Notary Public, State at Large, KY
My commission expires July 11, 2018
Notary ID # 512743

LOUISVILLE GAS AND ELECTRIC COMPANY

CASE NO. 2014-00372

**Updated Response to Commission Staff's Third Request for Information
Dated February 6, 2015**

Updated Response filed April 1, 2015

Question No. 15

Responding Witness: David S. Sinclair

Q-15. Refer to the response to Item 34 of Staff's Second Request and pages 21-22 of the Sinclair Testimony.

- a. Continue to provide updates of the table included in the response on a monthly basis for the pendency of this proceeding.
- b. Of the reasons for differences in generation volumes from the base period to the forecasted period cited on page 21 of the Sinclair Testimony, identify the reasons primarily responsible for the differences shown in Table 4, page 22, for the months of April through November, and explain why those reasons result in the reduced volumes included in the forecasted period.

A-15.

- a. The table originally provided in response to PSC 2-34 has been updated through February 2015 (see below). The company will provide monthly updates during the pendency of this proceeding.

| Month | Price (\$/ MWh) | OSS Vol. (GWh) | OSS Margin (\$M) |
|--------------|------------------------|-----------------------|-------------------------|
| Aug 2014 | 32 | 33 | 0.3 |
| Sep 2014 | 33 | 40 | 0.3 |
| Oct 2014 | 35 | 27 | 0.3 |
| Nov 2014 | 34 | 22 | 0.2 |
| Dec 2014 | 30 | 9 | 0.1 |
| Jan 2015 | 31 | 30 | 0.7 |
| Feb 2015 | 47 | 145 | 4.3 |

- b. In the Sinclair Testimony, the reasons cited on page 21 for generation volume differences do not explain the differences in LG&E OSS volumes and margins in Table 4 on page 22. See the Sinclair Testimony at lines 3-17 on page 23 and lines 1-5 on page 24 for an explanation of the differences in LG&E OSS volumes and margins.
