ProNet does not intend to acquire local phone customers in the future, regardless of the KUSF contribution rate established by the Commission in this matter, so ProNet has no interest in participating in this case.

Therefore we respectfully request to be withdrawn form Case No. 2016-00059. ProNet Communications is not an eligible ETC (Eligible Telecommunications Carrier) that benefits from KUSF or contributes to KUSF. If you have any questions or concerns please feel free to contact me directly.
