(c) In case an employee is laid off and later is recalled, the following shall apply:

(1) If he is recalled during the same calendar year as that in which he was laid off, he will be entitled to receive in the next calendar year the full vacation entitlement in accordance with the table in Section 2(a) above.

(2) If he is recalled after the calendar year in which he was laid off, he will be entitled to receive in the calendar year in which he is recalled, pro-rated vacation for the remaining months of the year rounded up to the next whole hour. In no case will the pro-rated vacation entitlement for an employee returning from layoff be less than that of a new employee hired on the same date and in the following calendar year he shall receive vacation in accordance with the applicable provisions of this Article VII.

Section 6. Vacation Deferral

An employee with 23 years of service or less may defer from eight (8) to eighty (80) hours of vacation entitlement from year-to-year into a "deferral bank"; however, the "deferral bank" cannot exceed a maximum of eighty (80) hours. An employee with 24 years of service or more may defer up to one-half (½) of his vacation entitlement from year-to-year; however, the "deferral bank" cannot exceed a maximum of one hundred (100) hours. Such "deferral bank" vacation entitlement is subject to the same scheduling criteria as the regular vacation entitlement.

Section 7. Vacation Pay – Converting Unpaid Time Off

(a) An employee may elect to utilize hours of vacation entitlement by requesting that they be applied toward converting unpaid time off on a holiday to paid time off. This Section 7 shall be applicable only to employees regularly scheduled to work in excess of eight (8) hours per day.

Section 8. Vacation Buy Program

(a) Effective January 1, 2015, employees will be allowed to purchase up to five (5) additional vacation days (40 hours maximum) per calendar year.

Vacation purchased must be in whole day increments up to a maximum of 40 hours total. Any vacation purchased shall be in addition to the employee's vacation entitlement in accordance with the table in Section 2(a) above and any deferred vacation carried over in accordance with Section 6 above.

(b) The cost of any purchased vacation hours shall be calculated based on the employee's January 1st pay rate and such cost will be deducted from each paycheck on a before-tax basis over the calendar year.

(c) Such "purchased" vacation entitlement is subject to the same scheduling criteria as the employee's regular and deferred vacation entitlement except that the employee's regular annual vacation entitlement and any deferred vacation entitlement must be utilized prior to using any purchased vacation. Any purchased vacation entitlement shall be used in the year in which it was purchased and no deferral of "purchased" vacation entitlement shall be allowed.

(d) Employees who terminate employment prior to using purchased vacation will be issued a refund for the amount already paid.

Employees who terminate employment who have taken "purchased" vacation but not fully paid for the "purchased" vacation shall reimburse the Company.

Employees who have their "purchased" vacation canceled for business reasons and are unable to reschedule such vacation will be reimbursed for the amount paid.

Employees who have purchased vacation and have not had the opportunity to utilize the "purchased" vacation will, in December, be offered the opportunity to be reimbursed for the amount paid in during the calendar year.

Section 2. Job Descriptions

The nature of the work involved under each job classification shall be defined by the Companies. Job descriptions for all job classifications covered by this Agreement may be prepared by a Company and when such descriptions are prepared, they shall be made available to the respective Local Union.

Section 3. Pay Period

All employees covered by this Agreement shall be paid bi-weekly.

ARTICLE IX MISCELLANEOUS

Section 1. Jury Duty

An employee serving on jury duty shall be paid his regular straight-time rate of pay for time necessarily lost from his regular scheduled workweek as a result of such jury duty. An employee will not be required to report to work prior to reporting for jury duty on any day on which he serves as a juror, but if he is relieved from jury duty during his regular scheduled hours he may be required to report to work when so released in order to be entitled to pay under this Section.

If an employee's regular schedule includes a shift or shifts other than a day shift, his shift may, at the Company's discretion, be changed to a day shift effective with the first day of jury duty. When an employee is relieved from jury duty, he may be returned to the shift and/or schedule to which he was assigned before he was changed to a day shift. Shift changes for the purposes of this paragraph shall not be subject to the shift and/or schedule modification provisions in the respective Local Agreements.

During workweeks regularly scheduled to exceed forty (40) hours, hours of absence under this Section shall be regarded as hours worked for the purpose of computing an employee's entitlement to weekly overtime.

Section 2. Funeral Leave

(a) In the event of death of the father or stepfather, mother or stepmother, brother, sister, husband, wife, domestic partner, child, father-in-law, mother-in-law, son-in-law, daughter-in-law, a stepchild who is or has been a member of the employee's immediate household, or a member of the employee's

immediate household, he shall receive, by notifying his supervisor, up to a maximum of three (3) regular scheduled days off without loss in regular straight-time pay during the period beginning with the day of death, and up to and including the day following the funeral.

(b) In the event of death of an employee's sister-in-law, brother-in-law, grandchild, or his grandparents, the employee, by notifying his supervisor, will be given one (1) day off without loss of regular straight-time pay on the day of the funeral to attend the services.

(c) If an employee serves as an active pallbearer for a deceased active employee or retired employee, he will be given reasonable time off from work without loss of regular straight-time pay on the day of the funeral.

(d) The intent of the above provisions is to permit an employee to take time off from work to make arrangements for the funeral and/or attend the service without loss in regular straight-time pay as outlined above. Additional time off without pay will be granted whenever such additional time is reasonably required by the employee.

(e) The provisions of these sections covering absence for death in immediate family will apply within the time limits of an employee's scheduled vacation or Personal Day(s) Off but not when the employee is off duty due to illness or injury or for any other reason except should a Company observed holiday occur during the period beginning with the day of the funeral, the employee will receive holiday pay for such day. The payment of holiday pay for such day will not affect nor reduce the other pay provisions covered by the above paragraph (a).

Section 3. Retrogression of Employees

An employee who becomes physically incapacitated for his regular work may be placed in any available job covered by this Agreement which he can do without regard to the seniority provisions of this Agreement and his rate of pay will be determined according to the rate of pay for the job classification in which he is placed.

(a) Applies to employees retrogressed to a job classification which provides for time step increases:

If such employee has less than fifteen (15) years of service, his rate of pay will be: [1] The top rate of pay for the classification in which he is placed provided his former rate is equal to or exceeds the top rate of the new classification, or [2] the rate immediately below his former rate provided his former rate is less than the top rate of the new classification, or [3] the beginning rate of the new classification provided his former rate is less than the beginning rate of the new classification.

If such an employee has fifteen (15) or more years of service, he will receive the maximum rate of pay for the job classification in which he is placed, plus a percentage of the difference between his former rate of pay and such maximum for the new job classification. Such percentage will be twenty (20) percent for fifteen (15) years of service and increased by three and three-fourths (3 3/4) percent for each additional year of service, but not to exceed in total seventy-six (76) percent of such difference.

An employee with fifteen (15) or more years of service who is retrogressed due to disability resulting from occupational illness or injury arising out of the course of his employment with the Company shall receive the maximum rate of the job classification in which he is placed plus twenty (20) percent of the difference between his former and new rates. Further, such retrogressed employee shall receive an additional five (5) percent of the difference between his

former and new rates for each additional year of service over fifteen (15), up to a maximum equaling his former rate.

As long as such employee is paid more than the maximum rate for the job classification in which he is placed, he shall receive only fifty (50) percent of any general wage increase, such fifty (50) percent to be calculated on his personal rate.

(b) Applies to employees retrogressed to a job classification included in the salary plan for nonexempt salaried employees:

If the disabled employee has less than fifteen (15) years of service, his initial rate of pay upon retrogression will be: [1] the midpoint of the salary range for the job classification in which he is placed, provided his former rate of pay is equal to or is more than the midpoint of the salary range for his new classification, or [2] his former rate of pay provided such former rate is less than the midpoint of the salary range for his new classification, or [3] the minimum of the salary range for his new job classification, provided his former rate of pay is less than the minimum of the salary range for his new job classification.

If such an employee has fifteen (15) or more years of service, he will receive the midpoint of the salary range for the job classification in which he is placed, plus a percentage of the difference between his former rate of pay and such midpoint for the new job classification. Such percentage will be twenty (20) percent for fifteen (15) years of service and increased by three and three-fourths (3 3/4) percent for each additional year of service, but not to exceed in total seventy-six (76) percent of such difference.

An employee with fifteen (15) or more years of service who is retrogressed due to disability resulting from occupational illness or injury arising out of the course of his employment with the Company shall receive the midpoint of the

salary range for the job in which he is placed plus twenty (20) percent of the difference between his former and new rates. Further, such retrogressed employee shall receive an additional five (5) percent of the difference between his former and new rates for each additional year of service over fifteen (15), up to a maximum equaling his former rate.

Salary adjustments after retrogression shall be in accordance with the salary plan, except that as long as such employee is paid more than the maximum of the salary range for the job classification in which he is placed, he shall receive only fifty (50) percent of any salary range structure movement, such fifty (50) percent shall be calculated on his personal rate.

(c) Such an employee may be provided the above opportunity only with approval of Company management in respect to his ability to perform the job in question.

(d) Where an employee was receiving an Alternate Straight-Time Rate immediately prior to his retrogression, his former rate of pay will be determined by reference to such Alternate Straight-Time Rate only in the event his new job is paid at an Alternate Straight-Time Rate.

(e) Employees incapacitated due to willfully self-inflicted injury, self-employment or employment by others for remuneration, or injured in the commission of a felony shall not be eligible for a position under this section. The Human Resources Department will notify the Local Union when an employee is placed on retrogression.

(f) An employee retrogressed under this Section 3 shall retain his seniority in the classification from which he was retrogressed for a period of two (2) years or a period equal to his Company seniority at the time of his retrogression, whichever is less.

(g) Should a retrogressed employee recover from the disability during the period in which he has retained seniority [as provided in paragraph (f) above] to the extent that he is considered by the Company to be qualified to perform the normal duties of the job classification from which retrogressed, he shall be returned to such job provided his retained seniority is sufficient to displace an employee in the job classification from which retrogressed. The Company may require medical evidence on which to make its consideration.

Section 4. Non- Discrimination

There shall be no discrimination, interferences, restraint or coercion by the Company or its agents or the Union or its agents against any employee because of such employee's race, religion, color, sex, age, national origin, disability, or status as a Military Veteran. Whenever the masculine gender is used in this Agreement, it shall be deemed to include the masculine and feminine gender.

Section 5. Union Bulletin Boards

The Company agrees to permit the Union to erect bulletin boards in conspicuous locations to be agreed upon by the parties hereto, and the Union shall make no postings elsewhere on Company property. Only the following types of notices, provided they are not of a political, commercial, or inflammatory nature, may be posted after they are signed by an authorized officer of the Union: (a) notices of recreational or social affairs of the Union, or (b) notices of Union elections and appointments, or (c) notices of business meetings of the Union.

Section 6. Fire Retardant Clothing

Employees who are required to wear fire retardant ("FR") clothing in the performance of their job duties will be allowed to participate in the Company's

Fire Retardant Clothing Allowance Program. The Company, at its sole discretion, may choose to provide FR protective clothing to employees whose job assignment requires the use of FR clothing for specific jobs.

Section 7. Training

The Company will be responsible for training all newly hired employees in the operations and safety issues of their jobs. Employees accept the responsibility to actively participate in the training and learn the skills required to operate efficiently and safely.

In an effort to enhance Line Mechanic training through the collaborative input of the Union(s), the parties agree to actively explore the establishment of Apprenticeship Program(s) that may be registered with the applicable Federal or State Bureau of Apprenticeship and Training. The purpose of this effort is to provide the Union(s) an advisory role in the development of Line Mechanic training. Such program(s) shall not involve the creation of required numeric ratios of apprentices to journeymen and shall be otherwise in compliance with the terms and conditions of this Agreement or any associated local Agreement.

Section 8. Safety

(a) In such organizational units as the Company determines, the management of the Company shall meet with a Union safety committee, consisting of three members (upon mutual agreement of the parties additional employees may be added), for that unit for the express purpose of receiving suggestions and comments from the Union regarding the Company's safety program. Upon receipt of a written request from the Union, along with an agenda, a meeting shall be scheduled by the Company at quarterly intervals, as needed. The meetings shall be held during normal working hours, and the members of the Union safety committee shall not suffer a loss of their regular straight-time

earnings while attending the meetings.

(b) In the event of a serious accident involving an employee within the bargaining unit, the Company will notify the Business Manager of such and when the Company's Accident Investigation Committee investigates an accident involving an employee within the bargaining unit, at the employee's request, a Union representative or another employee of his choosing who is readily available from the employee's regular headquarters may be present during such interview without loss of regular straight-time earnings.

Section 9. Medical Examinations

The Company reserves the right to require at its own expense, medical examinations and/or tests, including random and/or other drug tests, of any employee. The examined employee, upon his request, shall be furnished with a copy of the medical report.

Section 10. Personal Vehicle Use

When an employee is not furnished transportation by the Company and, at the request of management, furnishes his own transportation in the performance of his assigned duties, he shall be paid according to the applicable job site reporting or travel pay provisions of his applicable Local Agreement. However, at the option of the employee, provided the employee submits the required proof of insurance, an employee furnishing his own transportation for trips over 30 miles from his regular headquarters may be paid the authorized mileage amount in lieu of any job site reporting or travel pay provisions provided in his applicable Local Agreement.

Section 11. Licenses And Certifications

(a) Each employee who may be required to operate a motor vehicle which requires a Commercial Driver's License (CDL) shall maintain a valid CDL.

(b) The Company shall pay the cost of the Department of Transportation CDL physical examination and reimburse the employee for the difference between the full cost of the CDL and the cost of a regular State driver's license.

(c) If the Company deems it necessary to require any new license or certification as a condition of employment, the Company will meet with the Union to discuss the certification or licensing requirements and consider the Union's request for grandfathering an employee who holds the classification that requires the license or certification. This provision does not apply to licenses or certifications required by any governmental agencies or industry oversight groups.

(d) An employee in a position which requires the maintenance of a valid Commercial Drivers License and who has such license suspended or revoked by reason of a non-work related first offense for driving under the influence of either alcohol or unlawful drugs shall be treated as follows. First, he shall be accommodated with non-driving duties for the first 60 days following such suspension or revocation. Thereafter, he shall be permitted to use any remaining vacation entitlement. Upon the expiration of the 60-day accommodation period and the use of any available vacation, he shall be placed on an unpaid leave of absence, which shall not exceed 18 months. If his Commercial Drivers License is reinstated during the 18-month leave of absence, he will be permitted to return to his former classification or any other classification for which he is qualified, provided there is a vacancy.

If the employee's Commercial Driver's License is not reinstated within the 18-month period, or he incurs a second suspension or revocation, his employment will be terminated.

Section 12. Employee Leave of Absence

When the Company's business conditions permit, an employee may be granted a leave of absence for a period not exceeding one (1) year, during which he shall continue to accumulate seniority; provided, however, that for a cause determined sufficient by the Company such leave may be granted for not more than one (1) additional year. No leave may be granted for an employee to take employment elsewhere during such leave, except for employment arranged by or consented to by the Company.

All leaves of absence shall be issued in writing and state the conditions thereof. A copy of such leave shall be kept on file by the Human Resources Manager and a copy furnished to the employee and a copy to the Union.

Section 13. Moving Expense

When it is deemed necessary by the Company and the employee agrees to move to a new residence, the Company shall furnish an insured carrier in the moving business to transport the employee's household articles, furniture and such personal effects as may be necessary to be packed with the household articles and furniture to the new address.

In the event that such employee cannot immediately find a suitable location to which to move his/her family, the Company will pay only the employee's individual reasonable living expenses at his/her new headquarters for a period not to exceed fourteen (14) calendar days.

The section above will only apply when an employee's headquarters is changed at the request of the Company. That is, when an employee initiates a change of headquarters under the provisions of an applicable Local Agreement, the Company will not be required to pay either moving or living expenses.

ARTICLE X

Section 1. Employees shall be permitted to participate in the American Electric Power System Comprehensive Dental Plan, Comprehensive Medical Plan [or alternate medical coverage such as a Health Maintenance Organization (HMO) or Preferred Provider Organization (PPO) should such be made available by the Company], Spending Accounts, Group Accidental Death and Dismemberment Insurance Plan, Group Life Insurance Plan, Dependent Life Insurance Plan, Dependent Care Plan, Long Term Care Plan, Long Term Disability Plan, Retirement Plan, Retirement Savings Plan and Sick Pay Plan.

(b) As set forth in the above-named Plans or the Summary Plan Description (SPD) with respect thereto, the Company reserves the right to change or end any of the Plans, in whole or in part, at any time or for any reason, which could result in modification or termination of the benefits available to employees, former employees, retirees or other participants. The Company's decision to amend, replace or terminate any Benefit Plan may be due to changes in Federal or State law or for any other reason. If the Company does make a change or decides to terminate a Plan, it may decide to set up a different Plan for similar-type benefits. If a Benefit Plan is terminated, no further benefits will be available except for losses or expenses incurred before the Plan was terminated. Any changes made to the above-named Plans will apply to all Company employees participating in the Plans, including not only IBEW-represented employees of the Company, but also employees represented by other Unions, and all unrepresented employees.

(c) With respect to any individual hired on or after January 1, 2014 who is covered by this Agreement, it is agreed and understood that such employees will not be eligible for retiree medical insurance coverage under any plans now in effect and offered by American Electric Power.

Section 2. (a) Employees shall be permitted to participate in the American Electric Power Company wide Incentive Plan (CIP).

(b) Employees shall be permitted to participate in the American Electric Power Paid Parental Leave Plan.

<u>Years of Service</u>	<u>One Time Layoff Allowance Bank</u>
Less than 5 years	816 hours
5 through 7 years	928 hours

Should an employee be laid off, this bank will be payable in bi-weekly installments equal to the employee's regular straight-time rate for eighty (80) hours per two-week period less any unemployment compensation entitlement and by any other income earned in the course of other employment, including self-employment. The Layoff Allowance Bank will be reduced by forty (40) hours per week of layoff regardless of the unemployment compensation offset or other earnings offset. This one-time Layoff Allowance Bank will be available to the employee regardless of the number of times the individual is laid off. However, the total number of Layoff Allowance hours available shall not exceed the original Layoff Allowance Bank established on February 17, 2009 and such Bank shall not be renewable.

ARTICLE XI

ADJUSTMENT OF DIFFERENCES

Section 1. Grievance Procedure

Should any dispute or disagreement arise between an employee or a Local Union and the Company, except disputes or disagreements arising under the Mutual Responsibilities (Article IV, above) or disputes or disagreements relating to the Benefit Plans or the Companywide Incentive Plan specified in Article X, such dispute or disagreement shall constitute a grievance and be disposed of in the following manner:

First Step - The grievance shall be presented by the employee or his Local Union to his immediate supervisor within fourteen (14) calendar days after the incident or occurrence. It is recognized that a grievance involving compensation may not become known to an employee until he receives his paycheck for the work period during which the difference actually occurred. In such instances, an employee may present his grievance within fourteen (14) calendar days of the day he receives his paycheck. The immediate supervisor and/or appropriate Manager shall meet with the aggrieved employee within ten (10) calendar days after receipt of the grievance and shall give an answer in writing within ten (10) calendar days after the grievance meeting.

Second Step - If the grievance is not settled in the First Step, the aggrieved employee or his Local Union may, within ten (10) calendar days after the First Step answer is sent, submit the grievance in writing, including the provisions, if any, of the Agreements alleged to be violated, to the aggrieved employee's Department Manager. The Department Manager (or a designated representative) shall meet with the aggrieved employee within ten (10) calendar

days after receipt of the grievance and an answer shall be given in writing within ten (10) calendar days after the meeting.

Third Step - If the grievance is not settled in the second step, the aggrieved employee or his Local Union may, within ten (10) calendar days after the Second Step answer is sent, submit the written grievance, including the provisions, if any, of the Agreements alleged to be violated, to the Labor Relations Manager. Within ten (10) calendar days after receipt of the grievance, the Labor Relations Manager (or his designee) shall schedule a mutually agreeable date for meeting with the aggrieved employee. The Labor Relations Manager (or his designee) shall give an answer in writing within ten (10) calendar days following the meeting.

In each step of the grievance procedure, a Local Union designated representative who is reasonably available shall be present with an aggrieved employee at any of the meetings provided for above in the three steps of this grievance procedure.

The aggrieved employee or aggrieved employees (maximum of three) and one Local Union representative (an employee who is reasonably available) shall not lose their regular straight-time pay for the time spent at such grievance meetings if held during their regularly scheduled hours of employment.

If the Company fails to render a decision within the time allotted in any step of the foregoing procedure, the grievance shall be deemed denied as of the last day of such allotted time. The aggrieved employee shall have the right to continue with the next step in accordance with the procedure for advancing grievances as defined in each step. If the aggrieved employee fails to meet any of the time deadlines set forth in the foregoing procedure, the grievance shall be deemed withdrawn.

Grievance investigations by employee Local Union representatives will normally be made during other than working hours. However, if such investigations can only be conducted during working hours, permission from the Company must be obtained before proceeding with such investigations. If permission is granted, the employee or employees involved will not lose their regular straight-time rate of pay therefor.

Copies of written answers to all grievances shall be furnished to designated Local Union representatives.

Section 2. Appeal From Suspension Or Discharge

Any regular employee who considers himself improperly suspended or discharged may bypass the first two steps of the grievance procedure and submit a grievance in writing to the Third Step of the grievance procedure. Such grievance must be submitted within fourteen (14) calendar days following the first day of a suspension or the date of discharge and will otherwise be handled in accordance with the grievance procedure as heretofore defined.

Section 3. Arbitration Procedure

(a) In the event of failure to satisfactorily settle or adjust any grievance involving an allegation of a violation of a provision or provisions of the Agreements according to the foregoing grievance procedure, then within thirty (30) calendar days after the answer has been given in the Third Step, such arbitrable grievance may be submitted to arbitration in the following manner:

1. The Local Union shall within said thirty (30) calendar day period give written notice to the Company of its desire to arbitrate the grievance. Such written notice shall include, at a minimum, a statement of the remedy to be sought in

arbitration, and the specific term(s) or provision(s) of this Agreement alleged to have been violated.

2. The Company shall then request a panel of seven arbitrators from the FMCS.
3. The Company and the Local Union then shall select an arbitrator from the panel or panels submitted by the FMCS. Both the Union and the Company have the right to reject one entire panel.
4. The arbitrator shall hold a hearing on a date satisfactory to the Company and the Local Union, for the purpose of receiving such evidence as the Parties may have to present with respect to the grievance.
5. If a stenographic recording of the hearing is requested by either party, the cost of the original transcript shall be borne by the requesting party and a copy of the transcript shall be made available to the Arbitrator for his sole use. If the other party wants a copy of the transcript, it shall make such desire known before the close of the hearing and shall equally share the cost of the original transcript. No other electronic recordings of the hearing other than the above shall be permitted.
6. Within sixty (60) calendar days after the receipt by the arbitrator of all arguments, documents and records pertaining to the grievance, he shall render in writing a statement of findings and a decision. Such decision shall be final and binding on both Parties.

(b) The arbitrator shall have no authority to:

1. add to, detract from, or in any way modify the terms of the Agreements, or
2. pass upon any question involving wage rate schedules, or

3. pass upon any question arising from incidents occurring after the right to strike date established in Article IV, (e)(2), or
4. pass upon any question involving the re-employment rights of a former employee discharged from military service; or the job classification to which an employee on leave of absence for military service is entitled to upon discharge from military service; or
5. pass upon any question involving whether or not a disability of an employee is a result of an injury or occupational disease occurring in the course of employment with the Company; or
6. pass upon any questions which do not involve interpretation or applications of a specific term or terms of the Agreements; or
7. pass upon any question relating to benefits under the American Electric Power System Comprehensive Dental Plan, Spending Accounts, Group Life Insurance Plan, Long Term Care Plan, Long Term Disability Plan, Comprehensive Medical Plan [or alternative medical coverage such as a Health Maintenance Organization (HMO) or Preferred Provider Organization (PPO) should such be made available by the Company], Group Accidental Death and Dismemberment Insurance Plan, Retirement Plan, Retirement Savings Plan and Sick Pay Plan; or
8. pass upon any question relating to the Companywide Incentive Plan or Paid Parental Leave; or
9. pass upon any question relating to the MOU, or to the subject matter contained therein.

(c) The Company and the Union shall each bear their own expenses and shall equally bear all compensation and expenses of the arbitration.

(d) If the Local Union, in submitting a grievance to arbitration, fails to meet any time deadline set forth in the foregoing arbitration procedure (unless the time is extended by mutual consent in writing), the grievance shall be deemed withdrawn.

(e) In all time steps stated in this Article XI, the date of the event which begins the time limit (answer sent, meeting held, etc.) shall not be included in counting the days of the time limit.

Section 4. The System Council will furnish the Company with the names of its duly elected officers and the names of its duly authorized representatives.

Each affiliated Local Union will furnish the Company with the names of its duly elected officers and representatives.
