Kentucky Power Company

REQUEST

Refer to the Elliott Testimony, page 16, lines 7-12. Has Kentucky Power prepared new proposed monthly environmental surcharge forms that reflect the proposed changes described in the testimony?

- a. If yes, provide the revised monthly environmental surcharge forms.
- b. If no, explain why revised monthly environmental surcharge forms have not been prepared and state when they will be available for Commission review.

RESPONSE

a-b. The Company is currently in the process of preparing the revised environmental surcharge forms and will supplement its response to this request when the forms are finalized.

May 18, 2015 Supplemental Response:

Please refer to KPSC_2_37_Attachment1 for the sample monthly environmental surcharge forms to be reviewed at the May 28, 2015 informal conference. The Company remains willing to work with Staff to ensure the forms provide the necessary information.

June 5, 2013 Supplemental Response:

Please refer to KPSC_2_37_Revised_Attachment1.xls for the sample monthly environmental surcharge forms as revised in accordance with Commission Staff's request at the May 28, 2015 informal conference.

The ES Calculation provided in June for the May expense month will use in-service capital costs as of March 31, 2015, in light of the need to implement procedures for updating these values on a monthly basis. The July ES calculation will reflect May capital costs. Thereafter, the information will be presented using the second previous expense month (e.g., the August calculation will reflect June 2015 costs).

The Company respectfully requests that these revised forms be approved as a part of the Commission's approval of the 2014 Environmental Compliance Plan.
