CASE NO. 2015-00415**

Dear Mr. DeRouen:

I am writing to advise the Commission that Louisville Gas and Electric Company (“LG&E”) has determined not to file the above-referenced application at this time. LG&E will, however, continue to evaluate new and current demand-side management and energy efficiency programs and expects to request approval in the future of such programs.

This letter is being filed electronically pursuant to 807 KAR 5:001, Section 8. I certify that the electronically filed document is a true representation of the document in paper medium to be filed with the Commission within two business days from the date of this electronic filing, and that all materials in the paper document are included in the electronic filing.

Should you have any questions regarding the enclosed, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Rick E. Lovekamp". The signature is written in a cursive, flowing style.
