How about December 8, 10 or 12? Still have to check about Nick's calendar, but are the Commissioners available?

John,
I submitted your meeting request for August 22, 2014, and alternate dates of August 25, 2014 and August 26, 2014, but cannot accommodate either of those dates. Would your calendars allow for the meeting to be held on September 30, 2014 at either 10:00 a.m. or 2:00 p.m.? Please advise.

Thanks Kathy. We will be there at 3 PM on September 25th. Also, I have heard back from Columbus and Nick Akins will not be able to attend the meeting on December 11. So you can let that time slot go.

Thanks for letting me know. If you want to check with Nick to get a couple of dates that he can attend a meet and greet, then let me know what they are and I'll check to see if our schedules will allow.

Please consider this e-mail as a formal response to your meeting request received April 7, 2014. You had requested a meeting for AEP's CEO to discuss various issues within Kentucky Power Company. After review of the request, the consensus is that any discussions regarding issues within Kentucky Power Company should take place after the conclusion of your Big Sandy CPCN case. Therefore, the meeting you have requested for May 23, 2014 would need to be scheduled at a time in the future after the conclusion of the CPCN case. Please re-submit your meeting request at a later date.

If you have any questions, or need further assistance, please feel free to contact me.
