Motion to Amend Procedural Schedule

Kentucky Power Company moves the Commission to amend the procedural schedule established by the Commission's April 27, 2015 Order in this case. The Company requests that the date for the Company to file its testimony and responses to Staff's first set of data requests be extended 14 days to May 22, 2015. The Company further suggests that other extensions, as determined by the Commission, for the remaining dates in the procedural schedule may also be required.

Kentucky Power states that its resources currently are fully engaged in preparing for the hearing in Case No. 2014-00396. That hearing is scheduled to begin May 5, 2015, or only three days prior to the currently scheduled date for filing the direct testimony and data request responses. The persons responsible for filing testimony and answering the data requests in this proceeding are witnesses in Case No. 2014-00396. A hearing has not yet been scheduled in this proceeding, and thus the amendment should not require a continuance of any hearing.

This motion is made in good faith and not for purposes of delay.

Wherefore, Kentucky Power respectfully requests that the Commission enter an order amending its April 27, 2015 procedural schedule in this case to permit the Company to file its direct testimony and responses to data requests on or before May 22, 2015.

Respectfully submitted,

---
