**Re: Notice of Federal Communications Commission's Affordable  
Connectivity Program Service Plans  
Case No. 2016-00059**

Dear Executive Director Bridwell:

Pursuant to the order entered on February 21, 2022, in the above referenced case, please let this letter serve as notification to the Public Service Commission of the Commonwealth of Kentucky that Starlink plans to eventually participate in the Affordable Connectivity Program ("ACP"). At this time, Starlink has not finalized the necessary details, as it is still awaiting Rural Digital Opportunity Fund ("RDOF") authorization. Upon final RDOF authorization, Starlink will promptly provide the requisite attachment(s) detailing its ACP plan offering(s) to Kentucky Lifeline customers, the total cost of the program offered through the ACP, and a description of how the ACP and federal and state Lifeline support will be applied to eligible Lifeline plans in Kentucky.

In the event there are questions concerning this matter, please contact me.

Very truly yours,

R. Edward Price
