Re: Case No. 2015-00039
City of Augusta, Kentucky

Dear Mr. Derouen:

Enclosed for filing in the above-referenced proceeding is Bracken County Water District's First Request to the City of Augusta and Bracken County Water District's Notice of Filing. Attached to the Notice of Filing are two documents: (1) Bracken County Water District's letter of January 12, 2015 in which it requested substantiation of alleged undercharges; and (2) The City of Augusta's Response of January 30, 2015, which includes eight exhibits. These documents were uploaded to the Public Service Commission's Electronic Filing System on March 18, 2015.

Consistent with its representations at the Conference of March 9, 2015, Bracken County Water District provided a draft copy of its First Request for Information and Notice of Filing to Augusta's counsel and Staff counsel on March 16, 2015 by e-mail. It was prepared to file these documents with the Commission at that time, but deferred such filing until the issuance of an Order authorizing the use of electronic filing procedures and permitting the earlier issuance of requests for information.

Very truly yours,

Stoll Keenon Ogden PLLC
