401 Water Quality Certification
Special Waste Landfill Permit
Big Sandy Plant – Ash Pond Closure
Lawrence County, Kentucky

The Wetlands Delineation and Stream Assessment Report identified several potentially regulated waterbodies within the project area. The report is included as part of **Attachment 18**. An application for authorization under the 401 Water Quality Certification program will be submitted to the KDEP, Division of Water in the event site development activities have the potential to result in impacts to regulated waterbodies or applicable water quality standards.
