Re: Case No. 2015-00147
Application for Accreditation of Water Management Training

Dear Mr. Derouen:

Enclosed is a Notice of Filing attached to which are the materials and information required by the Commission's Order of May 18, 2015. Because of their size, the materials that were provided to each program attendee in electronic format on a flash drive were not uploaded with electronic version of this filing when it was filed using the Commission's E-Filing System. A CD-ROM containing the electronic version of these materials is included in the paper version of this filing.

I wish to thank the Commission and Commission Staff on their prompt review and approval of our application.

Very truly yours,

Stoll Keenon Ogden PLLC
