Re: Case No. 2014-00390 – Customer Notice

Dear Mr. Greenwell:

In the Commission's July 2, 2015 Order, the Commission approved four annual rate increases. The Order requires Kentucky-American Water Company to publish a one-time notice of the rate comparison being implemented for that rate phase one month prior to the effective date of that phase. In accordance with that Order, Kentucky-American Water Company provided notice of the Phase II rate increase via a mailing on May 26, 2016. Enclosed is the affidavit of Nick O. Rowe verifying the contents and date of the mailing.

I certify that: (1) there are no materials to be filed in paper medium that are not included in the electronic submission; and (2) the electronically filed documents are a true representation of the documents that will be submitted in paper medium.

Sincerely,

Stoll Keenon Ogden PLLC
