Re: Case No. 2015-00039  
City of Augusta, Kentucky

Dear Mr. Derouen:

Bracken County Water District (“Bracken District”) submits this letter to clarify one statement contained in Commission Staff’s Memorandum of September 24, 2015.

In its memorandum, Commission Staff writes: “Bracken District stated that it had tried to settle the matter but that there had been no settlement.” At the conference, Bracken District advised Commission Staff that Bracken District had submitted a proposal on August 20, 2015 to the City of Augusta to resolve the rate case proceeding and that, as of the date of the conference, Augusta had not responded to that proposal. As of the date of this letter, Augusta has yet to respond.

Respectfully,

Stoll Keenon Ogden PLLC
