Re: Case No. 2015-00315  
Monroe County Water District

Dear Mr. Derouen:

On September 16, 2015, Monroe County Water District (“Monroe District”) filed its Notice of Intent to File an Application for a Certificate of Public Convenience and Necessity and for Authorization to Issue an Evidence of Indebtedness Using Electronic Filing Procedures. In its Notice, Monroe District stated that its application would be filed with the Public Service Commission no later than October 5, 2015.

On September 23, 2015, Monroe District opened bids on its proposed waterworks projects. Because the bids were higher than anticipated, Monroe District now does not expect to file its application before December 1, 2015. Should Monroe District be unable to file its application by this date, it will notify the Public Service Commission in writing.

Respectfully,

Stoll Keenon Ogden PLLC
