**RE: Application of Louisville Gas and Electric Company and Kentucky Utilities Company Regarding Entrance into Refined Coal Agreements, for Proposed Accounting and Fuel Adjustment Clause Treatment, and for Declaratory Ruling - Case No. 2015-00264**

Dear Mr. DeRouen:

Enclosed please find and accept for filing Kentucky Utilities Company's ("KU") and Louisville Gas and Electric Company's ("LG&E") Joint Responses to the Commission Staff's Initial Request for Information dated September 15, 2015 in the above-referenced matter.

In addition, please be advised that CCS recently informed KU and LG&E that the timing for the projects that are the subject of their application has been delayed. The projects are now likely to be operational in mid to late 2016, rather than in early 2016. The delay is related to current tax equity investor market conditions, operational, commercial and tax conditions and schedules at CCS.

The Order in this proceeding, originally requested by October 15, 2015, is no longer needed by that date. Instead, to ensure that the Units reserved for LG&E and KU remain available for use later in 2016, the Companies request that the Commission's Order in this proceeding be issued by December 1, 2015.
