**RE: THE JOINT APPLICATION OF LOUISVILLE GAS AND ELECTRIC COMPANY AND KENTUCKY UTILITIES COMPANY DEMAND-SIDE MANAGEMENT FOR THE REVIEW AND MODIFICATION OF THE SCHOOL ENERGY MANAGEMENT PROGRAM  
CASE NO. 2015-00398**

Dear Mr. DeRouen:

Louisville Gas and Electric Company (“LG&E”) and Kentucky Utilities Company (“KU”) (collectively the “Companies”) are writing to clarify the request filed by the Companies on December 11, 2015 in the above-referenced proceeding.

The Companies' application requested an Order approving the extension of the School Energy Management Program (“SEMP”) and the proposed tariffs to permit recovery of the costs associated with the program. The Companies filed tariffs with an effective date of January 10, 2016. On December 18, 2015, the Commission issued an Order that suspended these tariffs for five months from January 10, 2016, up to and including June 9, 2016. In their application, the Companies requested the Commission to issue a final order in this proceeding by April 1, 2016. Approval by this date allows the Kentucky School Board Association to properly budget funding for the upcoming fiscal/school year. While the Companies have requested approval of the SEMP and associated cost recovery in advance for planning purposes, the Companies intended to request that new rates be effective for service rendered on and after June 30, 2016.
