RE: Application of Water Service Corporation for a General Adjustment
in Existing Rates

Case No. 2015-00382

Dear Mr. DeRouen:

Applicant Water Service Corporation of Kentucky, by counsel, hereby provides notice that it is electronically filing its responses to the Commission Staff's Second Request for Information. The undersigned counsel certifies that the Response filed electronically is a true, accurate and complete representation of the original document and has been transmitted to the Commission. No party to this case has been excused from participation by electronic means. A petition for confidentiality related to certain information contained in these responses and a petition for deviation from the regulation are being separately filed on this date. In addition, due to the large file size of the response to Item 7 and the restrictions of 807 KAR 5:001, Section 8(6), WSCK's complete exhibit to that Item will be filed with the Commission and provided to the parties on compact disc, instead of being uploaded.

Pursuant to the 807 KAR 5:001, Section 8, an original in paper medium of the Response shall be filed with the Commission within two business days following the electronic transmission.

Please contact me if you have any questions.

Sincerely,
STURGILL, TURNER, BARKER & MOLONEY, PLLC

M. Todd Osterloh
