

A unit of American Electric Power

Powering Growth in the Mountains.

Kentucky Power is investing in our communities and working to create and retain jobs. We have an employee devoted full-time to developing business, encouraging investment and growing our economy. Eastern Kentucky has much to offer businesses from across the world and Kentucky Power is working to be a valuable resource for economic development. Working with local leaders we want to “Power Growth in the Mountains.”

In recent months we have

- Sponsored a consultant-led project to develop a regional economic development marketing plan
- Sponsored a consultant-led project to prepare our communities for future industry investment
- Marketed our communities to prospective businesses and industries
- Provided education and training resources for local economic development leaders
- Provided tools and planning resources for local economic leaders

Employee Community involvement

- ARH-Hazard Citizens Advisory Board
- KRADD Senior Games
- Right Tree Right Place Program
- Read To Me Day
