Kentucky Power Company's Motion For Extension Of Time To File Its  
2018 NERC Compliance and Cybersecurity Deferral Report

Paragraph 14(c) of the Settlement Agreement in this proceeding provides:

Kentucky Power agrees beginning on or before March 31, 2016, and each March 31<sup>st</sup> thereafter, it shall make an informational filing with the Commission quantifying and describing the amounts deferred in accordance with this paragraph 14. A copy of this annual informational filing shall be served by Kentucky Power upon counsel for all parties to this proceeding.

In preparing its 2018 report pursuant to this provision the Company identified the need to investigate further and to confirm the effect of the Tax Cuts And Jobs Act of 2017 on the calculated amounts to be reported. Kentucky Power estimates that it can provide the report and supporting calculations by May 1, 2019.

The motion is not made for an improper purpose. The Company believes that granting the motion will not adversely affect its customers, the Commission or its staff, or the parties to this proceeding.

Wherefore, Kentucky Power Company respectfully requests that it be granted leave to file its 2018 NERC Compliance and Cybersecurity Deferral Report on or before May 1, 2019.

Respectfully submitted,
