**NOTICE OF FILING**

Monroe County Water District gives notice that it has electronically filed revised electronic versions of Exhibits 4, 6 and 8 to its Application. These exhibits are the specifications for the proposed facilities for which a certificate of public convenience and necessity is sought. The original electronic version of these exhibits failed to include all addenda to these specifications. The revised electronic version is a complete version of the specifications with all addenda. The specifications filed in paper medium with the Commission on February 19, 2016, contained all addenda.

Dated: February 22, 2016

Respectfully submitted,
