

**ATTACHMENT 13**  
**Equipment List**  
**Special Waste Landfill Permit**  
**Big Sandy Plant – Ash Pond Closure**  
**Lawrence County, Kentucky**

Heavy construction equipment is anticipated for use in the placement and compaction of the closure/final cap system over the existing fly ash pond. Once construction is completed, no other equipment is required at the site.

The following is a list of the construction equipment for activities related to the closure:

- Excavators;
- Storm water pumps;
- Articulated dump trucks;
- Bull dozers;
- Compactors;
- Rubber tire loaders;
- Graders, and
- Water Trucks.
