**Application of Louisville Gas and Electric Company for Certificates of Public Convenience and Necessity and Approval of Its 2016 Compliance Plan for Recovery by Environmental Surcharge**  
**Case No. 2016-00027**

Dear Ms. Bell:

On May 27, 2016, counsel for Kentucky Utilities Company and Louisville Gas and Electric Company filed a motion requesting the Commission schedule an informal conference in these cases on Friday, June 10, 2016 at 9:30 am. The Attorney General advised the parties and Staff Counsel of a scheduling conflict. I am writing to advise that the parties have consulted and can now advise they and the Commission Staff are available to meet at the requested informal conference on June 9, 2016 at 11:00 am at the Commission's offices.

This is to certify that the June 2, 2016 electronic filing of this letter is a true and accurate copy of the same document being filed in paper medium; that the electronic filing has been transmitted to the Commission on June 2, 2016; that there are currently no parties that the Commission has excused from participation by electronic means in these proceedings; and that an original paper medium of this letter will be mailed to the Commission on June 2, 2016.

Yours very truly,

Kendrick R. Riggs
