ATTORNEY GENERAL’S MOTION FOR DEVIATION

Comes now the intervenor, the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention, and respectfully requests a deviation from: [a] 807 KAR 5:001 § 8(3) and (12)(a), pertaining to Electronic Filing Procedures, which requires the filing with the Commission of one paper copy of documents electronically filed; and [b] the Commission’s Procedural Order dated January 13, 2015, numerical paragraph 4 which requires three additional copies of testimony to be filed in paper medium.

In support of this motion, the Attorney General states that his responses to data requests of Kentucky Power Company which he is filing on this date, in particular item numbers 3, 4, 16, 18 and 19, will contain attachments that will likely total in excess of 6,000 pages. The printing of a total of four (4) paper copies of the documents would require excessive time, money, and paper, which the Attorney General does not wish to needlessly expend. The remainder of the Attorney General’s Responses to Data

Requests of Kentucky Power Company and of the Commission Staff shall be filed in accordance with the rules and in conformity with the Commission's Procedural Order.

WHEREFORE, the Attorney General respectfully requests that the Commission grant his motion.

Respectfully submitted,
JACK CONWAY
ATTORNEY GENERAL
