Dear Mr. DeRouen:

The Attorney General submits this cover letter for his electronic filing in this case, and it serves as the Read1st introductory file. The filing is the responses to Requests for Information from Louisville Gas and Electric in the above-referenced case. Also included is the Attorney General's Motion to Deviate from Requirements of 807 KAR 5:001 Section 8(3). In accordance with 807 KAR 5:001 Section 8, Counsel certifies that the electronically filed documents are a true representation of the original paper document(s) being hand delivered to the Commission no later than the second day after this electronic filing, that all materials in the paper documents are included in the electronic filing, and that no party has been excused from participation by electronic service. In accordance with 807 KAR 5:001 Section 8 and the Commission's 12 December 2014 Order, the Attorney General is filing with the Commission one paper original and three (3) copies of the filing where deviation has not been requested.
