MOTION OF KENTUCKY POWER COMPANY FOR LEAVE TO DEVIATE FROM
FILING REQUIREMENTS

Kentucky Power Company (“Kentucky Power”) moves the Commission pursuant to 807 KAR 5:001, Section 22, for leave to deviate from the requirements of 807 KAR 5:001, Section 8(3) and 807 KAR 5:001, Section 8(12)(b). Kentucky Power requests that it be excused from filing a paper copy of Exhibits 2, 4, and 5 to the Company’s application because of the voluminous nature of those exhibits, and that instead it be granted leave to file those exhibits in electronic format on the enclosed compact disc. In support of its motion, Kentucky Power states:

Pursuant to the 807 KAR 5:001, Section 8(3), Kentucky Power is required to file a paper copy of all documents filed with the Commission through the Commission’s E-Filing System. The identified exhibits to Kentucky Power’s application include technical information supporting the Company’s applications for environmental permits necessary to close the Big Sandy fly ash impoundment. This information is voluminous and contains drawings not conducive to printing.

In connection with today’s electronic filings, the Company proposes to file with the Commission a compact disc containing the identified exhibits in electronic form with the documents in their native format. Through this motion the Company seeks the Commission’s approval for this deviation from the filing requirements.

Wherefore, Kentucky Power respectfully requests the Commission authorize Kentucky Power to file the identified exhibits in the manner described above.

Respectfully submitted,
