**Subject:** July 2013 KY UGRLT Amended Return

Bethany,

Per our conversation on 9/5/13, I have filed an amended UGRLT return for July 2013. The reason for the amended return was due to AK Steel supplying their energy direct pay effective 7/1/13 after their July electric bill was processed. The customer was credited the July UGRLT tax on their August bill, which created a credit for Fairview Board of education. As you requested, I filed August 2013 without the credit and amended the July return.

Please approve and process our refund of \$33,891.27.

If you should have any questions, please let me know.

Thanks,

Jake Samblanet
