Dear Executive Director:

Enclosed please find and accept for filing the Trimble County Landfill Quarterly Update Report for Louisville Gas and Electric Company (“LG&E”) and Kentucky Utilities Company (“KU”) (“Report”). The Report is provided in compliance with the Commission’s Order dated December 15, 2015 in Case No. 2015-00194.

Please note that LG&E and KU inadvertently did not submit the initial report in accordance with the, “...every three months from the date of this Order...” requirement in Ordering paragraph 6 of the December 15, 2015 Order. Going forward, LG&E and KU will submit future Quarterly Update Reports no later than 30 days following the end of each calendar quarter.

In accordance with 807 KAR 5:001, Section 8, this is to certify that the electronically filed documents are a true and accurate copy of the same documents being filed in paper medium; that the electronic filing has been transmitted to the Commission on May 13, 2016; that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means; and that the original in paper medium of this filing will be filed by hand-delivery with the Commission within two business days from the date of the electronic filing.
