Re: Case No. 2015-00315
Monroe County Water District

Dear Mr. Gardner:

Monroe County Water District has discovered that the electronic version of three of the exhibits to Monroe County Water District's Application filed with the Commission on February 18, 2016 were incomplete and did not contain addenda that were included in the paper version of the exhibits filed with the Commission on February 19, 2016. A revised electronic version of these three exhibits was today uploaded to the Commission's E-filing System together with the enclosed Notice of Filing. The files containing these exhibits are identified below:

Exhibit	File Name
Exhibit 4 - Specifications for Contract I: Water Treatment Plant	Exhibit-4_Specifications_WTP_REVISED.pdf
Exhibit 6 - Specifications for Contract IIB: Water Lines	Exhibit-6_Specifications_WaterLines_REVISED.pdf
Exhibit 8 - Specifications for IIIB: Elevated Water Storage Facility	Exhibit-8_Specifications_WaterStorageTank_REVISED.pdf

I apologize for any inconvenience that this omission may have created.

Very truly yours,

Stoll Keenon Ogden PLLC
