REQUEST

Please refer to Attachment 3 (VSuites Raw Data tab) to the Company's response to KPSC 1-9. Please explain why coal purchases for the Wilson and Green stations were not presented for Big Rivers Electric Corporation.

RESPONSE

Information concerning the Green and Wilson stations owned by Big Rivers Electric Corporation was not included in KPCo_R_KPSC1_9_Attachment3 (VSuites Raw Data tab) because the Velocity Suite search engine used by the Company to gather the requested information incorrectly listed these two stations as being operated by a company other than Big Rivers. The Company contacted ABB Inc., the entity that owns and maintains Velocity Suite, and informed it of this issue. ABB Inc. changed the plant operator listing for the Green and Wilson stations to correctly show Big Rivers Electric Corporation.

KPCo_R_KPSC1_9_Attachment1.pdf has been modified to include the additional stations and is attached as "KPCo_R_KPSC_Post_Hearing_Attachment1". KPCo_R_KPSC1_9_Attachment3 (VSuites Raw Data tab) has been updated to include the additional Big Rivers stations and is attached as "KPCo_R_KPSC_Post_Hearing_Attachment2".
