Power Company From November 1, 2012)	Case No. 2014-00450
Through October 31, 2014)	

AFFIDAVIT OF JOHN A. ROGNESS

John A. Rogness, first being duly sworn, states:

1. I am of the age of majority and competent to make this affidavit. I have personal knowledge of the matters set forth in this affidavit.

2 I am an employee of Kentucky Power Company("Kentucky Power" or "Company"). My position is Director, Regulatory Services, and my business address is 101 A Enterprise Drive, Frankfort, Kentucky 40602.

3. On June 2, 2015, I testified at the public hearing in this case. During my testimony, counsel for Commission Staff asked me questions relating to the Company's response to Commission Staff's First Set of Data Requests, Item 10 ("Staff 1-10"). In one of these questions, counsel for Commission Staff asked if the values in the "Peak Internal Demand" columns in Attachment 1 to the Company's response to Staff 1-10 included sales made by the Company to its wholesale customers, the Cities of Olive Hill and Vanceburg. At the hearing, I replied that the values in the Peak Internal Demand columns did not include sales made to the Company's wholesale customers. This response was incorrect. The values in the Peak Internal Demand columns in Attachment 1 to the Company's response to Staff 1-10 include sales made to the Company's wholesale customers, Olive Hill and Vanceburg. The values in the Peak System

Demand column in Attachment 1 include sales to the Company's retail customers, the Company's wholesale customers, and off-system sales made by the Company.

4. The Company respectfully requests that the record in this case be corrected to reflect the proper answer to the question posed by Counsel for Commission Staff.

Further the Affiant sayeth naught.
