RE: Stream Construction Permit #20872-Extension Closure of Horseford Creek Dam and a saddle dam includes re-grading and covering of exposed fly ash with an engineered cap system. The existing dam crest will be lowered and the saddle dam completely removed. AI: 7349

Dear AEP - American Electric Power - Big Sandy Plant:

We have received your request for an extension of Stream Construction Permit #20872-Extension. Since there are no changes in the original plans or circumstances involved, we are extending the expiration date to May 6, 2016. Please note that all restrictions and requirements on the previous permit are still applicable.

If you have any questions, please call me at (502) 564-3410 ext 4595.

Sincerely,

A handwritten signature in cursive script that reads "Gary Wells".
