility Agent to that Lender under the Finance Documents.

Except as specifically provided in the Finance Documents, the Arranger does not have any obligations of any kind to any other Party in connection with any Finance Document.

23.3 **No fiduciary duties**

Except as specifically provided in a Finance Document, nothing in the Finance Documents makes an Administrative Party a trustee or fiduciary for any other Party or any other person. No Administrative Party need hold in trust any moneys paid to it for a Party or be liable to account for interest on those moneys.

-
- 23.4 **Individual position of an Administrative Party**
- 23.4.1 If it is also a Lender, each Administrative Party has the same rights and powers under the Finance Documents as any other Lender and may exercise those rights and powers as though it were not an Administrative Party.
- 23.4.2 Each Administrative Party and each Ancillary Lender may:
- (a) carry on any business with the Company or its related entities (including acting as an agent or a trustee for any other financing); and
 - (b) retain any profits or remuneration it receives under the Finance Documents or in relation to any other business it carries on with the Company or its related entities.
- 23.5 **Reliance**
- The Facility Agent may:
- 23.5.1 rely on any notice or document believed by it to be genuine and correct and to have been signed by, or with the authority of, the proper person;
- 23.5.2 rely on any statement made by any person regarding any matters which may reasonably be assumed to be within his knowledge or within his power to verify;
- 23.5.3 engage, pay for and rely on professional advisers selected by it (including those representing a Party other than the Facility Agent); and
- 23.5.4 act under the Finance Documents through its personnel and agents.
- 23.6 **Majority Lenders' instructions**
- 23.6.1 The Facility Agent is fully protected if it acts on the instructions of the Majority Lenders in the exercise of any right, power or discretion or any matter not expressly provided for in the Finance Documents. Any such instructions given by the Majority Lenders will be binding on all the Lenders. In the absence of instructions, the Facility Agent may act as it considers to be in the best interests of all the Lenders.
- 23.6.2 The Facility Agent is not authorised to act on behalf of a Lender (without first obtaining that Lender's consent) in any legal or arbitration proceedings in connection with any Finance Document.
- 23.6.3 The Facility Agent may require the receipt of security satisfactory to it, whether by way of payment in advance or otherwise, against any liability or loss which it may incur in complying with the instructions of the Majority Lenders.
- 23.7 **Responsibility**
- 23.7.1 No Administrative Party and no Ancillary Lender is responsible to any other Finance Party for the adequacy, accuracy or completeness of:
- (a) any Finance Document or any other document; or
 - (b) any statement or information (whether written or oral) made in or supplied in connection with any Finance Document.

- 23.7.2 Without affecting the responsibility of the Company for information supplied by it or on its behalf in connection with any Finance Document, each Lender and each Ancillary Lender confirms that it:
- (a) has made, and will continue to make, its own independent appraisal of all risks arising under or in connection with the Finance Documents (including the financial condition and affairs of the Company and its related entities and the nature and extent of any recourse against any Party or its assets); and
 - (b) has not relied exclusively on any information provided to it by any Administrative Party in connection with any Finance Document.
- 23.7.3
- (a) Nothing in this Agreement will oblige the Facility Agent to satisfy any know your customer requirement in relation to the identity of any person on behalf of any Finance Party.
 - (b) Each Finance Party confirms to the Facility Agent that it is solely responsible for any know your customer requirements it is required to carry out and that it may not rely on any statement in relation to those requirements made by any other person.

23.8 **Exclusion of liability**

- 23.8.1 Neither the Facility Agent nor any Ancillary Lender is liable or responsible to any other Finance Party for any action taken or not taken by it in connection with any Finance Document, unless directly caused by its gross negligence or wilful misconduct.
- 23.8.2 The Facility Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Facility Agent, if the Facility Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Facility Agent for that purpose.
- 23.8.3 No Party (other than the Facility Agent or the Ancillary Lender) may take any proceedings against any officer, employee or agent of the Facility Agent or any Ancillary Lender in respect of any claim it might have against the Facility Agent or any Ancillary Lender or in respect of any act or omission of any kind by that officer, employee or agent in connection with any Finance Document. Any officer, employee or agent of the Facility Agent or any Ancillary Lender may rely on this sub-clause and enforce its terms under the Contracts (Rights of Third Parties) Act 1999.

-
- 23.9 **Default**
- 23.9.1 The Facility Agent is not obliged to monitor or enquire whether a Default has occurred. The Facility Agent is not deemed to have knowledge of the occurrence of a Default.
- 23.9.2 If the Facility Agent:
- (a) receives notice from a Party referring to this Agreement, describing a Default and stating that the event is a Default; or
 - (b) is aware of the non-payment of any principal or interest or any fee payable to a Lender under this Agreement,
- it must promptly notify the Lenders.
- 23.10 **Information**
- 23.10.1 The Facility Agent must promptly forward to the person concerned the original or a copy of any document which is delivered to the Facility Agent by a Party for that person.
- 23.10.2 Except where a Finance Document specifically provides otherwise, the Facility Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.
- 23.10.3 Except as provided above, the Facility Agent has no duty:
- (a) either initially or on a continuing basis to provide any Lender with any credit or other information concerning the risks arising under or in connection with the Finance Documents (including any information relating to the financial condition or affairs of the Company or its related entities or the nature or extent of recourse against any Party or its assets) whether coming into its possession before, on or after the date of this Agreement; or
 - (b) unless specifically requested to do so by a Lender in accordance with a Finance Document, to request any certificate or other document from the Company.
- 23.10.4 In acting as the Facility Agent, the agency division of the Facility Agent is treated as a separate entity from its other divisions and departments. Any information acquired by the Facility Agent which, in its opinion, is acquired by it otherwise than in its capacity as the Facility Agent may be treated as confidential by the Facility Agent and will not be treated as information possessed by the Facility Agent in its capacity as such.
- 23.10.5 The Facility Agent is not obliged to disclose to any person any confidential information supplied to it by a member of the Group solely for the purpose of evaluating whether any waiver or amendment is required to any term of the Finance Documents.
- 23.10.6 The Company irrevocably authorises the Facility Agent to disclose to the other Finance Parties any information which, in its opinion, is received by it in its capacity as the Facility Agent.
- 23.10.7 Without prejudice to the generality of the foregoing, the Facility Agent may disclose the identity of a Defaulting Lender to the other Finance Parties and the Company and shall disclose the same upon the written request of the Company or the Majority Lenders.

23.11 **Indemnities**

- 23.11.1 Without limiting the liability of the Company under the Finance Documents, each Lender must indemnify the Facility Agent for that Lender's Pro Rata Share of any loss or liability incurred by the Facility Agent in acting as the Facility Agent, except to the extent that the loss or liability is caused by the Facility Agent's gross negligence or wilful misconduct or to the extent that the Facility Agent has been reimbursed in full by the Company for such loss or liability.
- 23.11.2 The Facility Agent may deduct from any amount received by it for a Lender any amount due to the Facility Agent from that Lender under a Finance Document but unpaid.
- 23.11.3 The Company must indemnify the Facility Agent against any loss or liability properly incurred by the Facility Agent as a result of:
- (a) investigating any event which the Facility Agent reasonably believes to be a Default; or
 - (b) acting or relying on any notice which the Facility Agent reasonably believes to be genuine, correct and appropriately authorised.

23.12 **Compliance**

The Facility Agent may refrain from doing anything (including disclosing any information) which might, in its opinion, constitute a breach of any law or regulation or be otherwise actionable at the suit of any person, and may do anything which, in its opinion, is necessary or desirable to comply with any law or regulation.

23.13 **Resignation of the Facility Agent**

- 23.13.1 The Facility Agent may resign and appoint any of its Affiliates as successor Facility Agent by giving notice to the Lenders and the Company.
- 23.13.2 Alternatively, the Facility Agent may resign by giving notice to the Lenders and the Company, in which case the Majority Lenders may appoint a successor Facility Agent.
- 23.13.3 If no successor Facility Agent has been appointed under sub-clause 23.13.2 above within 30 days after notice of resignation was given, the Facility Agent may appoint a successor Facility Agent.
- 23.13.4 The person(s) appointing a successor Facility Agent must, if practicable, consult with the Company prior to the appointment. Any successor Facility Agent must have an office in the U.K.

-
- 23.13.5 The resignation of the Facility Agent and the appointment of any successor Facility Agent will both become effective only when the successor Facility Agent notifies all the Parties that it accepts its appointment. On giving the notification, the successor Facility Agent will succeed to the position of the Facility Agent and the term “**Facility Agent**” will mean the successor Facility Agent.
- 23.13.6 The retiring Facility Agent must, at its own cost, make available to the successor Facility Agent such documents and records and provide such assistance as the successor Facility Agent may reasonably request for the purposes of performing its functions as the Facility Agent under the Finance Documents.
- 23.13.7 Upon its resignation becoming effective, this Clause will continue to benefit the retiring Facility Agent in respect of any action taken or not taken by it in connection with the Finance Documents while it was the Facility Agent, and, subject to sub-clause 23.13.6 above, it will have no further obligations under any Finance Document.
- 23.14 **Replacement of the Facility Agent**
- 23.14.1 After consultation with the Company, the Majority Lenders may, by giving 30 days’ notice to the Facility Agent (or, at any time the Facility Agent is an Impaired Agent, by giving any shorter notice determined by the Majority Lenders) replace the Facility Agent by appointing a successor Facility Agent (acting through an office in the United Kingdom).
- 23.14.2 The retiring Facility Agent shall (at its own cost if it is an Impaired Agent and otherwise at the expense of the Lenders) make available to the successor Facility Agent such documents and records and provide such assistance as the successor Facility Agent may reasonably request for the purposes of performing its functions as Facility Agent under the Finance Documents.
- 23.14.3 The replacement of the Facility Agent and the appointment of the successor Facility Agent shall take effect on the date specified in the notice from the Majority Lenders to the retiring Facility Agent. As from this date, the retiring Facility Agent shall be discharged from any further obligation in respect of the Finance Documents but shall remain entitled to the benefit of this Clause 23 (and any agency fees for the account of the retiring Facility Agent shall cease to accrue from (and shall be payable on) that date).
- 23.14.4 Any successor Facility Agent and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.
- 23.15 **Relationship with Lenders**
- 23.15.1 Subject to Clause 29.9 (*Pro rata interest settlement*), the Facility Agent may treat each Lender as a Lender, entitled to payments under this Agreement and as acting through its Facility Office(s) until it has received not less than five Business Days’ prior notice from that Lender to the contrary.

23.15.2 The Facility Agent may at any time, and must if requested to do so by the Majority Lenders, convene a meeting of the Lenders.

23.15.3 The Facility Agent must keep a register of all the Parties and supply any other Party with a copy of the register on request. The register will include each Lender's Facility Office(s) and contact details for the purposes of this Agreement.

23.16 **Facility Agent's management time**

If the Facility Agent requires, any amount payable to the Facility Agent by any Party under any indemnity or in respect of any costs or expenses incurred by the Facility Agent under the Finance Documents after the date of this Agreement may include the cost of using its management time or other resources and will be calculated on the basis of such reasonable daily or hourly rates as the Facility Agent may notify to the relevant Party. This is in addition to any amount in respect of fees or expenses paid or payable to the Facility Agent under any other term of the Finance Documents.

23.17 **Notice period**

Where this Agreement specifies a minimum period of notice to be given to the Facility Agent, the Facility Agent may, at its discretion, accept a shorter notice period.

23.18 **Subordination Deed**

The Facility Agent will execute any Subordination Deed within two Business Days of receipt of a request (which shall include an execution version of such Subordination Deed) from the Company.

24. **EVIDENCE AND CALCULATIONS**

24.1 **Accounts**

Accounts maintained by a Finance Party in connection with this Agreement are prima facie evidence of the matters to which they relate for the purpose of any litigation or arbitration proceedings.

24.2 **Certificates and determinations**

Any certification or determination by a Finance Party of a rate or amount under the Finance Documents will be, in the absence of manifest error, conclusive evidence of the matters to which it relates.

24.3 **Calculations**

Any interest or fee accruing under this Agreement accrues from day to day and is calculated on the basis of the actual number of days elapsed and a year of 360 or 365 days or otherwise, depending on what the Facility Agent determines is market practice.

- 25.4.2 The commitment fee is payable quarterly in arrears during the Availability Period and on the last day of the Availability Period. Accrued commitment fee is also payable to the Facility Agent for a Lender on the date its Commitment is cancelled in full.
- 25.4.3 No commitment fee is payable to the Facility Agent (for the account of a Lender) on any Available Commitment of that Lender for any day on which that Lender is a Defaulting Lender.
- 25.5 **Utilisation fee**
- 25.5.1 The Company must pay to the Facility Agent for each Lender a utilisation fee computed at the rate of 0.20 per cent. per annum on the aggregate principal amount of the Loans for each day on which the aggregate Base Currency Amount of all Loans exceeds 33.3 per cent. of the Total Commitments.
- 25.5.2 The Company must pay to the Facility Agent for each Lender a utilisation fee computed at the rate of 0.40 per cent. per annum on the aggregate principal amount of the Loans for each day on which the Base Currency Amount of all Loans exceeds 66.6 per cent. of the Total Commitments. For the avoidance of doubt, the fee described in sub-clause 25.5.1 above is not payable in respect of any day for which the fee described in this sub-clause 25.5.2 is payable.
- 25.5.3 Utilisation fee is payable on the amount of each Lender's share in the Loans.
- 25.5.4 Accrued utilisation fee is payable quarterly in arrears. Accrued utilisation fee is also payable to the Facility Agent for a Lender on the date its Commitment is cancelled in full.

25.6 **Interest, commission and fees on Ancillary Facilities**

The rate and time of payment of interest, commission, fees and any other remuneration in respect of each Ancillary Facility shall be determined by agreement between the relevant Ancillary Lender and the Company based upon normal market rates and terms.

26. **INDEMNITIES AND BREAK COSTS**

26.1 **Currency indemnity**

26.1.1 The Company must, as an independent obligation, indemnify each Finance Party against any loss or liability which that Finance Party incurs as a consequence of:

- (b) that liability being converted into a claim, proof, judgment or order,

in a currency other than the currency in which the amount is expressed to be payable under the relevant Finance Document.

26.2 **Other indemnities**

The Company shall within 15 days of demand indemnify the Facility Agent and each Lender against any funding or other cost, loss, expense or liability in an amount certified by it in reasonable detail (together with documentation in support) sustained or incurred by it as a direct result of:

26.2.1 the occurrence of any Event of Default;

26.2.2 (other than by reason of negligence or default by a Finance Party) a Loan not being made after a Request has been delivered for that Loan; or

26.2.3 the receipt or recovery by any party (or the Facility Agent on its behalf) of all or any part of a Loan or overdue sum due from the Company otherwise than on the Final Maturity Date or Maturity Date of that Loan or, in the case of an overdue sum, the last day of an interest period relating to that overdue sum, as the case may be or a Loan or any part thereof not being prepaid in accordance with a notice of prepayment.

26.3 **Break Costs**

26.3.1 The Company must pay to each Lender its Break Costs within three Business Days of demand.

26.3.2 Break Costs are the amount (if any) determined by the relevant Lender by which:

- (a) the interest (excluding Margin) which that Lender would have received for the period from the date of receipt of any part of its share in a Loan or overdue amount to the last day of the applicable Term for that Loan or overdue amount if the principal or overdue amount received had been paid on the last day of that Term;

exceeds

(b) the amount which that Lender would be able to obtain by placing an amount equal to the amount received by it on deposit with a leading bank in the appropriate interbank market for a period starting on the Business Day following receipt and ending on the last day of the applicable Term.

28.2.2 An amendment or waiver which relates to the rights or obligations of an Administrative Party or an Ancillary Lender may only be made with the consent of that Administrative Party or Ancillary Lender.

28.3 **Disenfranchisement of Defaulting Lenders**

28.3.1 For so long as a Defaulting Lender has any Available Commitment, in ascertaining the Majority Lenders or whether any given percentage (including, for the avoidance of doubt, unanimity) of the Total Commitments has been obtained to approve any request for a consent, waiver, amendment or other vote under the Finance Documents, that Defaulting Lender's Commitments will be reduced by the amount of its Available Commitments.

28.3.2 For the purposes of this Clause 28.3, the Facility Agent may assume that the following Lenders are Defaulting Lenders:

- (a) any Lender which has notified the Facility Agent that it has become a Defaulting Lender;
- (b) any Lender in relation to which it is aware that any of the events or circumstances referred to in paragraphs (a), (b) or (c) of the definition of "Defaulting Lender" has occurred where, in the case of the events or circumstances referred to in paragraph (a), none of the exceptions to that paragraph apply,

unless it has received notice to the contrary from the Lender concerned (together with any supporting evidence reasonably requested by the Facility Agent) or the Facility Agent is otherwise aware that the Lender has ceased to be a Defaulting Lender.

28.4 **Replacement of a Defaulting Lender**

28.4.1 The Company may, at any time a Lender has become and continues to be a Defaulting Lender, by giving 10 Business Days' prior written notice to the Facility Agent and such Lender:

- (a) replace such Lender by requiring such Lender to (and to the extent permitted by law such Lender shall) transfer pursuant to Clause 29 (*Changes to the Parties*) all (and not part only) of its rights and obligations under this Agreement; or
- (b) require such Lender to (and to the extent permitted by law such Lender shall) transfer pursuant to Clause 29 (*Changes to the Parties*) all (and not part only) of the undrawn Commitment of the Lender.

to a Lender or other bank, financial institution, trust, fund or other entity (a "**Replacement Lender**") selected by the Company, and which is acceptable to the Facility Agent (acting reasonably) (unless the Facility Agent is an Impaired Agent), which confirms its willingness to assume and does assume all the obligations or all the relevant obligations of the transferring Lender (including the assumption of the transferring Lender's participations or unfunded participations (as the case may be) on the same basis as the transferring Lender) for a purchase price in cash payable at the time of transfer equal to the outstanding principal amount of such Lender's participation in the outstanding Loans and all accrued interest (to the extent that the Facility Agent has not given a notification under Clause 29.9 (*Pro rata interest settlement*)), Break Costs and other amounts payable in relation thereto under the Finance Documents.

28.4.2 Any transfer of rights and obligations of a Defaulting Lender pursuant to this Clause shall be subject to the following conditions:

- (a) the Company shall have no right to replace the Facility Agent;
- (b) neither the Facility Agent nor the Defaulting Lender shall have any obligation to the Company to find a Replacement Lender;
- (c) the transfer must take place no later than 14 days after the notice referred to in sub-clause 28.4.1 above;
- (d) in no event shall the Defaulting Lender be required to pay or surrender to the Replacement Lender any of the fees received by the Defaulting Lender pursuant to the Finance Documents; and
- (e) the Defaulting Lender shall only be obliged to transfer its rights and obligations pursuant to sub-clause 28.4.1 above once it is satisfied that it has

complied with all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to the transfer to the Replacement Lender.

28.5 **Excluded Commitments**

If a Lender does not accept or reject a request for an amendment, waiver or consent within 15 Business Days of receipt of such request (or such longer period as the Company and the Facility Agent may agree), or abstains from accepting or rejecting a request for an amendment, waiver or consent, its Commitments shall not be included for the purpose of calculating the Total Commitments or participations under the Facility when ascertaining whether any relevant percentage (including, for the avoidance of doubt, unanimity) of Total Commitments and/or participations has been obtained to approve that request.

28.6 **Change of currency**

If a change in any currency of a country occurs (including where there is more than one currency or currency unit recognised at the same time as the lawful currency of a country), the Finance Documents will be amended to the extent the Facility Agent (acting reasonably and after consultation with the Company) determines is necessary to reflect the change.

28.7 **Waivers and remedies cumulative**

The rights of each Finance Party under the Finance Documents:

28.7.1 may be exercised as often as necessary;

28.7.2 are cumulative and not exclusive of its rights under the general law; and

28.7.3 may be waived only in writing and specifically.

Delay in exercising or non-exercise of any right is not a waiver of that right.

29. **CHANGES TO THE PARTIES**

29.1 **Assignments and transfers by the Company**

The Company may not assign or transfer any of its rights and obligations under the Finance Documents without the prior consent of all the Lenders.

29.2 **Assignments and transfers by Lenders**

29.2.1 A Lender (the **Existing Lender**) may, subject to the following provisions of this Clause 29, at any time assign or transfer (including by way of novation) any of its rights and obligations under this Agreement to any bank, financial institution or trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (the **New Lender**).

29.2.2 Unless the Company and the Facility Agent otherwise agree, an assignment or transfer of part of a Commitment or rights and obligations under this Agreement by the Existing Lender must be in a minimum amount of £5,000,000.

- 29.2.3 An Existing Lender must consult with the Company for no more than five Business Days before it may make an assignment or transfer unless the New Lender is another Lender or an Affiliate of a Lender or an Event of Default has occurred and is outstanding.
- 29.2.4 The Facility Agent is not obliged to accept an assignment or execute a Transfer Certificate until it has completed all know your customer requirements to its satisfaction. The Facility Agent must promptly notify the Existing Lender and the New Lender if there are any such requirements.
- 29.2.5 An assignment of rights or a transfer of rights and obligations will be effective only if either:
- (a) the obligations are novated in accordance with the following provisions of this Clause 29; or
 - (b) the New Lender confirms to the Facility Agent and the Company in form and substance satisfactory to the Facility Agent that it is bound by the terms of this Agreement as a Lender. On the assignment or transfer becoming effective in this manner the Existing Lender will be released from its rights and obligations under this Agreement to the extent that they are assigned or transferred to the New Lender.
- 29.2.6 Unless the Facility Agent otherwise agrees, the New Lender must pay to the Facility Agent for its own account, on or before the date any assignment or transfer occurs, a fee of £2,000.
- 29.2.7 Any reference in this Agreement to a Lender includes a New Lender but excludes a Lender if no amount is or may be owed to or by it under this Agreement.

29.3 **Procedure for transfer by way of novations**

29.3.1 In this Clause:

Transfer Date means, for a Transfer Certificate, the later of:

- (a) the proposed Transfer Date specified in that Transfer Certificate; and
- (b) the date on which the Facility Agent executes that Transfer Certificate.

29.3.2 A novation is effected if:

- (a) the Existing Lender and the New Lender deliver to the Facility Agent a duly completed Transfer Certificate; and
- (b) the Facility Agent executes it.

Subject to sub-clause 29.2.4 of Clause 29.2 (*Assignments and transfers by Lenders*), the Facility Agent must execute as soon as reasonably practicable a Transfer Certificate delivered to it and which appears on its face to be in order.

29.3.3 Each Party (other than the Existing Lender and the New Lender) irrevocably authorises the Facility Agent to execute any duly completed Transfer Certificate on its behalf.

29.3.4 Subject to Clause 29.9 (*Pro rata interest settlement*), on the Transfer Date:

- (a) the New Lender will assume the rights and obligations of the Existing Lender expressed to be the subject of the novation in the Transfer Certificate in substitution for the Existing Lender; and
- (b) the Existing Lender will be released from those obligations and cease to have those rights.

29.4 **Limitation of responsibility of Existing Lender**

29.4.1 Unless expressly agreed to the contrary, an Existing Lender is not responsible to a New Lender for the legality, validity, adequacy, accuracy, completeness or performance of:

- (a) any Finance Document or any other document; or
- (b) any statement or information (whether written or oral) made in or supplied in connection with any Finance Document,

and any representations or warranties implied by law are excluded.

29.4.2 Each New Lender confirms to the Existing Lender and the other Finance Parties that it:

- (a) has made, and will continue to make, its own independent appraisal of all risks arising under or in connection with the Finance Documents (including the financial condition and affairs of the Company and its related entities and the nature and extent of any recourse against any Party or its assets) in connection with its participation in this Agreement; and
- (b) has not relied exclusively on any information supplied to it by the Existing Lender in connection with any Finance Document.

29.4.3 Nothing in any Finance Document requires an Existing Lender to:

- (a) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause; or
- (b) support any losses incurred by the New Lender by reason of the non-performance by the Company of its obligations under any Finance Document or otherwise.

29.5 **Costs resulting from change of Lender or Facility Office**

If:

29.5.1 a Lender assigns or transfers any of its rights and obligations under the Finance Documents or changes its Facility Office; and

29.5.2 as a result of circumstances existing at the date the assignment, transfer or change occurs, the Company would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 14 (*Tax gross-up and indemnities*) or Clause 15 (*Increased costs*),

then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under those Clauses to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred. This Clause 29.5 shall not apply in relation to Clause 14 (*Tax gross-up and indemnities*), to a Treaty Lender that has included an indication to the effect that it wishes the HMRC DT Treaty Passport scheme to apply to this Agreement in accordance with sub-clause 14.6.1 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*) if the Company making the payment has not complied with its obligations under sub-clause 14.1.2 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*).

29.6 **Changes to the Reference Banks**

29.6.1 If a Reference Bank (or, if a Reference Bank is not a Lender, the Lender of which it is an Affiliate) ceases to be a Lender, the Facility Agent must (in consultation with the Company) appoint another Lender or an Affiliate of a Lender to replace that Reference Bank.

29.6.2 If a Reference Bank ceases to have a London office or novates or assigns all its rights and obligations under this Agreement or if any Commitments of any Reference Bank are cancelled or if Loans it has advanced are prepaid it shall be replaced as a Reference Bank by such other Lender or an Affiliate of a Lender with an office in London as the Facility Agent (after consultation with the Company) shall designate by notice to the Company and the Lenders.

29.7 **Copy of Transfer Certificate or Increase Confirmation to Company**

The Facility Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate or an Increase Confirmation, send to the Company a copy of that Transfer Certificate or Increase Confirmation.

29.8 **Security over Lenders' rights**

In addition to the other rights provided to Lenders under this Clause 29, each Lender may without consulting with or obtaining consent from the Company, at any time charge, assign or otherwise create security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

- (a) any charge, assignment or other security to secure obligations to a federal reserve or central bank; and
- (b) in the case of any Lender which is a fund, any charge, assignment or other security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or Security shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or other security for the Lender as a party to any of the Finance Documents; or
- (ii) require any payments to be made by the Company or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

29.9 **Pro rata interest settlement**

If the Facility Agent has notified the Lenders that it is able to distribute interest payments on a “*pro rata basis*” to Existing Lenders and New Lenders then (in respect of any transfer pursuant to Clause 29.3 (*Procedure for transfer by way of novations*)) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of a Term):

- 29.9.1 any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date (“**Accrued Amounts**”) and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Term (or, if the Term is longer than six months, on the next of the dates which falls at six monthly intervals after the first day of that Term); and
- 29.9.2 the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts, so that, for the avoidance of doubt:
 - (i) when the Accrued Amounts become payable, those Accrued Amounts will be payable for the account of the Existing Lender; and
 - (ii) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 29.9, have been payable to it on that date, but after deduction of the Accrued Amounts.

In this Clause 29.9, references to “**Term**” shall be construed to include a reference to any other period for accrual of fees.

30. **CONFIDENTIALITY AND DISCLOSURE OF INFORMATION**

30.1 **Confidential Information**

Each Finance Party agrees to keep all Confidential Information confidential and not to disclose it to anyone, save to the extent permitted by Clause 30.2 (*Disclosure of Confidential Information*) and Clause 30.3 (*Disclosure to numbering service providers*), and to ensure that all Confidential Information is protected with security measures and a degree of care that would apply to its own confidential information.

30.2 **Disclosure of Confidential Information**

Any Finance Party may disclose:

30.2.1 to any of its Affiliates and Related Funds and any of its or their officers, directors, employees, professional advisers, auditors, partners and Representatives such Confidential Information as that Finance Party shall consider appropriate if any person to whom the Confidential Information is to be given pursuant to this sub-clause 30.2.1 is informed in writing of its confidential nature and that some or all of such Confidential Information may be price-sensitive information except that there shall be no such requirement to so inform if the recipient is subject to professional obligations to maintain the confidentiality of the information or is otherwise bound by requirements of confidentiality in relation to the Confidential Information;

30.2.2 to any person:

- (a) to (or through) whom it assigns or transfers (or may potentially assign or transfer) all or any of its rights and/or obligations under one or more Finance Documents or which succeeds (or which may potentially succeed) it as Facility Agent and, in each case, to any of that person's Affiliates, Related Funds, Representatives and professional advisers;
- (b) with (or through) whom it enters into (or may potentially enter into), whether directly or indirectly, any sub-participation in relation to, or any other transaction under which payments are to be made or may be made by reference to, one or more Finance Documents and/or the Company and to any of that person's Affiliates, Related Funds, Representatives and professional advisers;

- (h) who is a Party; or
- (i) with the consent of the Company;

in each case, such Confidential Information as that Finance Party shall consider appropriate if:

- (i) in relation to sub-clause 30.2.2 (a), (b) and (c) above, the person to whom the Confidential Information is to be given has entered into a Confidentiality Undertaking except that there shall be no requirement for a Confidentiality Undertaking if the recipient is a professional adviser and is subject to professional obligations to maintain the confidentiality of the Confidential Information;
- (ii) in relation to sub-clause 30.2.2 (d) above, the person to whom the Confidential Information is to be given has entered into a Confidentiality Undertaking or is otherwise bound by requirements of confidentiality in relation to the Confidential Information they receive and is informed that some or all of such Confidential Information may be price-sensitive information;
- (iii) in relation to sub-clause 30.2.2 (e), (f) and (g) above, the person to whom the Confidential Information is to be given is informed of its confidential nature and that some or all of such Confidential Information may be price-sensitive information except that there shall be no requirement to so inform if, in the opinion of that Finance Party, it is not practicable so to do in the circumstances;

30.2.3 to any person appointed by that Finance Party or by a person to whom sub-clause 30.2.2 (a) or (b) above applies to provide administration or settlement services in respect of one or more of the Finance Documents including without limitation, in relation to the trading of participations in respect of the Finance Documents, such Confidential Information as may be required to be disclosed to enable such service provider to provide any of the services referred to in this sub-clause 30.2.3 if the service provider to whom the Confidential Information is to be given has entered into a confidentiality agreement substantially in the form of the LMA Master Confidentiality Undertaking for Use With Administration/Settlement Service Providers or such other form of confidentiality undertaking agreed between the Company and the relevant Finance Party;

30.2.4 to any rating agency (including its professional advisers) such Confidential Information as may be required to be disclosed to enable such rating agency to carry out its normal rating activities in relation to the Finance Documents and/or the Company if the rating agency to whom the Confidential Information is to be given is informed of its confidential nature and that some or all of such Confidential Information may be price-sensitive information.

30.3 **Disclosure to numbering service providers**

30.3.1 Any Finance Party may disclose to any national or international numbering service provider appointed by that Finance Party to provide identification numbering services in respect of this Agreement, the Facility and/or the Company the following information:

- (a) name of the Company;

-
- (b) country of domicile of the Company;
 - (c) place of incorporation of the Company;
 - (d) date of this Agreement;
 - (e) the names of the Facility Agent and the Arranger;
 - (f) date of each amendment and restatement of this Agreement;
 - (g) amount of Total Commitments;
 - (h) currencies of the Facility;
 - (i) type of Facility;
 - (j) ranking of Facility;
 - (k) Final Maturity Date for the Facility;
 - (l) changes to any of the information previously supplied pursuant to paragraphs (a) to (k) above; and
 - (m) such other information agreed between such Finance Party and the Company,
- to enable such numbering service provider to provide its usual syndicated loan numbering identification services.

30.3.2 The Parties acknowledge and agree that each identification number assigned to this Agreement, the Facility and/or the Company by a numbering service provider and the information associated with each such number may be disclosed to users of its services in accordance with the standard terms and conditions of that numbering service provider.

30.3.3 The Company represents that none of the information set out in paragraphs (a) to (m) of sub-clause 30.3.1 above is, nor will at any time be, unpublished price-sensitive information.

30.3.4 The Facility Agent shall notify the Company and the other Finance Parties of:

- (a) the name of any numbering service provider appointed by the Facility Agent in respect of this Agreement, the Facility and/or the Company; and
- (b) the number or, as the case may be, numbers assigned to this Agreement, the Facility and/or the Company by such numbering service provider.

31. CONFIDENTIALITY OF FUNDING RATES AND REFERENCE BANK QUOTATIONS

31.1 Confidentiality and disclosure

31.1.1 The Facility Agent and each Obligor agree to keep each Funding Rate (and, in the case of the Facility Agent, each Reference Bank Quotation) confidential and not to disclose it to anyone, save to the extent permitted by sub-clause 31.1.2, 31.1.3 and 31.1.4 below.

-
- 31.1.2 The Facility Agent may disclose:
- (a) any Funding Rate (but not, for the avoidance of doubt, any Reference Bank Quotation) to the Company pursuant to Clause 11.4 (*Notification of rates of interest*); and
 - (b) any Funding Rate or any Reference Bank Quotation to any person appointed by it to provide administration services in respect of one or more of the Finance Documents to the extent necessary to enable such service provider to provide those services if the service provider to whom that information is to be given has entered into a Confidentiality Undertaking.
- 31.1.3 The Facility Agent may disclose any Funding Rate or any Reference Bank Quotation, and each Obligor may disclose any Funding Rate, to:
- (a) any of its Affiliates and any of its or their officers, directors, employees, professional advisers, auditors and partners if any person to whom that Funding Rate or Reference Bank Quotation is to be given pursuant to this paragraph (a) is informed in writing of its confidential nature and that it may be price-sensitive information except that there shall be no such requirement to so inform if the recipient is subject to professional obligations to maintain the confidentiality of that Funding Rate or Reference Bank Quotation or is otherwise bound by requirements of confidentiality in relation to it;
 - (b) any person to whom information is required or requested to be disclosed by any court of competent jurisdiction or any governmental, banking, taxation or other regulatory authority or similar body, the rules of any relevant stock exchange or pursuant to any applicable law or regulation if the person to whom that Funding Rate or Reference Bank Quotation is to be given is informed in writing of its confidential nature and that it may be price-sensitive information except that there shall be no requirement to so inform if, in the opinion of the Facility Agent or the relevant Obligor, as the case may be, it is not practicable to do so in the circumstances;
 - (c) any person to whom information is required to be disclosed in connection with, and for the purposes of, any litigation, arbitration, administrative or other investigations, proceedings or disputes if the person to whom that Funding Rate or Reference Bank Quotation is to be given is informed in writing of its confidential nature and that it may be price-sensitive information except that there shall be no requirement to so inform if, in the opinion of the Facility Agent or the relevant Obligor, as the case may be, it is not practicable to do so in the circumstances; and
 - (d) any person with the consent of the relevant Lender or Reference Bank, as the case may be.
- 31.1.4 The Facility Agent's obligations in this Clause 31 (*Confidentiality of Funding Rates and Reference Bank Quotations*) relating to Reference Bank Quotations are without

prejudice to its obligations to make notifications under Clause 11.4 (*Notification of rates of interest*) provided that (other than pursuant to paragraph (a) of sub-clause 31.1.2 above) the Facility Agent shall not include the details of any individual Reference Bank Quotation as part of any such notification.

31.2 Other obligations

31.2.1 The Facility Agent and each Obligor acknowledge that each Funding Rate (and, in the case of the Facility Agent, each Reference Bank Quotation) is or may be price-sensitive information and that its use may be regulated or prohibited by applicable legislation including securities law relating to insider dealing and market abuse and the Facility Agent and each Obligor undertake not to use any Funding Rate or, in the case of the Facility Agent, any Reference Bank Quotation for any unlawful purpose.

31.2.2 The Facility Agent and each Obligor agree (to the extent permitted by law and regulation) to inform the relevant Lender or Reference Bank, as the case may be:

- (a) of the circumstances of any disclosure made pursuant to paragraph (b) of sub-clause 31.1.3 above except where such disclosure is made to any of the persons referred to in that paragraph during the ordinary course of its supervisory or regulatory function; and
- (b) upon becoming aware that any information has been disclosed in breach of this Clause 31 (*Confidentiality of Funding Rates and Reference Bank Quotations*).

32. **SET-OFF**

32.1.1 A Finance Party may set off any matured obligation owed to it by the Company under the Finance Documents (to the extent beneficially owned by that Finance Party) against any obligation (whether or not matured) owed by that Finance Party to the Company, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Finance Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

32.1.2 Any credit balances taken into account by an Ancillary Lender when operating a net limit in respect of any overdraft under an Ancillary Facility shall on enforcement of the Finance Documents be applied first in reduction of the overdraft provided under that Ancillary Facility in accordance with its terms.

33. **PRO RATA SHARING**

33.1 **Redistribution**

33.1.1 If any amount owing by the Company under this Agreement to a Lender (the “**recovering Lender**”) is discharged by payment, set-off or any other manner other than through the Facility Agent under this Agreement (a “**recovery**”), then:

- (a) the recovering Lender must, within three Business Days, supply details of the recovery to the Facility Agent;

(b) the Facility Agent must calculate whether the recovery is in excess of the amount which the recovering Lender would have received if the recovery had been received by the Facility Agent under this Agreement; and

(c) the recovering Lender must pay to the Facility Agent an amount equal to the excess (the “**redistribution**”).

Sub-clause 33.1.1 above shall not apply to any amount received or recovered by an Ancillary Lender in respect of any cash cover provided for the benefit of that Ancillary Lender.

33.2 **Effect of redistribution**

33.2.1 The Facility Agent must treat a redistribution as if it were a payment by the Company under this Agreement and distribute it among the Lenders, other than the recovering Lender, accordingly.

33.2.2 When the Facility Agent makes a distribution under sub-clause 33.2.1 above, the recovering Lender will be subrogated to the rights of the Finance Parties which have shared in that redistribution.

33.2.3 If and to the extent that the recovering Lender is not able to rely on any rights of subrogation under sub-clause 33.2.2 above, the Company will owe the recovering Lender a debt which is equal to the redistribution, immediately payable and of the type originally discharged.

33.2.4 If:

(a) a recovering Lender must subsequently return a recovery, or an amount measured by reference to a recovery, to the Company; and

(b) the recovering Lender has paid a redistribution in relation to that recovery,

each Finance Party must reimburse the recovering Lender all or the appropriate portion of the redistribution paid to that Finance Party, together with interest for the period while it held the re-distribution. In this event, the subrogation in sub-clause 33.2.2 above will operate in reverse to the extent of the reimbursement.

33.3 **Exceptions**

Notwithstanding any other term of this Clause 32.1.1, a recovering Lender need not pay a redistribution to the extent that:

33.3.1 it would not, after the payment, have a valid claim against the Company in the amount of the redistribution; or

33.3.2 it would be sharing with another Finance Party any amount which the recovering Lender has received or recovered as a result of legal or arbitration proceedings, where:

(a) the recovering Lender notified the Facility Agent of those proceedings; and

- (b) the other Finance Party had an opportunity to participate in those proceedings but did not do so or did not take separate legal or arbitration proceedings as soon as reasonably practicable after receiving notice of them.

33.4 **Ancillary Lenders**

- 33.4.1 This Clause 32 shall not apply to any receipt or recovery by a Lender in its capacity as an Ancillary Lender at any time prior to service of notice under Clause 22.15 (*Acceleration*).
- 33.4.2 Following service of notice under Clause 22.15 (*Acceleration*), this Clause 32 shall apply to all receipts or recoveries by Ancillary Lenders except to the extent that the receipt or recovery represents a reduction from the Permitted Gross Outstandings of a Multi-account Overdraft to or towards an amount equal to its Designated Net Amount.

34. **SEVERABILITY**

- 34.1 If a term of a Finance Document is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect:
- 34.1.1 the legality, validity or enforceability in that jurisdiction of any other term of the Finance Documents; or
- 34.1.2 the legality, validity or enforceability in other jurisdictions of that or any other term of the Finance Documents.

35. **COUNTERPARTS**

Each Finance Document may be executed in any number of counterparts. This has the same effect as if the signatures on the counterparts were on a single copy of the Finance Document.

36. **NOTICES**

36.1 **In writing**

- 36.1.1 Any communication in connection with a Finance Document must be in writing and, unless otherwise stated, may be given:

- (i) if the amount of the maturing Loan exceeds the aggregate amount of the new Loans:
 - (A) the Company will only be required to pay an amount in cash in the relevant currency equal to that excess; and
 - (B) each Lender's participation (if any) in the new Loans shall be treated as having been made available and applied by the Company in or towards repayment of that Lender's participation (if any) in the maturing Loan and that Lender will not be required to make its participation in the new Loans available in cash; and
- (ii) if the amount of the maturing Loan is equal to or less than the aggregate amount of the new Loans:
 - (A) the Company will not be required to make any payment in cash; and
 - (B) each Lender will be required to make its participation in the new Loans available in cash only to the extent that its participation (if any) in the new Loans exceeds that Lender's participation (if any) in the maturing Loan and the remainder of that Lender's participation in the new Loans shall be treated as having been made available and applied by the Company in or towards repayment of that Lender's participation in the maturing Loan.

10. PREPAYMENT AND CANCELLATION

10.1 Mandatory prepayment - illegality

- 10.1.1 A Lender must notify the Company promptly if it becomes aware that it is unlawful in any jurisdiction for that Lender to perform any of its obligations under a Finance Document or to fund or maintain its share in any Loan.
- 10.1.2 After notification under clause 10.1.1 above:
 - (a) the Company must repay or prepay the share of that Lender in each Loan made to it on the date specified in clause 10.1.3 below; and
 - (b) the Commitments of that Lender will be immediately cancelled.

 - (b) if later, the latest date allowed by the relevant law.

10.2 **Mandatory prepayment - change of control**

If, except in the context of a group reorganisation where the Company continues to be controlled directly or indirectly by PPL, the Company becomes aware of any person (whether alone or together with any associated person or persons) gaining control of the Company (for these purposes “associated person” means, in relation to any person, a person who is (i) “acting in concert” (as defined in the City Code on Takeovers and Mergers) with that person or (ii) a “connected person” (as defined in section 839 of the Taxes Act) of that person and “control” means the relevant person satisfies any of the criteria set out in paragraphs (1)(a) to (c) of Section 1159 of the Companies Act 2006):

- 10.2.1 within five days of such date, the Company shall give notice of such change of control to the Facility Agent;
- 10.2.2 the Lenders and the Company shall immediately enter into negotiations for a period of not more than 45 days from the date of the change of control with a view to agreeing whether the Facility shall continue to be made available and on what terms;
- 10.2.3 if no such agreement is reached within the said period of 45 days then:
 - (a) any Lender may on 10 days’ notice to the Facility Agent and to the Company require the repayment of its share in each Loan and the repayment of its Ancillary Outstandings and cancel its Commitment; and
 - (b) the Majority Lenders may on 10 days’ notice to the Company require repayment in full of all outstanding Loans and Ancillary Outstandings and cancel the Total Commitments; and
- 10.2.4 a Lender shall not be obliged to fund any further loans under the Facility (except for a Rollover Loan) during the negotiation period set out in sub-clause 10.2.2, and if no agreement is reached within such negotiation period, during the 10 day notice period set out in sub-clause 10.2.3.

10.4 **Automatic cancellation**

The Commitments of each Lender will be automatically cancelled at the close of business on the last day of the Availability Period.

-
- 10.5 **Voluntary cancellation**
- 10.5.1 The Company may, by giving not less than three Business Days' prior written notice to the Facility Agent, cancel the unutilised amount of the Total Commitments in whole or in part.
- 10.5.2 Partial cancellation of the Total Commitments must be in a minimum amount of £5,000,000 and an integral multiple of £1,000,000.
- 10.5.3 Any cancellation in part shall be applied against the Commitment of each Lender pro rata.
- 10.6 **Involuntary prepayment and cancellation**
- 10.6.1 If the Company is, or will be, required to pay to a Lender a Tax Payment or an Increased Cost, the Company may, while the requirement continues, give notice to the Facility Agent requesting prepayment and cancellation in respect of that Lender.
- 10.6.2 After notification under sub-clause 10.6.1 above:
- (a) the Company must repay or prepay that Lender's share in each Loan made to it on the date specified in sub-clause 10.6.3 below; and
- (b) the Commitments of that Lender will be immediately cancelled.
- 10.6.3 The date for repayment or prepayment of a Lender's share in a Loan will be the last day of the current Term for that Loan or, if earlier, the date specified by the Company in its notification.
- 10.6.4
- (a) If any Lender becomes a Defaulting Lender, the Company may, at any time whilst the Lender continues to be a Defaulting Lender, give the Facility Agent 5 Business Days' notice of cancellation of the Available Commitment of that Lender.
- (b) On the notice referred to in paragraph (a) above becoming effective, the Available Commitment of the Defaulting Lender shall immediately be reduced to zero.
- (c) The Facility Agent shall as soon as practicable after receipt of a notice referred to in paragraph (a) above, notify all the Lenders.
- 10.7 **Re-borrowing of Loans**
- Any voluntary prepayment of a Loan may be re-borrowed on the terms of this Agreement. Any mandatory or involuntary prepayment of a Loan may not be re-borrowed.

10.8 **Miscellaneous provisions**

- 10.8.1 Any notice of prepayment and/or cancellation under this Agreement is irrevocable and must specify the relevant date(s) and the affected Loans and Commitments. The Facility Agent must notify the Lenders promptly of receipt of any such notice.
- 10.8.2 All prepayments made under Clause 10.2 (*Mandatory prepayment - change of control*) shall be applied *pro rata* to each Lender's participation in such Loan.

- 10.8.4 The Majority Lenders may agree a shorter notice period for a voluntary prepayment or a voluntary cancellation.
- 10.8.5 No prepayment or cancellation is allowed except in accordance with the express terms of this Agreement.
- 10.8.6 Subject to Clause 2.2 (*Increase*), no amount of the Total Commitments cancelled under this Agreement may subsequently be reinstated.

11. **INTEREST**

11.1 **Calculation of interest**

The rate of interest on each Loan for each Term is the percentage rate per annum equal to the aggregate of the applicable:

- 11.1.1 Margin; and
- 11.1.2 LIBOR or, in relation to any Loan in euro, EURIBOR.

11.2 **Payment of interest**

Except where it is provided to the contrary in this Agreement, the Company must pay accrued interest on each Loan made to it on the last day of each Term and also, if the Term is longer than six months, on the dates falling at six-monthly intervals after the first day of that Term.

11.3 **Interest on overdue amounts**

- 11.3.1 If the Company fails to pay any amount payable by it under the Finance Documents, it must immediately on demand by the Facility Agent pay interest on the overdue amount from its due date up to the date of actual payment, both before, on and after judgment.
- 11.3.2 Interest on an overdue amount is payable at a rate determined by the Facility Agent to be one per cent. per annum above the rate which would have been payable if the overdue amount had, during the period of non-payment, constituted a Loan in the currency of the overdue amount. For this purpose, the Facility Agent may (acting reasonably):
- (a) select successive Terms of any duration of up to three months; and
 - (b) determine the appropriate Quotation Day for that Term.

11.3.3 Notwithstanding sub-clause 11.3.2 above, if the overdue amount is a principal amount of a Loan and becomes due and payable prior to the last day of its current Term, then:

- (a) the first Term for that overdue amount will be the unexpired portion of that Term; and
- (b) the rate of interest on the overdue amount for that first Term will be one per cent. per annum above the rate then payable on that Loan.

After the expiry of the first Term for that overdue amount, the rate on the overdue amount will be calculated in accordance with sub-clause 11.3.2 above.

11.3.4 Interest (if unpaid) on an overdue amount will be compounded with that overdue amount at the end of each of its Terms but will remain immediately due and payable.

11.4 **Notification of rates of interest**

The Facility Agent must promptly notify each relevant Party of the determination of a rate of interest under this Agreement.

12. **TERMS**

12.1 **Selection**

12.1.1 Each Loan has one Term only.

12.1.2 The Company must select the Term for a Loan in the relevant Request.

12.1.3 Subject to the following provisions of this Clause, each Term for a Loan will be one, two, three or six months or for a period of one to thirty days or any other period agreed between the Company and the Lenders.

12.1.4 The Company shall not use its right under paragraph 12.1.3 above to select for a Loan a Term of less than one month's duration more than six times in any calendar year.

12.1.5 A Term for a Loan shall start on the Drawdown Date for that Loan.

12.2 **No overrunning the Final Maturity Date**

If a Term would otherwise overrun the Final Maturity Date, it will be shortened so that it ends on the Final Maturity Date.

12.3 **Other adjustments**

12.3.1 The Facility Agent and the Company may enter into such other arrangements as they may agree for the adjustment of Terms and the consolidation and/or splitting of Loans.

- 12.3.2 Subject to Clause 12.3.3 below, if two or more Terms end on the same date, those Loans will, unless the Company specifies to the contrary in the Request for the next Term, be consolidated into, and treated as, a single Loan on the last day of the Term.
- 12.3.3 Subject to Clause 4.4 (*Maximum Number*) and Clause 5.2 (*Completion of Requests*) if the Company requests in a Request that a Loan be divided into two or more Loans, that Loan will, on the last day of its Term, be so divided into the Base Currency Amounts specified in that Request, having an aggregate Base Currency Amount equal to the Base Currency Amount of the Loan immediately before its division.

12.4 **Notification**

The Facility Agent must notify the Company and the Lenders of the duration of each Term promptly after ascertaining its duration.

13. **MARKET DISRUPTION**

13.1 **Failure of a Reference Bank to supply a rate**

Subject to the other provisions of this Clause, if LIBOR or, if applicable, EURIBOR is to be determined by reference to the Reference Banks but a Reference Bank does not supply a quotation by the Specified Time on the Quotation Day, the applicable LIBOR or EURIBOR will be determined on the basis of the quotations of the remaining Reference Banks.

13.2 **Market disruption**

13.2.1 In this Clause, each of the following events is a **market disruption event**:

- (a) at or about noon on the Quotation Day for the relevant Term, LIBOR or if applicable EURIBOR is to be determined by reference to the Reference Banks and none or only one of the Reference Banks supplies a rate to the Facility Agent to determine LIBOR or, if applicable, EURIBOR for the relevant currency and Term; or
- (b) before close of business in London on the Quotation Day for the relevant Term, the Facility Agent receives notification from a Lender or Lenders whose participations in the relevant Loan exceed 50% of that Loan that the cost to it (or them) of funding its participation in that Loan from whatever source it may reasonably select would be in excess of LIBOR or, if applicable, EURIBOR for the relevant Term.

13.2.2 The Facility Agent must promptly notify the Company and the Lenders of a market disruption event.

13.2.3 After notification under sub-clause 13.2.1(a) above, the rate of interest on each Lender's share in the affected Loan for the relevant Term will be the aggregate of the applicable:

- (a) Margin; and
- (b) rate notified to the Facility Agent by that Lender as soon as practicable, and in any event before interest is due to be paid in respect of that Term, to be that which expresses as a percentage rate per annum the cost to that Lender of funding its share in that Loan from whatever source it may reasonably select.

13.3 **Alternative basis of interest or funding**

13.3.1 If a market disruption event occurs and the Facility Agent or the Company so requires, the Company and the Facility Agent must enter into negotiations for a period of not more than 30 days with a view to agreeing an alternative basis for determining the rate of interest and/or funding for the affected Loan and any future Loan.

13.3.2 Any alternative basis agreed will be, with the prior consent of all the Lenders, binding on all the Parties.

“**Treaty Lender**” means a Lender which:

14.1.2 Unless a contrary indication appears, in this Clause 14 a reference to “determines” or “determined” means a determination made in the absolute discretion of the person making the determination.

14.2 Tax gross-up

14.2.1 The Company shall make all payments to be made by it without any Tax Deduction, unless a Tax Deduction is required by law.

14.2.2 The Company shall promptly upon becoming aware that it must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Facility Agent accordingly. Similarly, a Lender shall notify the Facility Agent on becoming so aware in respect of a payment payable to that Lender. If the Facility Agent receives such notification from a Lender it shall notify the Company.

14.2.3 If a Tax Deduction is required by law to be made by the Company, the amount of the payment due from the Company shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

14.2.4 A payment shall not be increased under sub-clause 14.2.3 above by reason of a Tax Deduction on account of Tax imposed by the United Kingdom, if on the date on which the payment falls due:

- (a) the payment could have been made to the relevant Lender without a Tax Deduction if the Lender had been a Qualifying Lender, but on that date that Lender is not or has ceased to be a Qualifying Lender other than as a result of any change after the date it became a Lender under this Agreement in (or in the interpretation, administration, or application of) any law or Treaty, or any published practice or published concession of any relevant taxing authority; or

- (b) the relevant Lender is a Qualifying Lender solely by virtue of paragraph (a)(ii) of the definition of Qualifying Lender and:

 - (ii) the payment could have been made to the Lender without any Tax Deduction if that Direction had not been made; or
- (c) the relevant Lender is a Qualifying Lender solely by virtue of paragraph (a)(ii) of the definition of Qualifying Lender and:
 - (i) the relevant Lender has not given a Tax Confirmation to the Company; and
 - (ii) the payment could have been made to the Lender without any Tax Deduction if the Lender had given a Tax Confirmation to the Company on the basis that the Tax Confirmation would have enabled the Company to have formed a reasonable belief that the payment was an “excepted payment” for the purpose of section 930 of the ITA; or
- (d) the relevant Lender is a Treaty Lender and the Company making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender complied with its obligations under sub-clause 14.2.7 below.

14.2.5 If the Company is required to make a Tax Deduction, the Company shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

14.2.6 Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Company making that Tax Deduction shall deliver to the Facility Agent for the Finance Party entitled to the payment a statement under Section 975 of the ITA, or other evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

14.2.7

- (a) Subject to paragraph (b) below, a Treaty Lender and the Company which makes a payment to which that Treaty Lender is entitled shall co-operate in completing any procedural formalities necessary for that Company to obtain authorisation to make that payment without a Tax Deduction.
- (b) Nothing in paragraph (a) above shall require a Treaty Lender to:
 - (i) register under the HMRC DT Treaty Passport scheme;
 - (ii) apply the HMRC DT Treaty Passport scheme to any Loan if it has so registered; or

-
- (iii) file Treaty forms if it has included an indication to the effect that it wishes the HMRC DT Treaty Passport scheme to apply to this Agreement in accordance with paragraph 14.2.10 below or paragraph 14.6.1 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*) and the Company making that payment has not complied with its obligations under paragraph 14.2.11 below or paragraph 14.6.2 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*).
- 14.2.8 A UK Non-Bank Lender which becomes a Party on the day on which this Agreement is entered into gives a Tax Confirmation to the Company by entering into this Agreement.
- 14.2.9 A UK Non-Bank Lender shall promptly notify the Company and the Facility Agent if there is any change in the position from that set out in the Tax Confirmation.
- 14.2.10 A Treaty Lender which becomes a Party on the day on which this Agreement is entered into that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall include an indication to that effect (for the benefit of the Facility Agent and without liability to the Company) by including its scheme reference number and its jurisdiction of tax residence opposite its name in Schedule 1 (*Original Parties*).
- 14.2.11 Where a Lender includes the indication described in paragraph 14.2.10 above in Schedule 1 (*Original Parties*), the Company shall file a duly completed form DTTP2 in respect of such Lender with HM Revenue & Customs within 30 days of the date of this Agreement and shall promptly provide the Lender with a copy of that filing provided that the Company shall not be liable in respect of any non-compliance with its obligations under this Clause 14.2.11 where such non-compliance is due to circumstances beyond the control of the Company (including, without limitation, any delay, failure or omission on the part of the relevant Lender or the Facility Agent to comply with any obligation owed to the Company, or to any inaccuracy in any information provided by the relevant Lender or the Facility Agent in connection with the DT Treaty Passport scheme).
- 14.2.12 Any Lender which has confirmed that it is entitled to use its DT Treaty Passport in accordance with Clause 14.2.10 or Clause 14.6.1 will reasonably promptly notify the Facility Agent and the Company if at any time it ceases to hold a passport under the HMRC DT Treaty Passport scheme or if it ceases to be able to use such passport as a Lender.
- 14.2.13 If a Lender has not included an indication to the effect that it wishes the HMRC DT Treaty Passport scheme to apply to this Agreement in accordance with sub-clause 14.2.10 above or sub-clause 14.6.1 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*), the Company shall not file any form relating to the HMRC DT Treaty Passport scheme in respect of that Lender's Commitment or its participation in any Loan.

14.3 **Tax indemnity**

- 14.3.1 Except as provided below, the Company must, within three Business Days of demand, indemnify a Finance Party against any loss or liability which that Finance Party (in its absolute discretion) determines will be or has been suffered (directly or indirectly) by that Finance Party for or on account of Tax in relation to a payment received or receivable (or any payment deemed to be received or receivable) under a Finance Document.
- 14.3.2 Sub-clause 14.3.1 above does not apply to any Tax assessed on a Finance Party under the laws of the jurisdiction in which:
- (a) that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or
 - (b) that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction, if that Tax is imposed on or calculated by reference to the net income received or receivable by that Finance Party. However, any payment deemed to be received or receivable, including any amount treated as income but not actually received by the Finance Party, such as a Tax Deduction, will not be treated as net income received or receivable for this purpose.
- 14.3.3 Sub-clause 14.3.1 above does not apply to any Tax assessed on a Finance Party to the extent the loss or liability:
- (a) is compensated for by an increased payment under Clause 14.2 (*Tax gross-up*);
 - (b) would have been compensated for by an increased payment under Clause 14.2 (*Tax gross-up*) but was not so compensated solely because one of the exclusions in Clause 14.2 (*Tax gross-up*) applied; or
 - (c) relates to a FATCA Deduction required to be made by a Party.
- 14.3.4 A Finance Party making, or intending to make, a claim under sub-clause 14.3.1 above must promptly notify the Company of the event which will give, or has given, rise to the claim.

14.4 **Tax Credit**

If the Company makes a Tax Payment and the relevant Finance Party has obtained, used and retained any Tax Credit that is attributable to that Tax Payment, then, if in its discretion (acting reasonably) it can do so without any further adverse consequences for it, that Finance Party must pay an amount to the Company which that Finance Party determines (in its discretion, acting reasonably) will leave it (after that payment) in the same after-tax position as it would have been in if the Tax Payment had not been required to be made by the Company. The relevant Finance Party shall take those steps it considers in its opinion reasonable to seek and claim any tax credit.

14.5 **Lender Status Confirmation**

Each Lender which becomes a Party to this Agreement after the date of this Agreement shall indicate, in the Transfer Certificate, assignment agreement or Increase Confirmation which it executes on becoming a Party, and for the benefit of the Facility Agent and without liability to the Company, which of the following categories it falls in:

- 14.5.1 not a Qualifying Lender;
- 14.5.2 a Qualifying Lender (other than a Treaty Lender); or
- 14.5.3 a Treaty Lender.

If a New Lender fails to indicate its status in accordance with this Clause 14.5 then such New Lender shall be treated for the purposes of this Agreement as if it is not a Qualifying Lender until such time as it notifies the Facility Agent which category applies (and the Facility Agent, upon receipt of such notification, shall inform the Company). For the avoidance of doubt, a Transfer Certificate or assignment agreement shall not be invalidated by any failure of a Lender to comply with this Clause 14.5.

14.6 **HMRC DT Treaty Passport scheme confirmation**

- 14.6.1 A New Lender that is a Treaty Lender that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall include an indication to that effect (for the benefit of the Facility Agent and without liability to the Company) in the Transfer Certificate or Increase Confirmation which it executes by including its scheme reference number and its jurisdiction of tax residence in that Transfer Certificate or Increase Confirmation.
- 14.6.2 Where a New Lender includes the indication described in sub-clause 14.6.1 above in the relevant Transfer Certificate or Increase Confirmation the Company shall file a duly completed form DTTP2 in respect of such Lender with HM Revenue & Customs within 30 days of the relevant Transfer Date and shall promptly provide the Lender with a copy of that filing.

14.7 **Stamp taxes**

The Company shall pay and, within three Business Days of demand, indemnify each Finance Party against any cost, loss or liability that Finance Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document, except for any such Tax payable in respect of a Transfer Certificate or other transfer or disposal of a Lender's rights or obligations under a Finance Document.

14.8 **VAT**

- 14.8.1 All amounts set out, or expressed in a Finance Document to be payable by any Party to a Finance Party which (in whole or in part) constitute the consideration for a supply or supplies for VAT purposes shall be deemed to be exclusive of any VAT which is chargeable on such supply or supplies, and accordingly, subject to sub-clause 14.8.2 below, if VAT is or becomes chargeable on any supply made by any Finance Party to any Party under a Finance Document, that Party shall pay to the Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of such VAT (and such Finance Party shall promptly provide an appropriate VAT invoice to such Party).

- 14.8.2 If VAT is or becomes chargeable on any supply made by any Finance Party (the “**Supplier**”) to any other Finance Party (the “**Recipient**”) under a Finance Document, and any Party other than the Recipient (the “**Subject Party**”) is required by the terms of any Finance Document to pay an amount equal to the consideration for such supply to the Supplier (rather than being required to reimburse the Recipient in respect of that consideration), such Party shall also pay to the Supplier (in addition to and at the same time as paying such amount) an amount equal to the amount of such VAT. The Recipient will promptly pay to the Subject Party an amount equal to any credit or repayment obtained by the Recipient from the relevant tax authority which the Recipient reasonably determines is in respect of such VAT.
- 14.8.3 Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Finance Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- 14.8.4 Any reference in this Clause 14.8 to any Party shall, at any time when such Party is treated as a member of a group for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the representative member of such group at such time (the term “representative member” to have the same meaning as in the Value Added Tax Act 1994).

14.9 **FATCA Information**

- 14.9.1 Subject to sub-clause 14.9.3 below, each Party shall, within ten Business Days of a reasonable request by another Party:
- (a) confirm to that other Party whether it is:
 - (i) a FATCA Exempt Party; or
 - (ii) not a FATCA Exempt Party; and
 - (b) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party’s compliance with FATCA;
 - (c) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party’s compliance with any other law, regulation, or exchange of information regime.

- 16.1.1 Each Finance Party must, in consultation with the Company (other than upon the occurrence of an event referred to at paragraph (d) below where no such consultation is required), take all reasonable steps to mitigate any circumstances which arise and which result or would result in the Facility ceasing to be available or:
 - (a) any Tax Payment or Increased Cost being payable to that Finance Party;

 - (c) that Finance Party incurring any cost of complying with the minimum reserve requirements of the European Central Bank; or
 - (d) the occurrence of any market disruption event,including transferring its rights and obligations under the Finance Documents to an Affiliate or changing its Facility Office.

- 16.2.10 the Finance Party shall only be obliged to transfer its rights and obligations pursuant to this Clause 16.2 once it is satisfied that it has complied with all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to that transfer to the Replacement Finance Party.

16.3 **Conduct of business by a Finance Party**

No term of this Agreement will:

- 16.3.1 interfere with the right of any Finance Party to arrange its affairs (Tax or otherwise) in whatever manner it thinks fit or oblige any Finance Party to investigate or claim any Tax Credit; or

However, the Facility Agent may assume that the sum has been paid to it, and, in reliance on that assumption, make available to that Party a corresponding amount. If it transpires that the sum has not been received by the Facility Agent, that Party must immediately on demand by the Facility Agent refund any corresponding amount made available to it together with interest on that amount from the date of payment to the date of receipt by the Facility Agent at a rate calculated by the Facility Agent to reflect its cost of funds.

- 23.5.1 rely on any notice or document believed by it to be genuine and correct and to have been signed by, or with the authority of, the proper person;
- 23.5.2 rely on any statement made by any person regarding any matters which may reasonably be assumed to be within his knowledge or within his power to verify;
- 23.5.3 engage, pay for and rely on professional advisers selected by it (including those representing a Party other than the Facility Agent); and
- 23.5.4 act under the Finance Documents through its personnel and agents.
- 23.6 **Majority Lenders' instructions**
- 23.6.1 The Facility Agent is fully protected if it acts on the instructions of the Majority Lenders in the exercise of any right, power or discretion or any matter not expressly provided for in the Finance Documents. Any such instructions given by the Majority Lenders will be binding on all the Lenders. In the absence of instructions, the Facility Agent may act as it considers to be in the best interests of all the Lenders.
- 23.6.2 The Facility Agent is not authorised to act on behalf of a Lender (without first obtaining that Lender's consent) in any legal or arbitration proceedings in connection with any Finance Document.
- 23.6.3 The Facility Agent may require the receipt of security satisfactory to it, whether by way of payment in advance or otherwise, against any liability or loss which it may incur in complying with the instructions of the Majority Lenders.
- 23.7 **Responsibility**
- 23.7.1 No Administrative Party and no Ancillary Lender is responsible to any other Finance Party for the adequacy, accuracy or completeness of:
- (a) any Finance Document or any other document; or
 - (b) any statement or information (whether written or oral) made in or supplied in connection with any Finance Document.

- 23.7.2 Without affecting the responsibility of the Company for information supplied by it or on its behalf in connection with any Finance Document, each Lender and each Ancillary Lender confirms that it:
- (a) has made, and will continue to make, its own independent appraisal of all risks arising under or in connection with the Finance Documents (including the financial condition and affairs of the Company and its related entities and the nature and extent of any recourse against any Party or its assets); and
 - (b) has not relied exclusively on any information provided to it by any Administrative Party in connection with any Finance Document.

23.7.3

- (a) Nothing in this Agreement will oblige the Facility Agent to satisfy any know your customer requirement in relation to the identity of any person on behalf of any Finance Party.
- (b) Each Finance Party confirms to the Facility Agent that it is solely responsible for any know your customer requirements it is required to carry out and that it may not rely on any statement in relation to those requirements made by any other person.

23.8 **Exclusion of liability**

- 23.8.1 Neither the Facility Agent nor any Ancillary Lender is liable or responsible to any other Finance Party for any action taken or not taken by it in connection with any Finance Document, unless directly caused by its gross negligence or wilful misconduct.
- 23.8.2 The Facility Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Facility Agent, if the Facility Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Facility Agent for that purpose.
- 23.8.3 No Party (other than the Facility Agent or the Ancillary Lender) may take any proceedings against any officer, employee or agent of the Facility Agent or any Ancillary Lender in respect of any claim it might have against the Facility Agent or any Ancillary Lender or in respect of any act or omission of any kind by that officer, employee or agent in connection with any Finance Document. Any officer, employee or agent of the Facility Agent or any Ancillary Lender may rely on this sub-clause and enforce its terms under the Contracts (Rights of Third Parties) Act 1999.

-
- 23.9 **Default**
- 23.9.1 The Facility Agent is not obliged to monitor or enquire whether a Default has occurred. The Facility Agent is not deemed to have knowledge of the occurrence of a Default.
- 23.9.2 If the Facility Agent:
- (a) receives notice from a Party referring to this Agreement, describing a Default and stating that the event is a Default; or
 - (b) is aware of the non-payment of any principal or interest or any fee payable to a Lender under this Agreement,
- it must promptly notify the Lenders.
- 23.10 **Information**
- 23.10.1 The Facility Agent must promptly forward to the person concerned the original or a copy of any document which is delivered to the Facility Agent by a Party for that person.
- 23.10.2 Except where a Finance Document specifically provides otherwise, the Facility Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.
- 23.10.3 Except as provided above, the Facility Agent has no duty:
- (a) either initially or on a continuing basis to provide any Lender with any credit or other information concerning the risks arising under or in connection with the Finance Documents (including any information relating to the financial condition or affairs of the Company or its related entities or the nature or extent of recourse against any Party or its assets) whether coming into its possession before, on or after the date of this Agreement; or
 - (b) unless specifically requested to do so by a Lender in accordance with a Finance Document, to request any certificate or other document from the Company.
- 23.10.4 In acting as the Facility Agent, the agency division of the Facility Agent is treated as a separate entity from its other divisions and departments. Any information acquired by the Facility Agent which, in its opinion, is acquired by it otherwise than in its capacity as the Facility Agent may be treated as confidential by the Facility Agent and will not be treated as information possessed by the Facility Agent in its capacity as such.
- 23.10.5 The Facility Agent is not obliged to disclose to any person any confidential information supplied to it by a member of the Group solely for the purpose of evaluating whether any waiver or amendment is required to any term of the Finance Documents.
- 23.10.6 The Company irrevocably authorises the Facility Agent to disclose to the other Finance Parties any information which, in its opinion, is received by it in its capacity as the Facility Agent.
- 23.10.7 Without prejudice to the generality of the foregoing, the Facility Agent may disclose the identity of a Defaulting Lender to the other Finance Parties and the Company and shall disclose the same upon the written request of the Company or the Majority Lenders.

23.11 **Indemnities**

- 23.11.1 Without limiting the liability of the Company under the Finance Documents, each Lender must indemnify the Facility Agent for that Lender's Pro Rata Share of any loss or liability incurred by the Facility Agent in acting as the Facility Agent, except to the extent that the loss or liability is caused by the Facility Agent's gross negligence or wilful misconduct or to the extent that the Facility Agent has been reimbursed in full by the Company for such loss or liability.
- 23.11.2 The Facility Agent may deduct from any amount received by it for a Lender any amount due to the Facility Agent from that Lender under a Finance Document but unpaid.
- 23.11.3 The Company must indemnify the Facility Agent against any loss or liability properly incurred by the Facility Agent as a result of:
- (a) investigating any event which the Facility Agent reasonably believes to be a Default; or
 - (b) acting or relying on any notice which the Facility Agent reasonably believes to be genuine, correct and appropriately authorised.

23.12 **Compliance**

The Facility Agent may refrain from doing anything (including disclosing any information) which might, in its opinion, constitute a breach of any law or regulation or be otherwise actionable at the suit of any person, and may do anything which, in its opinion, is necessary or desirable to comply with any law or regulation.

23.13 **Resignation of the Facility Agent**

- 23.13.1 The Facility Agent may resign and appoint any of its Affiliates as successor Facility Agent by giving notice to the Lenders and the Company.
- 23.13.2 Alternatively, the Facility Agent may resign by giving notice to the Lenders and the Company, in which case the Majority Lenders may appoint a successor Facility Agent.
- 23.13.3 If no successor Facility Agent has been appointed under sub-clause 23.13.2 above within 30 days after notice of resignation was given, the Facility Agent may appoint a successor Facility Agent.
- 23.13.4 The person(s) appointing a successor Facility Agent must, if practicable, consult with the Company prior to the appointment. Any successor Facility Agent must have an office in the U.K.

-
- 23.13.5 The resignation of the Facility Agent and the appointment of any successor Facility Agent will both become effective only when the successor Facility Agent notifies all the Parties that it accepts its appointment. On giving the notification, the successor Facility Agent will succeed to the position of the Facility Agent and the term “**Facility Agent**” will mean the successor Facility Agent.
- 23.13.6 The retiring Facility Agent must, at its own cost, make available to the successor Facility Agent such documents and records and provide such assistance as the successor Facility Agent may reasonably request for the purposes of performing its functions as the Facility Agent under the Finance Documents.
- 23.13.7 Upon its resignation becoming effective, this Clause will continue to benefit the retiring Facility Agent in respect of any action taken or not taken by it in connection with the Finance Documents while it was the Facility Agent, and, subject to sub-clause 23.13.6 above, it will have no further obligations under any Finance Document.
- 23.14 **Replacement of the Facility Agent**
- 23.14.1 After consultation with the Company, the Majority Lenders may, by giving 30 days’ notice to the Facility Agent (or, at any time the Facility Agent is an Impaired Agent, by giving any shorter notice determined by the Majority Lenders) replace the Facility Agent by appointing a successor Facility Agent (acting through an office in the United Kingdom).
- 23.14.2 The retiring Facility Agent shall (at its own cost if it is an Impaired Agent and otherwise at the expense of the Lenders) make available to the successor Facility Agent such documents and records and provide such assistance as the successor Facility Agent may reasonably request for the purposes of performing its functions as Facility Agent under the Finance Documents.
- 23.14.3 The replacement of the Facility Agent and the appointment of the successor Facility Agent shall take effect on the date specified in the notice from the Majority Lenders to the retiring Facility Agent. As from this date, the retiring Facility Agent shall be discharged from any further obligation in respect of the Finance Documents but shall remain entitled to the benefit of this Clause 23 (and any agency fees for the account of the retiring Facility Agent shall cease to accrue from (and shall be payable on) that date).
- 23.14.4 Any successor Facility Agent and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.
- 23.15 **Relationship with Lenders**
- 23.15.1 Subject to Clause 29.9 (*Pro rata interest settlement*), the Facility Agent may treat each Lender as a Lender, entitled to payments under this Agreement and as acting through its Facility Office(s) until it has received not less than five Business Days’ prior notice from that Lender to the contrary.

23.15.2 The Facility Agent may at any time, and must if requested to do so by the Majority Lenders, convene a meeting of the Lenders.

23.15.3 The Facility Agent must keep a register of all the Parties and supply any other Party with a copy of the register on request. The register will include each Lender's Facility Office(s) and contact details for the purposes of this Agreement.

23.16 **Facility Agent's management time**

If the Facility Agent requires, any amount payable to the Facility Agent by any Party under any indemnity or in respect of any costs or expenses incurred by the Facility Agent under the Finance Documents after the date of this Agreement may include the cost of using its management time or other resources and will be calculated on the basis of such reasonable daily or hourly rates as the Facility Agent may notify to the relevant Party. This is in addition to any amount in respect of fees or expenses paid or payable to the Facility Agent under any other term of the Finance Documents.

23.17 **Notice period**

Where this Agreement specifies a minimum period of notice to be given to the Facility Agent, the Facility Agent may, at its discretion, accept a shorter notice period.

23.18 **Subordination Deed**

The Facility Agent will execute any Subordination Deed within two Business Days of receipt of a request (which shall include an execution version of such Subordination Deed) from the Company.

24. **EVIDENCE AND CALCULATIONS**

24.1 **Accounts**

Accounts maintained by a Finance Party in connection with this Agreement are prima facie evidence of the matters to which they relate for the purpose of any litigation or arbitration proceedings.

24.2 **Certificates and determinations**

Any certification or determination by a Finance Party of a rate or amount under the Finance Documents will be, in the absence of manifest error, conclusive evidence of the matters to which it relates.

24.3 **Calculations**

Any interest or fee accruing under this Agreement accrues from day to day and is calculated on the basis of the actual number of days elapsed and a year of 360 or 365 days or otherwise, depending on what the Facility Agent determines is market practice.

-
25. **FEES**
- 25.1 **Agency fee**
The Company must pay to the Facility Agent for its own account an annual agency fee in the manner agreed between the Facility Agent and the Company.
- 25.2 **Arrangement and participation fees**
The Company must pay the upfront fees in the manner agreed between the Arrangers and the Company.
- 25.3 **Co-ordination fee**
The Company must pay a co-ordination fee in the manner agreed between the Joint Coordinators and the Company.
- 25.4 **Commitment fee**
- 25.4.1 The Company must pay a commitment fee computed at the rate of 35 per cent. of the applicable Margin on the undrawn, uncanceled amount of each Lender's Commitment for the Availability Period calculated from the date of this Agreement.
- 25.4.2 The commitment fee is payable quarterly in arrears during the Availability Period and on the last day of the Availability Period. Accrued commitment fee is also payable to the Facility Agent for a Lender on the date its Commitment is cancelled in full.
- 25.4.3 No commitment fee is payable to the Facility Agent (for the account of a Lender) on any Available Commitment of that Lender for any day on which that Lender is a Defaulting Lender.
- 25.5 **Utilisation fee**
- 25.5.1 The Company must pay to the Facility Agent for each Lender a utilisation fee computed at the rate of 0.20 per cent. per annum on the aggregate principal amount of the Loans for each day on which the aggregate Base Currency Amount of all Loans exceeds 33.3 per cent. of the Total Commitments.
- 25.5.2 The Company must pay to the Facility Agent for each Lender a utilisation fee computed at the rate of 0.40 per cent. per annum on the aggregate principal amount of the Loans for each day on which the Base Currency Amount of all Loans exceeds 66.6 per cent. of the Total Commitments. For the avoidance of doubt, the fee described in sub-clause 25.5.1 above is not payable in respect of any day for which the fee described in this sub-clause 25.5.2 is payable.
- 25.5.3 Utilisation fee is payable on the amount of each Lender's share in the Loans.
- 25.5.4 Accrued utilisation fee is payable quarterly in arrears. Accrued utilisation fee is also payable to the Facility Agent for a Lender on the date its Commitment is cancelled in full.

25.6 **Interest, commission and fees on Ancillary Facilities**

The rate and time of payment of interest, commission, fees and any other remuneration in respect of each Ancillary Facility shall be determined by agreement between the relevant Ancillary Lender and the Company based upon normal market rates and terms.

26. **INDEMNITIES AND BREAK COSTS**

26.1 **Currency indemnity**

26.1.1 The Company must, as an independent obligation, indemnify each Finance Party against any loss or liability which that Finance Party incurs as a consequence of:

- (a) that Finance Party receiving an amount in respect of the Company's liability under the Finance Documents; or
- (b) that liability being converted into a claim, proof, judgment or order,

in a currency other than the currency in which the amount is expressed to be payable under the relevant Finance Document.

26.1.2 Unless otherwise required by law, the Company waives any right it may have in any jurisdiction to pay any amount under the Finance Documents in a currency other than that in which it is expressed to be payable.

26.2 **Other indemnities**

The Company shall within 15 days of demand indemnify the Facility Agent and each Lender against any funding or other cost, loss, expense or liability in an amount certified by it in reasonable detail (together with documentation in support) sustained or incurred by it as a direct result of:

26.2.1 the occurrence of any Event of Default;

26.2.2 (other than by reason of negligence or default by a Finance Party) a Loan not being made after a Request has been delivered for that Loan; or

26.2.3 the receipt or recovery by any party (or the Facility Agent on its behalf) of all or any part of a Loan or overdue sum due from the Company otherwise than on the Final Maturity Date or Maturity Date of that Loan or, in the case of an overdue sum, the last day of an interest period relating to that overdue sum, as the case may be or a Loan or any part thereof not being prepaid in accordance with a notice of prepayment.

26.3 **Break Costs**

26.3.1 The Company must pay to each Lender its Break Costs within three Business Days of demand.

26.3.2 Break Costs are the amount (if any) determined by the relevant Lender by which:

- (a) the interest (excluding Margin) which that Lender would have received for the period from the date of receipt of any part of its share in a Loan or overdue amount to the last day of the applicable Term for that Loan or overdue amount if the principal or overdue amount received had been paid on the last day of that Term;

exceeds

(b) the amount which that Lender would be able to obtain by placing an amount equal to the amount received by it on deposit with a leading bank in the appropriate interbank market for a period starting on the Business Day following receipt and ending on the last day of the applicable Term.

26.3.3 Each Lender must supply to the Facility Agent for the Company details of the amount of any Break Costs claimed by it under this Clause.

27. **EXPENSES**

27.1 **Initial costs**

The Company must pay to each Administrative Party promptly on demand the amount of all costs and expenses (including legal fees) reasonably incurred by it in connection with the negotiation, preparation, printing, execution and syndication of the Finance Documents.

27.2 **Subsequent costs**

The Company must pay to the Facility Agent promptly on demand the amount of all costs and expenses (including legal fees) reasonably incurred by it in connection with:

27.2.1 the negotiation, preparation, printing and execution of any Finance Document (other than a Transfer Certificate or Increase Confirmation) executed after the date of this Agreement; and

27.2.2 any amendment, waiver or consent requested by or on behalf of the Company or specifically allowed by this Agreement.

27.3 **Enforcement costs**

The Company must pay to each Finance Party the amount of all costs and expenses (including legal fees) incurred by it in connection with the enforcement of, or the preservation of any rights under, any Finance Document.

28. **AMENDMENTS AND WAIVERS**

28.1 **Procedure**

28.1.1 Except as provided in this Clause 28, any term of the Finance Documents (other than the Fee Letters) may be amended or waived with the agreement of the Company and the Majority Lenders. The Facility Agent may effect, on behalf of any Finance Party, an amendment or waiver allowed under this Clause.

28.1.2 The Facility Agent must promptly notify the other Parties of any amendment or waiver effected by it under sub-clause 28.1.1 above. Any such amendment or waiver is binding on all the Parties.

28.2 **Exceptions**

28.2.1 An amendment or waiver which relates to:

- (a) the definition of Majority Lenders in Clause 1.1 (*Definitions*);
- (b) Clause 2.3 (*Nature of a Finance Party's rights and obligations*);
- (c) an extension of the date of payment of any amount to a Lender under the Finance Documents;
- (d) a reduction in the Margin or a reduction in the amount of any payment of principal, interest, fee or other amount payable to a Lender under the Finance Documents;
- (e) an increase in, or an extension of, a Commitment or the Total Commitments;
- (f) a term of a Finance Document which expressly requires the consent of each Lender;

- (h) Clause 10.1 (*Mandatory prepayment – illegality*) or Clause 10.2 (*Mandatory prepayment – change of control*); or
- (i) this Clause,

may only be made with the consent of all the Lenders.

28.2.2 An amendment or waiver which relates to the rights or obligations of an Administrative Party or an Ancillary Lender may only be made with the consent of that Administrative Party or Ancillary Lender.

28.3 **Disenfranchisement of Defaulting Lenders**

28.3.1 For so long as a Defaulting Lender has any Available Commitment, in ascertaining the Majority Lenders or whether any given percentage (including, for the avoidance of doubt, unanimity) of the Total Commitments has been obtained to approve any request for a consent, waiver, amendment or other vote under the Finance Documents, that Defaulting Lender's Commitments will be reduced by the amount of its Available Commitments.

28.3.2 For the purposes of this Clause 28.3, the Facility Agent may assume that the following Lenders are Defaulting Lenders:

- (a) any Lender which has notified the Facility Agent that it has become a Defaulting Lender;
- (b) any Lender in relation to which it is aware that any of the events or circumstances referred to in paragraphs (a), (b) or (c) of the definition of "Defaulting Lender" has occurred where, in the case of the events or circumstances referred to in paragraph (a), none of the exceptions to that paragraph apply,

unless it has received notice to the contrary from the Lender concerned (together with any supporting evidence reasonably requested by the Facility Agent) or the Facility Agent is otherwise aware that the Lender has ceased to be a Defaulting Lender.

28.4 **Replacement of a Defaulting Lender**

28.4.1 The Company may, at any time a Lender has become and continues to be a Defaulting Lender, by giving 10 Business Days' prior written notice to the Facility Agent and such Lender:

- (a) replace such Lender by requiring such Lender to (and to the extent permitted by law such Lender shall) transfer pursuant to Clause 29 (*Changes to the Parties*) all (and not part only) of its rights and obligations under this Agreement; or
- (b) require such Lender to (and to the extent permitted by law such Lender shall) transfer pursuant to Clause 29 (*Changes to the Parties*) all (and not part only) of the undrawn Commitment of the Lender.

to a Lender or other bank, financial institution, trust, fund or other entity (a "**Replacement Lender**") selected by the Company, and which is acceptable to the Facility Agent (acting reasonably) (unless the Facility Agent is an Impaired Agent), which confirms its willingness to assume and does assume all the obligations or all the relevant obligations of the transferring Lender (including the assumption of the transferring Lender's participations or unfunded participations (as the case may be) on the same basis as the transferring Lender) for a purchase price in cash payable at the time of transfer equal to the outstanding principal amount of such Lender's participation in the outstanding Loans and all accrued interest (to the extent that the Facility Agent has not given a notification under Clause 29.9 (*Pro rata interest settlement*)), Break Costs and other amounts payable in relation thereto under the Finance Documents.

28.4.2 Any transfer of rights and obligations of a Defaulting Lender pursuant to this Clause shall be subject to the following conditions:

- (a) the Company shall have no right to replace the Facility Agent;
- (b) neither the Facility Agent nor the Defaulting Lender shall have any obligation to the Company to find a Replacement Lender;
- (c) the transfer must take place no later than 14 days after the notice referred to in sub-clause 28.4.1 above;
- (d) in no event shall the Defaulting Lender be required to pay or surrender to the Replacement Lender any of the fees received by the Defaulting Lender pursuant to the Finance Documents; and
- (e) the Defaulting Lender shall only be obliged to transfer its rights and obligations pursuant to sub-clause 28.4.1 above once it is satisfied that it has

complied with all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to the transfer to the Replacement Lender.

28.5 **Excluded Commitments**

If a Lender does not accept or reject a request for an amendment, waiver or consent within 15 Business Days of receipt of such request (or such longer period as the Company and the Facility Agent may agree), or abstains from accepting or rejecting a request for an amendment, waiver or consent, its Commitments shall not be included for the purpose of calculating the Total Commitments or participations under the Facility when ascertaining whether any relevant percentage (including, for the avoidance of doubt, unanimity) of Total Commitments and/or participations has been obtained to approve that request.

28.6 **Change of currency**

If a change in any currency of a country occurs (including where there is more than one currency or currency unit recognised at the same time as the lawful currency of a country), the Finance Documents will be amended to the extent the Facility Agent (acting reasonably and after consultation with the Company) determines is necessary to reflect the change.

28.7 **Waivers and remedies cumulative**

The rights of each Finance Party under the Finance Documents:

28.7.1 may be exercised as often as necessary;

28.7.2 are cumulative and not exclusive of its rights under the general law; and

28.7.3 may be waived only in writing and specifically.

Delay in exercising or non-exercise of any right is not a waiver of that right.

29. **CHANGES TO THE PARTIES**

29.1 **Assignments and transfers by the Company**

The Company may not assign or transfer any of its rights and obligations under the Finance Documents without the prior consent of all the Lenders.

29.2 **Assignments and transfers by Lenders**

29.2.1 A Lender (the **Existing Lender**) may, subject to the following provisions of this Clause 29, at any time assign or transfer (including by way of novation) any of its rights and obligations under this Agreement to any bank, financial institution or trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (the **New Lender**).

29.2.2 Unless the Company and the Facility Agent otherwise agree, an assignment or transfer of part of a Commitment or rights and obligations under this Agreement by the Existing Lender must be in a minimum amount of £5,000,000.

- 29.2.3 An Existing Lender must consult with the Company for no more than five Business Days before it may make an assignment or transfer unless the New Lender is another Lender or an Affiliate of a Lender or an Event of Default has occurred and is outstanding.
- 29.2.4 The Facility Agent is not obliged to accept an assignment or execute a Transfer Certificate until it has completed all know your customer requirements to its satisfaction. The Facility Agent must promptly notify the Existing Lender and the New Lender if there are any such requirements.
- 29.2.5 An assignment of rights or a transfer of rights and obligations will be effective only if either:
- (a) the obligations are novated in accordance with the following provisions of this Clause 29; or
 - (b) the New Lender confirms to the Facility Agent and the Company in form and substance satisfactory to the Facility Agent that it is bound by the terms of this Agreement as a Lender. On the assignment or transfer becoming effective in this manner the Existing Lender will be released from its rights and obligations under this Agreement to the extent that they are assigned or transferred to the New Lender.
- 29.2.6 Unless the Facility Agent otherwise agrees, the New Lender must pay to the Facility Agent for its own account, on or before the date any assignment or transfer occurs, a fee of £2,000.
- 29.2.7 Any reference in this Agreement to a Lender includes a New Lender but excludes a Lender if no amount is or may be owed to or by it under this Agreement.

29.3 **Procedure for transfer by way of novations**

29.3.1 In this Clause:

Transfer Date means, for a Transfer Certificate, the later of:

- (a) the proposed Transfer Date specified in that Transfer Certificate; and
- (b) the date on which the Facility Agent executes that Transfer Certificate.

29.3.2 A novation is effected if:

- (a) the Existing Lender and the New Lender deliver to the Facility Agent a duly completed Transfer Certificate; and
- (b) the Facility Agent executes it.

Subject to sub-clause 29.2.4 of Clause 29.2 (*Assignments and transfers by Lenders*), the Facility Agent must execute as soon as reasonably practicable a Transfer Certificate delivered to it and which appears on its face to be in order.

29.3.3 Each Party (other than the Existing Lender and the New Lender) irrevocably authorises the Facility Agent to execute any duly completed Transfer Certificate on its behalf.

29.3.4 29.3.4 Subject to Clause 29.9 (*Pro rata interest settlement*), on the Transfer Date:

- (a) the New Lender will assume the rights and obligations of the Existing Lender expressed to be the subject of the novation in the Transfer Certificate in substitution for the Existing Lender; and
- (b) the Existing Lender will be released from those obligations and cease to have those rights.

29.4 **Limitation of responsibility of Existing Lender**

29.4.1 Unless expressly agreed to the contrary, an Existing Lender is not responsible to a New Lender for the legality, validity, adequacy, accuracy, completeness or performance of:

- (a) any Finance Document or any other document; or
- (b) any statement or information (whether written or oral) made in or supplied in connection with any Finance Document,

and any representations or warranties implied by law are excluded.

29.4.2 Each New Lender confirms to the Existing Lender and the other Finance Parties that it:

- (a) has made, and will continue to make, its own independent appraisal of all risks arising under or in connection with the Finance Documents (including the financial condition and affairs of the Company and its related entities and the nature and extent of any recourse against any Party or its assets) in connection with its participation in this Agreement; and
- (b) has not relied exclusively on any information supplied to it by the Existing Lender in connection with any Finance Document.

29.4.3 Nothing in any Finance Document requires an Existing Lender to:

- (a) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause; or
- (b) support any losses incurred by the New Lender by reason of the non-performance by the Company of its obligations under any Finance Document or otherwise.

29.5 **Costs resulting from change of Lender or Facility Office**

If:

29.5.1 a Lender assigns or transfers any of its rights and obligations under the Finance Documents or changes its Facility Office; and

29.5.2 as a result of circumstances existing at the date the assignment, transfer or change occurs, the Company would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 14 (*Tax gross-up and indemnities*) or Clause 15 (*Increased costs*),

then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under those Clauses to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred. This Clause 29.5 shall not apply in relation to Clause 14 (*Tax gross-up and indemnities*), to a Treaty Lender that has included an indication to the effect that it wishes the HMRC DT Treaty Passport scheme to apply to this Agreement in accordance with sub-clause 14.6.1 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*) if the Company making the payment has not complied with its obligations under sub-clause 14.1.2 of Clause 14.6 (*HMRC DT Treaty Passport scheme confirmation*).

29.6 **Changes to the Reference Banks**

29.6.1 If a Reference Bank (or, if a Reference Bank is not a Lender, the Lender of which it is an Affiliate) ceases to be a Lender, the Facility Agent must (in consultation with the Company) appoint another Lender or an Affiliate of a Lender to replace that Reference Bank.

29.6.2 If a Reference Bank ceases to have a London office or novates or assigns all its rights and obligations under this Agreement or if any Commitments of any Reference Bank are cancelled or if Loans it has advanced are prepaid it shall be replaced as a Reference Bank by such other Lender or an Affiliate of a Lender with an office in London as the Facility Agent (after consultation with the Company) shall designate by notice to the Company and the Lenders.

29.7 **Copy of Transfer Certificate or Increase Confirmation to Company**

The Facility Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate or an Increase Confirmation, send to the Company a copy of that Transfer Certificate or Increase Confirmation.

29.8 **Security over Lenders' rights**

In addition to the other rights provided to Lenders under this Clause 29, each Lender may without consulting with or obtaining consent from the Company, at any time charge, assign or otherwise create security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

- (a) any charge, assignment or other security to secure obligations to a federal reserve or central bank; and
- (b) in the case of any Lender which is a fund, any charge, assignment or other security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or Security shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or other security for the Lender as a party to any of the Finance Documents; or
- (ii) require any payments to be made by the Company or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

29.9 **Pro rata interest settlement**

If the Facility Agent has notified the Lenders that it is able to distribute interest payments on a “*pro rata basis*” to Existing Lenders and New Lenders then (in respect of any transfer pursuant to Clause 29.3 (*Procedure for transfer by way of novations*)) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of a Term):

- 29.9.1 any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date (“**Accrued Amounts**”) and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Term (or, if the Term is longer than six months, on the next of the dates which falls at six monthly intervals after the first day of that Term); and
- 29.9.2 the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts, so that, for the avoidance of doubt:
 - (i) when the Accrued Amounts become payable, those Accrued Amounts will be payable for the account of the Existing Lender; and
 - (ii) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 29.9, have been payable to it on that date, but after deduction of the Accrued Amounts.

In this Clause 29.9, references to “**Term**” shall be construed to include a reference to any other period for accrual of fees.

30. **CONFIDENTIALITY AND DISCLOSURE OF INFORMATION**

30.1 **Confidential Information**

Each Finance Party agrees to keep all Confidential Information confidential and not to disclose it to anyone, save to the extent permitted by Clause 30.2 (*Disclosure of Confidential Information*) and Clause 30.3 (*Disclosure to numbering service providers*), and to ensure that all Confidential Information is protected with security measures and a degree of care that would apply to its own confidential information.

Any Finance Party may disclose:

30.2.1 to any of its Affiliates and Related Funds and any of its or their officers, directors, employees, professional advisers, auditors, partners and Representatives such Confidential Information as that Finance Party shall consider appropriate if any person to whom the Confidential Information is to be given pursuant to this sub-clause 30.2.1 is informed in writing of its confidential nature and that some or all of such Confidential Information may be price-sensitive information except that there shall be no such requirement to so inform if the recipient is subject to professional obligations to maintain the confidentiality of the information or is otherwise bound by requirements of confidentiality in relation to the Confidential Information;

in each case, such Confidential Information as that Finance Party shall consider appropriate if:

- (i) in relation to sub-clause 30.2.2 (a), (b) and (c) above, the person to whom the Confidential Information is to be given has entered into a Confidentiality Undertaking except that there shall be no requirement for a Confidentiality Undertaking if the recipient is a professional adviser and is subject to professional obligations to maintain the confidentiality of the Confidential Information;
- (ii) in relation to sub-clause 30.2.2 (d) above, the person to whom the Confidential Information is to be given has entered into a Confidentiality Undertaking or is otherwise bound by requirements of confidentiality in relation to the Confidential Information they receive and is informed that some or all of such Confidential Information may be price-sensitive information;
- (iii) in relation to sub-clause 30.2.2 (e), (f) and (g) above, the person to whom the Confidential Information is to be given is informed of its confidential nature and that some or all of such Confidential Information may be price-sensitive information except that there shall be no requirement to so inform if, in the opinion of that Finance Party, it is not practicable so to do in the circumstances;

30.2.3 to any person appointed by that Finance Party or by a person to whom sub-clause 30.2.2 (a) or (b) above applies to provide administration or settlement services in respect of one or more of the Finance Documents including without limitation, in relation to the trading of participations in respect of the Finance Documents, such Confidential Information as may be required to be disclosed to enable such service provider to provide any of the services referred to in this sub-clause 30.2.3 if the service provider to whom the Confidential Information is to be given has entered into a confidentiality agreement substantially in the form of the LMA Master Confidentiality Undertaking for Use With Administration/Settlement Service Providers or such other form of confidentiality undertaking agreed between the Company and the relevant Finance Party;

30.2.4 to any rating agency (including its professional advisers) such Confidential Information as may be required to be disclosed to enable such rating agency to carry out its normal rating activities in relation to the Finance Documents and/or the Company if the rating agency to whom the Confidential Information is to be given is informed of its confidential nature and that some or all of such Confidential Information may be price-sensitive information.

30.3 **Disclosure to numbering service providers**

30.3.1 Any Finance Party may disclose to any national or international numbering service provider appointed by that Finance Party to provide identification numbering services in respect of this Agreement, the Facility and/or the Company the following information:

30.3.3 The Company represents that none of the information set out in paragraphs (a) to (m) of sub-clause 30.3.1 above is, nor will at any time be, unpublished price-sensitive information.

31. CONFIDENTIALITY OF FUNDING RATES AND REFERENCE BANK QUOTATIONS

31.1 Confidentiality and disclosure

31.1.1 The Facility Agent and each Obligor agree to keep each Funding Rate (and, in the case of the Facility Agent, each Reference Bank Quotation) confidential and not to disclose it to anyone, save to the extent permitted by sub-clause 31.1.2, 31.1.3 and 31.1.4 below.

-
- 31.1.2 The Facility Agent may disclose:
- (a) any Funding Rate (but not, for the avoidance of doubt, any Reference Bank Quotation) to the Company pursuant to Clause 11.4 (*Notification of rates of interest*); and
 - (b) any Funding Rate or any Reference Bank Quotation to any person appointed by it to provide administration services in respect of one or more of the Finance Documents to the extent necessary to enable such service provider to provide those services if the service provider to whom that information is to be given has entered into a Confidentiality Undertaking.
- 31.1.3 The Facility Agent may disclose any Funding Rate or any Reference Bank Quotation, and each Obligor may disclose any Funding Rate, to:
- (a) any of its Affiliates and any of its or their officers, directors, employees, professional advisers, auditors and partners if any person to whom that Funding Rate or Reference Bank Quotation is to be given pursuant to this paragraph (a) is informed in writing of its confidential nature and that it may be price-sensitive information except that there shall be no such requirement to so inform if the recipient is subject to professional obligations to maintain the confidentiality of that Funding Rate or Reference Bank Quotation or is otherwise bound by requirements of confidentiality in relation to it;
 - (b) any person to whom information is required or requested to be disclosed by any court of competent jurisdiction or any governmental, banking, taxation or other regulatory authority or similar body, the rules of any relevant stock exchange or pursuant to any applicable law or regulation if the person to whom that Funding Rate or Reference Bank Quotation is to be given is informed in writing of its confidential nature and that it may be price-sensitive information except that there shall be no requirement to so inform if, in the opinion of the Facility Agent or the relevant Obligor, as the case may be, it is not practicable to do so in the circumstances;
 - (c) any person to whom information is required to be disclosed in connection with, and for the purposes of, any litigation, arbitration, administrative or other investigations, proceedings or disputes if the person to whom that Funding Rate or Reference Bank Quotation is to be given is informed in writing of its confidential nature and that it may be price-sensitive information except that there shall be no requirement to so inform if, in the opinion of the Facility Agent or the relevant Obligor, as the case may be, it is not practicable to do so in the circumstances; and
 - (d) any person with the consent of the relevant Lender or Reference Bank, as the case may be.
- 31.1.4 The Facility Agent's obligations in this Clause 31 (*Confidentiality of Funding Rates and Reference Bank Quotations*) relating to Reference Bank Quotations are without

prejudice to its obligations to make notifications under Clause 11.4 (*Notification of rates of interest*) provided that (other than pursuant to paragraph (a) of sub-clause 31.1.2 above) the Facility Agent shall not include the details of any individual Reference Bank Quotation as part of any such notification.

31.2 Other obligations

31.2.1 The Facility Agent and each Obligor acknowledge that each Funding Rate (and, in the case of the Facility Agent, each Reference Bank Quotation) is or may be price-sensitive information and that its use may be regulated or prohibited by applicable legislation including securities law relating to insider dealing and market abuse and the Facility Agent and each Obligor undertake not to use any Funding Rate or, in the case of the Facility Agent, any Reference Bank Quotation for any unlawful purpose.

31.2.2 The Facility Agent and each Obligor agree (to the extent permitted by law and regulation) to inform the relevant Lender or Reference Bank, as the case may be:

- (a) of the circumstances of any disclosure made pursuant to paragraph (b) of sub-clause 31.1.3 above except where such disclosure is made to any of the persons referred to in that paragraph during the ordinary course of its supervisory or regulatory function; and
- (b) upon becoming aware that any information has been disclosed in breach of this Clause 31 (*Confidentiality of Funding Rates and Reference Bank Quotations*).

32. **SET-OFF**

32.1.1 A Finance Party may set off any matured obligation owed to it by the Company under the Finance Documents (to the extent beneficially owned by that Finance Party) against any obligation (whether or not matured) owed by that Finance Party to the Company, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Finance Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

32.1.2 Any credit balances taken into account by an Ancillary Lender when operating a net limit in respect of any overdraft under an Ancillary Facility shall on enforcement of the Finance Documents be applied first in reduction of the overdraft provided under that Ancillary Facility in accordance with its terms.

33. **PRO RATA SHARING**

33.1 **Redistribution**

33.1.1 If any amount owing by the Company under this Agreement to a Lender (the “**recovering Lender**”) is discharged by payment, set-off or any other manner other than through the Facility Agent under this Agreement (a “**recovery**”), then:

- (a) the recovering Lender must, within three Business Days, supply details of the recovery to the Facility Agent;

(b) the Facility Agent must calculate whether the recovery is in excess of the amount which the recovering Lender would have received if the recovery had been received by the Facility Agent under this Agreement; and

(c) the recovering Lender must pay to the Facility Agent an amount equal to the excess (the “**redistribution**”).

Sub-clause 33.1.1 above shall not apply to any amount received or recovered by an Ancillary Lender in respect of any cash cover provided for the benefit of that Ancillary Lender.

33.2 **Effect of redistribution**

33.2.1 The Facility Agent must treat a redistribution as if it were a payment by the Company under this Agreement and distribute it among the Lenders, other than the recovering Lender, accordingly.

33.2.2 When the Facility Agent makes a distribution under sub-clause 33.2.1 above, the recovering Lender will be subrogated to the rights of the Finance Parties which have shared in that redistribution.

33.2.3 If and to the extent that the recovering Lender is not able to rely on any rights of subrogation under sub-clause 33.2.2 above, the Company will owe the recovering Lender a debt which is equal to the redistribution, immediately payable and of the type originally discharged.

33.2.4 If:

(a) a recovering Lender must subsequently return a recovery, or an amount measured by reference to a recovery, to the Company; and

(b) the recovering Lender has paid a redistribution in relation to that recovery,

each Finance Party must reimburse the recovering Lender all or the appropriate portion of the redistribution paid to that Finance Party, together with interest for the period while it held the re-distribution. In this event, the subrogation in sub-clause 33.2.2 above will operate in reverse to the extent of the reimbursement.

33.3 **Exceptions**

Notwithstanding any other term of this Clause 32.1.1, a recovering Lender need not pay a redistribution to the extent that:

33.3.1 it would not, after the payment, have a valid claim against the Company in the amount of the redistribution; or

33.3.2 it would be sharing with another Finance Party any amount which the recovering Lender has received or recovered as a result of legal or arbitration proceedings, where:

(a) the recovering Lender notified the Facility Agent of those proceedings; and

(b) the other Finance Party had an opportunity to participate in those proceedings but did not do so or did not take separate legal or arbitration proceedings as soon as reasonably practicable after receiving notice of them.

33.4 **Ancillary Lenders**

33.4.1 This Clause 32 shall not apply to any receipt or recovery by a Lender in its capacity as an Ancillary Lender at any time prior to service of notice under Clause 22.15 (*Acceleration*).

33.4.2 Following service of notice under Clause 22.15 (*Acceleration*), this Clause 32 shall apply to all receipts or recoveries by Ancillary Lenders except to the extent that the receipt or recovery represents a reduction from the Permitted Gross Outstandings of a Multi-account Overdraft to or towards an amount equal to its Designated Net Amount.

34. **SEVERABILITY**

34.1 If a term of a Finance Document is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect:

34.1.1 the legality, validity or enforceability in that jurisdiction of any other term of the Finance Documents; or

34.1.2 the legality, validity or enforceability in other jurisdictions of that or any other term of the Finance Documents.

35. **COUNTERPARTS**

Each Finance Document may be executed in any number of counterparts. This has the same effect as if the signatures on the counterparts were on a single copy of the Finance Document.

36. **NOTICES**

36.1 **In writing**

36.1.1 Any communication in connection with a Finance Document must be in writing and, unless otherwise stated, may be given:

36.1.2 For the purpose of the Finance Documents, an electronic communication will be treated as being in writing.

36.2.3 Any Party may change its contact details by giving five Business Days' notice to the Facility Agent or (in the case of the Facility Agent) to the other Parties.

36.2.4 Where a Party nominates a particular department or officer to receive a communication, a communication will not be effective if it fails to specify that department or officer.

36.3 **Effectiveness**

36.3.1 Except as provided below, any communication in connection with a Finance Document will be deemed to be given as follows:

36.3.3 A communication to the Facility Agent will only be effective on actual receipt by it.

36.4 **The Company**

All formal communication under the Finance Documents to or from the Company must be sent through the Facility Agent.

36.5 **Communication when Facility Agent is Impaired Agent**

If the Facility Agent is an Impaired Agent the Parties may, instead of communicating with each other through the Facility Agent, communicate with each other directly and (while the Facility Agent is an Impaired Agent) all the provisions of the Finance Documents which require communications to be made or notices to be given to or by the Facility Agent shall be varied so that communications may be made and notices given to or by the relevant Parties directly. This provision shall not operate after a replacement Facility Agent has been appointed.

37. **LANGUAGE**

37.1.1 Any notice given in connection with a Finance Document must be in English.

37.1.2 Any other document provided in connection with a Finance Document must be:

- (a) in English; or
- (b) (unless the Facility Agent otherwise agrees) accompanied by a certified English translation. In this case, the English translation prevails unless the document is a statutory or other official document.

38. **GOVERNING LAW**

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

39. **ENFORCEMENT**

39.1 **Jurisdiction**

39.1.1 The English courts have exclusive jurisdiction to settle any dispute in connection with any Finance Document including a dispute relating to any non-contractual obligation arising out of or in connection with this Agreement.

39.1.2 The English courts are the most appropriate and convenient courts to settle any such dispute and the Company waives objection to those courts on the grounds of inconvenient forum or otherwise in relation to proceedings in connection with any Finance Document.

39.1.3 This Clause is for the benefit of the Finance Parties only. To the extent allowed by law, a Finance Party may take:

- (a) proceedings in any other court; and
- (b) concurrent proceedings in any number of jurisdictions.

This Agreement has been entered into on the date stated at the beginning of this Agreement.
