ATTORNEY GENERAL'S  
MOTION TO FOR EXTENSION

Comes now the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention, and moves the Commission for an extension of two (2) days for all intervenors to have to file responses to data requests from the Commission staff and from Kentucky Power Company, which are currently due on April 20, 2015. As grounds for his motion, the Attorney General states that the parties have been in good faith settlement negotiations since April 9, 2015, through and including today, and that said negotiations have limited the time necessary for the Attorney General and the other parties to prepare responses.

The undersigned has contacted counsel for Kentucky Power Company. Kentucky Power does not object to the motion with the caveat as suggested by Commission staff that the Company receive a similar two (2) day extension for any and all rebuttal testimony, which shall then be due on April 29, 2015.

WHEREFORE, the Attorney General respectfully moves that he and all other intervenors be afforded up to and including April 22, 2015, in which to submit

responses to data requests from the Commission staff and from Kentucky Power Company; and that, in consideration thereof, Kentucky Power Company be afforded up to and including April 29, 2015, to file any and all rebuttal testimony in this proceeding.

Respectfully submitted,

JACK CONWAY  
ATTORNEY GENERAL
