RE: *Investigation of Kentucky Utilities Company's and Louisville Gas and*
Electric Company's Respective Need for and Cost of Multiphase
Landfills at the Trimble County and Ghent Generating Stations
- Case No. 2015-00194

Dear Mr. DeRouen:

Pursuant to Paragraph 3 of the Commission's Order dated August 3, 2015 in the above referenced matter, enclosed please find and accept for filing ten copies of the attachments provided on black thumb drives to the response of Kentucky Utilities Company and Louisville Gas and Electric Company ("the Companies") to Question No. 2(e) of Sterling Venture's First Request for Information dated July 2, 2015.
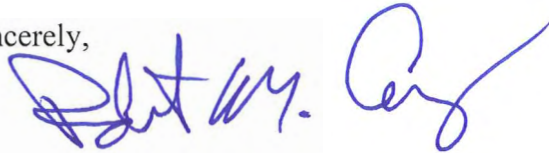

In regards to the response to Question No. 14 of Sterling Venture's First Request for Information dated July 2, 2015, the Companies'response filed on July 16, 2015 stated "See attached" and was referenced in the Company's Petition for Deviation. On July 17, 2015, however, the Companies' amended the data response to indicate that the attachments provided on a thumb drive were filed pursuant to a July 17, 2015 Petition for Confidential Protection. . A thumb drive was provided to the Commission in a sealed envelope along with the original of the Petition for Confidential Protection on July 17, 2015. Pursuant to conversations with Commission Staff Counsel regarding the confidential nature of the response to Question No. 14, the Companies will not

be filing additional copies of the thumb drives containing the confidential information.

Should you have any questions or need any additional information, please contact me at your convenience.

Sincerely,

Robert M. Conroy
