

STIPULATION, SETTLEMENT AGREEMENT AND RECOMMENDATION

This Stipulation, Settlement Agreement and Recommendation (“Agreement”) is entered into and effective this 2nd day of May 2016 by and among Water Service Corporation of Kentucky (“WSCK”), the Office of the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention (“AG”) and the City of Clinton (the “City”) in the proceeding involving the above parties, which are the subject of this Agreement, as set forth below. (WSCK, the AG and the City are referred to collectively herein as the “Parties.”)

W I T N E S S E T H:

WHEREAS, WSCK filed on November 30, 2015, with the Kentucky Public Service Commission (“Commission”) its Application in *In the Matter of: Application of Water Service Corporation of Kentucky for a General Adjustment in Existing Rates*, and the Commission has established Case No. 2015-00382;

WHEREAS, the AG and the City have been granted intervention by the Commission in this proceeding;

WHEREAS, the Parties desire to recommend to the Commission that it enter its Order setting the terms and conditions that the Parties believe are reasonable as stated herein;

WHEREAS, it is understood by all Parties that this Agreement is an agreement among the Parties concerning certain matters at issue in these proceedings pursuant to 807 KAR 5:001, Section 9(6);

WHEREAS, the Parties have spent significant time to reach the terms and conditions that form the basis of this Agreement;

WHEREAS, the Parties, who represent diverse interests and divergent viewpoints, agree that this Agreement, viewed in its entirety, is a fair, just and reasonable resolution of issues in this proceeding; and

WHEREAS, the Parties recognize that this Agreement constitutes only an agreement among, and a recommendation by, themselves, and that all issues in this proceeding remain open for consideration by the Commission at any formal hearing in this proceeding.

NOW, THEREFORE, in consideration of the premises and conditions set forth herein, the Parties hereby stipulate, agree, and recommend as follows:

1. WSCK should be authorized to adjust its rates in order to permit it to recover \$2,462,154 in annual revenue, effective on the date the Commission approves this Agreement. This revenue requirement reflects an annual increase of \$361,892 over pro forma present revenues.

2. The increased revenue requirement shall be reflected in increases to the service charges and volumetric rates as shown in the rate schedules in the attachment marked as Exhibit A. These rates are designed to allow WSCK to recover the increased revenue from customers in its Middlesboro and Clinton service areas in the manner agreed to by the parties to this Agreement, as shown in the attachment marked as Exhibit B. The parties agree that these rates are fair, just, and reasonable.

3. WSCK shall continue using its current depreciation rates and will not change them as originally proposed in its application.

4. WSCK anticipates requesting Commission approval in its next case seeking a general adjustment of rates to use depreciation rates that are consistent with the National Association of Regulatory Utility Commissioners Study of Depreciation Practices for Small Water Utilities. The AG and the City shall not object to WSCK's request to use depreciation rates that are consistent with that study.

5. WCK will engage an expert to prepare a cost-of service and rate design study to be filed in WCK's next case for a general adjustment of rates. The AG and the City shall not object to the recovery of reasonably incurred, associated expert costs in WCK's rates.

6. WCK shall not file an application for a general adjustment of rates with the Public Service Commission before June 1, 2018. This limitation does not prevent WCK from filing requests for purchased water adjustments at any appropriate time and receiving approval thereon.

7. Consistent with previous rate cases filed by WCK, rate case expense shall be amortized over a three-year period. The AG and the City shall not object to any remaining unamortized rate case expense being recovered in WCK's rates authorized in the next rate case.

8. Each Party waives all cross-examination of the other Parties' witnesses unless the Commission disapproves this Agreement. The Parties stipulate that, after the date of this Agreement, they will not otherwise contest WCK's application in this proceeding, as modified by this Agreement, during the hearing in this proceeding, and that they will refrain from cross-examination of all witnesses during the hearing, except insofar as such cross-examination supports the Agreement or WCK's application subject to the terms and conditions of this Settlement.

9. The Parties agree that the foregoing terms and conditions represent a fair, just, and reasonable resolution of the issues addressed herein.

10. The Parties agree that, following the execution of this Agreement, the Parties shall cause the Agreement to be filed with the Commission.

11. The Parties agree to act in good faith and to use their best efforts to recommend to the Commission that this Agreement be accepted and incorporated into any Order approving WSCK's application in this proceeding.

12. If the Commission issues an Order adopting all of the terms and conditions recommended herein, each of the Parties agrees that it shall file neither an application for rehearing with the Commission, nor an appeal to the Franklin Circuit Court, with respect to such Order on a specific issue agreed to or explicitly not objected to by that party in this Agreement.

13. The Parties agree that if the Commission does not implement all of the terms recommended herein in its final Order in this proceeding, or if the Commission in its final Order in this proceeding adds or imposes additional conditions or burdens upon any or all of the Parties that are unacceptable to any or all of the Parties, then, upon written notice by any Party: (a) this Agreement shall be void and withdrawn by the Parties from further consideration by the Commission and none of the Parties shall be bound by any of the provisions herein, provided that no Party is precluded from advocating any position contained in this Agreement; and (b) neither the terms of this Agreement nor any matters raised during the settlement negotiations shall be binding on any of the Parties to this Agreement or be construed against any of the Parties.

14. The Parties agree that this Agreement shall in no way be deemed to divest the Commission of jurisdiction under Chapter 278 of the Kentucky Revised Statutes.

15. The Parties agree that this Agreement shall inure to the benefit of, and be binding upon, the Parties, their successors and assigns.

16. The Parties agree that this Agreement constitutes the complete agreement and understanding among the Parties, and any and all oral statements, representations, or agreements

made prior hereto or contemporaneously herewith, shall be null and void, and shall be deemed to have been merged into this Agreement. The Parties specifically rescind the Stipulation, Partial Settlement Agreement, and Recommendation executed on April 4, 2016.

17. The Parties agree that, for the purpose of this Agreement only, the terms are based upon the independent analysis of the Parties to reflect a fair, just, and reasonable resolution of the issues herein and are the product of compromise and negotiation.

18. The signatories on behalf of WSCK and the AG warrant that they have informed, advised, and consulted with the Parties they represent in this proceeding in regard to the contents and significance of this Agreement, and based upon the foregoing are authorized to execute this Agreement on behalf of the Parties they represent.

19. The Mayor of the City warrants that she has been informed, advised, and consulted with the City Attorney, who represents the City in this proceeding in regard to the contents and significance of this Agreement, and based upon the foregoing is authorized to execute this Agreement on behalf of the City.

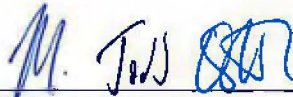

20. The Parties agree that this Agreement is a product of negotiation among all Parties, and that no provision of this Agreement shall be strictly construed in favor of, or against, any Party.

21. The Parties agree that this Agreement may be executed in multiple counterparts.
