

VERIFICATION

I, Tony Taylor, Executive Director of External Affairs for AT&T Kentucky, do hereby state that I have read the foregoing Responses to First Requests for Information and that the facts and information therein are true and accurate to the best of my knowledge, information and belief and that they were formed after a reasonable inquiry from the records and files kept by AT&T Corp. in the regular and ordinary course of business and from interviews of appropriate employees of AT&T Corp.

Tony Taylor

COMMONWEALTH OF KENTUCKY)
)
COUNTY OF JEFFERSON)

I, the undersigned, a Notary Public in and for the State and County aforesaid, do hereby certify that the foregoing document was presented before me by Tony Taylor, who is personally known to me, and I further certify that s/he signed and acknowledged the same to be her/his true act and deed in due form of law.

Witness, my hand, this the 18 day of Aug., 2016.

Notary Public, KY, State-At-Large
My commission expires: 7-25-2020

1. Provide the KUSF reimbursement forms submitted to the Commission and the Department of Finance and Administration from January 2014 to the present.

Response: See Attachment 1

2. Explain how the total number of subscriber lines is calculated for the KUSF reimbursement form when a new customer receives service in the middle of a month.

Response: Subscriber lines reported on Line 1 of the KUSF reimbursement form are calculated based on the number of customers within Kentucky who are billed the KUSF charge during the calendar month. Such counts include new customers who start service in the middle of the month.

3. Explain how the total number of subscriber lines is calculated for the KUSF reimbursement form when a customer leaves in the middle of a month.

Response: Subscriber lines reported on Line 1 of the KUSF reimbursement form are calculated based on the number of customers within Kentucky who were billed the KUSF charge during the calendar month. Such counts include customers who leave during the month if a final bill was issued during such month.

4. Explain how the KUSF surcharge remittance is calculated when you experience a bad debt. Explain whether none of the surcharge amount or the full surcharge amount billed to, but not paid by, the customer is remitted.

Response: The KUSF surcharge is remitted based on amounts billed and collected from the customer. Amounts are remitted based on billed amounts net of write-offs during the calendar month.

5. State whether you believe the Commission should wait until the FCC's Investigation of Lifeline Reform¹ is concluded before rendering a decision in this proceeding, and explain the basis for your response.

Response: AT&T Corp concurs in AT&T Kentucky's Response to Item 5 of the Staff's First Request for Information to All Parties.

¹See *Lifeline and Link Up Reform and Modernization*, we Docket No. 11-42; *Telecommunications Carriers Eligible for Universal Service Support*, we Docket No 09-197; *Connect America Fund*, we Docket No. 10-90.

6. State how soon upon the issuance of an Order by the Commission changing the KUSF surcharge that you are or anticipate being able to implement the changes on customer bills. If it differs by type of account, provide the information for each type of account, along with the number of access lines for each account type.

Response: AT&T Corp will require sixty (60) days from the time of the Commission's order before the increase can become effective.
